Lincoln went up to Catherine Fontaine and he hugged her, and Catherine Fontaine is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Catherine Fontaine: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Catherine Fontaine, Daydream Friendship Princess of Magic, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Twilight Sparkle combined with the powers she has being Lincoln's Guardian Angel, and she's more than just a member, she's the leader of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Catherine Fontaine and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Catherine trained Lincoln a lot with using the powers of Magic and Friendship, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates all of Lincoln's enemies with a blazing passion because they were just as dangerous as The Doomsday 23 and The Midnight Knights of Royal Woods, and Catherine Fontaine has put them in their place more than once: which means getting them in trouble with The Loud Parents and Good Siblings and the cops, and in the cases of Chandler, Flip, Scoots, Hawk, Hank, Killjoy Huggins, Lewis Travolta, and the rest of his enemies: throwing them in jail like the criminals they were.

Nico: Wow, that's so awesome!

Lincoln: Yep, and like Selene Emperyous and the Sailor Scouts on my side, she hated all of my enemies because of how dangerous they were and compared them to The Doomsday 23 and The Midnight Knights, that was just how much she hated them, and now that you're here, Catherine.

Lincoln went up to and hugged Catherine Fontaine in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Catherine Fontaine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Catherine Fontaine with purple gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Catherine Fontaine: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Catherine Fontaine, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Catherine Fontaine's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Catherine Fontaine had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Laste, Lune, Beth, Herrsche, Chario, Ermite, Mors, and Vires from Shin'en no Labyrinthos: Temptation of Demoness.

Lincoln: Oh wow, it's Laste, Lune, Beth, Herrsche, Chario, Ermite, Mors, and Vires from Shin'en no Labyrinthos: Temptation of Demoness.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Laste: Yes, we're okay, thanks to you.

Laste: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Laste: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Laste, Lune, Beth, Herrsche, Chario, Ermite, Mors, and Vires with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone was shocked to find out the villains we went after were Caleb Goldman, who's come back from the dead, along with the head of all the catastrophes in the House of the Dead series, Thornheart.

But, when Lincoln showed what we all did in beating them both down and destroying their creatures and sending Thornheart and Goldman to The Black Gates forever, everyone cheered and they hugged us and Lincoln's harem kissed him on the lips and all over his face and body. Lincoln and Catherine Fontaine have a lot of catching up to do, now that she's back in town.

Maria: That's the end of Thornheart, Goldman, and Curien for good.

Lincoln: They did this because of their hatred towards mankind, and they deserved it.

Me: Now, they're gone for good.

Nico: You said it, those monsters deserved it.

---

After we destroyed Caleb Goldman and Thornheart, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Catherine Fontaine saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Catherine Fontaine: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the

powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Catherine, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Catherine Fontaine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Catherine Fontaine: I knew it was only a matter of time before he told everyone that story.

When Tracey Mink saw me doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Tracey Mink: What a hunk!

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a male with wild black hair and red eyes of hatred and he was dressed in a red prison jumpsuit, it was Carlos Madison, Audrey Madison's equally insane, evil, and sadistic older brother.

Nico and Lincoln: WHAT THE HELL IS THAT PIECE OF SHIT DOING HERE?!

Me: Whoa, you know him?!

Lincoln: Unfortunately, that's Carlos Madison, Audrey Madison's equally insane, evil, and very sadistic older brother, he's just as evil and insane as Audrey. We sent him to prison after we'd foiled one of his schemes to destroy the world.

Nico: Looks like he's broken out and came here to get revenge on us for what we did in sending Audrey Madison and her fucked-up parents to The Black Gates.

Lincoln: Well, he'll be joining them very soon. Let's get him!

We flew out of the World Tree Estate, and Lincoln, Nico, and I fired rainbow energy blasts at Carlos Madison, and that got him super pissed off and we landed.

Nico: I should've known you'd show up here, you piece of crap. Still furious Lincoln and I killed your piece of shit insane evil sister and equally insane fucked-up evil parents?

Carlos Madison: SHUT THE FUCK UP! YOU MURDERED MY SISTER AND PARENTS, YOU WHITE HAIRED FREAK AND YOU MONKEY-TAILED FUCK!

Lincoln: Your insane evil sister and equally insane evil parents deserved it, now it's your turn to pay.

Carlos Madison suddenly got out a container full of green liquid and he drank the liquid. Suddenly, Carlos Madison felt something rush into him as he felt his muscles suddenly began growing larger and even more powerful and he also grew up to 9'0" in height, and he now abnormally massive and powerful upper and lower body muscles with eight-pack abs and veins formed on his body, and he let out a bellowing roar as he ripped the top of his jumpsuit.

Me: UH OH!

Carlos Madison went charging at Lincoln, but he fired blasts of earth which hit them on the head and knocked them down. Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Carlos Madison's chest, and then, Lincoln began absorbing Morgan Richards into his body as he and all of the males on the team assimilated all of his massive muscle mass, virility, and physical strength and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Carlos Madison except for his tattered jumpsuit pants, and he banished Carlos Madison to The Black Gates. Then, we returned home to continue our workouts.

Qin: That better be the last time we see any more relatives of that insanely evil, sadistic, and monstrous slut!

Nico: If we ever see anymore of that slut's insanely evil, sadistic, and monstrous relatives, we are going to hunt them all down and kill them.

Lincoln: You said a mouthful.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Lucifer, Leviathan, Satan, Belphegor, Mammon, Beelzebub, Asmodeus, Windblade (Transformers Robots in Disguise 2015), Simulator Strawberry Sunrise, Puzzle Solver, Hip Hop Squeezie, Freckle Curl, Blessing Heart, Knowit All, Scarlett Extremas, Minia Starr / The Scarlet Ninja, Blue Love, Ariab Night, Golden Waves, Roll Model, Showcase Song, Devamane, Krystal Klear, Cyberwarp (Transformers Robots in Disguise 2015), Sonar, Universe 666 Animated Blackarachnia, Minerva, Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, and Rust Dust and they hugged the girls in their abnormally massive and powerful muscular arms and Lucifer, Leviathan, Satan, Belphegor, Mammon, Beelzebub, Asmodeus, Windblade (Transformers Robots in Disguise 2015), Simulator Strawberry Sunrise, Puzzle Solver, Hip Hop Squeezie, Freckle Curl, Blessing Heart, Knowit All, Scarlett Extremas, Minia Starr / The Scarlet Ninja, Blue Love, Ariab Night, Golden Waves, Roll Model, Showcase Song, Devamane, Krystal Klear, Cyberwarp (Transformers Robots in Disguise 2015), Sonar, Universe 666 Animated Blackarachnia, Minerva, Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, and Rust Dust placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Lucifer, Leviathan, Satan, Belphegor, Mammon, Beelzebub, Asmodeus, Windblade (Transformers Robots in Disguise 2015), Simulator Strawberry Sunrise, Puzzle Solver, Hip Hop Squeezie, Freckle Curl, Blessing Heart, Knowit All, Scarlett Extremas, Minia Starr / The Scarlet Ninja, Blue Love, Ariab Night, Golden Waves, Roll Model, Showcase Song, Devamane, Krystal Klear, Cyberwarp (Transformers Robots in Disguise 2015), Sonar, Universe 666 Animated Blackarachnia, Minerva, Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, and Rust Dust as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, thirty-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucifer, Leviathan, Satan, Belphegor, Mammon, Beelzebub, Asmodeus, Windblade (Transformers Robots in Disguise 2015), Simulator Strawberry Sunrise, Puzzle Solver, Hip Hop Squeezie, Freckle Curl, Blessing Heart, Knowit All, Scarlett Extremas, Minia Starr / The Scarlet Ninja, Blue Love, Ariab Night, Golden Waves, Roll Model, Showcase Song, Devamane, Krystal Klear, Cyberwarp (Transformers Robots in Disguise 2015), Sonar, Universe 666 Animated Blackarachnia, Minerva, Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, and Rust Dust with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Lucifer, Leviathan, Satan, Belphegor, Mammon, Beelzebub, Asmodeus, Windblade (Transformers Robots in Disguise 2015), Simulator Strawberry Sunrise, Puzzle Solver, Hip Hop Squeezie, Freckle Curl, Blessing Heart, Knowit All, Scarlett Extremas, Minia Starr / The Scarlet Ninja, Blue Love, Ariab Night, Golden Waves, Roll Model, Showcase Song, Devamane, Krystal Klear, Cyberwarp (Transformers Robots in Disguise 2015), Sonar, Universe 666 Animated Blackarachnia, Minerva, Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, and Rust Dust are in your harem, Linky.

Lucifer, Leviathan, Satan, Belphegor, Mammon, Beelzebub, Asmodeus, Windblade (Transformers Robots in Disguise 2015), Simulator Strawberry Sunrise, Puzzle Solver, Hip Hop Squeezie, Freckle Curl, Blessing Heart, Knowit All, Scarlett Extremas, Minia Starr / The Scarlet Ninja, Blue Love, Ariab Night, Golden Waves, Roll Model, Showcase Song, Devamane, Krystal Klear, Cyberwarp (Transformers Robots in Disguise 2015), Sonar, Universe 666 Animated Blackarachnia, Minerva, Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, and Rust Dust showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Lucifer, Leviathan, Satan, Belphegor, Mammon, Beelzebub, Asmodeus, Windblade (Transformers Robots in Disguise 2015), Simulator Strawberry Sunrise, Puzzle Solver, Hip Hop Squeezie, Freckle Curl, Blessing Heart, Knowit All, Scarlett Extremas, Minia Starr / The Scarlet Ninja, Blue Love, Ariab Night, Golden Waves, Roll Model, Showcase Song, Devamane, Krystal Klear, Cyberwarp (Transformers Robots in Disguise 2015), Sonar, Universe 666 Animated Blackarachnia, Minerva, Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, and Rust Dust, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember

when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

Later it was time for the first ever ambassador mission of Laney Loud and we are going to meet Ultraman Taiga.

Lana: Laney I'm really excited for you.

Laney: Me too Lana! This will be awesome!

Me: It stands for the Enterprise of Guard and Investigation Services. It's a private security organization that investigates Alien related cases.

Nico: Wow! Like Men In Black.

Me: Almost exactly like it.

Hiroyuki: Minus the high tech weapons.

Me: Yep.

Laney: (Sighs) And this is a Rabbid.

Rabbid Gibbering.

Hiroyuki: (LAUGHS) Cute little guy.

Misty Tredwell: (LAUGHS) Yeah they are cute but they silly idiots.

Me: Same here and it's truly an honor.

Homare Soya: Same here. Welcome to EGIS.

Me: Thanks.

Homare Soya: We saw all your adventures with the Kamen Riders and the Sentai Teams over the last 2 years and you guys were awesome!

Me: Those were some of our most and action packed adventures.

Nico: We met some of the Kamen Riders during a terrible event called the 20 Days of Darkness and it was cool meeting them.

Pirika Asahikawa: That is really cool!

Me: Yeah.

The Rabbid tried licking a socket.

Laney grabbed it with her vines and brought it back.

Laney: Now now don't do that.

The Rabbid blew a raspberry at her. But Laney wasn't intimidated.

Me: See they aren't the brightest lightbulbs in the closet.

Hiroyuki: I see your point. By the way we heard about what happened during your Ambassador Missions at the start. Is Dark Eddy coming?

Me: No you don't need to worry about him. He was given the Black Gates earlier this year at the start of the Dragon Knight Riders missions.

Hiroyuki: That's good.

Me: Yeah.

Hiroyuki: You guys can help us bring down Kirisaki.

Me: Can you tell us all about him?

Laney: Yeah he must be our main target for my big day.

Hiroyuki: Yep and you guys are not going to like him.

He went over his history

---

Ultraman Tregear (ウルトラマントレギア Urutoraman Toregia), also known by his human host Kirisaki, is the major antagonist in Ultra Series. Tregear is a sadistic and merciless Ultra who used to be a scientist for the Land of Light, but he suddenly turned to the dark side unknowingly and began to commit mass destruction on several planets. He is the former friend of Ultraman Taro and the archenemy of Tri-Squad.

He is the overarching antagonist of Ultraman R/B and Ultraman Orb The Movie: Let Me Borrow the Power of Bonds, the main antagonist in Ultraman R/B The Movie: Select! The Crystal of Bond and Ultraman Taiga, as well as the secondary antagonist of Ultraman Taiga The Movie: New Generation Climax and a recurring antagonist in Ultra Galaxy Fight: New Generation Heroes.

He was voiced by Yuma Uchida and suit acted by Shinnosuke Ichikawa, including his human host portrayed by Kou Nanase.

As told in Ultraman Taiga Novel: Tregear's Story/Blue Shadow, in his younger days, Tregear was once a student of Ultra Elementary School who befriended his classmate Taro. The two went through several adventures together, such as trespassing into a forbidden region that later revealed to be the tomb where those who fell during Great Ultra War buried at and got into troubles with the teachers in process and stopping the outbreak of DNA-assimilating organisms born from some sort of primordial soup of life within an ancient space ship that inadvertently released while dealing Gagoze threat at Planet Tika-Du. During that time, Tregear studied topics which Land of Light never bother to explore such as night, darkness, loneliness, and fear at the library just as he himself saw his best friend as a symbol of light. Tregear also wrote a poem of Taro to express it, though his said friend thought little of it beyond seeing his talent for poetry.

Tregear's days following his graduation were not kind to him. Not only he failed to follow Taro in joining Inter Galactic Defense force, but when he joined the Bureau of Space Science and Technology instead so he could continue assist his friend and brethren, Tregear's mentor, Hikari, got resigned and left to Planet Arb out of guilt over his Life-Force Solidification invention being the cause of many attacks on the Land of Light before they could complete the device that could transform an Ultraman's particles to be taken into other creatures for multiversal travel purposes. As dismayed as he was, Tregear chose to press on and made a significant progress thanks to Taro's advice to rely on bonds through the latter's experience with humans. Eventually, once they completed and miniaturized the machine together, the two named it Taiga Spark as per Taro's suggestion. Despite such success, Taro's departure and misfortunes that followed it dismayed Tregear further to the point of inspiring him to write a poem which about him wallowing in the darkness; throughout conflicts against forces of evil, enemies of Land of Light consistently matched his people's defenses despite improvements that had been made that battles only escalate. Further disillusioned by uneventful history of Land of Light, including Hikari's fall to vengeance that made him understood his sorrow, Tregear concluded that his people's ideals were nothing more than deception, and that they fight because they have power instead of upholding justice as they believed to be, making them and those they fight against as, effectively making their ideals and enemies being two sides of the same coin. And so, he denied the position of Deputy Director of the Bureau of Space Science and Technology before departed from Land of Light.

Arriving at Planet Tutuola, Tregear found a pool of organic matter among rubbish that was managed by the Intersellar Alliance there. To ease his loneliness and finding it similar with one he and Taro encountered at Planet Tika-Du long ago, Tregear used the matter to create a slug-like life form resembling Namegon which he named Snark, which translated into "Chibisuke" on the Land of Light. Unfortunately, the creature grew large and aggressive, forcing the Ultra to exploit a bug in its DNA to force it to transform into different kinds of creatures before putting Snark out of its misery by turning it into a dying flower. Sometime after leaving the planet out of guilt, Tregear was surprised by the news of Taro naming his son Taiga, proving that Taro still cared with him and indeed named Taiga Spark after his would-be future son. However, Tregear delved further into the darkness just as his best friend and his son went on the path of light.

Throughout his long journey, Tregear's belief of light and darkness being meaningless grew through ordeals he went through. At that point, he managed to decipher the ancient writings he had encountered on Planet Tika-Du long ago, and his discovery brought him to Planet Volhes at the Milky Way. Opening the abyss in the ruins at the planet, Tregear discovered primordial chaos gods the all-powerful kaiju Grimdo comprised of within, sealed to maintain the balance in the universe. Just as Belial allowed the spirit of Alien Reiblood to merge with him and became the infamous Ultra-Reionyx he is now, Tregear allowed Grimdo to merge with him through his color timer, transforming into a fallen Ultra like Belial himself. Abandoning his identity as an Ultra, Tregear began his quest to spread chaos and discord throughout universes. Notably, it was he who bestowed Mulnau her crystal-based powers and created Reugosite, a very deadly bioweapon Rosso, Blu, and Grigio fought in the past, from a harmless Space White Blood Cell.

Tregear learned that Riku Asakura had befriended an Alien Pegassa and found it bizarre. He decided to use Gan-Q to capture Pegassa and have Riku murder him and become like Belial. He threw them both into R/B's universe and summoned Gan-Q and Bemstar to destroy Ayaka City. After he learned about how Ultraman Rosso connected with the Taro Crystal, he made Katsumi Minato his next target. Then Tregear contacted Yukio Toi to help him grasp his dream of destroying the world that he loathed. He corrupted him with the kaiju, Snake Darkness and sent him to planet Hostar 21. Tregear then approached Katsumi and showed him a scene of

Mecha Gomora rampaging before he sent him to planet Hostar 21, leaving him alone with Snake Darkness.

During the battle between Rosso, Geed, and Snake Darkness, Tregear arrived at the latter's side, gaining the upper hand against the good ultras. However, the Minato siblings merge into Ultraman Groob. After the battle, it appeared that Geed slew Tregear with his Wreaking Nova, but Tregear survived it and left earth.

Tregear reappeared in Ultra Galaxy Fight: New Generation Heroes. Where he approaches Ultra Dark-Killer and the rest of the villains, requesting Dark-Killer to create more Darkness Copies of the New Generation Heroes, for the purpose of "proving" a point where Light & Dark can be viewed as one.

It is now known if it's Prior to the Series of Ultraman Taiga. But Began with Tregear confronting Ultraman Taro & the New Generation Heroes near The Land of Light and finished them off with his Trera Ultigeyser but then Tri-Squad arrived and start to strike down Tregear successfully, but then he begins to reduce them into atoms, causing their premuse defeat. Taro, in enraged, charges at Tregear and it is unknown what happened next.

Twelve years later on, Tregear made his return and is now made to becoming Ultraman Taiga's arch-nemesis and began planning to hunt him down. While he was on earth, he gained a human form by the name of Kirisaki and began calling down a kaiju named Hellberus to attack Taiga and do his bidding.

As Tregear confronts Taiga again after years. Tregear plans to break what's left in Taiga by killing everything he loves, including his host Hiroyuki, it starts by killing his Pet Guesra, Chibisuke and remorselessly killed him while Chibisuke tried to protect Taiga. In despair, Taiga attempts to fight Tregear but only to leave him to easily escape, leaving Taiga left in sadness.

After his last defeat, his body was put back together since his powers prevented him from dying. However, a portion of the monster, Grimdo was freed from him because the battle with Taiga caused the seal contain Grimdo to loosen. Unfortunately for the kaiju, the New Generation Ultras managed to re-seal Grimdo. But it costed them their ability to transform into Ultras again. Meanwhile, Tregear sent an illusion to Planet Volhes to lure out Ultraman Taro. Taro wanted to help Tregear, but Tregear informed him that Grimdo was heading for earth where Taiga was. Fearing his son's safety, Taro bolted for earth to stop Grimdo.

In the disguise of Kirisaki, Tregear waited on earth for Taro to arrive while he battled EIGS members, Homare Soya, Hikaru Raido, and Sho. Tregear revealed his true plan to them when they met. After Grimdo possessed Taro, Kirisaki vanished to meet up with his fallen friend.

The EIGS members confronted Tregear, who summoned a few kaiju to battle the New Generation Ultras after they regained their powers. After they destroyed the kaiju, the ultras tried to help Taiga turn his father back to the light until Tregear stopped them. They managed to push through Tregear however, and the latter truly came to realize that he had lost everything. This caused him to succumb to madness and despair, offering himself to Grimdo. He sacrificed his physical form to restore the kaiju to full power. While his body was gone, his essence put him in full control over the monster.

Now called Tregear-Grimdo, he overpowered all of the ultras. But Taro came up with an idea. He advised the New Generation Heroes to fuse with Taiga's Ultra Horns while he would distract Tregear-Grimdo. This allowed them to fuse into Ultraman Reiga, giving him the power to deflect Tregear-Grimdo's attacks. Finally, Reiga shot Grimdo in the eye with his Reiga Ultimant Blaster. Tregear called out to Taro in sorrow. And with that, Tregear was truly destroyed.

---

When he was done we were shocked and horrifying and I was mad!

Me: (GROWLS) That monster son of a fucking bitch!

Laney: What an absolute fiend!

Misty Tredwell: No kidding!

Me: We're DEFINITELY going to be sending him to the black gates!

Laney: What about the monsters you guys fight?

Me: I remember seeing those. They were cool.

Hiroyuki: They sure were. We're going to fight them and a new one.

He pulled out a newspaper and it showed mysterious girls with black dresses and angel wings as black as the night flying around.

Me: Whoa. (Reading) "Mysterious Night-Winged Angels have Citizens of Tokyo and Police on Edge. Citizens hide in homes in terror as mysterious angels of darkness spread terror all over the city." Whoa! This is unusual.

Laney: Wow!

Misty Tredwell: That is creepy.

Hiroyuki: The one that was spotted earlier had powers like Lodestar.

WE GASPED!

Me: Then that must mean! (GASP) Oh dear god! The Embodiments of the Aliens of Ben!

Nico: Now we have Embodiments of Ben's aliens too!? How many embodiments are there!?

Me: Lots of them. And the one that you saw was Larina Lodestar! She's half human and half Biot-Savartian and has all the powers of Lodestar.

Magneto: Now I see why I came along for this. You guys need my magnetic powers to help subdue her.

Misty Tredwell: Actually, you pretty much volunteered along with Hawkgirl. This was just a coincidence

Me: Well still nonetheless it will be helpful.

Hawkgirl: it's true.

Laney: So who are these embodiments? Are they Plumber Kids?

Me: No they have no affiliation with the Plumbers whatsoever. They are girls that are like the ones we know.

Galatea Ghidorah: They are like me and my fellow embodiment.

Galatea Gojira: Yeah

Laura: I'm also the gene-slammer of a Florauna.

Nico: Yep.

Me: That's Wildvine's kind.

Laney: Yep.

Hiroyuki: Wow that is amazing.

Me: Also you guys are the very first of many for the Ultraman Heroes. Ultraman has been on since 1966.

Hiroyuki: Wow! That is cool.

Me: Yep. You guys gave been on 5 years longer than Kamen Rider.

Hiroyuki: Neat.

Nico: Wait until you see Way Big!

Me: And Ultimate Way Big!

Eli: Cool! Wait! I sense something! I sense the Night Winged Angel Girl that you saw in the park.

Me: Whoa! Then we better get over there.

Hiroyuki: Eli is always right on that one!

Nico: Lets get moving!

Misty Tredwell: Your monsters might be with her too.

Eli: We're ready for them.

We were off.

We arrived at the park.

Nico: Lets keep our eyes peeled.

We walked around and everyone was looking out for their children.

Me: Hmm.

Nico: Nothing out of the ordinary so far.

We looked around.

Me: Wait look!

We saw a girl with blond hair and she had pitch black angel wings and a black dress and she was crying hard.

Me: Larina? Is that you?

Larina Lodestar: (CRYING) No J.D! Stay away from me! Don't come any closer! I don't want to hurt you or anyone!

Me: Larina just let us help you.

Larina Lodestar: NO GO! I don't want to hurt you! I can't help myself!

Me: Why?

She looked at me and had pierced red eyes and a vampire fangs!

WE GASPED!

Me: Vampire Angels!

Nico: Oh man!

Eli: Wait! She's trying to fight it. I sense it.

Nico: She's not alone!

We saw NIGHT FANG! From episode 7 of Taiga!

---

Night Fangs were a species of monsters that induced nightmares in humans and Ultras through sound waves.

A Night Fang arrived in ancient times at Kuzuryu Village during a solar eclipse, and caused disasters. However, the villagers were protected as long as they gave it human sacrifices. These sacrifices eventually led the village to go off the map as all the visitors, and the villagers themselves, sacrificed themselves to Night Fang. It was sealed into a mountain by a shrine maiden, who used the power of a shining sword formed from the energy of the Earth to trap it within a mountain. The village remained populated by the spirits of those sacrificed to Night Fang.

Many years later, it is both revered and feared by the villagers, who call it by the name Akame-sama (赤目アカメ様, lit. Lord Red-Eyes). An Alien Babarue and his accomplice Alien Hook disguised as ordinary humans to unleash Night Fang, but they needed to use the net idol Ai Tennoji's powers, since she was the reincarnation of the shrine maiden who once sealed away Night Fang. To that end, the Babarue posed as her producer. Eventually, the aliens took off their disguises and forced Ai to unseal Night Fang, who reappeared under an eclipse after the aliens were dealt with, and the spirits of the sacrifices disappeared. It easily blasted Ultraman Fuma down with its fireballs and fought against Ultraman Taiga but Taiga was no match for it. To the Demon's Mountain! Even after getting hit by the Aqua Blaster, Night Fang took off towards the city.

As soon as it landed, Night Fang emitted sound waves from its third eye, causing everyone in the vicinity to fall asleep and get trapped in nightmares, which Night Fang fed off of. Luckily, Pirika Asahikawa, who was still awake due to wearing headphones that muffled out the sounds, woke the city up using a noise cancelling wave. Hiroyuki Kudo quickly transformed into Taiga, but was still not a match for Night Fang. Seeing this, Ai Tennoji went to aid Taiga by drawing out the remains of the Earth energy within Night Fang, to summon the sword of light that once sealed it away, and granted it to Taiga. The Taiga Key Holder reacted with it and absorbed its energy, transforming Taiga into his new form, Photon-Earth. With the power of the Earth within him, Taiga trounced Night Fang and destroyed it once and for all with the Aurum Strium. From its remains, the Night Fang Ring emerged and was retrieved by Hiroyuki.

Night Fang returned when Kirisaki summoned it from its Kaiju Ring to stop Ultraman Fuma and Ultraman Titas from reaching Taiga, who had been corrupted by Ultraman Tregear. However, Titas, Fuma and Hiroyuki had managed to rescue Taiga from the darkness, granting him his newest from - Tri-Strium. Using the Taiga Tri Blade, Taiga finished off Night Fang by slashing it repeatedly.

---

WE GASPED!

Me: WHOA! That's Night Fang!

Eli: I remember him!

Hiroyuki: Time to get my game face on!

Eli: Yeah! Lets both get our gamefaces on! Ghidorah come forth!

Eli raised his hand into the air and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

A massive fiery explosion blasted up out of the ground and it formed into a huge fireball and then it exploded numerous times and formed into KING GHIDORAH!

King Ghidorah landed.

It saw Night Fang and was ready for action!

Night Fang roared!

Hiroyuki: TAIGA! BUDDY UP!

He went Ultraman! HE TURNED INTO ULTRAMAN TAIGA!

He was the size of Night Fang!

Me: WHOA!

Nico: WHOA! That's Ultraman Taiga!? WOW!

Eli: Yep.

Hawkgirl got out Magneto's Eyecon!

WILLIAM GILBERT!

Magneto: Ah the famous man that discovered magnetism.

Hawkgirl: That's right! MAGNETIC RAY BLAST!

She fired a magnetic ray blast and it hit Night Fang and blasted him all over.

King Ghidorah and Galatea Ghidorah fired Gravity Lightning and the blasts hit Night Fang and exploded all over!

KRABBBBBBBOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOMMM!

Night Fang roared in pain all over!

Larina tossed a large metal chunk at Magneto. But Magneto used his magnetic powers and hurled it back.

Magneto: That is amazing that we have the same powers.

I flew at Larina and grabbed her.

Me: Larina listen to me. I know you don't want to hurt people but please at least let us help you and find a way to save you.

Larina Lodestar: You don't understand! I was infected by something that made me this way!

Me: Infected!? How?

Larina Lodestar: I don't know!

Me: Hold on!

I pulled out a blood tube from my first aid kit and extracted some blood from her.

Me: Just need to test this at our lab. We'll help you.

Laura got out her Eyecon.

Laura: Take this one! (ACTIVATES IT)

WILLIAM DANIEL CONYBEARE!

Laura Wynn: He was the man that first proposed the Carboniferous Period back over 350 million years ago.

Nico: Wow! Interesting.

She fired a wave of leaves and blasted Night Fang. King Ghidorah and Galatea Ghidorah fired Gravity Lightning blasts and they hit Night Fang all over!

KRABBBBBOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBOOOOMMMMM! KRABBBBBBOOOOOOOOOOMMM!

Laney got out her eyecon!

Laney: Feel this brawn!

BANE AND PAUL ANDERSON!

She activated them and grew to She-Hulk size and she was awesome and muscular!

Laney: Time for some brawn!

She jumped and punched Night Fang all over with devastating force and bashed him with incredible power and it was awesome!

Ultraman Taiga: Wow! That was cool!

Misty Tredwell: Taste this!

She got out her Eyecon and activated it.

LIEUTENANT JACQUES KAREL HENRI VAN STEYN VAN HENSBROEK!

Misty Tredwell: He was the explorer that discovered the island of Komodo in Indonesia.

Nico: WOw! I didn't know that!

Misty fiired a Komodo fire blast and it hit Night Fang and blasted him all over.

Larina elbowed me.

Me: OOF!

But I held on to her and Larina then used her magnetism to throw a truck at me.

Nico: Oh truck.

Magneto used his magnetic powers and threw the truck and it hit Night Fang and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Nice one!

Ultraman Taiga: Wow! That was cool! Now for this one! ULTRA BLAST BEAM!

He fired a wave of energy and it hit Night Fang and he EXPLODED!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed and a purple light came and landed in my hand and it was a Night Fang Charm for Ultraman.

Me: Cool!

Nico: Night Fang you have failed this city!

Larina used her magnetism to aim several cars at us!

Laura: IS SHE CRAZY?!

Magneto smashed the cars into fiery rubble with his powers!

Me: Larina stop!

Larina Lodestar: I can't!

I then put anti-magnetism bracelets on her arms and it stopped her.

Me: Larina let us help. We'll find out more about what's going on in the lab.

Larina Lodestar: (Crying) Okay. I'll come quietly.

Hiroyuki: That was awesome though.

Eli: Just like old times huh Hiroyuki.

Hiroyuki: Yep.

Nico: Is anyone else coming?

?: I think I missed the battle.

We saw a Greymon!

Me: Whoa! Greymon!

Nico: Is Tai with us too?

Greymon: (In a girls voice) Nope. Just me.

Nico: Wait! Erica Grey!? Whoa!

She reverted back and was a girl with orange hair and had blue eyes and had orange and blue clothes and she had orange angel wings and had a symbol of Greymon in the middle of her forehead and she had a fire sword in her hand.

Erica Grey: Awesome to see you again Nico. And Laura! Wow! You're looking awesome!

Laura Wynn: Thanks Erica! Awesome to see you again.

Nico: Same here. Erica is my friend from school that is a master of fire.

Me: Cool! Do you have any favorite memories of Nico?

Erica Grey: I sure do. When me and Nico were in the cafeteria and it was super spicy chili Tuesday and we had 30 bowls and it was the most we ate.

Me: WHOA! You are a huge master of spicy food.

Erica Grey: Yep.

Nico: Awesome.

Nico and Erica hugged.

Nico: I've missed you Erica.

Erica Grey: Same here.

Hiroyuki: Does this happen to you all the time here?

Me: Practically on a daily basis. We meet Embodiments and Gene-slammers all the time. We have Team Rocket and the Paradigm Brothers dirty work to clean up 24/7.

Eli: Yeah.

Hiroyuki: It's still cool though that you guys are reuniting with some of your friends.

Me: Yep.

We later went back home.

---

We came back.

May: Hey guys. How did it go?

Me: Really awesome! Laney did a great job on her first mission!

Lincoln: I'm so proud of you Laney.

Luna: Way to go Lanes!

Laney: Thanks guys. It was awesome.

Rita: We're so proud of you sweetie.

Laney: Thanks mom.

Nico: Next time, Juniper Lee, Zick, and Hay Lin should go with you guys.

Eli: Awesome ideas.

Me: Yeah. And so can their respective archenemies.

Xenia: Yep. We're back in business with the Ambassadors.

Lola: Yep. Ambassador Missions 2024 is underway!

* * *

Poromon was working on something.

James (Pokémon): Poromon, it's James. You remember the remaining Volcanbender family?

Poromon: Uh oh, don't tell me. Are they on the move?

James: Yes they are.

Poromon: Then lets go get them!

James Victreebel screamed and then…

CHOMP

He was chewing on James' head.

James: NOT MY FACE VICTREEBEL!

Poromon: Victreebel, that's enough!

It listened to him.

James: Hey how come it listened to you and not me?

Poromon: I… don't know.

Qin: Still funny though.

Poromon: Lets get a move on.

They went to the police station.

---

Me, Varie and Poromon were riding with Sheila in the Police Helicopter.

Varie: I've always wanted to ride in a Police Helicopter.

Me: Me too!

Sheila: This will be fun guys!

We were off.

It was fun riding in a helicopter.

Sheila: Fun huh guys.

Me: There! Target at 9:00!

We saw a black van.

Varie: There's their car!

Sheila: All units are in pursuit!

NUMEROUS cop cars were chasing it.

Razorclaw: Anyone have a sniper rifle?

I pulled one out and it was ready to fire.

Me: Locked on.

I had it locked on and ready to fire.

Sheila: Take the shot.

BANG!

I fired and it pierced through the van and the van swerved and crashed into a street light!

CRASH!

Varie: Nice shot!

Sheila: YEAH!

Sallia, Gloria and Valenrine Came out.

They were mangled up.

Me: Sallia, Gloria and Valenrine Volcanbender, This is the Gotham Royal York Police Department! We have you surrounded! Give yourselves up and put your hands in the air!

The police got out and drew their guns at them!

They fired at us and then…

Me: OPEN FIRE!

NUMEROUS BANGS!

Nico: Take this! (FIRES MINI GUN) (LAUGHING LIKE PETER GRIFFIN)

Eli: (FIRES MINI GUN!) GIGGITY GIGGITY GIGGITY GIGGITY

GIGGITY GIGGITY!

THEY WERE PUMPED FULL OF LEAD!

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and incinerated them into ashes!

All but Sallia were dead!

?: Leave this one to me!

A girl with purple hair and green eyes and a star dress with star wings and the 9 planets orbiting around them appeared and she had a tiara with the symbol of Astro Man on.

Allie Astro: Allie Astro, Embodiment of Astro Man will take care of this bitch!

Nicole: Allie! Wow!

Star Strike: It's great to see you.

Shanan: Yeah you are looking awesome.

Allie Astro: Same to you Nicole and you too Star Strike and Shanan. Its been a while. We can talk later. I'll face her.

Poromon: So will I!

Allie Astro: JUPITER THUNDERSTRIKE!

She fired a blast of lightning from Jupiter and electrocuted her.

Poromon pecked her all over.

Allie Astro: MARS INFERNO!

She fired a massive wave of fire from Mars and burned her.

Poromon: YOU WANT TO SEE SOMETHING SCARY!? (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S UGLY ISN'T IT!

SHE SCREAMED!

Allie Astro: EARTH WIND SLICER!

She fired waves of wind from Earth and blew her around in a tornado.

Nico: Wow! That is so awesome!

Poromon: But I like using Lightning Javelin.

Nico: He doesn't like to use any other power.

Me: Oh. But now we've seen the last of the Volcanbender family.

Xenia: Good riddance.

Me: Yeah good fucking riddance.

Grimlock: How did you Astro Man Girl meet Video Game Girl and Alien Species Girl?

Allie Astro: I met Shanan when she was in botany and zoology classes and she is really smart about them all and more. She taught me so much about all kinds of creatures and even creatures I knew nothing about. Also I met Nicole when I was in space camp and she taught me so much about space and more.

Nicole: It's true.

Me: Would you like to join the team?

Allie Astro: I would be honored.

Blackfire: Well Poromon, What have we learned today?

Poromon: I… don't know.

Blackfire: Next time, don't call scumbags over the phone when we're trying to take them by surprise. Because that's how 3 of them got away the first time

Nico: Or it will come back to bite you in the butt big time.

Me: But nonetheless you did save the entire country from the terror of an evil family that was terrorizing the country for years.

Xenia: You sure did.

Poromon: Thanks guys.

Nico: No problem.

Lisa Loud: Indeed. And Nicole I got the test results on Larina.

She showed a file to us.

Nicole: Blackwinged Guardian Eatos Virus 12?

Lisa Loud: Yes it turns anyone into Vampire Blackwinged Angels of darkness.

Rafael: Like how Guardian Eatos was when she got corrupted by the Orichalcos.

Xenia: Geez!

Lisa Loud: I still don't know who made the virus. But I do know who infected Larina with it.

Nico: Who?

Lisa Loud: Lord Zedd and Rita.

WE GASPED!

Nico: (GROWLS) Those monsters!

Xenia: Now I REALLY Can't wait to kill those jerks!

Me: No kidding!

Maria: So, you're saying someone made that virus and gave it to them?

Lisa Loud: Correct. From the looks of things, it isn't anyone in their crew.

Me: You think it's Xehanort?

Nico: Highly unlikely. But he can't be ruled out.

Camie: Yeah.

May: For now, we should keep investigating into this.

Nicole: We'll have to synthesize the cure for this.

Xenia: Good idea.

Camie: Yeah.

Lisa Loud: I'll get on that as well.

Nico: Okay.

Sheila: But thanks for all your help in taking down the Volcanbender family.

Nico: Aww it was nothing.

Camie: Yeah it was awesome.

Poromon: That phone call threat was worth it!

Me: Yep and you said it much better than I could have done.

Xenia: Yeah that is for sure.

Varie: Yep.

Lola: Yeah.

Nico: But who knows how many people the Volcanbenders kiilled while they were on the run?

Me: Good question.

Lola: Yeah.

Camie: Those guys were horrible.

Xenia: Yeah. They make the worst ever serial killers look like kittens in comparison.

Leni: Really? Were they cute?

Me: Leni it's just a figure of speech.

Poromon: I'm the one who's cute!

Me: Poromon I was being figurative.

Poromon: Oh sorry.

Me: No worries.

Manaphy: I'm still proud of you Poromon.

Poromon: Aww it was nothing.

Lola: Yeah that was cool.

Varie: It sure was.

Me: Still fun though. (StOMACH GRUMBLES) Uh oh!

LOUD FART!

I farted right into NICO'S FACE!

Nico: EW!

Me: Sorry Nico. I had some chili for lunch and something in it is not sitting well with me!

LOUD FART!

I farted in May's face!

Me: Oops sorry May.

May: (GAGS) No worries.

Maria put on a gas mask.

Me: (GROANS)

LOUD FART!

I farted and then the smell ripped off her gas mask and she smelled it and threw up all over Nico!

Me: Oh man! I think I better go home and lay down.

Nico: Good idea. Yuck!

Maria: Sorry Nico.

I went back home.

Nico: Lets go home with him.

Maria: Okay.

Maria washed off Nico and everyone went back home.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Vince: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with

ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

I groaned in pain as I had REALLY NASTY GAS!

LOUD FARTS!

FART FART FART FART FART FART FART!

Poromon jumped on my belly.

Poromon: WEEEE!

FART FART FART FART FART FART FART FART!

Me: (LAUGHS)

Nico: That's funny.

Me: (LAUGHS) But it makes me feel like a I'm a whoopee cushion.

Luan: (LAUGHS) Makes you a gas! (LAUGHS) Get it?

WE LAUGHED!

Eddy: (LAUGHS) Yeah!

Poliwag jumped on my belly!

LOUD FARTS!

Me: (LAUGHS) That's funny!

Camie: YEAH!

Carly Atlas: (LAUGHS) Yeah! But I know what happened. I called Chief Wiggum as we were walking and found out that he accidentally put explosive flatulence laxatives in his chili.

Me: Uh oh.

Nico: OH NO!

LOUD GRUMBLING!

Me: UH OH! BATHROOM!

I ran to the bathroom!

Nico: DUCK AND COVER EVERYONE!

Manaphy hid behind the couch!

EVERYONE HID! THEN…

ATOMIC SUPER BRICKLEBERRY FART!

The fart was REALLY MASSIVE AND POWERFUL!

YOU DO NOT WANT TO KNOW WHAT HAPPENED!

I later came back after washing my hands.

Me: Ahh! OH FUCK THAT FEELS BETTER!

Horsea: You better now?

Me: Yeah. Thanks guys.

Nico: Anytime. We need to talk with chief Wiggum about his chili. I think he's reading labels wrong.

Manaphy: Maybe later.

Me: Yeah. And guys I would not go into that bathroom for a couple of days or weeks.

My toilet comes out of my bathroom groaning.

My toilet: Please, please, somebody put me out of my misery! [toilet jumps into Nico's hands, coughing] Have mercy on my soul… ! [toilet dies]

Nico: NOW I HAVE TO BUY ANOTHER TOILET!

Qin: GEEZ!

Me: Sorry.

Nico: At least the bathroom can be fixed up.

Me: Yeah.

Camie: But it was still funny though. But seriously we should talk to Wiggum about his chili.

Lola: Yeah!

Me: I agree. YOU WOULD NOT BELIEVE HOW MANY TOILETS WE WENT THROUGH BECAUSE OF THAT!

Nico: But they're still pretty good and spicy!

Me: NOT WHEN IT GUTS YOU LIKE THIS!

Nico: We should at least talk about him getting the labels wrong.

Me: Yeah. Anyway we should get ready for our latest mission.

Nico: Good idea there.

We went and got ready.

Poromon: Wonder what our next mission is.

Me: Lets turn to the mission finder.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Walter "Walt" Boggis, Nathaniel "Nate" Bunce, and Franklin "Frank" Bean collectively known as Boggis, Bunce, and Bean from Fantastic Mr. Fox, and those three are causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Walter "Walt" Boggis, Nathaniel "Nate" Bunce, and Franklin "Frank" Bean collectively known as Boggis, Bunce and Bean from Fantastic Mr. Fox, and those three are causing havoc.

We gasped.

Me: Looks like we got three varmints to put in their place, and that's in a cold prison cell.

Nico: You said a mouthful. Alright, gang, we got three varmints to take care of.

Lincoln: They're going to get quite a beating after everything they've done.

Me: Yeah! First we'll watch the movie Fantastic Mr. Fox and then we'll head out.

Lola: I'll go make the popcorn.

Qin: Okay.

The Previous Group came.

Trumbipular: Can me, Harpymon, Baron Mordo, Thundermon, Felix Faust, Dumbbelltron, Titanium Man, Kyd Wykkyd, Misty Tredwell, and Magneto go with you. guys?

Nico: Yes you can come with.

Trumbipular: (SNIFFS) WHEW! Man what died in here!?

Me: Don't fucking ask! We're going to watch Fantastic Mr. Fox.

Trumbipular: Cool!

Me: Yep.

We got to watching the movie.

---

While raiding Berk's Squab Farm, Mr. Fox triggers a fox trap caging himself along with his wife Felicity. She reveals her pregnancy to her husband and pleads with him to find a safer job if they escape, and he agrees.

Two human years (12 fox years) later, the Foxes and their son Ash are living in a hole. Mr. Fox, now a newspaper columnist, moves the family into a better home inside a tree, ignoring the warnings of his lawyer Clive Badger about how dangerous the area is for foxes due to its proximity to facilities run by three farmers: Walt Boggis, Nate Bunce, and Frank Bean.

Soon after the Foxes move in, Felicity's nephew Kristofferson Silverfox comes to live with them due to his father receiving long-term medical treatment for double pneumonia. While Mr. and Mrs. Fox welcome him, Ash finds this situation intolerable, as his soft-spoken cousin is superior to him at almost everything and is charming everyone at his expense. Longing for his days as a thief, Mr. Fox and his opossum friend Kylie, the superintendent, steal produce and poultry from Boggis and Bunce's farms. They take Kristofferson along on the raid on Bean's cider cellar, which deepens Ash's resentment. Mr. Fox conceals these outings from

Felicity, who becomes suspicious when unexplained food appears in their larder.

Angered by the raids, the farmers decide to kill Mr. Fox. They camp out near his home, and when Mr. Fox emerges, they open fire but only shoot off his tail. After demolishing the site of the tree while attempting to dig Mr. Fox out, they discover the Foxes have dug an escape tunnel. As the Foxes will have to surface for food and water, the farmers wait at the tunnel mouth. Underground, Felicity is upset that Mr. Fox returned to his thieving ways.

The group encounters Badger and many other local animal residents whose homes the farmers have also destroyed. As the animals begin fearing starvation, Mr. Fox calls them together and leads them on a digging expedition to tunnel to the three farms, stealing all of their prized goods. While the animals feast, Ash and Kristofferson begin to reconcile after Kristofferson defends Ash from Beaver's son.

Discovering that Mr. Fox has stolen their goods, the farmers and the fire chief flood the animals' tunnel network with some of Bean's cider, forcing the animals to retreat to the sewers. Ash and Kristofferson slip away from the celebration and return to Bean's farm, intending to reclaim the missing tail, but Bean's wife captures Kristofferson. Realizing that the farmers plan to use Kristofferson to lure him into an ambush, Mr. Fox heads to the surface to surrender but returns when Rat, Bean's violent security guard, confronts the animals and attacks Ash and Felicity. A fight between Mr. Fox and Rat results in the latter being pushed into a generator, electrocuting him. Before dying, Rat reveals that Kristofferson is being held in an attic in Bean Annex, prompting Mr. Fox to organize a rescue mission.

Mr. Fox asks the farmers for a meeting in Paddington near the sewer hub, offering to surrender himself on the condition that the farmers free Kristofferson and spare the other animals. The farmers prepare an ambush, but the animals, anticipating it, launch a counterattack that allows Mr. Fox, Ash, and Kylie to enter Bean Annex undetected. Ash frees Kristofferson and impresses his father and the group by braving enemy fire to release a rabid beagle to keep the farmers at bay. The animal snatches the fox tail from Mr.

Bean and rips it apart. Kristofferson picks up the torn tail as the group escapes back to the sewers.

As the farmers wait for the animals to come out of the manhole, the animals settle into their new homes in the sewers, inviting any other animals to join them. Soon after, Fox (sporting the tail as a clip on) raids a supermarket owned by the farmers, where Felicity reveals her upcoming pregnancy as the animals dance in the aisle, celebrating their abundant new food source.

---

We watched the movie and it was awesome. Then we bursted out into laughing!

Brittney: So funny!

Qin: Yeah!

Lola: So we're going after Boggis, Bunce and Bean next.

Me: Yep.

I went over their history

---

Walter "Walt" Boggis, Nathaniel "Nate" Bunce, and Franklin "Frank" Bean (collectively known as Boggis, Bunce and Bean) are the three main antagonists of Roald Dahl's 1970 book Fantastic Mr. Fox and Wes Anderson's 2009 stop-motion animated film adaptation of the same name. After Mr. Fox steals from their farms, Bean calls a meeting between the three and plans to obliterate Mr. Fox and his family.

Boggis was voiced by Robin Hurlstone, Bunce was voiced by Hugo Guinness, and Bean was voiced by the late Michael Gambon, the latter of whom also portrayed Albert Spica in The Cook, The Thief, His Wife, and Her Lover, Jan Jarmokowski in The Beast Must Die, Lt. General Leland Zevo in Toys, and Eddie Temple in Layer Cake.

Walter Boggis tends to extremely hate Mr. Fox due to his constant theft of his chickens, which the foxes seem to like. His farm is the first in a three-stage plan by Mr. Fox to steal food for his family. The farm plan initially consists of a few aged beagles, whom Mr. Fox tranquilizes with blueberries laced with sleeping powder. He and his accomplice Kylie are then confronted by an electric fence, a security measure missed in the heist plan. Fortunately for them, an opening to a closer chicken farm is available, allowing the two thieves to succeed in their plan, despite triggering an alarm. No sooner do they leave (via climbing up the still-active electric fence) does Boggis arrive, armed with a shotgun and two employees. He only finds his unconscious beagles and a single blueberry, which knocks him unconscious after eating it.

Nathaniel Bunce has heartburn, possibly because of the goose livers, which gives him a horrible temper, meaning he is constantly angry. After stealing chicken livestock from Boggis' farm, Mr. Fox and Kylie journey to Bunce's farm, where despite a series of security cameras tracking their every movement, they easily evade capture. This is due to Bunce completely ignoring the camera monitors and reading a magazine on the Alpine mountains. A considerable supply of frozen ducks and geese are stolen as a result.

Franklin Bean never bathes or washes at all; with the result that he smells and his ears are all clogged up with wax and dirt and such things. Bean is the smartest of the three farmers, very cold and calculating. He always remains flat in his tone, but can lose his temper, when in such he would rage out of control and proceed to wreck anything within reach. He also possesses a certain degree of condescension for Boggis and Bunce upon meeting them, where he inquires as to their well-being, then continues without giving them a chance to reply. Bean is shown to be leader of the group as well as the most intimidating and dangerous of the trio.

Boggis, Bunce and Bean are incredibly wealthy and Mr. Fox has been stealing their livestock to provide food for his family. However, the farmers are tired of being outsmarted by Mr. Fox and attempt to ambush him at his home on a hill, only to shoot off his tail. The farmers try to dig them out first with shovels then shoveling machines, but Mr. Fox and his family dig further underground to escape them. Worse still, when their neighbors come to see what they're doing, they are immediately made a laughingstock of, but they refuse to give up and vow not to return to their farms until they have caught Mr. Fox. The farmers then decide to camp on the hill and starve Mr. Fox out. They also ask all the men on their farm to surround the very bottom of the hill, in case Mr. Fox finds a way out, so they can definitely capture and kill him (and possibly every last animal in the wood, according to Badger). Three days later, the fox family and the local animals are doomed to starve. However, Mr. Fox comes up with a plan to raid the farms with the help of the other animals, while the three farmers are still waiting at the hole. It's unknown what happened to them afterwards, but the narrator concludes: "And so as far as I know, they're still waiting."

When Mr. Fox moves into his tree home, he notices the farms owned by Boggis, Bunce and Bean and hatches a plan to raid their farms with the help of his opossum assistant, Kylie. Badger warns him about the farmers, but Mr. Fox ignores him. Mr. Fox and Kylie head over to Boggis' farm and raid his chicken house, while drugging the guard dogs with blueberries. Boggis heads over to kill the culprit, but gets drugged out when he finds a blueberry. The following night, Mr. Fox and Kylie head over to Bunce's refrigerated smokehouse and raid the frozen ducks and geese as they manage to elude capture, due to Bunce completely ignoring the security cameras. Mr. Fox and Kylie then head off to Bean's cider cellar with the help of Mr. Fox's nephew, Kristofferson. Upon entering, they are confronted by Bean's enforcer Rat and are almost caught by Bean's wife. However, they manage to steal the bottles of cider and escape.

Meanwhile, Bean calls in a meeting between Boggis and Bunce and they hatch a plan to ambush Mr. Fox at his home. Mr. Fox and Kylie exit the tree and the farmers open fire on them, but they only succeed in shooting off Foxy's tail. The three farmers then use shovels obtained by Petey on Bean's orders to dig out Mr. Fox and his family, but they manage to escape the trio by digging underground.

The next morning, the three farmers use backhoes also obtained by Petey to continue digging and the fox family dig further into the earth as the farmers destroy their tree. Bean then starts to wear Foxy's tail as a necktie and they explode the fox residence. After counting the total of farmhands, Bean contact Petey to assemble an army of their employees to starve the fox family out as they level the forest, forcing the local animals to hide.

Three days later, however, Foxy comes up with a plan to raid the farms with the help of the other animals and they rob them clean. This was done during a montage as Petey sings a song about Mr. Fox to the workers and other people assembled. When Bean asks Petey what he is singing, Petey states that he just made up a song, to which Bean responds by harshly criticizing his songwriting before flicking his cigarette onto him and leaving.

An enraged Bean is informed by Petey the next day about the incident and wrecks the trailer until he comes up with a plan to flood the animals with cider with help from the fire chief, while blocking the manhole with his station wagon. Meanwhile, Ash and Kristofferson sneak off to steal Foxy's tail back, but they are caught by Mrs. Bean. Ash escapes, but Kristofferson is captured and locked in an apple crate. Mr. Fox decides to surrender himself to the farmers, while Badger and the other animals search for Kristofferson, where they are confronted by Rat. Rat throws Bean's ransom note to Badger, but Ash reveals himself to be Mr. Fox's son and Rat attempts to kidnap him. Mrs. Fox tries to fight Rat, but is no match for him and Rat kidnaps Ash. However, Mr. Fox arrives in the nick of time and fights him before fatally electrocuting him, to which Rat finally reveals Kristofferson's before dying.

Mr. Fox comes up with a plan to rescue Kristofferson and sends a letter of surrender to the farmers. Bean assembles an ambush, but Foxy and his friends launch an attack on the snipers. Mrs. Fox concocts an explosion to distract the farmers, while Foxy, Kylie and Ash steal a motorbike to head to Bean's farm and rescue Kristofferson. Foxy distracts the rabid guard dog, Spitz, while Kylie and Ash head off to save Kristofferson.

After rescuing Kristofferson, Foxy and his friends try to escape the farm, but are confronted by the farmers and their employees. Foxy condemns the farmers for their crimes and demands them to give his tail back, but the farmers open fire upon them. Ash heads out and courageously dodges the farmers' gunfire before he manages to unleash Spitz upon the farmers. The rabid beagle rips Foxy's tail off

Bean and viciously tears it, forcing the three farmers to go above ground, while Foxy and his friends manage to escape with his tail. While Spitz is jumping at the farmers, Bean contacts Petey and requests him to bring them a ladder.

Three days later, the trio decide to wait at the manhole for Mr. Fox to come out, as they are convinced that he could not survive in the sewers, while Foxy and his family head over to their international supermarket and feast on their products.

When I was done everyone was shocked and horrified!

Qin: So we're sending those three to prison!

Xenia: Yep.

Torch Man: Nico which gene-slammer do you think you'll meet next?

Nico: I'm hoping to meet Tunnel Rhino next.

Nicole: Nice.

Qin: Yeah.

Nico: And the next Digimon Gene-slammer is Garurumon.

Qin: Wow! Awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Blue Rangers, and they're coming here to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Blue Rangers, and they're coming here to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: What?!

Natalie Carver: Leave the Universe 666 Blue Rangers to me and Lincoln, guys.

Lincoln: Hold on, Natalie, we're not doing this alone.

Noah Carver: He's right, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading out take down Boggis, Bunce, and Bean.

Lincoln: Those three losers are looking at spending the rest of their miserable lives in prison, and once we get through with those pieces of crap, Universe 666 Blue Rangers, you're next.

Natalie Carver: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down Boggis, Bunce, and Bean, and once we get through with that pieces of crap, Lincoln and Natalie Carver along with the Blue Rangers are going to destroy The Universe 666 Blue Rangers.

We were off to Suffolk, England.

Lola: Thank goodness.

Mr. Fox: No thank goodness for that.

I moved a piece.

Magneto: You're good at this J.D.

Nico: Boy it's awesome pizza.

Me: Mmm! No kidding.

Nico: Yep. Hey Mung you want to hear something funny?

Mung Daal: What is it?

Nico: That Endive bites whale barnacles.

Dumbbeltron: Does she really?

Nico: Yep and her butt is as big as big as an ugly tub of lard.

WE LAUGHED!

Camie: Why does Mung hate Endive?

Me: They have been hated each other for a long and want nothing more than to kill each other.

Sideshow Bob: I believe we should get ready.

Eli: Look!

We saw a dust trail heading for us.

Xenia: Here they come.

Nico: This will be good.

Thundermon: Stand your ground!

Nico: Lets make this awesome! ENTRANCE TIME!

We flew at them.

Driving over the hill was Boggis, Bunce and Bean and then the spirits of the farm came and they swirled around them.

Boggis: WHAT IS THIS!?

Then they converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and then a phoenix cry was heard and then we came out and punched their cars and smashed them into pieces leaving only their seats they were in!

Boggis: NO! WHY YOU!

Bunce: WE WILL KILL YOU!

Dust Man: Damn Shame about your cars. We would've kept them after dealing with you!

Nico: Ah they were pieces of junk anyway.

Bean: I WILL KILL YOU FOR THAT!

Me: HOW ABOUT THIS!?

I grabbed all three of them and shoved their faces into my butt and then…

LOUD SUPER LONG FART!

I FARTED INTO THEIR FACES AT POINT BLANK RANGE! THEY COUGHED, GAGGED AND VOMITED!

Me: The chili I had made my farts smell worse than Lori's.

Lori: I HEARD THAT!

Harpymon: Have some of this! (ECHOING) WIND SEEKER!

She fired waves of wind blades and blasted them all over!

Boggis: YOU FUCKING MAKE ME SICK NICO! I WILL KILL YOUR FUCKING WHORE OF A WIFE AND EAT HER INTESTINES!

WE GASPED!

KRAPOW!

NICO PUNCHED HIM!

Nico knocked him down.

Nico: (SNARLING) LET ME TELL YOU SOMETHING YOU MOTHERFUCKING PISSANT! YOU CAN INSULT ALL YOU WANT BUT NO ONE INSULTS MAY!

The meaches then came and mauled Boggis, Bean and Bunce all over!

Mung: MEACHES!

Lincoln and his harem fire energy blasts that take on the forms of these specific foxes.

Lincoln and his Harem: FOX FINAL SMASH: FOX PACK RAMPAGE BLAST! Lincoln and his harem fired massive energy blasts that take on the different species of foxes that go after Boggins, Bunce, and Bean, and explode with incredible power upon contact.

Lincoln tied Boggins, Bunce, and Bean in rainbow energy straitjackets, and he beamed them to prison

Nico: Have fun rotting in prison, you pieces of crap!

Me: You'll be leaving out of prison in a pine box!

Lincoln: They'll be in there for the rest of their lives. Now there's only one last thing to do and one last loose end to tie up: The Universe 666 Blue Rangers.

?: None of you will ever leave this place alive!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and blue energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and blue energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Universe 666 Blue Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Blue Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 Blue Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Natalie Carver: That he has, and for that, we're going to destroy the instruments of his revenge.

Suddenly, Natalie Carver's blue eyes turned neon blue and she was surrounded by a blue energy aura with stars, blue fire, blue flames, phoenixes, and angels, she unholstered The Power Lance, and as she approached The Universe 666 Blue Rangers, she left blue energy, stars, blue fire, blue flames, phoenixes, and angels with every step.

Natalie Carver: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who had to be put down. Now, it's your turn, you'll pay for disgracing the legacy of the Blue Rangers.

Suddenly, Natalie Carver was surrounded by a massive vortex of blue energy, stars, blue fire, and blue flames surrounding the vortex, there are phoenixes, angels, and the Blue Rangers of 47 plus years flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at The Universe 666 Blue Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Natalie Carver emerged, but she was changed forever.

Natalie Carver grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large blue orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long dark blue hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a blue energy aura with stars, blue fire, blue flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a blue lightning bolt with the Blue Cosmic Fury Ranger emblazoned on her forehead with blue iris, she has on Blue Ranger earrings with blue gems for eyes and holding the Star, Blue Fire, and Eternity Kanjis in their hands, she also has a Blue Ranger with blue gems for eyes and holding the

Star, Blue Fire, and Eternity Kanjis in its hands for the second pendant on the bottom of her blue angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and yellow gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Natalie Carver has on a sleeveless dark blue top, dark blue skirt, white bridal gloves and blue lightning bolt with the Blue Cosmic Fury Ranger on it on her right arm, dark blue knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, blue fire, blue flames, phoenixes, and angels on the coattails, and on the back is a blue lightning bolt with all of The Blue Rangers from 47 years surrounding it and surrounded by stars and blue fire and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a blue gem with neon glowing blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Natalie Carver felt a sharp pain on her back, and then, her massive dark blue angel wings with blue tips on the large blue feathers grew much bigger for her new body and she also now has eleven massive and long dark blue wolf tails with blue tips and blue markings, Natalie Carver has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Natalie Carver's Power Lance, massive gold greatsword, and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of blue energy, stars, blue fire, blue flames, phoenixes, and angels, and when it emerged, it was transformed into Natalie Carver's Cosmic Eternal Blue Inferno Firestorm Blue Power Rangers Embodiment Phoenix God Angel Greatsword of Cosmic Eternal Blue Inferno Firestorm Blue Power Rangers Embodiment Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded blue gems and blue lightning bolt with the Blue Cosmic Fury Ranger and runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel heads for the crossguard, large white angel faces built into both sides of the hilt and large blue gems embedded in their foreheads, longer midnight black handle, four large gold angel heads with blue gems for eyes and on the bottom of the large gold angel heads is a large gold angel head with blue gems for eyes and blue gem in its mouth for the pommel, Natalie Carver has on her brand-new large gold Bracers of The Champions of The Universe with large blue gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of The Cosmic Fury Blue Ranger's head with blue gem for the visor for the belt buckle and gold versions of the other Blue Rangers' heads with blue gems for the visors around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Natalie Carver's Super Angel-Blue Power Rangers Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Universe 666 Blue Rangers saw it, they went mad with rage and ran at her and kill her, but Natalie Carver fired a massive barrage of blue energy, stars, blue fire, blue flames, phoenixes, and angels which hit The Universe 666 Blue Rangers and sent them crashing onto the ground, they got back up and they were now really enraged.

Noah Carver: Incredible!

Selene Arcangela: Incredible is right, Noah, Natalie's transformed, and we already knew of the kind of damage she's capable of doing to villains.

Lincoln: Yep, and now, it's time we end The Universe 666 Blue Rangers and make them pay!

Natalie Carver: (Divine Echoing Godly Voice of The Blue Inferno Firestorm Blue Rangers Embodiment Phoenix God Angel and Divine Cosmic Eternal Blue Inferno Firestorm Blue Rangers Embodiment Phoenix God Angel Love) That's right, those disgraces are going to pay for what they've done. Let's get them, Lincoln.

The Blue Rangers also transformed and joined Lincoln and Natalie Carver as well.

Natalie Carver, Lincoln, and The Blue Rangers went after The Universe 666 Blue Rangers, and they fired extremely powerful blasts of rainbow energy, blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Universe 666 Blue Rangers, and they exploded with incredible power as they hit them.

Then, Lincoln and Natalie Carver attacked them with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Natalie Carver also did the same by firing blue energy slashes from her massive greatsword, and he and Natalie Carver attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 Blue Rangers badly.

The Blue Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you all die once more.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 Blue Rangers' chests, and then, Lincoln began absorbing The Universe 666 Blue Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Blue Rangers, and he banished them to The Black Gates. We cheered wildly for what Natalie Carver and Lincoln did as they holstered their massive greatswords on their backs and powered down and Natalie Carver's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large dark blue orbs orbiting around her legs, and massive dark blue angel wings are permanent.

Natalie Carver: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 Blue Rangers forever, Lincoln, you too, Noah.

Lincoln: (Smiles Warmly) You're welcome, Natalie.

Suddenly, Natalie Carver wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Natalie Carver's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the Blue Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and blue flames raging behind them and we cheered wildly. Then, Lincoln and Natalie Carver sucked in and absorbed the elemental forces and blue flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Blue Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Blue Rangers, will they? Not on our watch!

Me: You said it. So, Lincoln, who's the next Daydream Princess we're meeting on your rescue tomorrow?

Lincoln: I've got a good one: Katie Callisto, Daydream Honesty Princess of Earth.

Selene Arcangela: Awesome, and you guys will really love meeting her. Katie Callisto is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Applejack combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Katie Callisto and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Katie trained Lincoln a lot with using the powers of Earth and Honesty, and she's also the owner of a large apple orchard and Lincoln's helped her a lot in her farm. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Flip with a very blazing passion because of his myriad of dishonest crimes that he committed in the past, and Katie Callisto has put that mutant in their place more than once: which means foiling his schemes and getting his three-cheeked smelly butt thrown in jail like the criminal he is.

Me: I remember her all too well. She has the same powers as Applejack and is a very powerful farmer and I've seen Lincoln helping her on.

Lincoln: Yep, but she despised Flip that much because of his myriad of dishonest crimes that he committed in the past, and Katie has put that mutant in their place more than once: which means foiling his schemes and getting his three-cheeked smelly butt thrown in jail like the criminal he is.

Nico: Yikes.

Mysterio: Serves those evil farmers right!

Common Cold: They won't bother anyone again

Cantwell: No, they won't.

Whirlwind: Let's celebrate here.

Evil Lyn: I want one of the pizzas!

Nico: Now now we got plenty. But great job today everyone.

May: Thanks.

Fluttershy: (To the viewers) That will show those meanies what for!

Nico: Yep.

We later went back home and enjoyed the rest of the day and went to sleep.

Qin: Me too.

Xenia: This will be fun and cool.

Lola: Yeah it sure will be awesome.

Laney:: I'm really excited for this one.

Kevin: Yeah me too! Especially after kicking so many butts.

Me: You got that right.

Nico: Kevin, I want to thank you, Imperious, and your teams for coming.

Kevin: No problem Nico. This is gonna be awesome.

Eddy: Especially with you shovelchin.

Luan: (LAUGHS) Yeah!

Nico: Seamia, remember when we met you?

Seamia: Aye how can I forget.

Me: That was crazy.

FLASHBACK - Chapter 1478

In Ponyville, me and Sue were going to find the next girl.

Sue: (German Accent) That's odd. The next girl we're rescuing is in

Ponyville,

Sue concentrated and groaned as her hands started trembling.

Me: Just right across the way. Very unusual.

Sue turned into LOBCLAW!

Me: YEAH!

We were walking around. But then..

Me: WHOA WHOA WHOA WHOA WHOA!

I slipped and fell onto the ground and landed on what felt like a hard metal.

Me: OW! What the!?

I got up and saw that the entire street was made of solid gold!

Me: WHOA! (Taps the street) It's made of solid gold!

Lobclaw: This wasn't your doing was it?

Me: No. This is not my doing. Something is telling me that this is the work of Equestrian Dark Magic.

Lobclaw: Did that happen there too?

She pointed and I saw the town hall was made of diamond and crystal and looked more extravagant!

Me: WHOA!

Lobclaw: Und look at that!

I saw Applejack's apple cart all blinged up with jewels and gold.

Me: (Whistles) That is dazzling! Wait a second. This is Rarity's work! But I didn't think she would take things too far like this. We got to find her!

Lobclaw agreed and we went to find her.

We saw Rarity on a nearby cliff and we saw that she had turned much of Ponyville into a beautiful and incredibly dazzling place of jewels and crystal!

Me: WHOA! Rarity what did you do!?

Rarity: [giggling] Oh hello J.D. I made Ponyville beautiful.

Me: A little too beautiful but wow!

Lobclaw: Yeah this is amazing.

Me: You've been really busy for the last couple of hours.

Rarity: I sure have and I also made 15 years worth of fall fashion trends in just over 12 hours.

Me: WHOA! That has to be like over 1,000 styles of clothes!

Lobclaw: Wow!

Rarity: My work here in Ponyville is nearly complete. Don't you think it's time the rest of Equestria benefited from my creative vision?

Spike: Absolutely!

Me: Your view on it is all amazing Rarity.

Rarity: Ooh, I'm thinking we go by chariot! Or, as everyone will soon be calling them, "Rariot"! [laughs]

Owlowiscious was hooting around Rarity and I then saw a strange book in her bag and I grabbed it.

Me: What's this?

Spike: Oh, yeah, we should definitely go by-

[magic zap]

Spike: Huh?!

We saw Rarity make an incredible chariot!

Me: WHOA! What a Chariot!

Lobclaw: Wunderbar! That is amazing!

Spike: How… how did you… do that?

Rarity: I'm so excited! I'm so excited!

Spike: [quietly] I'm so scared.

Me: Uh oh.

Rarity: Oh, the places we'll go, Spike! (Makes 3 more chariots) Manehattan, Fillydelphia, Canterlot! And there you'll be by my side, just as you've always been here in Ponyville, your constant praise and adoration driving me to even greater heights, until there isn't an inch of Equestria that hasn't been utterly transformed by my creative genius!

She turned a whole tree into a beautiful crystal tree.

Me: OH WOW! That tree is beautiful.

Lobstar: It sure is.

?: Rarity stop!

We saw the next girl and she was a Cancer the Crab!

Me: Whoa you're a Cancer the Crab.

Seamia: That's right and I'm Seamia. It's a pleasure to meet you J.D. and you too Sue. Heard so much about you all.

Lobclaw: Same here.

Me: We can talk later. But right now we have to talk some sense into Rarity. Rarity you might be taking this a little too far.

Spike: That's right Rarity. You have to stop now.

Rarity: What did you say?

Spike: I said 'no'. You've been changing things, but you haven't been making them better. I should have told you the truth at the very beginning, but I didn't because I was trying to be a supportive friend. [sighs] But instead, I let you become something awful.

Rarity: Awful?

[magic whirling]

Her eyes glowed green and the magic left her and she was back to normal.

Rarity: Ugh… what happened?

Spike: Rarity! You're okay?

Rarity: I… I think so… though by the looks of it, something quite terrifying has happened to Ponyville.

Me: That terrifying thing was from dark magic.

Spike: You happened.

Rarity: Me?

Me: Yeah. You have been turning everything in Ponyville into dazzling works of art. Crystals, jewels, everything. You even turned the roads of Ponyville into 24K gold.

Rarity: Oh my.

Me: Yeah. And you completed 15 years worth of clothes and fashion trends in over 12 hours.

Seamia: Yeah you sure have. Your store here is flooded with clothes. Very beautiful clothes I might add.

Spike realized something.

Spike: The last part of the spell!

Rarity: [flashback] Only when true words are spoken will you finally be set free.

Spike: The spell took over you, and you wanted to change everything in Equestria. I was afraid to tell you how I really felt about it, but then I… I told you the truth.

Rarity: Dearest Spike, you should never be afraid to tell me the truth. We're friends, remember?

Me: That's right Spike. There's a saying that I know from the Bible. "If you abide in my word, you are truly my disciples, and you will know the truth, and the truth will set you free." That was a very powerful line that Jesus said in the Book of John.

Lobclaw: That's a good saying.

Seamia: It sure is.

Lobclaw: I'm gonna revert back.

Me: Okay.

I put on my blind man glasses and Spike covered his eyes. Sue reverted back.

Sue was human again. But topless.

Sue: (covers her boobs) I hope you've learned something from all this, Rarity.

Rarity: Oh indeed I have darling.

I gave Sue a shirt.

Sue: Danke J.D.

Me: Bitte. Where did you even get this book anyway?

Sue put it on and I took off my glasses.

Spike: I found it in the library at the ruins of Castle of The Two Sisters.

Me: Hmm.

I looked at it and it was an interesting yet dangerous spell.

Me: Hmm. "From in the head to out in the world, every thought to action. Hold close this book and through its spell, you'll start a chain reaction, projecting forth whatever beauty you see. Only when true words are spoken will you finally be set free." Very enigmatic but dangerous. It corrupted you to the point where you wanted to beautify all of Equestria and all that. But it was the truth that set you free Rarity.

Rarity: I'm so sorry guys.

Me: It's not your fault Rarity. And Spike was just doing everything he could to help you out. But you made Ponyville amazing.

Seamia: She sure did. Wow. This was amazing.

Me: But I don't think the citizens will like having the streets made of gold like this. I think I can help out with this.

I used my magic and had the streets reverted back and the gold was made into gold bricks and then gave it all to some of the citizens.

Me: There we go.

We went to the Carousel Boutique and we went in and saw the whole place flooded with clothes.

Me: HOLY MACKEREL! Look at all these clothes.

Rarity: I made all these?

Me: From the looks of things yeah you sure did Rarity. Wow.

I picked one up and it was a dazzling red sequin dress with red rubies all over it.

Me: Wow! Look at these.

Seamia: These are all beautiful.

Rarity: They are simply amazing darling. It's amazing that I made all these.

Me: I know. Lets fold and organize all these and then we can show them off at home.

I used my magic and got all the clothes folded and washed and ready for an awesome fashion show.

Me: There. Now lets see what else happened.

We went around town and saw Applejack's apple cart and it was made of solid gold and beautiful jewels.

Me: (Whistles!) Wow that cart looks amazing.

Applejack: Oh howdy J.D. What happened to my cart here?

Me: It was Equestrian Dark Magic. Rarity learned a big lesson here.

Rarity told her and Granny Smith everything that happened.

Applejack: Wow! That explains why my cart turned into this.

Rainbow Dash came down and she had a REALLY beautiful dress on.

Rainbow Dash: This dress is awful!

Me: Wow that dress is beautiful. Hold on R.D.

I took the dress off.

Rainbow Dash: Whew. Thanks J.D.

Me: You're welcome. Wow this dress is amazing. Carol would like it.

Rainbow Dash: She sure would. How did that dress appear like that?

Me: Rarity was getting carried away because of it.

I told her everything.

Rarity: I'm sorry Rainbow Dash.

Rainbow Dash: Aw it's all right Rarity.

Rarity: And Applejack I'm sorry I went too far.

Applejack: Aww it's all right Rarity. I wonder who else got affected by this.

Me: I think Fluttershy too. Lets go see.

We went to Fluttershy's cottage and we saw a really heavy birdhouse on her tree. Or no it was actually a Bird Mansion.

Me: (Whistles) Wow that is an amazing Birdhouse.

Seamia: Looks more like a Bird Mansion.

Fluttershy: Oh Mr. Robin we'll find your way out for you.

Me: We got this Fluttershy.

I went over to the Birdhouse and got it down and then I snapped my fingers and made a normal size birdhouse and hung it and then the robin came and Fluttershy gave him new seed.

Fluttershy: Thank you guys. I wonder how Mr. Robin's house got like that.

Me: Funny story. Rarity learned a big lesson today.

We told her everything.

Fluttershy: Oh my. Rarity that's okay. You were just trying to help out.

Rarity: Thank you Fluttershy. But this birdhouse is amazing.

Me: It sure is. We make beautiful birdhouses ourselves. But this one is amazing in architectural creativity.

Seamia: It sure is.

Applejack: Amazing.

Me: I think Pinkie Pie was affected too. Lets go see.

We went to a kids party and we saw that it was turned into an exquisite party.

Me: Okay this definitely is more your taste Rarity. Here we go. (Snaps fingers)

The party was back to what it was before.

Me: There we go.

The foals cheered.

Pinkie Pie: Thanks J.D.!

Me: You're welcome Pinkie!

Pinkie Pie: What happened to the party I set up?

Me: Funny story on that and I don't mean funny ha ha.

I told her everything.

Pinkie Pie: Oh man! Rarity it's all right. You were just trying to help.

Rarity: Oh thank you Pinkie.

We later walked around all of Ponyville and we saw that Sunset Shimmer's arcade was made into an exquisite dance studio and I snapped my fingers and turned that back and all of Starlight Glimmer's books were all jeweled and sequined too and they were dazzling. I snapped my fingers and reverted them back.

Later we went back to the World Tree Estate.

We arrived and we later explained everything.

Nico: WHOA! You guys have been busy!

Me: Yeah we sure were.

Lori: Rarity these clothes are all literally amazing!

Leni: They are all totes adorbs.

Carol: You said it.

Me: Glad you girls like them.

Eli: Wow.

Nico: Glad Rarity learned a huge lesson from all this. What are you gonna do with that book J.D.?

Me: Put it in our library's restricted section.

Nico: Good thinking.

FLASHHACK ENDS

When I was done everyone was shocked and amazed and more.

Qin: Yeah I remember that!

Camie: That is amazing!

Lola: Yep.

Nico: Rarity went crazy during that time.

Seamia: She sure did.

Rarity: And I learned a huge lesson during that time darlings.

Qin: You sure did.

Lola: Yeah but the clothes she made back then were amazing.

Leni: They totes were awesome.

Lola: Yeah.

Nico: Yesterday was awesome.

Me: Boy it sure was.

Xenia: Yeah no kidding.

May: I can't believe that jerk threatened to kill me!

Maria: Yeah no kidding! It was awesome smashing their faces in with Erza's club.

Camie: Yeah that was cool. And J.D. used a really awesome meach whistle.

Xenia: That was awesome.

Me: Thanks. It was cool to try it out too.

Nico: The mascots took turns hitting them with said club.

May: That was really funny.

Laney: It sure was!

Camie: Yeah!

Nico: Yep. And Laney you did a great job on your first ever ambassador mission.

Laney: Yeah thanks Nico. That was fo fun.

Misty Tredwell: it sure was.

Lola: We're proud of you Laney.

Laney: Aww thanks.

Me: Don't give her a swollen head. But it was still fun.

Eddy: Is there a whistle for sea bears too?

Me: Yep. I made whistles for sea bears, sea rhinoceroses, dogs, cats, animals of land, air and sea.

Nico: Cool!

Me: Yep.

Maria: Wow way to be prepared.

Me: That was cool.

Camie: It sure was. Funny too.

Maria: Here we are!

We arrived at a brown and green planet.

Me: Wow! From up here it looks like a mountain forest planet.

Nico: Yep. Lets head down.

We went down and wen then landed and to our amazement it was a SWAMP PLANET!

Me: Wow! Look at this!

I looked at the water and it was not water and I tasted it and it was gravy!

Me: Wow! It's a Gravy Swamp Planet!

Eddy: Ed's favorite!

Me: Lets get him over here!

We called Ed over and then he saw the planet!

Ed: GRAVY! GRAVY GRAVY!

Ed started eating!

Ed: (GULPING AND SLURPING)

Nico: Yeah!

Eddy: You're an animal Ed!

Nico: I got some here.

MASHED POTATOES MAGISWORD!

He formed a huge bowl of them.

We put some gravy on the potatoes.

We got to eating.

Me: (Eating) Delicious!

Xenia: Boy this is awesome and fun.

May: It sure is!

Ed: Gravy! GRAVY SO GOOD!

Ed was eating gravy like no tomorrow.

Eddy: (LAUGHS) Go Lumpy Go!

Maria ate gravy too.

Maria: Yummy!

Xenia: It sure is.

Zuria: Boy no kidding! This is cool that there is a gravy swamp planet out here.

Camie: Yeah no kidding!

Kazuma: Reminds me of the time you guys found me on a Sweet Potato planet.

Xenia: It sure does. And Thanksgiving is coming up.

Nico: We need to get a turkey.

Nicole: Yep.

Lola: Yeah.

Ed: Turkeys are practically chickens.

Eddy: Tell me Ed, what's it like having Buttered Toast for a brain?

Ed: Pretty good!

WE LAUGHED!

Xenia; (LAUGHS) That's funny!

I then got a mischievous smirk and then went invisible and grabbed May and lifted her up and she was over 1,000 feet into the air and then I dropped her.

May: (SCREAMS)

Nico: MAY!

Then…

KRASPLAT!

She fell into the gravy and was drenched in gravy from head to toe.

May: HEY!

I became visible and laughed hysterically!

Me: (LAUGHS) I couldn't resist!

Xenia: That was funny!

Laney: (LAUGHS) YEAH!

Nico licked May and it was cute.

Nico: (LAUGHS) Awesome!

Qin: Boy that was funny!

Maria: It sure was!

Nico: Yeah no kidding!

Eli: Yeah!

Far Away, a mass of gravy was watching us.

It was looking at us.

Camie: Guys you ever get the feeling thatt we're being watched?

Ed: Every day of my life Camie.

Eddy: Shut up Ed.

Lincoln: Okay, guys, we got ourselves a huge emergency, and we're in for one crazy battle: I've got word that a Hypothetical Akumatized villain of Ed has been sighted here on this Gravy Swamp planet.

We gasped.

Nico: Whoa!

Me: Gabriel told me about it, he created a Hypothetical Akumatized villain of Ed he calls Gravyzilla.

I showed everyone the sketch of Gravyzilla: he's a giant Gravy Boat and Gravy Monster and has gravy powers, and he force feeds people gravy and he's crazy!

Eli: Wow.

Lincoln: This is going to be one awesome battle!

Suddenly, Lincoln messaged everyone else and the rest of the team arrived.

Lori: We heard everything from Lincoln, and we're ready for him.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Gravyzilla) AHA! Gotcha! I just spotted Gravyzilla, he's 20 yards away and he's coming for us.

Nico: Let's get that gravy monster!

Lincoln: This is going to get messy.(Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then,

the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Gravyzilla.

Twilight heard a Pokemon cry.

Twilight Sparkle: Look here guys.

We saw a Raikou!

Me: Cool Raikou.

Xenia: Wow!

We saw him covered in gravy.

Me: Whoa what a mess.

Raikou: Good gravy though.

We cleaned him up.

Nico: That's number 3 of the Legendary Wolves.

Nico: Great!

Qin: Awesome.

We were flying in the air and we landed to look for Gravyzilla.

Lincoln: Okay, now where is that gravy monster?

Nico: He's here somewhere.

?: LOUD CRAZY ROAR!

Eddy: HERE HE COMES!

We then saw our target, Gravyzilla. He fired globs of gravy at us, but Lincoln formed a massive and indestructible diamond barrier that protected us from the gravy globs.

Me: Yikes! Man, he is really crazy!

Lincoln fired a mashed potato ball at Gravyzilla and knocked it down and he deactivated the barrier and we stood ready.

Nico: That was a clean hit, Lincoln. Okay, let's get that overgrown tub of gravy!

We proceeded to attack Gravyzilla with mashed potato balls that we threw at him, and it was making him mad and he roared even more.

Lola: HAH! Take that, you overgrown gravy boat!

Then, Gravyzilla fired a wave of gravy which hit Sebastian in the face and stained his clothes.

Qin: (GASPS) Oh no. Oh no, this is very very bad!

Sebastian slowly got up, but we saw his eyes turn from midnight blue to blood red full of hate and madness.

Sebastian Mendez: (DEMONIC VOICE) I'M GONNA KILL YOU!

?: AT IT AGAIN, YOU PIECE OF CRAP!

Suddenly, Sebastian got slugged in the face and sent flying into a gravy waterfall, and we saw who it was that did the deed: a very beautiful and super sexy girl with long black hair and dark blue headband, dark blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the Fairy Tail Guild mark on her right arm she has massive and beautiful black angel wings, she's dressed in a dark blue short-sleeved shirt, necklace with dark blue gem for the pendant, white bridal gloves, dark blue skirt, dark blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, elemental forces, magic, phoenixes, and angels on the coattails and on the back is the symbol of The Fairy Tail Guild, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln: (GASPS) Gloria Fullbuster, Embodiment of The Fairy Tail Guild.

Selene Arcangela: I knew that was her, I just knew it!

Gloria Fullbuster: Sorry for the intrusion, Lincoln, but I had a feeling that piece of crap lost it again!

Selene Emperyous: Oof, looks like she didn't get the memo that

Sebastian wasn't the same monster from seven years ago.

Neri Nuova Shenron: We'll be sure to tell her everything. (SUDDENLY SEES SEBASTIAN BURST OUT AND HE WAS PISSED) Before he tries to get revenge again!

Raikou charged at Gravyzilla and blasted him with lightning!

Gravyzilla: (LOUD CRAZY ROAR)

Sam Sharp Loud got out the Pride Lava Blade!

Sam: Taste the power of Lava! LAVA STYLE: BLADES OF PELE!

She swung the sword and fired blades of lava.

Xenia: YEAH!

The gravy monster roared!

Me: How did this guy come into being!?

Gabriel: I believe that he became this way because of Ed having his entire gravy supply run out and he went on a Gravy Withdrawl Rampage.

Xenia: Oh man!

Qin got out the Ice Blade of Lhotwe.

Qin: Lets put him on ice! LHOTWE ICE STYLE: COLD OF THE MOUNTAIN WAVE!

She swung the sword and fired waves of ice and blasted him all over.

Me: And Ed turning into Gravyzilla is very funny and coincidental because you know how much he loves gravy.

Ed: Yep!

Gali got out the Water Blade of Mon Calamari.

Gali: That is awesome and funny too. WATER STYLE: BLADE SHOWER OF MON CALAMARI!

She fired waves of blades of water and blasted him all over.

Me: I wonder what the Akuma's of Double D and Eddy would be.

Xenia: A Jawbreaker King and a Technomancer.

Gabriel: Fitting for them.

Optimus got out the Sword of the Autobots of Cybertron.

Optimus Prime: Yes that sure is fitting. AUTOBOT STYLE: SWORD SHOWER OF RED AUTOBOT PEACE!

He swung the sword and fired waves of red energy and they formed into his team and the blasts hit Gravyzilla and blasted him all over.

Xenia: YEAH!

Tyler Nevarro got out the Leaf Sword of The Land Before Time.

Tyler Nevarro: Fitting too because Eddy loves jawbreakers and Double D is a great tinkerer.

Edd: Thank you Tyler.

Eddy: That is cool!

Tyler Nevarro: LEAF STYLE: TREE STAR SLICER BLAST!

He swung the sword and fired waves of leaves and blasted Gravyzilla all over.

Aang got out the Wind Sword of Elements.

Aang: I wonder how the Flim Flam Brothers would react to seeing Eddy's Akuma form?

Eddy: They would be in fright. Even though those two remind me of me and my scamming ways in every way back in the old days they would still be scared.

Xenia: You're right.

Aang: Yeah. ELEMENT STYLE: FIRE STORM OF THE FIRE NATION!

He swung the sword and fired waves of fireballs and blasted Gravyzilla all over.

Yusei got out the Star Sword of Stardust Dragon!

Yusei: Take this! STAR FLAME STYLE: STARDUST DRAGON FLAME BLAST!

He swung the sword and fired waves of stars and energy and blasted Gravyzilla!

Varie: OH YEAH!

Robin got out the Mucus Blade of Snotstorms.

Robin: SNOT STYLE: ATOMIC SNOT ROCKET SURPRISE!

He swung the sword and fired waves of snot and the blasts hit Gravyzilla and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

Nico: Nice!

Suddenly, Neri Nuova Shenron's red eyes turned neon red and she was surrounded by an orange energy aura with stars, fire, flames, dragons, phoenixes, and angels, and as she approached Gravyzilla, she left orange energy, stars, fire, flames, dragons, phoenixes, and angels with every step.

Neri Nuova Shenron: So, it looks like we've got two monsters to deal with. Gravyzilla, we're sending you straight to Vypra and The Masters of Evil after we take you down, and Sebastian, I'm gonna hogtie you by your entrails so that you can cool down, you bad-tempered psycho monster!

Suddenly, Neri Nuova Shenron was surrounded by a massive vortex of orange energy with stars, fire, and flames surrounding the vortex, there are dragons, phoenixes, angels, and Nuova Shenron flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Gravyzilla: the red eyes of judgement.

Nico: HOLY SHIT!

Me: Now, you're gonna get it, you walking gravy boat!

Lincoln: And Sebastian's really going to get himself tied up by his entrails.

Valeriana Valmorg: That's true, and Gloria also hogtied Sebastian up, maybe this'll get him to cool down after what Gravyzilla did.

Suddenly, Valeriana Valmorg's red eyes turned neon red and she was surrounded by an orange energy aura with stars, fire, flames, phoenixes, and angels, she summoned her Valmorg-themed Keyblade in her left hand and unholstered her massive golden greatsword from her back, and as she approached Gravyzilla, she left orange energy, stars, fire, flames, phoenixes, and angels with every step.

Valeriana Valmorg: We've already had to hogtie our own psycho monster after he went batshit mad because of you, but now, we're gonna enjoy kicking your gravy guzzling butt, Gravyzilla.

Suddenly, Valeriana Valmorg was surrounded by a massive vortex of orange energy with stars, fire, and flames surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Gravyzilla: the red eyes of judgement.

Let's get that walking gravy train!

Lincoln, Valeriana Valmorg, Neri Nuova Shenron, and I went after Gravyzilla, and we fired extremely powerful blasts of rainbow energy, orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Gravyzilla, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Valeriana Valmorg, Neri Nuova Shenron, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Gravyzilla even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian who got free fired blasts of Divine Darkness that hit them and slashed at them with his dark greatsword, Then, Lincoln, Valeriana Valmorg, Neri Nuova Shenron, and I fired powerful blasts of energy, fire, lava, and planets at Gravyzilla, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt. Then, Lincoln fired a Nuova Star which hit Gravyzilla and sent him flying into a portal that led to the Masters of Evil and he and all of us also assimilated his gravy powers. Everyone cheered wildly as we holstered our weapons and powered down, and Neri Nuova Shenron's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large orange planets orbiting around her legs, and massive orange angel wings and larger orange dragon wings are permanent, and Valeriana Valmorg's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large orange planets orbiting around her legs, and massive orange angel wings are permanent.

Neri Nuova Shenron: Now, that was so awesome!

Me: That was one messy battle, but so worth it.

Suddenly, I got jumped on by Neri Nuova Shenron, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

Suddenly, Valeriana Valmorg wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Valeriana Valmorg's face, they kissed passionately as she placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Valmorg Beast flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames and lava raging behind them, and we cheered wildly. Then, Lincoln and Valeriana Valmorg absorbed the elemental forces, flames, and lava and they came back to us as the display vanished.

Nico: That was one awesome battle.

Lincoln: Yep, we took down Gravyzilla and sent him to The Masters of Evil even though Gloria showed up and had to hogtie Sebastian when he threw gravy at him.

Me: Yeah, that was messy. So, Lincoln, are you going to introduce us?

Lincoln: I was just about to do so. This is Gloria Fullbuster, Embodiment of The Fairy Tail Guild, she's my Guardian Angel and she's a very powerful mage and she's also a very powerful master of magic and spellcasting. Gloria taught me everything that she knew about magic and spellcasting, and I made her a necklace, and she thanked me by kissing me on the lips, and as a result, I promised that I will marry her in the future when I come of age. She's the sister of Gray Fullbuster and she's more than once had to deal with him, and she hates Lori and Lynn with a blazing passion, and she's used her magic more than once to put that control freak and that aggressive superstitious belching farting four-legged monstrosity in their place.

Nico: Whoa!

Lincoln: Yep, and it's so good to see you again, Gloria.

Gloria Fullbuster: You too, Lincoln, and wow, you've really grown into an amazing and awesome young man in the last seven years!

Lincoln went up to and hugged Gloria Fullbuster in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Gloria Fullbuster with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck. Gloria knew what this was as Lincoln leaned down to her face and kissed her on the lips and she returned it as we cheered wildly for them.

Ed burped.

Me: Pardon you.

Ed: (LOUD HUGE BURP!)

Xenia: Excuse you!

Eddy: I've said it before and I'll say it again. You're an Animal Ed.

Xenia: (LAUGHS) YEAH!

Camie: So funny there!

Nico: Nice job Raikou!

Raikou: Thanks Nico! It was fun.

Nico: Yes it was!

Poromon: Want some beer?

Raikou: No thanks. I don't drink.

Poromon: Okay then.

Poliwag did the puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Gabriel: Honestly, I wasn't even going to risk Akumatizing Ed back then.

Nico: It's good you didn't Gabriel.

Xenia: Yeah.

Me: That is one thing no one would have wanted to see.

Camie: I agree there.

Gabriel: That is because of how uncontrollable Edzilla is.

Me: You're right.

Qin: Yeah!

Nico: But that was crazy how he was made of gravy!

Me: I know! But what did you expect! You know how much Ed loves gravy and he couldn't go one whole day without it.

Xenia: That is too true.

Camie: Yeah.

Nico: How many Akumatized Villains villains are made of food?

Gabriel: Well there's Bakerix and Glaciator.

Me: Bakerix is made of bread and Glaciator is made of ice cream.

Gabriel: I think that's it.

Nico: What if there's one made of popcorn.

Me: That would be awesome.

Xenia: Yeah.

Lola: Popcornosaurus Rex.

Gabriel: I like that!

Nico: And one made of M&Ms.

Poromon: And one made of beer!

We laughed!

Poromon: I'm not kidding!

Me: That would be crazy to see though!

Poromon: It would be funny though

Poliwag: It would be made of beer bottles.

Me: Yep. That is for sure.

Nico: Sir Beers-a-lot!

WE LAUGHED!

Xenia: (LAUGHS) That's funny.

Poliwag: I like it.

Gabriel: Now it's a matter of knowing who becomes them.

Bart: Homer should become the beer Akuma.

Homer: (LAUGHS) That would be awesome.

Lola: Yeah!

Me: Fitting for Homer.

Gabriel: Hmm. It's also for you to become a different one. Like one made of donuts.

Homer: Mmm. Donuts.

WE LAUGHED!

Nico: (LAUGHS)

Me: (LAUGHS) Beer and Donuts are Homer's favorite things.

Nico: (LAUGHS) Yeah!

Lola: King Donuther of the Knights of the Glazed Table!

WE LAUGHED HYSTERICALLY!

Nico: (LAUGHS) That was a good one Lola!

Gabriel: (LAUGHS) I like that!

Xenia: (LAUGHS) That was fitting!

Bart: Long as he doesn't become something too stupid.

Homer: That is true. Like Professor Stranglehold.

Me: (LAUGHS) Yeah that would be awesome. You have been strangling Bart for as long as anyone can remember. That would make an awesome 2nd or 3rd villain form for you.

Chloe Bourgeois: That's right and I have been Akumatized into 6 villains.

Nico: Homer, cue the strangling?

Homer: Nah not this time. That was a true fact. Oh heck with it. WHY YOU LITTLE!?

Homer strangled Bart!

Lily tazed Homer!

Nico: That never gets old!

Me: Nope.

Gabriel: Still a good set of ideas though.

Qin: Yep.

Nico: But all we can do is fight one of them at a time.

Me: Yep. That is true.

Camie: Yep.

Laney: I liked all those ideas though.

Xenia: Me too.

Ed: Now back to eating gravy here!

Nico: We got the Anothers to deal with Ed.

Eddy: Yeah Lumpy we still got them.

Ed Edd n Eddy Kevin: They ARE the Anothers of my team's archenemies after all.

Eli: He's right. (Concentrates) And not only them but we got Anothers for Number 7, Zs'Skayr, Dark Spicer, King Hiss, Eccentro and Vypra.

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Luan: WOW!

Me: That's pretty much a no brainer on that one. So we got Kevin, Seamia the Cancer, Maud Pie, Phil, Valhallen, Zeus, Ed, Edd, Edd, Leni, Linka and Luan.

Qin: Wow!

Nico: (Sucks his skeleton back in) I hate it when that happens!

Me: So all together we got Imperious, Naked Krabs, Stinger, Sandboy, Disgruntled Postman, Crystal Dragon (Miraculous), Number 7, Zs'Skayr, Dark Spicer, King Hiss, Eccentro and Vypra.

Eli: Yep. And I sense that the Anothers minus Imperious are one person.

Nico: Wow!

Maud Pie: (Monotonously) It will be really fun.

Then the cutie marks of Maud Pie, Windy (MLP G5), Posey Bloom, Dahlia (MLP G5), Cheese Sandwich and Apple Fritter started to glow.

Qin: Whoa! This will be cool.

Posey Bloom: Our cutie marks are glowing!

Dahlia: We know what that means.

Nico: There they are!

We saw another Naked Krabs, Stinger, Sandboy, Disgruntled Postman, Crystal Dragon (Miraculous), Number 7, Zs'Skayr, Dark Spicer, King Hiss, Eccentro and Vypra.

Eli: (See's Another Naked Krabs) GOOD GRIEF HE'S NAKED!

Stinger: Wow that is awesome for my Another.

Lola: It sure is.

Stinger: Almost reminds me of when Cemetery Wind first made me.

Qin: No kidding.

Me: Hey put some clothes on Another Naked Krabs!

Nicole: YEAH! BEFORE I KICK YOUR BIG FAT UGLY CRUSTACEOUS CHEAPSKATE ASS!

Another Sandboy: (In a girls voice) That is funny though.

They merged and split into 7 people and they were the embodiments, gene-slammers and legacies of Maud Pie, Windy (MLP G5), Posey Bloom, Dahlia (MLP G5), Cheese Sandwich and Apple Fritter

Mindy Maud Pie: (Monotonously) Mindy Maud Pie.

Wendy Windy: Wendy Windy.

Alexandra Posey Bloom: Alexandra Posey Bloom.

Diana Dahlia: Diana Dahlia.

Cierra Cheese Sandwich: Cierra Cheese Sandwich.

Allison Apple Fritter: And Allison Apple Fritter.

Me: Wow! Awesome to meet you girls.

Maud Pie: It's amazing to meet the embodiment of me.

Mindy Maud Pie: It sure is.

Nico: Wow just as stoic and emotionless.

Pinkie Pie: This is AMAZING!

Lola: It sure is.

Me: By the way is the Another Imperious friendly or hostile?

Cierra Cheese Sandwich: Friendly but you guys need to help her in every way you can.

Me: Uh oh. Did something bad happen to her?

Allison Apple Fritter: More like something bad is ALWAYS happening to her.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and was separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Nico: And now we wait.

Eli: DUCK!

We ducked and then…

ZOOM!

A bowling ball FLEW OVER US AND THEN…

KRABLAM!

It hit something with tremandous force!

Nico: WHERE DID THAT COME FROM!?

Qin: Yeah and what did it hit!?

Nico caught another bowling ball!

Me: Geez!

Allison Apple Fritter: That's the reason why you need to help the Another Imperious. She keeps getting hit with bowling balls! And it doesn't stop!

Nico: WHOA!

Me: Look!

We saw ANOTHER IMPERIOUS!

Eli: Another Imperious!

ZOOM!

A bowling ball flew in and then…

KRABLAM!

IT SMASHED HER RIGHT IN HER FACE!

Imperious: OH MAN! That is going to leave a mark!

Nico: Easy. (Snaps fingers)

He stopped the bowling balls.

Another Imperious: (Sighs in relief) That's better.

She reverted back and was a girl with brown hair and she had blue eyes and brown and blue clothes and green angel wings and a tiara with the cutie mark of Trouble Shoes on it and the same symbol on it and she had a really mangled up body. There were bruises and cuts all over her. Mostly from having her face smashed in by bowling balls and she had some teeth missing!

Me: GOOD GOD! What the fuck happened to you!?

Rika Trouble Shoes: My name is Rika Trouble Shoes and I'm the embodiment, gene-slammer and legacy of Trouble Shoes and as you can see I am cursed with terrible bad luck. I keep getting smashed in the face all over with bowling balls.

Xenia: OOH ouch!

We brought her over and got to healing her.

Me: JEEZ! You really got thrashed!

Janet Jinx: I totally understand what you're going through. But I don't get hit with bowling balls. I get hit with basketballs.

Samson: Yeah and I get hit by volleyballs.

Nico: Yeah. You're lucky your brains didn't get squished out of your skull from all those bowling balls.

ZOOM!

I caught another bowling ball!

Me: WHOA!

Rika Trouble Shoes: Yeah everywhere I go I ALWAYS get hit with bowling balls! I'm cursed!

Imperatrix: That is terrible!

Nico: Yeah the Fates must REALLY have it out for you.

Rika Trouble Shoes: You could say that. But I am a magic user like you Imperatrix.

Imperatrix: We do have one thing in common though.

Me: Yep.

ZOOM!

Lynn caught a ball.

Lynn: GEEZ!

Me: I definitely know there isn't a bowling ball factory on this planet.

Qin: Yeah! Were you born on Friday the 13th?

Rika Trouble Shoes: No thankfully. I just have been cursed. My family upset a fortuneteller and she cursed me with terrible bad luck.

Me: We're going to have to have a serious talk with her.

Imperatrix: You've had it rough! When did this start?

Rika Trouble Shoes: When I was 8.

Qin: Geez!

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead.

Kaito got an Operation Overdrive Spear and Zocks got a Magistaff.

Me: I think the answer to that is obvious. (CATCHES ANOTHER BOWLING BALL) To get rid of this terrible curse.

Rika Trouble Shoes: Yeah that's right.

Nico: Geez!

Nico caught Another Bowling Ball.

Me: On the plus side we're getting lots of bowling balls.

Nico: True. We're building new bowling alleys and we need lots of balls for it.

Qin: Yep.

Me: Yeah. This fortuneteller wouldn't happened to have been the one that warned us about the events of Chronopolis would it?

Rika Trouble Shoes: I don't think so.

I caught Another Bowling Ball.

Rika Trouble Shoes: It was a really hot tempered one.

Nico: Yikes.

Sougo: (gets out Operation Overdrive Ridewatch) I don't know how we're doing it!

Geiz: (gets out Mystic Force Ridewatch) But we're fixing this!

Sougo got OperationOverdriveRedArmor while Geiz got

MysticForceRedArmor

Nico: I agree there!

Lincoln: First lets separate you.

Qin: Yeah!

Lincoln did so.

Me: Lets get him!

Nico: YEAH!

Qin: Take this!

She fired waves of fire and blasted Another Imperious!

Nico: (GETS OUT IMPERIOUS' RIDEWATCH) TIME TO LET THE MAGIC HAPPEN!

May: (GETS OUT STINGER'S RIDEWATCH) TIME FOR YOU TO DRIVE OFF!

Maria: (GETS OUT DISGRUNTLED POSTMAN'S RIDEWATCH) SPECIAL DELIVERY!

Seamia: (GETS OUT NAKED KRABS RIDEWATCH) PUT SOME CLOTHES ON BUB!

They used the powers of Imperious, Naked Krabs, Stinger, Sandboy, Disgruntled Postman and Crystal Dragon and blasted the Another!

Then Wolf (Legend of The Candy Cane), Butterfly Sentibeast, Behemoth Phantom Behiors, THE MERCILESS INSANITY PEPPER PONY OF QUETZALACATENANGO, Bull-E and Polaris came.

Me: WHOA!

Nico: Awesome team Wolf.

Wolf: Thanks!

Leanbow: A team worthy of honor.

Me: Yep.

?: I'll say!

Tunnel Rhino came!

Me: Tunnel Rhino! Whoa!

Tunnel Rhino: (In a girls voice) Yeah this will be fun.

Nico: Tina Rhino!? Whoa!

Tina Rhino: Yep. I got this.

She charged and smashed the another and I caught the Ridewatch and purified it.

Nico: YEAH! Another Imperious you have failed this world!

Qin: Yep.

Horsea saw a bowling ball!

Horsea: INCOMING!

She caught it and stopped it.

Horsea: Whew!

Maria: Nice save Horsea.

Tina Rhino: Wow!

Me: And I take it you're…

Tina Rhino: Yeah I'm naked.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Tina Rhino: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and threw up and then she reverted back and was a girl with brown hair and blue eyes and had brown angel wings and had a symbol in the middle of her forehead of a tunnel with a Rhinoceroes in front of it.

Tina Rhino: (Groans) Oh man that hurt. (Sees herself) GAH! I need some clothes.

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome yellow clothes.

Tina Rhino: Wow! That is much better.

Nico: It sure is.

May: I didn't get hit?

Me: Nope. I think me dropping you into gravy was more than enough.

May: True.

Tina Rhino: Man Rika sure has had it rough.

Me: No kidding.

Tina Rhino: Yeah.

Seamia: Do you have any favorite memories of Nico?

Tina Rhino: I sure do. When me and Nico went and bashed numerous mobsters in New York all over and sent them to the slammer.

Xenia: Wow!

Me: Good riddance. I hope they like rotting there.

Nico: Yep.

Nico and Tina hugged.

Nico: I've missed you.

Tina Rhino: Same here.

We later went back home.

Me: Lincoln, I hope you and the other Guardian Angels tear that dork apart.

Ed Edd N Eddy Kevin: That I'm gonna enjoy seeing.

Lincoln: Of course we're going to tear him to shreds, and I'm going to absorb him as well.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Morgan Arcangela's chest, and then, Lincoln began absorbing Morgan Arcangela into his body as he and all of us assimilated all of his demonic powers, demonic magic, demonic superhuman strength, and demonic abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Morgan Arcangela, and he banished him to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: I don't ever want to see your ugly face here again, Morgan, now burn in Hell forever along with the rest of your minions. (To Katie Callisto) And it's so good to see you again, Katie.

Katie Callisto: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Katie Callisto as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Katie Callisto was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Katie Callisto: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Katie Callisto and he hugged her, and Katie Callisto is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Katie Callisto: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Katie Callisto, Daydream Honesty Princess of Earth, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Applejack combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Katie Callisto and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Katie trained Lincoln a lot with using the powers of Earth and Honesty, and she's also the owner of a large apple orchard and Lincoln's helped her a lot in her farm. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Flip with a very blazing passion because of his myriad of dishonest crimes that he committed in the past, and Katie Callisto has put that mutant in their place more than once: which means foiling his schemes and getting his three-cheeked smelly butt thrown in jail like the criminal he is.

Nico: Yikes!

Lincoln: Yeah, she's hated Flip for what he's done, and I've helped her a lot on her apple orchard and on her farm, along with helping her drive The Midnight Knights of Royal Woods out, and now that you're here, Katie.

Lincoln went up to and hugged Katie Callisto in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Katie Callisto: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Katie Callisto with red gems on the gold lightning bolts and brown crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Katie Callisto: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Katie Callisto, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Katie Callisto's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Katie Callisto had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Capoul, Chako Koganei, Flare, Juliet, Lisel, Megumi Sakurazaka, Mira, Reiko Ayanojou, Rin Kazamatsuri, Ruche, Suzuka Misaki, and Teteto from Queen Bonjorno!

Lincoln: Oh wow, it's Capoul, Chako Koganei, Flare, Juliet, Lisel, Megumi Sakurazaka, Mira, Reiko Ayanojou, Rin Kazamatsuri, Ruche, Suzuka Misaki, and Teteto from Queen Bonjorno!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Capoul: Yes, we're okay, thanks to you.

Capoul: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Capoul: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Capoul, Chako Koganei, Flare, Juliet, Lisel, Megumi Sakurazaka, Mira, Reiko Ayanojou, Rin Kazamatsuri, Ruche, Suzuka Misaki, and Teteto with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone was shocked to find out the villain was an old enemy of Lincoln's named Morgan Arcangela, the former older brother of Selene Arcangela who unlike Selene Arcangela who is The Leader of The Guardian Angels of Lincoln Loud, is The Devil Incarnate and a dangerous criminal who's The Leader of The Destroyers of Lincoln Loud, a group of Devils from Hell who want to destroy Lincoln in any way possible, and this asshole is REALLY POWERHUNGRY AND JUST AS VILE AND DANGEROUS AS OLIVER TALBOL!, and this monster asshole's goal is to destroy the universe and destroy his sister, Lincoln, and all of his Guardian Angels.

But, when Lincoln showed everyone what we did in beating that asshole up and Lincoln absorbing him and sending him to The Black Gates, everyone cheered and they hugged us and Lincoln's harem kissed him on the lips and all over his face and body. Lincoln and Katie Callisto have a lot of catching up to do, now that she's back in town.

Maria: Whoa! That guy is just as bad as Oliver Talbol yesterday!

Lincoln: Yep, and Selene hated her brother for everything he's done.

Nico: And it ended with us destroying him and his group.

Me: Yeah, when you absorbed him and sent him to The Black Gates, you also sent his group to The Black Gates as well. They deserved it, those assholes.

---

After we destroyed Morgan Arcangela, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Katie Callisto saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Katie Callisto My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Katie, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Katie Callisto: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Katie Callisto: I knew it was only a matter of time before he told everyone that story.

When Tracey Mink saw me doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Tracey Mink: What a hunk!

Catherine Fontaine: Oh, I already know who we're going to meet tomorrow on your rescue, Lincoln: Valerie Quinn, Daydream Laughter Princess of Tech.

Selene Emperyous: That's awesome, and you guys will love meeting her, Valerie Quinn is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Pinkie Pie combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Valerie Quinn and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Valerie trained Lincoln a lot with using the powers of Tech and Laughter, and she's also an awesome party planner and comedian. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Luan with a very blazing passion because of all of the insane pranks she's done in the past, and Valerie Quinn has put her in her place by outsmarting her and sabotaging and turning her own pranks against her. In fact.

Selene Emperyous played a video on the big screen, and we saw Valerie Quinn and Lincoln heading back home after a day of fun at Gus' Games and Grub. Suddenly, Valerie Quinn's senses went off as they approached the front door of The Loud House.

Past Lincoln: Valerie, what's wrong?

Past Valerie Quinn: My senses have gone off. Ugh, it looks like Luan's booby-trapped The Loud House with her lethal pranks again!

Past Lincoln: What?! Again?!

Past Valerie Quinn: Don't worry, I got this, Lincoln.

Valerie Quinn snuck in through the back, and just as she expected, Luan booby-trapped the whole house with her lethal pranks. Then, she proceeded to rewire all of Luan's lethal pranks and replace them with her own, and once she was done, she snuck back out through the back of the house.

Past Lincoln: That was quick, Valerie. What did you do?

Past Valerie Quinn: You're about to see, Linky, it's showtime. (YELLING AT THE TOP OF HER LUNGS) LUAN! GET YOUR PRANK-CRAZY HIDE DOWN HERE NOW! I'M GONNA KICK YOUR BRACES-WEARING BEHIND FOR BOOBY-TRAPPING THE HOUSE WITH YOUR PRANKS AGAIN!

Inside, Luan heard Valerie's loud voice and she panicked!

Past Mr. Coconuts: (Luan's voice) Hey, toots, you gonna take that lying down?!

Past Luan: Are you kidding, Mr. C?! I got to get out of here, I do not want to get nailed again by Valerie.

Luan rushed out of her room, but as soon as she stepped into the living room, she set off her own pranks and it was utter mayhem which culminated in Luan sent flying into the tree in front of the house and she was wedgied by her panties. Then, Valerie Quinn and Lincoln along with the rest of the family who just came back, ran up to Luan, and Valerie explained the whole situation, and needless to say, they were mad.

Past Valerie Quinn: Let that be a lesson, you not-so-funny clown: never ever mess with Royal Woods' best party planner and professional prankster.

When the flashback video ended, we were stunned and shocked with awe.

Eli: She easily rewired and turned all of Luan's lethal pranks against her in a split second?

Lincoln: Yep, no prank is a match for her, not even Luan's dastardly and lethal pranks.

Nico: If Connor tried anything around her, he would be in trouble with her.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set,

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Snow White (Ralph Breaks the Internet), Cinderella (Ralph Breaks the Internet), Aurora (Ralph Breaks the Internet), Ariel (Ralph Breaks the Internet), Belle (Ralph Breaks the Internet), Jasmine (Ralph Breaks the Internet),Pocahontas (Ralph Breaks the Internet), Mulan (Ralph Breaks the Internet), Tiana (Ralph Breaks the Internet), Rapunzel (Ralph Breaks the Internet), Merida (Ralph Breaks the Internet), Anna (Ralph Breaks the Internet), Elsa (Ralph Breaks the Internet), Moana (Ralph Breaks the Internet), Mistress of Flame, and Whirl, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant,

but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Cascade Kingdom is next.

Nicole: You guys will love that one. It's full of amazing waterfalls and all that. You guys are going to face Madame Broode next.

Me: That was so awesome.

Nico: Yep.

Wheeler: Me and Lucca will go with you.

Nico: Cool!

Lucca: Yeah!

They went into the simulator and it activated and they were at CASCADE KINGDOM!

---

The Cascade Kingdom is the second kingdom visited in Super Mario Odyssey. It is the greater location of Fossil Falls, which is a prehistoric dinosaur-themed area. The main landmark of this kingdom is the waterfall flowing down from the skeleton of a Triceratops, while its background appears to be inspired from the real-life Iguazu Falls located between Argentina and Brazil. Mario first arrives in this kingdom via a spark pylon located on top of the Top-Hat Tower in the Cap Kingdom, which snaps upon his exit. When he arrives here, he is introduced to the game's main collectible, the Power Moons, as well as the Odyssey, a hat-shaped airship used to travel between the game's kingdoms. During his first visit here, Mario must defeat Madame Broode in order to collect a Multi Moon, which is used to power up the Odyssey and allow it to travel to the next kingdom - the Sand Kingdom.

The Cascade Kingdom is one of the few kingdoms in the game that does not have any known residents, even though dinosaurs, and in particular, T-Rexes, are known to live there, though the brochure implies that Bonneters may have also lived there in the past. It is located east of the Cap Kingdom and west of the Sand Kingdom.

* * *

It was a beautiful and amazing place.

Nico: WOW!

Wheeler: Wow! So this is Cascade Kingdom!

Lucca: It's so beautiful! Look at all the amazing waterfalls!

Nico: It's awesome!

Lucca: Wow!

Nico: Any tips Nicole?

Nicole: Well this one is really funny and dad said every time he faced Madame Broode it always made him laugh. You got to send Madame Broode's golden chomp pet smashing into her face 3 times.

Nico: Oh yeah! That was so funny! I can tell that we're going to have a lot of us laugh hysterically.

Wheeler: Yep.

Nico: Well, lets get going!

They were off and they flew around and it was a beautiful place.

Wheeler: Wow! This is a really amazing place.

Lucca: It sure is! It's amazing how this is all here.

Nico: I'll say!

Wheeler: The Embodiments should've found us by now.

Nico: They'll probably meet up with us when we face Mother Broodal.

Lucca: Ahh want to get in on some of the action.

Nico: Yep.

Lucca: Good point.

They landed in the middle of an area and then out came MADAME BROODE

---

Madame Broode is the secondary antagonist of the 2017 platform game Super Mario Odyssey.

She is the leader of a group of mercenaries called the Broodals, who were hired by Bowser to plan his forced wedding with Princess Peach. She is obsessed with hoarding Power Moons and is always seen with her pet golden Chain Chomp, Chain Chompikins.

Madame Broode is voiced by Yuki Kodaira, which she also voiced Hariet in the same game.

Madame Broode is first encountered in the Cascade Kingdom when Mario and Cappy were searching for Power Moons in the area to restore the Odyssey, where she is found at the top of the falls. When she confronts Mario, she refuses to hand over the Multi-Moon hanging off her necklace, and decides to attack Mario to feed as a snack for her pet.

Madame Broode attacks by having her Chain Chompikins lunge at Mario. Chain Chompikins wears a pink hat on its head, which must be swat away by Cappy. Once the hat is gone, Mario can then capture and control the Chain Chomp. As Mario is trying to run away from Broode as Chain Chompikins, Madame Broode will attempt to knock Mario out of her pet. After a few attempts, she will grow tired, giving Mario an opportunity to send Chain Chompinkins flying at her. After being hit, she will do a spin attack which leaves Chain Chompikins immune to Cappy before returning to her usual attack pattern.

Mario must do this three times to defeat her. Once she is defeated, she drops the Multi-Moon, which Mario and Cappy used to restore the Odyssey and chase after Bowser.

Later in the game, she is encountered in the Moon Kingdom before Mario gets to Bowser's wedding. Here, she reveals herself as the leader of the Broodals, and attacks Mario again as vengeance to her previous defeat as well as the Broodals' defeat. Her rematch is identical to her first battle, but Chain Chompikins now wears three hats in this battle. Mario must repeat the same strategy used in their first battle by controlling Chain Chompikins and sending it at Madame Broode. After the second hit, Chain Chompikins wears five hats.

After the third and final hit, Madame Broode is defeated for good, and disappears. Returning to the Honeylune Ridge after defeating Bowser will respawn Madame Broode.

---

Madame Broode: Well well the famous Nicolas Chan. I've heard so much about you.

Nico: Nice to know that I've made an impression.

Madame Broode: Where's Captain Planet now?

Wheeler: He's not here at the moment. But you can leave a message for him.

Lucca: After we kick your butt!

Nico: That's right!

Madame Broode: How dare you!? We'll turn you into kibble!

But then a wave of blue energy flew in and it hit the golden chomp and froze him in a block of ice!

Madame Broode: What the!?

?: Time to put you on ice!

2 figures came and one was a girl with aqua blue hair and blue eyes and had blue clothes and blue dragon wings and had the kanji for ice in the middle of her forehead and she had a necklace for the blue 3 Star Dragonball around her neck. The 2nd girl had blue hair and blue clothes and had blue angel wings and had a tiara with the symbol of Sword Man on it and had an awesome sword in her hands.

Elandra Eis Shenron: Elandra Eis Shenron, Embodiment of Eis Shenron the 3-Star Dragon, the Dragon of Ice.

Serris Sword: And Serris Sword, Embodiment of Sword Man.

Green Lantern: Wow! Awesome!

Captain Marvel: Awesome to see Serris.

Serris Sword: Hal and Carol. Its been a while.

Nico: You can tell us later. Lets get her.

Nico: (Gets out Imperious and Stinkbomb's ridewatches) Time for Stinky Magic!

He activated them and fired waves of Stinky Magic and it formed the leaves into Venus Flytraps and they chomped her all over!

Elandra Eis Shenron kicked the golden chomp and then…

KRABLANG!

IT SMASHED HER RIGHT INTO HER FACE!

OOH THAT IS NOT GOING TO FEEL GOOD IN THE MORNING!

Starlight Glimmer then had stifled laughter and then she bursted out into laughter!

She was laughing so hard from that!

Nico: (LAUGHS) That is funny!

Wheeler: Time for this burn! FIRE!

Lucca: FIRESTORM BLAST!

They fired waves of fire and it hit the Golden Chomp and turned him RED HOT!

Elanda and Serris kicked him and then..

KRABLANG!

It bashed her in her face again!

STARLIGHT GLIMMER LAUGHED REALLY HARD FROM THAT ONE!

Nico: CHOMP ON THAT!

Elandra Eis Shenron: And this! WATCH YOUR EYES!

SLASH!

She formed icicle claws and slashed Madame Broode's eyes and she and Lucca kicked the golden chomp and smashed her in her face again and she was REALLY SENT FAR AND FLYING!

Then all the Power Moons came and they got them all!

YOU GOT ALL THE POWER MOONS!

Nico: YEAH!

They all high five!

Nico: That was funny!

Starlight Glimmer was laughing really hard!

Nico: How did you meet Captain Marvel and Green Lantern?

Serris Sword: I met Captain Marvel when she was battling Dr. Sivana and we really put the pain on him

Me: Doctor Thaddeus Bodog Sivana A.K.A. Dr. Sivana. Wow! That is amazing.

Serris Sword: Yep. And that was a brutal battle. Also I met Hal Jordan on the planet Zamaron when Carol Ferris turned into a Star Sapphire.

Carol Ferris: I was there when that happened and it was awesome.

Serris Sword: Yep and Hal told me about how Girl Jordan saved Carol from that evil version of the Star Sapphire Entity while she was sick. That took tremendous guts.

Nico: It sure did.

Elandra Eis Shenron: That is really amazing.

Nico: Yep. Would you two like to join the team?

Elandra Eis Shenron: We would be honored.

They left the Simulator and we cheered wildly and Starlight Glimmer was laughing from seeing Madame Broode get smashed like that.

Stinky Butt was walking to his room.

LOUD FARTS!

Stinky Butt: Time for some fun TV in my room.

LOUD FARTS!

He went into his room and turned on the TV.

LOUD FARTS!

He sat on his butt shaped bed.

LOUD FARTS!

Poromon coughed.

Stinky Butt: Hey Poromon what are you doing here?

Poromon: Playing hide and seek.

Stinky Butt: Awesome. What do you think of my little fart soiree abode?

Poromon: It's awesome and the butt furniture is awesome.

LOUD FARTS!

Poromon: And the farts they have smell like bananas.

FART FART FART!

Stinky Butt: (LAUGHS) Fun huh?

Poromon: (LAUGHS) It sure is!

---

Back at the estate we were watching TV.

Berry Punch: (Slurred speech) Oh fuck. Where are the mascots (HIC) now?

Me: Oh they are playing hide and seek. And I have a feeling they are going to the M.O.E.

Nico: Yeah. Lets go get them.

Lillian Van Damme: Good idea.

We were off.

* * *

Stinky Butt: Wait. Where are the others?

The door opened and in came the others.

Poliwag: Found you!

Poromon: You sure did.

LOUD FARTS!

Manaphy: Awesome pad you have here Stinky Butt!

Stinky Butt: Thanks guys!

LOUD FARTS!

Poliwag: Wow! The chairs are butts and they fart. So funny.

LOUD FARTS!

They laughed!

* * *

Lillian Van Damme: Who's room are they in this time?

Me: We'll find out.

We arrived and knocked on the door.

Vypra answered.

Vypra: Hey guys.

Me: Hey Vypra. Sorry to drop by like this.

Vypra: Mascots are playing hide and seek?

Me: Yep.

We went in.

Vypra: Stinky Butt's room.

Me: Oh boy.

We went over and the door opened and we saw Stinky Butt's room and it was full of butt furniture. Stinky Butt was showing some of the funniest adventures he did wih the Ripping Friends.

Stinky Butt: And here's where the Ripping Brothers thwarted me the first time as Stinky Butt.

Poromon: That is cool!

Poliwag: It sure is! (Sees us) Oh hey guys!

Me: Hey guys. Wow! Awesome pad Stinky Butt.

Crag: Boy I'll say! And it's all funny butts too.

LOUD FARTS!

WE LAUGHED!

Me: That is funny. (Sniffs) Banana scented. Nice!

Horsea: How's the bowling ball situation?

Me: Well we had a little talk with that fortune teller and gave her a stern warning. But man that fortune teller is as stubborn as a mule! She won't remove the curse on Rika!

Horsea: What a grouch!

Me: Tell me about it!

LOUD FARTS!

Qin: (LAUGHS) Funny!

Stinky Butt: Thanks guys.

Loki: (LAUGHS) This is literally funny.

Rippersnapper: We can always threaten to nuke her.

Nico: Whoa whoa! Rippersnapper that's too extreme.

Rippersnapper: Sorry let me rephrase that. We can always threaten to tickle her until she wets her pants.

Nico: Now that's more like it. I like it. But we'll worry about that later. Right now lets enjoy seeing Stinky Butt's room. This is awesome.

Rippersnapper: You're right. It's funny and awesome.

Stinky Butt: (LAUGHS) You're right. But maybe I can help with that.

Me: Thanks.

Poromon: I was pretending to be a pillow.

LOUD FARTS!

Me: We can see that.

Stinky Butt: Yeah. But what do you guys think of some of my furniture? Also I have a fridge full of my favorite meal: Wieners and beans.

Me: Wow! That is awesome and fun.

Camie: It sure is.

Sludge: Me Sludge can always threaten fortune teller. Us Dinobots always threatening alone

Nico: That is true Sludge.

Stinky Butt: Go for it guys and I can always fart in her face too.

Me: Nice. I like it.

Poromon: Thanks for showing us your awesome room.

Me: I was going to say.

LOUD FARTS!

WE LAUGHED!

Me: This is funny.

Stinky Butt: Glad you guys like it.

Me: Yep.

We later went back home.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Poromon: Another M.O.E. Room visited.

Me: Yep and it was so awesome and funny.

Lola: It sure was.

Tussle Sprout: How did you guys like Stinky Butt's room?

Poromon: It sure was funny and awesome!

Qin: I'll say!

Omaima Lexington: It sure was funny! (LOUD FARTS) Oops sorry.

Nico: No worries.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than another one of Mordecai and Rigby's old enemies, Peeps, that ugly eye monster, and he's come back for revenge against the crew. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront

today, it's none other than another one of Mordecai and Rigby's old enemies, Peeps, that ugly eye monster, and he's come back for revenge against the crew.

We gasped.

Me: An ugly eye monster?! Oh boy, we need to get to The Park and tell the gang of what's about to happen.

Nico: We're gonna need some hot sauce to spray at that ugly monster.

Lincoln: We've got a lot of things to hurt him.

The previous group came.

Evil Lyn: Can me, Captain Cold, Man Ray, Major Disaster, Cluemaster, Mysterio, Common Cold, Cantwell, Whirlwind, and Springfield Bullies go with you guys?

Dolph: And is the Bowling Ball Situation solved yet?

Nico: In order, yes you all can come with us and no it isn't yet.

Lola: Yeah.

Dolph: Man that fortuneteller is stubborn huh?

Me: Yeah.

Pain Yatta: Nico, which Gene Slammer do you think you'll meet next?

Kearney: And there's gotta be a way to stop those bowling balls!

ZOOOM!

Lynn caught a ball flying in.

Nico: We will stop those balls. But lets see. Neon Tiger next.

Qin: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Black Rangers, and they're coming here to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Black Rangers, and they're coming here to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: What?!

Jackie Holling: Leave the Universe 666 Black Rangers to me and Lincoln, guys.

Lincoln: Hold on, Jackie, we're not doing this alone.

Jake Holling: He's right, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading out to The Park to take down Peeps.

Lincoln: That ugly eye monster's going to pay for this, and once we get through with that ugly monster, Universe 666 Black Rangers, you're next.

Jackie Holling: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to The Park to destroy Peeps and once we get through with that ugly eye monster, Lincoln and Jackie Holling along with the Black Rangers are going to destroy The Universe 666 Black Rangers.

We were off to the park.

---

We arrived.

Captain Cold: You gotta love the park.

Me: That is for sure. Love coming here too.

Lola: It sure is awesome.

Camie: Yep.

We went to the house.

Me: Lets go talk to Mordecai and Rigby.

We went into the house.

Me: Hello?

Circe: You guys here?

Benson: (In another room) YOU GUYS ARE THE WORST EVER

SLACKERS! NOT ONLY DID YOU LIE TO ME BUT YOU GUYS STOLE MY SANDWICH!

POW!

Benson punched Mordecai in the face and knocked him down!

He then jumped him and pulverized Mordecai all over!

Me: Uh oh!

We went and pulled him off!

Me: WHAT THE FUCK IS GOING ON HERE!?

Cluemaster: It's obvious something happened involving Mordecai and Benson.

Eli: Yeah.

Me: Mordecai what happened?

Mordecai: Benson flipped out because he thinks I ate his sandwhich.

Me: What kind of sandwich?

Mordecai: A Grilled Cheese Deluxe. I didn't even buy one for me. Also I never even ate it.

Benson: YOU LIAR!

Me: KNOCK IT OFF BENSON! Do you have any proof that he ate it!?

Benson: well no.

Eli: Mordecai is telling the truth. He didn't eat it.

Nico: Yeah!

Benson: Oh.

Me: Yeah.

Benson: Okay, if it wasn't you, who did it? Because there have been a lot of strange stuff going on lately!

Illia: Like what?

Benson: Well Muscle Man said his trailer was smashed, Skips had his lunch stolen, Rigby had his video games destroyed too.

Me: Weird. I think it has something to do with Peeps.

Mordecai: Peeps!? That eyeball monster!?

Me: Yeah we found out that he's back here.

Benson: Oh man!

Me: What does he look like?

Benson showed a picture of him and went over his history.

---

Peeps is a giant light-green eyeball who spies on all the groundskeepers at the Park. Peeps has multiple eyes that he usually keeps hidden. Peeps was hired by Benson to keep an eye on Mordecai and Rigby, but he ends up abusing his role and invasively spying on all the groundskeepers instead. Benson tells Peeps he is creeping everyone out and asks Peeps to leave. Peeps refuses to go because of the contract Benson signed to bring him to the park. Mordecai challenges Peeps to a staring contest and orders Peeps to leave if he loses. Peeps agrees, adding another stipulation that if Mordecai loses, Peeps gets to take everyone's eyes in a very painful way (by using an ice cream scooper and a needle), to which Mordecai reluctantly accepts. After an unspecified amount of staring, night falls and the two opponents have yet to blink. After almost blinking, Peeps brings out his extra eyeballs and uses their moisture to lubricate his main eyeball and to keep it from blinking. Rigby protests Peeps' actions, citing cheating, but Peeps refutes his claims. Rigby steps up and blinds all of Peeps' multiple eyes with a laser pointer. Peeps protests Rigby's actions, citing cheating, but Rigby refutes his claims. After all of his extra eyes are blinded, Peeps blinks and thereafter loses the staring contest. Rigby then shoots at Peeps' eye and sets it on fire, sending Peeps flying into a river. Afterwards, Peeps is hauled out of the river and taken to the hospital. The last thing Peeps says infers he was blind at that point. It is not confirmed whether or not he has permanently lost his sight, nor was he seen again after that.

Peeps is a giant floating eyeball with a red iris. His outer layer is a crusty green color. He also has dozens of small tentacles with eyes that can come out of him, which support him for extra eyes. He can speak despite not having a mouth.

---

When he was done we were shocked and horrified at how ugly he looked!

Me: He's a giant eyeball!? Ugly!

Qin: Weird!

Me: I've heard of having Eyes and Ears everywhere but this is ridiculous!

Common Cold: Talk about taking your job too far!

Xenia: Yeah!

Lola: That is an ugly eye though.

Red Lantern Ratchet: Should we call Dr. Helmer Strom?

Nico: I don't think he is around anymore.

Red Lantern Ratchet: Oh.

We then heard Pops scream in pain.

Cantwell: Was that Pops?!

We went into his room and saw him on the floor with a broken leg.

Me: Pops are you alright!?

Nico: What happened!?

Pops: I broke my leg! Something tripped me!

Me: Hold on Pops.

We helped him up and brought him to the sofa.

Indigo Zap: Peeps must've done this!

Me: My thoughts exactly!

We got to healing him.

Pops: Peeps!? Oh my!

Rigby came down!

Rigby: What happened?!

Me: Pops broke his leg!

Rigby: Oh man!

Me: Peeps did this.

Rigby: That ugly eyeball!?

Me: (Sarcastically) No it was the Killer Klowns from Outer Space! Of course it was Peeps!

Rigby: He broke my video games?!

Whirlwind: That's right!

Me: Yeah! And destroyed Muscle Man's trailer, stole Skips lunch, stole Benson's lunch which made him yell at Mordecai and punch him in the face and now this.

Rigby: Oh man!

We then heard High Five Ghost's voice.

High Five Ghost: Who's there?! Wait, you?! Have mercy!

Magma: Oh no. Fives!

Me: Uh oh!

We saw him having a panic attack.

Me: Hive Five Ghost it's okay! It's us!

Hive Five Ghost: Oh guys! Thank goodness.

Nico: You okay?

High Five Ghost: I haven't slept a wink for 5 days. I felt like something was watching me every time.

Me: Oh boy. Peeps did this.

High Five Ghost: Peeps!? That ugly eye monster?!

Me: Yep.

Mysterio: Which Heartless robots should I summon for this?

Me: How about Wight Knights?

Mysterio: Awesome idea.

Benson: Mordecai, I'm very sorry.

Tricloid: Hey, you didn't know.

Mordecai: Yeah you had no idea.

Nico: But either way we have a runway eyeball running around.

Blossom: Lets hope this guy is easier than the Evil Eye.

Me: EYE-Caramba!

Major Disaster: We need to call the others here!

We went and did so and brought the others here.

Muscle Man: So Peeps is behind this!

Skips: I knew it was only a matter of time.

Brimstone: Where is he right now?

Eli: (Concentrates) 300 yards to the east.

Nico: Lets go thern.

We went to face him.

Man Ray: We must be getting close!

Nico: Yep. Look!

We saw a big green floating eyeball. IT WAS PEEPS!

Lola: He is ugly.

Robin Food: i believe it's entrance time!

Nico: Lets get him!

We went at him.

Peeps was really looking around.

Then the spirits of eyes came and they swirled around him and then they converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

A massive fiery explosion blasted off above him and a phoenix cry was heard and then we came out.

Nico: Time to poke your eyes out!

Jimbo: Wonder what'll happen if I do this! (Pokes Peeps' eye)

POINK!

Peeps: OUCH! That hurt!

Me: So he can talk too!

Eye Five: And EYE thought EYE was an eyeful!

Me: EYE YI YI!

Nico: Eye puns are funny.

Xenia: Yeah!

Eye Brawl: (Transylvanian Accent) I've got my Eye on this guy.

Ben turned into Eye Guy!

Ben: EYE GUY!

Nico: Yeah!

Eye Guy fired eye laser blasts and blasted Peeps all over!

Qin: EYE see what you mean!

Eye Guy: EYE Think you have a problem, pal!

Luan: Yeah! EYE think you need to find a better job! (LAUGHS) Get it?

Xenia: Yeah!

Me: How about these Eyes? I SUMMON MONSTER EYE!

I summoned Monster Eye!

They were ready to blink!

Eye Guy's eyes merged into a single eye on his chest and he fired an ice blast and blasted Peeps.

Eye Guy: Now that is one EYE would never touch!

Xenia: Good one!

Camie: Yeah!

Peeps: So, how's Pops?

Rigby: You don't get to talk about him!

Me: Yeah!

Nico: That's right!

Nico poked his eye

POINK!

Peeps: OUCH!

Then Kaos, Mr. Fizz, Technus, Dr. Viktor, Heat Wave, Stinky Butt, Titanium Toenail, Melter, Po Kong, and Touch & Go came.

Nico: Kaos, Mr. Fizz, Technus, Dr. Viktor, Heat Wave, Stinky Butt, Titanium Toenail, Melter, Po Kong, and Touch & Go.

Mr. Fizz: That's one ugly eye!

Technus: See More and Tri Klops would barf at that thing!

Dr. Viktor: I'm debating on whether we should show them pictures.

Nico: Probably not a good idea.

Heat Wave: (to Nico) Heard you fought Gravyzilla.

Kaos: (to Twilight) I hope you take care of that Raikou

Twilight Sparkle: Oh I will don't worry

Then Universe 666 Mondo Came!

Me: WHOA! Are you the King Mondo from the…

Universe 666 Mondo: Yep. Universe 666 version.

Me: Cool!

that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and black energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and black energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Universe 666 Black Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Black Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 Black Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Jackie Holling: That he has, and for that, we're going to destroy the instruments of his revenge.

Suddenly, Jackie Holling's blue eyes turned neon blue and she was surrounded by a black energy aura with stars, black fire, black flames, phoenixes, and angels, she unholstered The Magna Sword, and as she approached The Universe 666 Black Rangers, she left black energy, stars, black fire, black flames, phoenixes, and angels with every step.

Jackie Holling: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who had to be put down. Now, it's your turn, you'll pay for disgracing the legacy of the Black Rangers.

Suddenly, Jackie Holling was surrounded by a massive vortex of black energy, stars, black fire, and black flames surrounding the vortex, there are phoenixes, angels, and the Black Rangers of 47 plus years flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at The Universe 666 Black Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Jackie Holling emerged, but she was changed forever.

Suddenly, Jackie Holling felt a sharp pain on her back, and then, her massive black angel wings with white tips on the large black feathers grew much bigger for her new body and she also now has eleven massive and long black wolf tails with white tips and white markings, Jackie Holling has on her Ring of the Phoenix with large black gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

But, when The Universe 666 Black Rangers saw it, they went mad with rage and ran at her and kill her, but Jackie Holling fired a massive barrage of black energy, stars, black fire, black flames, phoenixes, and angels which hit The Universe 666 Black Rangers and sent them crashing onto the ground, they got back up and they were now really enraged.

Jake Holling: Incredible!

Selene Arcangela: Incredible is right, Jake, Jackie's transformed, and we already knew of the kind of damage she's capable of doing to villains.

Lincoln: Yep, and now, it's time we end The Universe 666 Black Rangers and make them pay!

Jackie Holling: (Divine Echoing Godly Voice of The Black Inferno Firestorm Black Rangers Embodiment Phoenix God Angel and Divine Cosmic Eternal Black Inferno Firestorm Black Rangers Embodiment Phoenix God Angel Love) That's right, those disgraces are going to pay for what they've done. Let's get them, Lincoln.

Lincoln unholstered his massive Lincoln Loud's Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Universal Hope Elemental Cosmic Heavenly Bravery and True Unbreakable Eternal Bonds and Immortal Heroism and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-Dragon-Demon-Mermaid-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel of Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel Justice and Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Jackie Holling.

The Black Rangers also transformed and joined Lincoln and Jackie Holling as well.

Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) RD Sebastian has already paid for his crimes, and now, it's your turn, your end has come, Universe 666 Black Rangers!

Jackie Holling, Lincoln, and The Black Rangers went after The Universe 666 Black Rangers, and they fired extremely powerful blasts of rainbow energy, black energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Universe 666 Black Rangers, and they exploded with incredible power as they hit them.

Then, Lincoln and Jackie Holling attacked them with powerful slashes from their massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Jackie Holling also did the same by firing black energy slashes from her massive greatsword, and he and Jackie Holling attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 Black Rangers badly.

The Black Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you all die once more.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 Black Rangers' chests, and then, Lincoln began absorbing The Universe 666 Black Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Black Rangers, and he banished them to The Black Gates. We cheered wildly for what Jackie Holling and

Lincoln did as they holstered their massive greatswords on their backs and powered down and Jackie Holling's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large black orbs orbiting around her legs, and massive black angel wings are permanent.

Jackie Holling: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 Black Rangers forever, Lincoln, you too, Jake.

Lincoln: (Smiles Warmly) You're welcome, Jackie.

Suddenly, Jackie Holling wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Jackie Holling's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the Black Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and black flames raging behind them and we cheered wildly. Then, Lincoln and Jackie Holling sucked in and absorbed the elemental forces and black flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Black Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Black Rangers, will they? Not on our watch!

Me: You said it. And we already know we're meeting Valerie Quinn tomorrow, thanks to what Catherine told us.

Nico: And we saw what she's capable of turning Luan's prank's against her.

Lincoln: Yep, amateur pranksters who try to try to prank her and humiliate her wind up getting their comeuppance and suffering the consequences.

Titanium Toenail: Another baddie takken care of.

Rigby: That's nice and all. But what about my video games?!

Muscle Man: And my trailer?

Skips: And me and Benson's lunches?

Melter: We'll take care of those.

Mr. Touch: But at least no one's dead.

Stinky Butt: Let's celebrate in my room. After all, you guys saw it today.

Po Kong: I hope there's food!

Nico: There will be! Great job today everyone!

Mordecai: (To the viewers) No one likes to be watched 24/7.

Me: Nope. That's called Stalking. And it has serious consequences.

Nico: Yep.

We celebrated and later went back home and enjoyed the rest of the day and went to sleep.

But, we would soon find out from Lincoln and Princess Luna that Darren Devereaux's nightmares were linked to the tragic death of his mom and the suicide of his father a week after her funeral when Darren was only seven, and then eight years later, his older brother, Logan Devereaux was murdered by his ex-cousin and murderous MS-13 fanatic member, Connor, when he was fifteen, and the longings of his dead family caused him to head into The Manor of Sleep and he got hit with The Tattooed Curse, so we need to head to the real life ruins of The Kuze Shrine and help Darren come to terms with his grief and loss, along with battling the vengeful spirit responsible for it: Reika Kuze, the last Tattooed Priestess, but like all the main antagonist ghosts of Fatal Frame, Reika is a tragic soul who became a vengeful spirit after seeing her lover murdered in front of her and wanted to make others suffer as she had. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Valerie Quinn and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Valerie trained Lincoln a lot with using the powers of Tech and Laughter, and she's also an awesome party planner and comedian. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Luan with a very blazing passion because of all of the insane pranks she's done in the past, and Valerie Quinn has put her in her place by outsmarting her and sabotaging and turning her own pranks against her.

See you next time.

Nurse Redheart: Oh, Princess Twilight and everyone, Everypony in the hospital is so excited for your visit today!

Twilight Sparkle: "We're never too busy to visit sick foals. I can't believe a whole class just came down with the horsey hives!

Nurse Redheart: On school picture day, too.

A class picture was shown on screen of all the little foals covered in red spots and looking miserable Cheerilee just had a very uncomfortable look on her face as she looked at them nervously.

Me: Man that sucks. Poor kids. Getting sick like that is no fun.

Nico: Yeah poor kids. We'll gladly help them get better.

Eli: We can tell them some amazing stories about our adventures and more.

Xenia: Yeah.

Nurse Redheart: They would love that.

Lola: Yeah.

Twilight Sparkle: We'll bring snacks, I will read to them, and get them gifts.

Spike the Dragon: Food and presents always cheer me up

Me: That's true.

Leanbow: They will love that.

Nico: Leanbow, I want to thank you, Wolf, and your teams for coming.

Leanbow: It's no problem Nico. I'm honored to come with.

San: We all are.

Me: Yeah.

Nico: San, remember that demon we fought when we met you?

San: I sure do. That was a really fun adventure.

Lily: And it was going to kill Ashitaka with a terrible curse.

San: Yeah. But it was awesome how you helped us. Including all the people of Iron Town.

Lily: I know. That was so cool. Especially with healing all those poor people infected with Leprecy.

Nico: Yeah that was awesome you did that Lily. Also that was amazing of Lady Eboshi to take them in and help them.

Xenia: Yeah.

Lola: Yeah that was awesome.

Nico: That demon was freaky! Those infected hardly stand a chance!

San: I know. But we are forever grateful to you all for coming.

Me: No problem San.

Qin: Yeah.

Me: Yesterday sure was awesome.

Lola: Yeah it sure was. But that Peeps monster was UGLY!

Luan: EYE was astrounded! (LAUGHS) Get it? But seriously he was ugly.

Nico: Peeps' antics reminds me of what Sheldon did in Quahog.

Me: Yeah Stewie told me all about that and that was crazy.

Qin: It sure was.

Xenia: That turtle was crazy evil.

Lola: Yeah.

Fluttershy: I don't think my stare would work on Sheldon.

Nico: Maybe maybe not. But yeah.

Lola: Still Peeps was really ugly!

Maria: How's Pops?

Varie: He's doing much better.

Me: Great. He really hurt himself.

Xenia: Yeah. Peeps did that.

Camie: What a monster.

Lola: Yeah no kidding and Benson told me that he hired him before to keep an eye on everyone and make sure they do their jobs. No pun intended.

Nico: He did TOO good of a job.

Xenia: Yeah he sure did.

Lana: I guess Benson should have read the fine print on that.

Camie: Yeah no kidding.

Xenia: Yeah he needs to learn how to read contracts down to the last letter.

Me: Yeah I agree. But those Eye jokes that we did were really funny.

Nico: Yep they sure were. Eye jokes are funny.

Lola: Yeah they sure are.

Poromon and the mascots came.

Poromon: Hey guys!

Nico: Hey Poromon!

Poromon: We want to help out with this.

Nico: Great!

Maria: Just as long as you all don't give the kids beer.

Poromon: Oh no no no! We learned our lesson on that one. We're not going to do that. We got root beer and awesome presents for the kids.

Poliwag: Yeah. And we got some funny stories for them too.

Me: Cool!

We arrived at the hospital and went into the patient ward and saw the kids really sick. They were covered in red spots and itching like crazy and were really miserable.

Me: Oh man poor kids.

Nico: Should we call the rest of the team?

Me: Good idea.

We did so.

Lori: Oh these poor kids literally need a lot of cheering up.

Lynn: Yeah poor kids.

Eli: Yeah.

We went in.

Me: Hey kids.

Kids: Hey guys. (COUGHING)

Me: Poor kids. I'm sorry you all our feeling sick. But we brought you all some toys and food .

We gave them to them and they cheered.

Me: Also we got some awesome and fun stories to tell you.

Snips: What is it?

Me: We're going to tell you all some of our adventures.

Poromon: First, lets tell you about a guy named Officer X.

Snips: What was he like?

Snails: Yeah.

Me: Well Officer X was a dogcatcher that the mascots outsmarted every chance they got. And it was funny.

Alex the Lion: He was always after Skipper and his friends.

Skipper: It was before he set his sights on the mascots.

Snips: Wow!

Poromon: Okay here goes.

They cleared their throats.

Poromon: First he was after chales before setting his sights on us.

Poliwag: He was in every way like Buster McMuttmauler that was faced earlier. Long story for another time.

Manaphy: Yeah. But he was more insane.

Horsea: And crazy.

They told the kids all about Officer X and how he relentlessly pursued them.

Horsea: Next he drove his van after us in the Digital World.

Piper: It was during my ambassador mission big day and it was really funny.

Poliwag: Yep.

Manaphy: And with each passing big day mission he gradually descended into insanity.

Me: Yep. He was getting more and more nutsy cuckoo.

The kids laughed at that remark.

Me: (LAUGHS) Yeah that is funny huh.

Poliwag: Then he became Exterminator X and went after us AND the Ants of Ant Island!

They gasped!

Eli: That was our reaction too.

Poromon: But he was no match for our wits at any size.

Manaphy: Finally, he became Minion X on Zarya's Big Day.

Zarya: That was where he REALLY went off the deep end.

Zocks: It's true and it was crazy.

Me: Yep.

Manaphy: But in the end we defeated him and he got sent to the

Saturn Nuthouse forever.

Me: Yep. This is his fate.

I showed a viewing window of Officer X in a padded cell screaming insanely and thrashing around and he was in a straitjacket and his mind was REALLY messed up.

Snips: Whoa! He really had it coming.

Twist: Yeah he sure did.

Poromon: Yep. Pipe down you clod! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning through the window and it went into his cell and electrocuted him with over 500 billion volts of electricity.

He was badly burned and cooked from that.

Me: That is one way to administer electroshock therapy.

Poromon: Now to tell you guys about how I was tricked into making porn.

Nico: POROMON, NO!

I clamped his beak.

Me: Poromon they don't need to know about that one.

Poromon: (Muffled) Sorry.

Me: But what did you think about Officer. X?

Snails: Man he was a jerk.

Camie the Mermaid: He sure was. But he got what he deserved.

Lola: Yeah he sure did.

Nico: Yep. Now time for you guys to hear some of our adventures.

Lincoln: May I go first?

Nico: Sure Lincoln.

Lincoln: I'm going to tell you all about how we went through the battles leading up to the battle with Team Dark Phoenix Storm.

Nico: One of our most epic and most awesome adventures ever.

Lincoln: It all started when we met the LupinRangers and PatRangers.

Kairi Yano: That's us here.

They pointed to themselves.

They went over what happened during those events leading up to chapter 1537 and when they got to the main event it was awesome.

They went over it all and it was awesome.

Poromon: And the adventure ended with me eating Mr. Mind. He tasted like chicken.

Snips: Wow!

Twist: You ate him?

Me: Well he's a Bird Digimon and Birds eat worms. And it was also funny.

Nico: It was THAT easy!

Me: But in the end we saved the entire planet.

Nico: Yep.

Lucille Loud: (Scottish Accent) Aye lassies it sure was and it was fun too.

They cheered for that.

Snips: Wow! That was awesome!

Aura (MLP): Yeah it sure was. (COUGHS) Can you tell us another?

Nico: Sure. This is about how we went into the world of Highschool of the Dead.

Rei Miyamoto: That is the world we came from and it was a world of scary things.

Me: Like zombies!

They gasped.

Me: I know. Scary huh? Hope you won't be scared by this one.

Nico: Yeah.

Aura (MLP): We'll handle it.

Kairi Yano: Us Reds were in that one!

Nico: Yep.

Aura (MLP): What was that world like?

Me: Well it was a world that was turned into an Apocalyptic World after it was ravaged by a terrible zombie apocalypse.

Rei Miyamoto: It's true.

Miku Yuuki: And it was a nightmare we never want to have happen anywhere again.

Me: Yeah.

Nico: All thanks to a man named Shido.

Me: Yep.

We told them what happened in Chapter 1539 and it was crazy and awful!

When it was done everyone was shocked and cheered wildly for us killing Shido.

Lincoln: Thanks guys and Shido is now in the Black Gates.

Rei Miyamoto: And we are now the future wives of Lincoln here.

Me: Yep and Miku is one of my wives too.

Kids: Awww.

Aura (MLP): That is so sweet and awesome.

Twist: It sure is.

Horsea: Now, time to tell you about how we went to a bad neighborhood.

Maria: HORSEA, NO!

Me: Horsea don't tell them that. They don't need to know that one.

Xenia: Yeah.

Girl Jordan: But let me tell you what happened to me when I was sick like you guys. I got really sick with a bad cold. And then Star Sapphire was attacking.

Carol Ferris: It's true. I was possessed by the evil entity of the Star Sapphires and Girl Jordan promised to save me no matter what even if she was under the weather.

Me: Yep.

Aura (MLP): Wow!

She told them what happened in chapter 498 and it was awesome.

Ben: Reminds me of when I was sick.

Me: Yeah.

Aura (MLP): Wow! That took a lot of strength to go through that.

Me: It sure did and I was really proud of Girl Jordan back then. She really kept her promise back then.

Carol Ferris: That was so awesome.

Nico: Yep.

Twilight Sparkle: Now we are going to tell you about our big day missions and adventures.

Poliwag: Now, we'll tell you about when we saw a hooker place.

William: POLIWAG, NO!

Maria clamped his mouth.

Maria: They don't want to hear about that one.

Me: But I will tell you guys about one of the most awesome battles we had. It was the very first battle we had with Nerissa. That one shook the very foundation of the entire planet.

Snips: Wow!

Me: I wasn't nearly as powerful back then as I am now but let me tell you that was a really amazing and epic battle.

Maria: And Shriek was with her.

Me: Yep.

I went over what happened during the events of chapter 575 and it was epic!

When I was done everyone was in awe and they cheered wildly.

Aura (MLP): That was awesome!

Xenia: It sure was.

Snips: Yeah! That was great!

Me: Yep. That was one of my favorites.

Nico: Yep.

Manaphy: Now, who wants to watch Robot Chicken?

May: MANAPHY NO!

I stopped her.

Me: Manaphy no need for that one.

Star Swirl: But we will do something better. Tell you all about the awesome achievements me and my fellow Pillars of Equestria had done many eons ago.

Somnambula: (Egyptian Accent) We did a lot of good things and you would like them.

The Pillars of Equestria told them all about what they did that was awesome.

Rockhoof told them his story about how he saved his village from a volcanic eruption.

Mistmane told them how she saved her friend Sable Spirit from herself.

Flash Magnus told them how he outsmarted Dragons to help save his comrades.

Somnambula told them how she saved a prince from Anatankha before.

Mage Meadowbrook told them how she saved ponydom from

Swamp Fever.

Gusty the Great told them about how she swiped Grogar's Bell of Bewitchment.

Star Swirl revealed all his awesome achievements and more .

It was awesome.

Everyone was amazed.

Nico: Amazing isn't it?

Aura (MLP): I'll say! Wow you guys have done it all!

Me: Yep. And we're not finished yet. It's a massive and incredible job but evil is always out there and it never rests for anything.

Snips: No it doesn't.

The kids were so much better after hearing our adventures.

Snips: Wow! We feel so much better.

Snails: Yeah!

Xenia: We're so happy guys.

Nico: But you should still rest.

Nurse Redheart: I agree there but those were awesome stories guys. All the kids sure loved them.

Me: I'm glad we could help out Nurse Redheart.

Nurse Redheart: Thank you all so much.

We later left the hospital.

Me: Boy that was awesome.

Lincoln: Yeah.

Me: Yeah that was fun.

Lincoln: Okay, guys, we got ourselves a huge emergency, and we're in for one epic battle: I've got word that a clone of Ra's Al Ghul has been sighted, and he's after J.D. for defeating him the first time.

We gasped.

Me: Oh man!

Nico: I remember you and Ra's telling me about the first time you defeated him.

Me: That's right. That was a really awesome adventure.

Talia Al Ghul: I cannot believe someone made a clone of my father from the first time you met and defeated him.

Ra's Al Ghul: I am nothing like this imitation. J.D., Lincoln, do not show him any mercy.

Me and Lincoln: We won't.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for the Ra's Al Ghul clone) AHA! Gotcha! I just spotted the clone of Ra's Al Ghul, he's 20 yards away and closing fast on you, J.D.

Devonia Dunkleosteus: Let's get him!

Lincoln: We'll make this clone pay for disgracing the real Ra's Al Ghul. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched

onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of Ra's Al Ghul.

Me: He's here. I can feel it.

CatDog heard a Pokemon Cry.

Cat: Hey guys look here!

They saw 2 Pokemon Crying! One was a Furfrou and the other was a Liepard!

Cat: Wow! A Liepard!

Dog: And a Furfrou!

Nico: Wow! That's cool!

Me: Oh the poor things they hurt their legs.

Nico: Yeah.

They went over and healed them.

Furfrou: Thank you guys.

Liepard: Yeah thank you.

Nico: Okay. So there's two of them. We can work with this.

Me: Fitting for both CatDog because they are a cat and a dog attached together.

Lola: Yeah.

Nico: True.

They were healed up.

Liepard: Thanks guys.

Furfrou: Yeah.

Me: Want to come with us?

Furfrou: Sure.

Nico: Wait, Who gets Liepard?

Me: I think the answer is obvious.

Cat: I'll get Liepard.

Dog: And I'll get Furfrou.

Xenia: Fair enough.

Nico: Alright. Now lets get going.

Me: Right.

As we got to searching I noticed that Reika was happy about something.

Megan noticed it too.

Megan McCallister: Reika you seem to be happy about something. Care to tell us?

Deadpool: We're about to find an evil version of Ra's and you wanna ask that now? How about waiting until after we kill that asshole?

Megan McCallister: Okay okay okay. Sorry about that.

We were flying in the air and we landed to look for the clone of Ra's Al Ghul.

Lincoln: Okay, now to find the clone of Ra's Al Ghul. (Sensed him) Uh oh, here he comes!

Suddenly, we saw the clone of Ra's Al Ghul.

Lincoln: There he is.

Me: Let's get him. KIBAL, LET'S HOWL!

I transformed into Wolf Moon 🌙 .

Lincoln: You got it. UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln transformed into Fire Moon as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body and his entire body was then covered in thick brown fur, his deep sapphire eyes and rainbow iris of his Third Eye turned red, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's and he grew a brown wolf snout, his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned red, and he let out a loud howl.

Me: That's still as awesome as ever!

Lincoln: I know.

We flew right at the Ra's Al Ghul clone and Lincoln and I both fired red and blue wolf fire at him and sent him flying into a wall, but he got back out and unholstered his sword, and we clashed with him as sparks flew like crazy.

Nico: Fighting against both J.D. and Lincoln as Wolf Moon and Fire Moon, that would be a bad idea for him.

Devonia Dunkleosteus: You said it, but now, I'm also going to join in, let's see him face off against someone who has over 382 million years of combat experience.

Me: Yep.

Ra's Clone: It would seem that you and I have a score to settle after all this time J.D.

Me: Indeed we do. You may have lived for over 600 years Ra's. But I have changed tremendously. I have trillions of years of experiences inside me. You wouldn't believe what I had to go through to come so far like this.

Ra's Clone: Lets see how far you have come.

He unsheathed a sword.

Ra's Clone: Are you man enough to face your better?

Me: If you insist.

I formed my scythe into a wolf sword.

We went at each other and clashed.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

We clashed more.

CLANG CLANG CLANG CLANG CLANG!

We clashed all over and sparks flew all over the place with incredible force and fury.

Nico: You'll fall just like all the other clones! (Evil Ra's laughs) What's so funny?

Evil Ra's: Oh, I am no mere clone. For I HAVE fought you all before.

Nico: The fuck are you talking about? The only versions of Ra's that we fought were the original, the Clow Card influenced version, and- (eyes widen) Holy shit. You're the Ra's from Terry's time. The one that took over Future Talia!

Evil Ra's: That's right!

Me: So you are the one that took over Future Talia! I remember from my future self that you were damaged beyond repair for the Lazarus pit's powers to heal.

Future Me: I had a feeling that you would one day cheat death again Ra's. You always DID find a way to come back worse than ever.

Evil Ra's: Indeed J.D.

Nico: This time, you'll STAY damaged beyond repair!

Me: That's right.

Future Me: I can never forgive you for what you did to your own daughter! How could you do that to your own flesh and blood!?

Evil Ra's: I did what I had to do.

Camie: What's he talking about?

Me: Years ago we met my future self and helped him take down Ra's who was inside Future Talia's body.

Nico: Yep.

Me: I take it that you are still steamed about our little intervention back in 2018.

Evil Ra's: Indeed. You always did have a habit of sticking your nose into other peoples businesses. A trait that is most assurably your downfall.

Me: Hm. That's tough talk coming from someone that's lived for over 500 years.

Nico: Yeah.

Qin: I'm amazed you were able to live for so long because of the Lazarus Pits.

Nico: Yeah.

Me: You should know 2 things Ra's. 1: You met your end on December 26th, 2019 when the battle with Thanos reared its ugly head. And 2: We brought you back when you were taken over by a Number Card.

Evil Ra's: Yes I have seen all that from my prison down in hell.

Future Me: So you were watching us down there.

Me: Yeah.

Furfrou charged at him and fired a wave of ice and blasted him down.

Me: Another thing Ra's. Most of your followers are now in the M.O.E. Ubu, Shiva and Nyssa. The only person missing is you.

Liepard charged at him and slashed him down.

Nico: Nice one!

Evil Ra's: Indeed.

Batman: It's amazing how you were able to give me such a hard time Ra's.

Evil Ra's: Indeed Detective. But you always were a very fascinating Specimen.

Batman: So much has changed over the years since we last fought.

Evil Ra's: And everyone knows who you really are detective.

Batman: That's right. Now the world knows that Bruce Wayne is also Batman.

Me: And also his most dangerous enemies have all been destroyed.

Twilight Sparkle got out the Skylands Sword of the 10 Elemental Friendships.

Twilight Sparkle: They put up an amazing fight just like you did before. SKYLANDS ELEMENT STYLE: 10 ELEMENTAL COMET BLAST!

She swung the sword and fired a massive barrage of 10 elemental comets and they hit Evil Ra's and blasted him all over.

Me: But there it one thing that you helped us with Ra's.

Evil Ra's: Oh and what's that?

Me: The Lazarus Pits turned out to be a very interesting and amazing last minute healing tool.

Lola: That's right! They saved one of our friends lives who was dying from cancer and made her better than ever.

Me: Cured her completely of her illness.

Gwen Tennyson got out the Magic Sword of Anodyne.

Gwen Tennyson: Essentially you gave us all the holy grail to curing all kinds of diseases. ANODYNE MAGIC STYLE: MANA STREAM SHOT!

She fired a wave of energy and blasted him all over.

Xenia: YEAH! And I must admit that was a really amazing feat that the Lazarus pits have done.

Lola: I'll say!

Cyborg got out the Sword of The Gears of Coruscant.

Cyborg: They sure are. Minus the side effect of it. GEAR STYLE: STEAMPUNK GEAR STORM BARRAGE!

He swung the sword and fired a wave of gears and blasted him all over.

Will got out the Purple Lightning Sword of Anur Transyl!

Will Vandom: You heard about what Jason Todd went through and how the Joker killed him?

Evil Ra's: Yes I have.

Me: You really underestimated the Joker and how REALLY FUCKED UP he was. Jason was killed in cold blood by him and you brought him back to life. But after that Jason was HELLBENT on revenge and he was going to stop at nothing to kill the Joker!

Will Vandom: That's right. PURPLE LIGHTNING STYLE: THUNDERSTRIKE OF AMETHYST!

She swung the sword and fired waves of purple lightning and blasted him down.

Me: YEAH!

Nico: Nice.

Me: The Joker in my opinion was the most fucked up and most deranged monster ever. He killed over 2,000 people and in my opinion, Being sent to Arkham and sent off to Hell was too Lenient for him. We gave him the Black Gates and that is totally fitting for a monster like him. Someone as fucked up as him deserved it.

Evil Ra's: Yes I agree with you there completely and wholeheartedly.

Taranee got out the Flame Sword of Purple Kandrakar!

Taranee: Nice to know we agree on that! PURPLE FIRE STYLE: FLAMES OF AMETHYST FURY!

She swung the sword and fired a wave of purple fire and blasted him

down.

Loki got out the Sword of a Million Farting Butts!

Loki: Plug your noses guys! This is literally going to be stinky! FART STYLE: FARTS OF A MILLION SKUNKS!

SUPER LOUD MONSTROUS FART!

He fired a massive fart blast and it hit Evil Ra's and smashed him all over!

LIGHTHOUSE FOGHORN!

Chazz got out the Sword of the Chthonian Inferno!

Chazz: That was funny but this will burn! CHTHONIAN FIRE STYLE: INFERNO OF DOOM!

He swung the sword and fired waves of fire and blasted Evil Ra's.

Xenia: Take that!

Aquaman got out the Aqua Blade of Atlantis.

Aquaman: This is just as fun as the water! AQUA STYLE: WATER BLADE STORM OF ATLANTIS!

He fired blades of water and blasted Evil Ra's all over.

Nora got out the Sword of Pancakecalibur!

Nora: PANCAKES GALORE! And they are packed with awesome flavor. PANCAKE STYLE: ORANGE VANILLA BOMB STORM!

She fired pancakes and they hit Evil Ra's and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Tyler Bowman got out the Virus Slaying Darkness Blade!

Tyler: Taste this! DARKNESS STYLE: VIRUS FURY BLAST!

He fired a wave of darkness and blasted Evil Ra's down!

Horsea Squirted Ink and blinded him.

?: Let me help out!

A girl with black hair and red eyes and black clothes and black dragon wings and she had the kanji for darkness in the middle of her forehead and she had the 1 Star Dragonball for a necklace and had a dark sword.

Shania Syn Shenron: Shania Syn Shenron - Embodiment of Syn Shenron the 1-Star Dragon, the Dragon of Darkness.

Nico: WHOA! The strongest out of all the shadow dragon embodiments!

Shania Syn Shenron: That's right.

Lola: Awesome!

Shania Syn Shenron: Let me get some shots in.

She jumped in and clashed with Evil Ra's all over

Shania slashed him and Poromon pecked him.

POINK POINK POINK POINK POINK!

Xenia: Take that!

Camie: YEAH!

Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We already knew how much of a fierce fighter the real Ra's Al Ghul is, so we can't mess up even if it's just a clone.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's right, Lincoln. Let's get him!

Lincoln, Devonia Dunkleosteus, Monica Uriel Hernandez, and I went after the Ra's Al Ghul clone, and we fired extremely powerful blasts of rainbow energy, orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Ra's Al Ghul clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Devonia Dunkleosteus, Monica Uriel Hernandez, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Ra's Al Ghul clone even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Monica Uriel Hernandez, Devonia Dunkleosteus, and I fired powerful blasts of energy, searing fire, water, and planets at Gravyzilla, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) This ends now!

We went at him and knocked him out with a powerful punch.

Everyone cheered wildly as we holstered our weapons and powered down, and Devonia Dunkleosteus' new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long brown wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large blue and brown planets orbiting around her legs, and massive brown angel wings are permanent.

Devonia Dunkleosteus: Now, that was so awesome!

Me: Clone or not, he put up the same exact fight as the real Ra's Al Ghul from years ago.

Suddenly, I got jumped on by Devonia Dunkleosteus, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

Nico: That was one awesome battle.

Lincoln: Yep, we still remembered that battle with Ra's Al Ghul the first time we met him and it was still fresh on our minds.

Me: You got that right. So, Lincoln, are you going to introduce us?

Lincoln: I was just about to do so.

Michelle Hernandez: Actually, leave this to me, Lincoln. Everyone, this is Monica Uriel Hernandez, Avatar of Uria, Lord of Searing Flames and Uriel, Master of Knowledge and Archangel of Wisdom, she's Lincoln's Guardian Angel and friend from church. She's my younger sister and cousin of Fiona Hernandez, Gene-Slammer of Uria, Lord of Searing Flames. She's a very powerful force of searing hot fire and was born with the powers of fire and she's also the Avatar of Uria, Lord of Searing Flames and the angel, Uriel, master of knowledge and archangel of wisdom, and she's also a master of a very powerful curse known as The Searing Flames of Eternal Damnation, and the curse is meant for the most blackest of souls, and once it reaches their heart, that person will have their soul devoured by Uria, Lord of Searing Flames and their body will be sent to the depths of Hell for eternity.

WE GASPED!

Nico: Oh man, I remember your sister all too well!

Natasha Hernandez: We remembered her all too well, Nico, Monica's really powerful and a very deadly force of fire even more than Fiona.

Michelle Hernandez: Yep, and she met Lincoln when he fell into that deep depression even after the Policeangel Sisters stopped that insidious plot Lori, Lynn, Lola, Lisa, and Luan made to turn all of Royal Woods against him, and he began questioning whether or not he's even meant to be alive. It was a deep wound to the heart that Monica couldn't ignore, she took Lincoln to church and she began helping him spiritually and mentally, and he began to get better spiritually and mentally.

Luna: I remember that day all too well, she helped our bro out big time.

Michelle Hernandez: And Lincoln made Monica a beautiful necklace, and to show thanks, she kissed him on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem, and Monica hates Lori with a searing blazing passion, the reason why is because one day when Lincoln and Monica were at church, Lori threw a bomb inside the church to kill Lincoln, Monica, and everyone in there, but Lincoln and Monica got everyone out safely, and they also disabled the bomb. Then, they saw Lori trying to escape and Monica charged at Lori and viciously pulverized her and Lincoln tied her up. Lori got grounded for eight months, and Monica also swore if Lori tried that again, she would be made the next victim of The Searing Flames of Eternal Damnation.

We gasped.

Nico: Lori, of all the reprehensible things you've ever done in the past, this is one of the most disgusting things ever!

Lincoln: We were really angry with her, and she got sent to Aunt Ruth's for eight months along with getting grounded, and it's so good to see you again, Monica.

Monica Uriel Hernandez: You too, Lincoln, and wow, you've really grown into an amazing and awesome young man in the last seven years!

Lincoln went up to and hugged Monica Uriel Hernandez in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Monica Uriel Hernandez with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck. Monica Uriel Hernandez knew what this was as Lincoln leaned down to her face and kissed her on the lips and she returned it as we cheered wildly for them.

Nico: Sorry to say that we're taking you alive. The Masters of Evil doesn't have Lazarus Pits.

Me: Actually I got a call earlier from Lord Drakkon that they are putting one in.

Nico: Oh. Wow!

Xenia: Nice.

Evil Ra's: Thank you.

Nico:… you're still going there alive.

Me: Yep.

We teleported him there.

Nico: Nice job Liepard and Furfrou.

Lielard: Thanks.

Furfrou: It was fun and awesome.

Me: Yep.

Shania Syn Shenron: You all did great.

Poromon: Want some beer?

Liepard: No thanks.

Furfrou: No thanks. We don't drink.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Qin: That was fun though.

Nico: Okay Reika, what's the big news?

She showed an engagement ring on her finger.

Me: You're getting married!? Whoa!

Reika: Yep.

Ryoga: J.D. I need to talk to you and Megan. In private.

Me: Okay.

We went over to an alley and he told us about her fiance.

Deadpool: So who's the lucky guy?

Reika: His name is Rui Mitarai.

Nico gasped when he heard that name!

Nico: The Amanojaku Megid!? Whoa man! This is not good.

Me: (Whispering) I remember seeing the Amanojaku Megid. He's said to be as bad as Storious.

Megan: (Whispering) Yeah he is awful.

Ryoga went over his history.

Rui Mitarai (御手洗るい, Mitarai Rui) is the main antagonist of Kamen Rider Saber Spin-off: Kamen Rider Sabela & Kamen Rider Durendal. He was a member of the Sword of Logos who was previously engaged to Reika Shindai, and transforms into the Amanojaku Megid (天邪鬼メギド, Amanojaku Megido).

Rui was born into the Mitarai clan, one of the most distinguished families of the Sword of Logos on par with the Shindai family. At some point, Rui obtained the Amanojaku Alter Ride Book from the Southern Base and used its power to kill his own uncle. However in the shuffle, he was intercepted by Ren Akamichi and accidentally dropped a pen with his family's crest.

After rearranging his family's assets, he set up a political marriage with Reika Shindai, but his treachery was discovered by Ryoga Shindai who then confronted him by crashing the wedding. After Rui transformed into the Ananojaku Megid, he is defeated by Sabela and Durendel, and asked by Reika to turn over to a new leaf.

We were shocked.

Me: At least who we know what we're up against.

Megan: We'll have to play along with it till the time comes.

Ryoga: Right.

Deadpool and Eli were having their own private conversation.

Eli: I sense this Rui Mitarai isn't really a nice guy.

Deadpool: I get the feeling too. But look how happy she is now. Let's wait and gather evidence before bursting her bubble!

Eli: You read my mind Wade.

Ryoga: We'll gather some evidence to flush him out.

Me: Right Ryoga.

Megan: Until then we'll play along.

We agreed.

Nico: (to the mascots) So, any other inappropriate conversation topics you wanna share to the kids?

Manaphy: Nope.

Horsea: We're good.

Xenia: Yeah.

Zocks: That's good.

Nico: Good.

Lola: Yeah.

Megan: (Whispers to Touma) Touma, Reika and Ryoga defeated the Amanojaku Megid before. So we're going to need all the Saber team this time.

Touma: (Whispers to her) You got it sis.

Lola: At least the mascots didn't show the kids the trailer.

Nico: No kidding.

Me: The last thing we want is for that to happen.

Poromon We only show it to bad guys!

Me: Good.

Xenia: Good.

Lola: Yeah.

Nico: But those were awesome stories we told all those kids.

Cheerilee: They sure were. I'm glad we lifted their spirits and got them on the road to recovery.

Nico: Me too.

Maria: We should do this sort of thing more often.

Me: Good idea.

Nico: Yeah.

Eli: I think it's an awesome idea myself.

Nico: We still have lots of stories to tell.

Lola: We sure do.

Lincoln: Yep.

Nico: Now comes the fun part.

Me: The Anothers.

Eli: (Concentrates) Whoa we got Wolf (Legend of The Candy Cane), Butterfly Sentibeast, Behemoth Phantom Behiors, THE MERCILESS

INSANITY PEPPER PONY OF QUETZALACATENANGO, Bull-E, Polaris, Phoenix (Godzilla NES), NES Mecha Godzilla, NES Ghidorah, NES Gigan and NES Hedorah.

Nico: Cool!

Qin: Yeah!

Leanbow: It'll be an honor.

Cadance: This is gonna be so awesome.

Mystery Mint: You got that right.

Cadance and Mystery Mint's cutie marks then started glowing.

Me: Your cutie marks are glowing. That means only one thing.

Xenia: Yep.

Eli: And the Anothers minus Wolf are 2 people.

Lola: Wow.

Nico: There they are!

Out came Another Butterfly Sentibeast, Behemoth Phantom Behiors, THE MERCILESS INSANITY PEPPER PONY OF QUETZALACATENANGO, Bull-E, Polaris, Phoenix (Godzilla NES), NES Mecha Godzilla, NES Ghidorah, NES Gigan and NES

Me: Yep.

Another Bull-E: (In a girls voice) We're ready for this.

They merged and split into 2 figures and reverted back. They were 2 girls. 1 was a girl with purple hair and purple eyes and purple angel wings and clothes and she had a tiara with the symbol of Mystery Mint's cutie mark on it and the same symbol on her skirt and she had Mystery Mint's tail.

The second girl had purple and pink hair with yellow highlights in it and had pink eyes and she had pink clothes and purple angel wings and had a tiara with the symbol of Cadance's cutie mark on it and the same symbol on her skirt and she had Cadance's tail and a crystal sword.

Cadance Cadenza: Cadance Cadenza, Embodiment, Gene-slammer and Legacy of Princess Cadance.

Mira Mystery Mint: Mira Mystery Mint, Embodiment, Gene-slammer and Legacy of Mystery Mint.

Me: Wow! Awesome to meet you girls.

Xenia: Same here.

Cadance: Wow! It's an honor to meet the gene-slammer of me.

Cadance Cadenza: Same here Princess.

Me: By the way is the Another Wolf friendly or hostile?

Mira Mystery Mint: Friendly but are not going to like who she is the embodiment of.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and was separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Nico: And now we wait.

Maria: (TURNS DIAL) MUMMY FORCE 6!

She summoned Imperious, Naked Krabs, Stinger, Sandboy, Disgruntled Postman and Crystal Dragon (Miraculous)!

Qin: YEAH!

But then…

ZOOOOM!

A bowling ball flew in and smashed Rika Troubleshoes in her face!

KRABLAM!

OOOH! That's not going to feel good!

It fell off and she spit out some of her teeth.

Nico: It's still going?!

Me: I told you we talked to that fortuneteller and she won't listen to us! She hates Rika and her family! She vowed to make Rika's family suffer by cursing her with the worst bad luck until it kills her.

Xenia: GEEZ!

Nico: We need to stop it somehow!

Eli: Yeah!

ZOOOOM!

Another ball flew in and then…

KRASMASH!

Ed stopped it by blocking it with his face!

Eddy: (LAUGHS) Nice save Lumpy!

Nico: Could Alien X help?!

Ben: Lets do it!

He turned into Alien X!

Ben: ALIEN X!

Alien X used his powers and removed the curse!

We saw the dark magic come out of her and Brittney used her powers to seal it into her spellbook.

Brittney: There!

Rika fell to the ground and she was glad.

Nico: Did it work?!

Rika got up and groaned.

The bowling balls stopped!

Nico: They stopped!

Rika Trouble Shoes: I'M FREE! I'M FREE!

She hugged Ben!

Rika Trouble Shoes: THANK YOU! THANK YOU! THANK YOU THANK YOU!

Riley: Easy!

Nico: She's just grateful.

Rika Trouble Shoes: Oh sorry.

Me: But that fortuneteller is going to be massively pissed!

CLICK!

Nico put handcuffs on her.

Nico: You're under arrest!

But then…

ANOTHER WOLF CAME IN AND JUMPED ON HER!

Me: Another Wolf!

Nico: WHOA!

Another Wolf: (In a girls voice) This bitch is going down!

She reverted back and was a girl with black hair and red eyes and black clothes and demon angel wings and had a tiara with the symbol of King Sombra's cutie mark on it and she had the same symbol on her skirt and she had a hellsword.

Shania Sombra: Shania Sombra, Embodiment, gene-slammer and Legacy of King Sombra the Terrible and I'm going to make this bitch's life a living hell!

Qin: KING SOMBRA!?

Eli: WHAT THE FUCK!?

Xenia: OH MAN!

Nico: You're not like him, right?

Shania Sombra: Oh hell no! I'm ruthless only to bad guys.

Nico: Good.

Shania Sombra: I'm going to rip this fucking bitch's neck open and drink her blood!

WE GULPED!

Shania then grabbed the fortuneteller and REALLY MANGLED HER UP!

She screamed in a lot of pain as Shania was torturing and mangling and dismembering her alive!

Me: OH MAN!

Nico: OH THE INHUMANITY!

Chunk: OH JEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Twilight Sparkle and friends went to nearby garbage cans and threw up!

YUCK!

Lincoln made clones and comforted them.

Nico: GEEZ!

Shania Sombra: This is what you get for hurting people you hate!

Nico: Okay that's enough.

Shania stopped.

Shania Sombra: Ahem sorry you had to see that.

Me: I think we know how she is connected to Wolf.

We nodded.

Nico: Yep.

Shania Sombra: I know. I rip people apart like one.

Nico: (GULP) I think I just tinkled a little.

Lola: Me too.

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Jetman gear) Because we can grant it instead.

Zocks got a Jetman Sword and Kaito got a Zyuranger sword.

Shania Sombra: No he didn't because…

Me: You threatened to dismember him alive and eat his intestines and heart and brain if he didn't let you.

Shania Sombra: Bingo.

Nico: Brutal.

Qin: Nice.

Nico: That's funny. Me and May dismembered him and made him Eat himself during Maxxine's big day.

Sougo: (gets out Mighty Morphin Ridewatch) You actually made him eat his own heart.

Geiz: (gets out Jetman gear) You tore it out, shoved it down his throat, and destroyed his head.

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor

Nico: Yep they are right on that.

Xenia: That was awesome.

Shania Sombra: That is awesome.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Me: I will say this though Shania, you are the most savage fighter we have seen.

Nico: Yep.

Shania: I'll take that as a compliment.

Nico: (Gets out Wolf's ridewatch) I'M HUNGRY LIKE THE WOLF!

May: (Gets out Behemoth Phantom Behiors Ridewatch) I'll smash you into pulp!

Maria: (Gets out Bull-E's ridewatch) I'm charging like EL TORO!

San: (Gets out Butterfly Sentibeast's Ridewatch) I'm going to blow you away!

They used the powers of Wolf (Legend of The Candy Cane), Butterfly Sentibeast, Behemoth Phantom Behiors, THE MERCILESS INSANITY PEPPER PONY OF QUETZALACATENANGO, Bull-E and Polaris and blasted the Another all over!

Then Commander Cold, TTG Marshmallow Duck, TTG Mr. Mind, TTG Mrs. Claus, Seven Deadly Enemies of Man and Spider Evo from Dynaman came

Nico: WHOA! Nice team Commander Cold!

Commander Cold: Thanks Nico!

Poromon: (Sees TTG Mr. Mind) OH BOY! Time for lunch! (Slurp)

Nico: Easy Poromon.

Me: That's actually the TTG Version of Mr. Mind. He's in the M.O.E. and he's a version I can tolerate.

TTG Mr. Mind: (LAUGHS) Yeah I may look like the prime universe version but that is funny that he was eaten by you.

Me: (LAUGHS) Still cracks me up though.

Camie: So that little guy is Mr. Mind?

Me: Yep. Looks are deceiving.

?: I'll say!

Neon Tiger then came!

Me: Neon Tiger! Wow!

Neon Tiger: (In a girls voice) This will be awesome.

Nico: Tiana Tiger!? Whoa!

Tiana Tiger: Yep. I got this.

She fired a wave of energy and blasted the Another down and I caught the ridewatch and purified it.

Me: YEAH!

Poromon: Can I help it that he was tasty?!

Me: He was tasty.

TTG Mr. Mind :(LAUGHS) I did taste good back then.

Poromon: You sure did.

Tiana Tiger: That was awesome!

Me: Yep.

I put on my blind man glasses.

Me: It's going to hurt.

Tiana Tiger: I know.

The bows covered their eyes.

Me: Here we go.

I snapped my fingers and she doubled over in pain and threw up and she reverted back and was a girl with orange hair and had orange eyes and orange angel wings and had cat ears and a tiger tail and in the middle of her forehead was a tiger in front of a star.

Tiana Tiger: (Groans) That hurt. (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The Fashion Brigade moved in and gave her awesome orange and black clothes.

Tiana Tiger: Wow! I look awesome!

Nico: You sure do.

Tiana Tiger: How did you know I was naked?

Me: Just a feeling.

May: And I didn't get hit!

Me: Nope.

San: Do you have any memories of Nico?

Tiana Tiger: Just when me and Nico went to the Zoo and we got to meet some of the tigers and they were cute.

Nico: Yeah they sure are.

Qin: So awesome.

Nico: Yep.

Nico and Tiana hugged.

Nico: I've missed you.

Tiana Tiger: Me too Nico.

We went back home. The Fortuneteller was healed up and sent to prison after being stripped of her powers.

Last night, Darren Devereaux had a nightmare and he had a Snake and Holly Tattoo which appeared and caused him pain as soon as he awoke. But, we would soon find out from Lincoln and Princess Luna that Darren Devereaux's nightmares were linked to the tragic death of his mom and the suicide of his father a week after her funeral when Darren was only seven, and then eight years later, his older brother, Logan Devereaux was murdered by his ex-cousin and murderous MS-13 fanatic member, Connor, when he was fifteen, and the longings of his dead family caused him to head into The Manor of Sleep and he got hit with The Tattooed Curse, so we need to head to the real life ruins of The Kuze Shrine and help Darren come to terms with his grief and loss, along with battling the vengeful spirit responsible for it: Reika Kuze, the last Tattooed Priestess, but like all the main antagonist ghosts of Fatal Frame, Reika is a tragic soul who became a vengeful spirit after seeing her lover murdered in front of her and wanted to make others suffer as she had. So, we're going to defeat her and send her and her murdered lover to The Other Side.

Lincoln: Whoa, we're here in Japan, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got bad news.

Nico: What is it?

Darren Devereaux: This.

Suddenly, we saw Darren wince in pain as we saw an indigo Snake and Holly Tattoo appear on his body.

Lincoln: Yep, that's the emergency: last night, he had a nightmare which caused that tattoo to appear and it caused him pain as soon as he awoke, but here's where it gets worse, Princess Luna and I discovered that his nightmares were linked to the tragic death of his mom and the suicide of his father a week after her funeral when he was only seven, and then eight years later, his older brother, Logan Devereaux was then murdered by his ex-cousin and murderous MS-13 fanatic member, Connor, when he was fifteen, and the longings of his dead family caused him to head into The Manor of Sleep.

Nicole: Oh no, not that place. That means, we're facing the vengeful spirit of Reika Kuze.

Lincoln: Yes, but like all the main antagonist ghosts of Fatal Frame, Reika is a tragic soul who became a vengeful spirit after seeing her lover murdered in front of her and wanted to make others suffer as she had. So, we're going to defeat her and send her and her murdered lover to The Other Side.

Leanbow: And help Darren come to terms with his grief and the loss of his family.

We headed to the real life ruins of The Kuze Shrine, and then, we wound up at The Manor of Sleep in The Dream World.

Darren Devereaux: The Manor of Sleep. I know how much I wanted to see my parents and my older brother again, but at what cost. I…

Suddenly, Darren's sixth sense and the tattoos reacted, as he soon saw Reika Kuze appear and was heading for him. We ran across the manor avoiding her, and we arrived at The Abyss, and we descended and we arrived at The Last Passage, and finally, we travelled through them and we arrived at The Chamber of Thorns, Reika Kuze's resting place.

Darren Devereaux: There it is.

Suddenly, we saw a very beautiful and super sexy girl with long pink hair and light blue headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Tech Skylanders and Pinkie Pie's cutie mark on her right arm she has massive and beautiful pink angel wings, she's dressed in a pink sleeveless blouse, necklace with red gem for the pendant, white bridal gloves, pink and teal fancy skirt with teal bow, pink knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, gears, balloons, magic, Alicorns, phoenixes, and angels on the coattails and on the back is the symbol of The Tech Skylanders and Pinkie Pie's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, gold chain for guard, and gold pointed tip for the pommel, and with her are the five girls.

Lincoln: (GASPS) Valerie Quinn, Daydream Laughter Princess of Tech.

Valerie Quinn: That's right, and I got the girls away from the ghost of Reika Kuze, but her angry spirit is still running loose.

Darren Devereaux stepped inside The Chamber of Thorns and saw Reika's body still there, and then, he had a vision: he saw Kaname Ototsuki enter and he saw Reika again as she saw him and she had a smile on her face, but then, Yashuu Kuze entered and murdered Kaname in front of Reika, and in that moment of distraught, that caused the tattoos to enter her eyes, causing The Unleashing. Darren then saw Reika rise from the ground heading for him and he ran out of the Chamber and we saw the doors to the chamber open wide.

Reika Kuze: (Finally appears with the Winged Skull over her head) No one will survive… no one.

Sylvester: This won't be an easy task.

Then, Darren shot her with a Zero Shot from his Camera Obscura, and that defeated her and destroyed the winged skull above her head.

Reika Kuze: Please… , let me sleep.

We cheered as we holstered our weapons and powered down. Then, Darren went back inside The Chamber of Thorns and saw Reika's eyes still open, and he placed his hand over her eyes and shut them and he got back up.

Darren Devereaux: It's alright… to close your eyes now.

Then, we headed outside and we were at The Abyss of The Horizon, and Darren saw a boat as he remembered the last few lyrics of the Handmaidens' song.

Darren Devereaux: Go to the other side. Go to the other side. (Pushes the boat with Reika Kuze and Kaname Ototsuki on it into the water) Cast the boat, take a ride. (The boat then travels) Cross The Rift to the other side. Further and further to the other side. It must sail bearing your tattoos, and our offering of tears.

Then, the boat finally crosses The Rift, as we saw it.

Darren Devereaux: Cross the Rift.

Reika Kuze was put to rest and she and Kaname were sent to the other side, and then, we saw the spirits of all those who died in the manor also cross the rift. Suddenly, Darren saw three people as he then let out a gasp, it was his mother, Michelle Devereaux, his father, Antoine Devereaux, and his older brother, Logan Devereaux. We then saw the indigo Snake and Holly tattoos appear on Darren again.

FATAL FRAME III: THE TORMENTED OST - KOE PLAYS

Darren Devereaux: MOM! DAD! LOGAN! (RAN TO THEM) Mom, Dad, Logan, don't go! You can't leave me alone again! (Voice Breaking) Please!

Suddenly, Michelle Devereaux, Antoine Devereaux, and Logan Devereaux stopped and they turned to face Darren as tears were streaming from his eyes.

Darren Devereaux: You three were always with me, no matter what. You three gave me so much, because you three were… with me.

Suddenly, Darren Devereaux finally understood the reason why he survived and finally, he had begun to come to terms with his grief and loss of his family.

Darren Devereaux: Because you were… always with me. That's… how I survived.

Then, Michelle Devereaux, Antoine Devereaux, and Logan Devereaux walked up to Darren and they hugged him as he finally began to cry.

Darren Devereaux: I'm so sorry, I'm so sorry.

Logan Devereaux: Thank you.

Darren looked up to his family.

Michelle Devereaux: We understand how you feel, we understand.

Antoine Devereaux: But, we must go. We must go alone.

Suddenly, the indigo Snake and Holly Tattoos on Darren suddenly were removed from him and they went up into the skies and disappeared forever freeing him from the curse, and his family started to turn back to follow the others.

Logan Devereaux: You must always remember that what happened to us was never your fault and it never was, Darren. What happened to us was because of Elias' curse, but that curse has finally ended, but the final curse that needed to be broken was the very torment that you still had to deal with in you, even though we're no longer alive, we will always be there with you.

Then, they headed for The Rift, but not before they gave Darren their final words.

Michelle Devereaux, Antoine Devereaux, and Logan Devereaux: And we will always love you, Darren.

Suddenly, we found ourselves back in the ruins of The Kuze Shrine, and the sun was shining brightly.

Nico: It's over.

Lincoln: It is.

Darren Devereaux looked at his right arm, and he saw there was no sign of the Snake and Holly Tattoos, and what happened was indeed real.

Me: Darren?

Then, Darren broke down crying softly again as he truly came to terms with his grief and his loss and we all approached him and we hugged him.

Nico: So, you understood why you survived and why you were allowed to live?

Darren Devereaux: Yes.

Lincoln: What you went through, Darren, a lot of people we met went through the same kind of torment, you weren't alone in this case, and you know we were always there to help. Now, we've finally put Reika Kuze's spirit to rest for good, she and Kaname will be together in the afterlife free from the pain and torment of what happened. (To Valerie Quinn) And it's so good to see you again, Valerie.

Valerie Quinn: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Valerie Quinn as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Valerie Quinn was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Valerie Quinn: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Valerie Quinn and he hugged her, and Valerie Quinn is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Valerie Quinn: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation

and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Valerie Quinn, Daydream Laughter Princess of Tech, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Pinkie Pie combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Valerie Quinn and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Valerie trained Lincoln a lot with using the powers of Tech and Laughter, and she's also an awesome party planner and comedian. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Luan with a very blazing passion because of all of the insane pranks she's done in the past, and Valerie Quinn has put her in her place by outsmarting her and sabotaging and turning her own pranks against her.

Nico: Just as we saw in the video yesterday.

Lincoln: Yeah, when it comes to outsmarting Luan and turning her pranks against her, she's an expert and legend, along with being an awesome party planner and comedian, and now that you're here, Valerie.

Lincoln went up to and hugged Valerie Quinn in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Valerie Quinn: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valerie Quinn with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Valerie Quinn: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Valerie Quinn, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Valerie Quinn's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Valerie Quinn had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Aki Kayashima, Yoshika Nunose, Shiho Shiomiya, Tomoe Hanekura, and Misako Amami from Hitozuma Swimming Club.

Lincoln: Oh wow, it's Aki Kayashima, Yoshika Nunose, Shiho Shiomiya, Tomoe Hanekura, and Misako Amami from Hitozuma Swimming Club.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Aki Kayashima: Yes, we're okay, thanks to you.

Then, when Aki Kayashima and the other four girls saw who it was that saved them from the vengeful spirit of Reika Kuze, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aki Kayashima: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aki Kayashima, Yoshika Nunose, Shiho Shiomiya, Tomoe Hanekura, and Misako Amami with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and everyone approached

Darren Devereaux.

Maria: We saw everything that happened, are you going to be okay, Darren?

Darren Devereaux: I'll be alright. But, at least, I've come to terms on with my grief and the loss of my family.

Lincoln: Darren broke down and cried, he really missed his family. But, they said they had to go, they had to go alone.

Me: But, they would always be with him in spirit.

Nico: And they also got rid of the Tattooed Curse on him.

We knew Darren would be alright, and he would continue on even with the pain, and Lincoln and Valerie Quinn have a lot of catching up to do, now that she's back in town.

---

After we helped Darren Devereaux finally come to terms about his grief and loss and put the vengeful spirit of Reika Kuze to rest, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Valerie Quinn saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Valerie Quinn: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Valerie, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Valerie Quinn: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Valerie Quinn: I knew it was only a matter of time before he told everyone that story.

When Tracey Mink saw me doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Tracey Mink: What a hunk!

Gloria Fullbuster: Oh, and I never told anyone this, but I also have the same habits as Gray.

Nicole: (ANGRILY) WHAT?!

Nicole was about to bust her head open, but then, Lincoln's Guardian Angels got in between Gloria and Nicole, and then,… !

Lincoln's Guardian Angels: DON'T EVEN THINK ABOUT IT, NICOLE!

Nicole: (Hissing like a cat)

Gray Fullbuster: I should explain, just as I like walking around without a shirt, she likes to walk around in a bikini, and Lincoln wound up getting some very serious nosebleeds when she did that.

Nico: Yeesh. And Selene, you and the other Guardian Angels really got defensive against Nicole.

Selene Arcangela: We know Nicole despises perverts, and she almost got that close to really attacking Lincoln because of Gloria walking around in a bikini, and we showed her just how scary we get!

Anna Knudson: Our sis met her match against Lincoln's Guardian Angels.

Me: Gloria definitely is Gray's sister alright, and I gave her quite the scolding for that. But, for the perverts, Lincoln winds up beating them to a bloody pulp, he did that once to Lewis Travolta and Bradley Uppercrust III, but, as for Flip being the murderous greedy bastard he is, he tried to kidnap her and sell her for money, but before he could, Lincoln brutally attacked him, tore his mustache off, sliced off his three butt cheeks, and fired lava that burned off his testicles.

Luna: I remember that all too well, he was really really brutal that day towards that mutant.

Lori: And we literally saw just how scary his Guardian Angels can get, especially if they were able to scare off someone like Nicole.

Lincoln: Even I was stunned myself.

Helena Knudson: Same with us. Sorry, Nicole.

Nicole: It's alright, Aunt Helena. But, man, you girls were even scarier than Dad when he gets mad. (SHUDDERS) Even Lincoln's a million-times scarier when he gets mad.

Nico: Don't remind me.

Anna Flores: If that bitch, Lea, breaks out to get revenge, I'm gonna kill her! What she did to Mom and framed me for it scarred me for life!

Lincoln: If that happens, we'll gladly do that.

Suddenly, the alarm sounded and when Lincoln went to check the computer, he saw who it was that triggered the alarm: they were none other than the remaining jealous evil envy-driven monster younger sisters of the remaining Dark World Goth Girls: Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington, and they were riding helicopters.

Nicholette Torrington: Well, well, well, if isn't our remaining jealous envy-driven younger sisters, Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella

Rosenburg, Gabrielle Harrington, and Natalie Torrington.

Michelle Torrington: So, that bitch has finally shown up, has she?!

Silvia and Isabella Excelsior: Along with our soon-to-be ex-sister! Let's get them!

Lincoln: And send them to join the others.

We flew out of The World Tree Estate to confront Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington.

Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington: YOU GODDAMN BITCHES RUINED OUR LIVES AND THREW US IN JAIL! AND NOW, WE'RE GOING TO GET RID OF YOU ALL AND TEAM LOUD PHOENIX STORM! (OPENS THEIR EYES AND THEY WERE REALLY CRAZY AND PUSHES THE CONSOLES FORWARD) ONCE AND FOR ALL!

Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington charged at us with the helicopters laughing maniacally and completely out of their minds, only for the tail ends of the copters to get caught in the Symbiote webs Lincoln fired.

Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington: YOU ASSHOLE! WE'LL KILL YOU!

Then, Lincoln pulled the Symbiote webs with all his might and that caused the copters to crash into each other, and that forced Clara

Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington to get out, and the copters were all destroyed, and that pissed them off. But, their older sisters and brother were now pissed off.

Camie Nicholetta, Laniya Guillermo, Jackie Wren, Zennia Nikolaevna, Selene Slytherin, Elizabeth Gryffindor, Helena Hufflepuff, Renee Ravenclaw, Mathias Ravenclaw, Sylvia Excelsior, Isabella Excelsior, Scarlett Rosenburg, Giselle Harrington, Michelle Torrington, and Nicholette Torrington: THAT'S IT, YOU FUCKED-UP MONSTER BITCHES! WE'RE GONNA TEAR EVERY LAST ONE OF YOU TO FUCKING PIECES!

Camie Nicholetta, Laniya Guillermo, Jackie Wren, Zennia Nikolaevna, Selene Slytherin, Elizabeth Gryffindor, Helena Hufflepuff, Renee Ravenclaw, Mathias Ravenclaw, Sylvia Excelsior, Isabella Excelsior, Scarlett Rosenburg, Giselle Harrington, Michelle Torrington, and Nicholette Torrington went at Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington, and they really began fighting each other, but they had the upper hand on the monster bitches, and they were literally beating the shit out of Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington and Camie Nicholetta, Laniya Guillermo, Jackie Wren, Zennia Nikolaevna, Selene Slytherin, Elizabeth Gryffindor, Helena Hufflepuff, Renee Ravenclaw, Mathias Ravenclaw, Sylvia Excelsior, Isabella Excelsior, Scarlett Rosenburg, Giselle Harrington, Michelle Torrington, and Nicholette Torrington and Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington were consumed in a super massive fight cloud.

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG

SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS! WHIP CRACK! SMACK! BANG!

BLARGA FLARGA!

Me: OH SHIT! NOW, IT'S A MASSIVE CAT AND DOG FIGHT!

Camie Nicholetta, Laniya Guillermo, Jackie Wren, Zennia Nikolaevna, Selene Slytherin, Elizabeth Gryffindor, Helena Hufflepuff, Renee Ravenclaw, Mathias Ravenclaw, Sylvia Excelsior, Isabella Excelsior, Scarlett Rosenburg, Giselle Harrington, Michelle Torrington, and Nicholette Torrington: EAT BOOT, BITCHES!

Then, Camie Nicholetta, Laniya Guillermo, Jackie Wren, Zennia Nikolaevna, Selene Slytherin, Elizabeth Gryffindor, Helena Hufflepuff, Renee Ravenclaw, Mathias Ravenclaw, Sylvia Excelsior, Isabella Excelsior, Scarlett Rosenburg, Giselle Harrington, Michelle Torrington, and Nicholette Torrington kicked Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington hard out of the fight cloud and sent them flying straight into a diamond wall Lincoln formed, they got back up, but now, Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington were NTH-DEGREE MEGA PISSED OFF!

Lincoln: I've had it up to hear with you, Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington, now go join the rest of your rotten friends in The Dark World Prison.

Then, Lincoln inserted the medals for Kahkki, Guerrilla of Dark World, Latinum, Exarch of Dark World, Grapha, Dragon Lord of Dark World, Lucent, Netherlord of Dark World, Brron, Mad King of Dark World, Goldd, Wu-Lord of Dark World, Ceruli, Guru of Dark World, Renge, Gatekeeper of Dark World, Silva, Warlord of Dark World, Scarr, Scout of Dark World, Snoww, Unlight of Dark World, and Zure, Knight of Dark World into a slot on his massive greatsword and it glowed with Eternal Darkness and Frozen Hellfire and he flared up his Eternal Darkness and Frozen Hellfire aura and he spread his massive white angel wings that suddenly turned midnight black: blacker like The Eternal Darkness.

(LUNA'S FUTURE PLAYS)

Lincoln: (SINGING DIVINELY AS DARKNESS AND FROZEN FIRE SWIRLED AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington, Now, the future is a cold nightmare!

Nico and me and most of us had shivers of ice and fear go down our spines as Lincoln sang that, and with one swing of his massive greatsword, he fired waves of Eternal Darkness and Frozen Hellfire which hit Clara Nicholetta, Laney Guillermo, Jessie Wren, Zena Nikolaevna, Selena Slytherin, Elena Gryffindor, Helen Hufflepuff, Rosa Ravenclaw, Selene Excelsior, Stella Rosenburg, Gabrielle Harrington, and Natalie Torrington and they wound up getting thrown in a portal that led to Dark World and thrown into prison cell: she became the last of the prisoners of The Dark World Prison and the portal closed. We headed home and continued our workouts.

Nicholette Torrington: That'll teach those bitches a lesson they'll never forget, they had some nerve trying to kill us with those helicopters.

Me: Like that pissant, Chip Whistler.

Lincoln: Well, now they're joining the rest of the jealous monster sisters in The Dark World Prison, and once they die from the torture they're going through, their souls will be sent to The Black Gates, but their bodies will be transformed into demons forced to serve us.

Brittney: That's another effect of The Dark World Curses, once they die from the torture, their souls are sent to The Black Gates, but their bodies will transformed into demons and forced to serve the caster of the curses.

Nico: We'll need all the help we can get with Lord Zedd and Rita Repulsa.

We got a shower, and then, Lincoln, Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Moana: Wow, so this is Seaside Hill. It sure is beautiful.

Lincoln: It sure is, Moana, and it's perfect for our first date. Shall we?

Lincoln, Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia and they hugged the girls in their abnormally massive and powerful muscular arms and Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seventeen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia are in your harem, Linky.

Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia showed the marks Lincoln made on the right sides of their necks.

Eli: And Moana and Merida were the only two Disney Princesses who didn't have a love interest in their worlds, now they have one in Lincoln.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Moana, Merida, the Simulator versions of Snow White, Cinderella, Ariel, Belle, Jasmine, Mulan, Tiana, Rapunzel, Anna, Elsa, Kinzoku, Amy Harkins A.K.A. Frenzy, Mirage, Simulator Riley Anderson, and Universe 666 Blackarachnia, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember

when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Laney's second mission.

Nico: Anyone else want to go with Laney, Misty, and Laura? Besides Juniper Lee, Zick, and Hay Lin?

Syd: I'll go.

Marluxia: So will I.

Lincoln: I will go as well. I want to see how she does.

Me: Fair enough.

Nico: Anyone else?

Galatea Ghidorah: I'll go too.

Galatea Gojira: Same here.

Mothra 2019: I'll go too.

Nico: Okay. Lets go.

We were off to Japan.

---

We arrived.

Hiroyuki: Hey guys!

Laney: Hiroyuki, this is Juniper Lee, Zick, and Hay Lin.

Juniper Lee: Awesome to meet you!

Zick: Same here.

Hay Lin: Hello.

Laney: And this is my brother Lincoln.

Lincoln: Awesome to meet you all.

Hiroyuki: Wow! So you're the famous Lincoln Loud. I've heard so many big things about you.

Lincoln: I get that a lot.

Syd Chang: Awesome to meet you. I'm Syd Chang.

Marluxia: And I'm Marluxia, the Graceful Assassin of Organization XIII.

Me: He's with us because Laney defeated him before during the 20 Days of Darkness and that was awesome.

Laney: It's true.

Mothra 2019: Yep. Oh and I'm Mothra. I'm the 2019 version of her.

Me: Yep.

Hiroyuki: Wow! It's an honor.

Zick: I'm actually a Tamer.

Me: A tamer of monsters.

Juniper Lee: And I'm what is called the Te Xuan Ze.

Me: That is the peacekeeper between the balance of the Physical and Spiritual Planes. She maintains peace between monsters and demons.

Hiroyuki: Wow! That is amazing!

Me: Yep.

Hay Lin: And I'm one of the guardians of Candrakar. I represent Wind.

Me: Hay Lin and her friends have done it all over the years and we had battled many of their most dangerous enemies and destroyed them.

Laney: It was so awesome.

Hiroyuki: Wow! That is incredible.

Nico: It sure is.

Eli: Yep.

Nico: (Sighs) And this is Cheese.

Cheese: Yes ha.

Hiroyuki: (LAUGHS) So he is Cheese.

Me: (LAUGHS) Yeah and he is an imaginary friend but he is also a total idiot.

Nico: Yep. He's funny too.

Misty Tredwell: Can we go meet with the others?

Hiroyuki: Sure.

We went to EGIS HQ.

We arrived there.

Homare: Hey guys!

Me: Hey everyone.

Pirika Asahikawa: How is Larina doing?

Me: She's much better.

Nico: We found out what that virus was thanks to Laney's sister Lisa.

Laney: Yep. Here.

Laney pulled out a file and showed it to them.

Pirika Asahikawa: Blackwing Guardian Eatos 12 Virus? Lord Zedd and Rita Repulsa infected her and a bunch of others with it!? That's awful!

Nico: But we don't know who made the virus to begin with.

Me: Yep. It's a mystery.

Pirika: Well you guys will figure it out eventually.

Me: Yep.

Cheese: I like cereal.

Homare: Good for you, Cheese.

Cheese: I like cereal.

Homare: Good for you, I said.

Cheese: I. Like. Cereal.

Homare: (Getting annoyed): Good. For. You.

Cheese: I like cereal!

Homare: Good for fucking you! Do you want a cookie?!

Cheese: I LIKE CEREAL!

Me: See what I mean Hiroyuki? He's an idiot. He has a brain the size of an amoeba but he does all kinds of things that drives all the bad guys bonkers.

Hiroyuki: I see. Laura, how did you meet Nico?

Laura Wynn: We met when I was over in the jungle. I was observing flowers and it was cool.

Nico: Yep. It was fun.

Eli: Awesome.

Nico: Has anything weird happened since the last visit?

Me: Like has Kirisaki made a move?

Hiroyuki: Not that I know of.

But then Hiroyuki heard something.

Hiroyuki: Wait hear that?

Me: Huh? Hear what?

Eli: I don't hear anything.

Nico: Me neither.

Juniper Lee: You sure you heard anything?

Hiroyuki then got up and just left. He went on a motorcycle and drove off.

Me: Where's he going?

Nico: Lets go see.

He was heading to the forest.

Me: He's heading towards Aokigahara Forest.

Nico: Wow.

We flew after him.

Hay Lin: HEY! Can you slow down?!

But he wouldn't respond.

Me: He's in a trance. Mesmerized somehow.

Laney: Weird.

He got to the forest and he was heading for a lake.

We got into the forest.

Laney: Man creepy.

Zick: Something's off here.

Me: Yeah.

We saw Hiroyuki

Me: There.

We followed.

Then we heard singing.

Me: Is that singing?

Nico: It sure is.

Eli: Oh boy.

Me: I've got a bad feeling about this.

Juniper Lee: WHO'S THERE?!

Me: Shh!

We walked slowly and quietly.

The singing was divine and it was getting louder as we got closer.

Eli: I sense something dangerous.

Me: Me too.

We came up to the lake and saw Hiroyuki standing by the edge

We saw Hiroyuki and he was by the lake.

Me: Look there.

On a rock we saw a mermaid! Se had black hair and had a black fish tail and had a clamshell bra on and she had blue eyes. She also had black angel wings black as the night.

Nico: A mermaid attracted him.

Eli: Wow.

Cheese: I love cereal!

We covered Cheese's mouth.

Me: Wait a second. (GASP) Zerina Whitecap.

Nico: You know her?

Me: I do. She's a mermaid I saved from evil pirates in the Caribbean years ago. She's also the gene-slammer of the mermaids of Whitecap Bay.

Everyone gasped.

Galatea Gojira: Those scary mermaids from the 4th Pirates of the Caribbean movie?

Me: Yep.

Nico: Wow.

Eli: Looks like she was infected by the Blackwing Eatos 12 virus.

Me: I sense it.

Nico: Should we reveal ourselves?

Then we saw something bubbling out of the water.

Me: Wait look!

Out of the water came a HUGE MONSTER! It was KISHIADER!

Synthetic Beast Kishiader (合成獣 キシアダー, Gōsei-jū Kishiadā) is a monster that appeared in The Ultraman Titas - Part 3. It was brought to Planet U40 by the Heller Empire to cause destruction. Kishiader killed Captain Grigorios and Titas' friend Mattia. Titas grew to giant size and slew Kishiader.

WE GASPED!

Me: That's Kishiader!

Nico: From the Ultraman Tri-Squad Movie! Whoa!

Eli: Whoa! He sure is ugly!

HE swung his tail and I flew at Zerina and grabbed her and got her away.

Zerina: What? J.D.!? Whoa!

Me: Awesome to see you again Zerina.

Nico: It's not the only one!

We landed and out came a flower bud and it bloomed and out came a girl with green hair and had red eyes and had a black dress and had pitch black angel wings.

Me: (GASP) Alora Wildvine!

Alora Wildvine: Been a long time J.D.

Nico: You must be the embodiment of Wildvine.

Alora Wildvine: That's right.

Me: She's half Florauna and has all of Wildvine's powers.

Nico: Amazing!

Alora Wildvine: Yeah it sure is. You got to help me guys!

Me: We'll help out! Hiroyuki!

He was in a trance like a zombie!

Laney: Hiroyuki! Snap out of it!

Laney slapped him!

WHAP!

Hiroyuki: Huh!? What the!? Where am I?

Me: Ugly story.

Zick: We'll fill you in later!

Me: Right now we got some pain to dish out!

Eli: I'll summon the big guns!

Eli concentrated.

GODZILLA'S ROAR WAS HEARD.

(GODZILLA THEME SONG PLAYS)

GODZILLA APPEARED AND HE WAS READY FOR A FIGHT!

Kishiadar roared.

Kishiadar fired waves of energy at Godzilla and they hit him but it didn't make him flinch.

Hiroyuki: Time to get into action! TAIGA! BUDDY UP!

He turned into ULTRAMAN TAIGA!

Nico: OH YEAH!

Godzilla's spines flickered and he fired an atomic breath blast and it hit Kishiadar and exploded all over!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM
KRABBBBBBBBOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOMMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMM!

Zerina: Wow!

Laura Wynn went over to Alora.

Laura Wynn: Alora, you are like me in every way. I am a gene-slammer of a Florauna.

Laura: Let me show you.

Laura took off her outer clothes and revealed a green jumpsuit.

Laura then was enveloped in a Swirl of Vines and it formed into a flower and bloomed and she formed into her FLORAUNA form!

Alora Florauna: (GASP) You really are like me!

Laura Wynn: Not on purpose. I was made this way because of Team Rocket.

Alora swept some vines across the ground at Marluxia.

Marluxia dodged them and slashed them and fired waves of flowers at Alora and blasted her all over.

Godzilla and Galatea Gojira blasted Kishiadar all over with Atomic energy and massive fiery explosions blasted him all over.

KRABBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOMMMM!

KRABBBBBBBBBOOOOOOOOOOOOMMM!

Eli: Take that!

Syd got out her Eyecon!

Syd: Taste this! (ACTIVATES IT)

ASCANIO SOBRERO!

Syd: He was the man that made Nitroglycerin.

Hiroyuki: Wow! I didn't know that.

She fired a wave of energy and blasted Kishiadar all over and massive fiery explosions blasted him all over.

KRABBBBBBBBOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOMMM!
KRABBBBBOOOOOOOOMMM!
KRABBBBBOOOOOOOOOMMMM!

Alora threw some pod grenades at Marluxia.

He jumped and they exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

He fired flower blades and blasted her all over.

Juniper Lee got out her Eyecon.

Juniper Lee: Top this one!

MAKOTO HAGIWARA!

Juniper Lee: He was the inventer of Fortune cookies!

Hiroyuki: Now that one is one I know.

Juniper Lee: Awesome! And this monster's fortune is doom.

She fired a wave of energy and blasted Kishiadar all over!

Zick got out his Eyecon!

Zick: Top this one!

MERIAN C. COOPER!

Zick: He was the creator of the Original King Kong back in 1933.

Hiroyuki: Wow! I did not know that one.

Zick: Yep.

He fired an energy blast and it hit Kishiadar and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Hay Lin got out her Eyecon!

Hay Lin: Time for some wind power!

CHARLES F. BRUSH!

Hay Lin: He was the inventer of the Wind Turbine. Made it back in 1888.

Hiroyuki: Wow! I didn't know about that!

She fired waves of wind and blasted Kishiadar all over.

Alora tried to trap Marluxia in vines. But he slashed the vines and jumped out of the way and slashed her all over.

Hay Lin transformed!

Hay Lyn: Air!

She fired waves of wind and blew Kishiadar all over the place.

Nico: Take that!

Eli: Yeah!

Laura: Cute. My turn!

She fired waves of Pod Grenades and they hit Alora and exploded all over!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOMMMMMMMMMM!

Zick: Lets keep it up!

We fired more energy waves ane Godzilla fired Atomic Rays.

But then Garurumon came!

Nico: Garurumon! Whoa!

Me: Whoa!

Garurumon: (In a girls voice) Looks like the fun is underway!

Nico: Gia Garuru! Wow!

Garurumon: Yep. (Echoing) HOWLING BLASTER!

She fired a wave of blue energy from her mouth and blasted Kishiadar.

Nico: Nice!

Ultraman Taiga's chest jewel started beeping?

Me: Uh oh. He doesn't have long!

Ultraman Taiga: Nope! Lets finish this! ULTRA BLAST!

He fired a wave of energy and blasted down Kishiadar and it exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then got a cool Kishiadar charm.

Nico: AWESOME! Kishiadar you have failed this world!

Hay Lin: What About Alora?

Laura Wynn and Eli punched her and I grabbed her and calmed her down.

Eli: We'll help you Alora. Just let us do so.

Alora: Okay. I'll come quietly.

Me: Great.

Gia reverted back and she was a girl with blue hair and purple highlights and had purple eyes and had purple clothes and had blue angel wings and had a symbol of Garurumon in the middle of her forehead and on her skirt and she had a wolf sword of lightning in her hands.

Gia Garuru: That was so awesome.

Nico: What About Zerina?

Zerina: I will come too. I need help after what is happening to me.

Me: Okay Zerina.

Zerina: I'm sorry I lead Hiroyuki here.

Me: It's okay Zerina.

Eli: Gia do you have any favorite memories of Nico?

Gia Garuru: When me and Nico went to my family's Wolf Reserve and we met all my friends.

Nico: That was awesome.

Laney: Your family owns a Wolf Reserve? That is cool.

Gia Garuru: Yep. It sure is.

Nico: Yeah.

Nico and Gia hugged.

Nico: I've missed you.

Gia Garuru: Same here.

Hiroyuki: That was fun though.

Later we came back home.

May: Hey guys how did it go?

Me: Really awesome!

We told everyone everything and it was awesome.

May: Wow! That is cool!

Lincoln: It sure was. Laney did a great job on her second mission.

Rita: Oh we're proud of you sweetie.

Laney: Thanks mom.

Nico: Next time Yamato, Yost Spiderman and Onua should come with.

Me: Great ideas

Xenia: Yeah.

---

Later we were walking by a warehouse and then we heard an explosion!

Flint: GEEZ!, What's going on this time!?

Me: Looks like a Chum Robbery!

Nico: Oh great! Lets get them!

We went at them.

Me: Reach for the skies robbers!

Robber: TEAM LOUD PHOENIX STORM! GET THEM!

They went at us and we went at them and punched and smashed them.

Zocks: Robbing chum? Really?!

Me: Rotten chum from the looks of it.

We bashed them all over.

G1 Rampage: You guys are in so much trouble!

?: They sure are!

A girl with blue hair and blue eyes and blue angel wings and blue clothes and a tiara with the symbol of Frost Man came.

Freya Frost: Freya Frost, Embodiment of Frost Man is ready.

Volcana: Wow! Freya!

Maria: You sure are!

Freya Frost: Volcana and Maria! Its been a while.

She fired waves o ice and froze the thugs

Slug: How did you Frost Man Girl meet Maria and Fire Girl?

Freya Frost: I met Maria at the mall when she was shopping for clothes and I gave her fashion advice.

Maria: Yep. Really awesome and helpful.

Freya Frost: And I met Volcana when she was battling the people that kidnapped her.

Volcana: Fire and Ice teamed up and put and end to project Firestorm.

Nico: That is you like to join the team?

Freya Frost: I would be honored.

Nico: Alright. Now, before we throw you assholes in jail, what did you need the chum for?

Robber: We need it for this!

He pulled out a ray gun.

Me: A ray gun?

Robber 2: Not just any ray gun. It's the Stink Fury Ray. It's a ray that fires the stink of the concentrated essence of the stinkiest things in the world. In those containers are the concentrated essences of the stinkiest things in the world. Rotten Garbage, stinky cheeses, rotten socks, skunks, raw sewage rotten chum, and more.

Me: Wow! That is disgusting but clever.

Nico: Hector Con Carne made a stink ray like this. But it was a cannon.

Robber: Try it out.

Me: Okay.

I pointed it at a box and fired

LOUD FART!

It fired a green ray blast and it hit the box and made it SO STINKY THAT IT WAS REALLY AWFUL!

Me: OH GOOD GOD! THAT SMELLS REALLY HORRIBLE!

Nico: YUCK!

Me: That's impressive!

Robber: We weren't going to destroy the city with it! Just make it stinky.

Rui: That's what Stink Bug was going to do.

Me: But this is a great weapon you made. Funny but awesome.

Nico: But you got to admit that is cool.

Laney: It sure is.

Me: But this is gonna be useful for us. We'll use this to crash Rui's wedding with Reika.

Camie: Nice idea.

Sheila: Good idea guys. But lets go guys.

The robbers were taken away.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on

their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Zocks: How about I go on patrol to see what I can find out.

Kickback: Nothing wrong with that,

Qin: Yeah good idea.

Lola: Yep. But it was still awesome that the robbers made an awesome ray for us.

Camie: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Amanojaku Megid, and he's returned to get revenge against Touma and the Saber Team. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Amanojaku Megid, and he's returned to get revenge against Touma and the Saber Team.

We gasped.

Taylor Kamiyama: What?! Touma, didn't you and the others defeat Rui Mitarai and get him to turn over a new leaf?

Touma: We did, along with destroying Amanojaku Megid, but it looks like Amanojaku Megid has returned to get revenge.

Me: We'll make him pay for what he's done!

Nico: We sure will! Let's head down to Japan and destroy that monster!

Lincoln: He won't get away with this! He's just as dangerous as Storious, and he deserves to die.

Nico: Now guys we already agreed. We're going to send Rui to jail and Amanojaku Megid to the M.O.E. But we need to gather evidence first.

The previous group came.

Melter: Can me, Kaos, Mr. Fizz, Technus, Dr. Viktor, Heat Wave, Stinky Butt, Titanium Toenail, Po Kong, and Touch & Go go with you guys?

Mr. Go: Zocks is probably on patrol by now.

Nico: Yep.

Zocks: See ya there.

He tekeoirted to Japan.

Nico: And also to answer your question yes you all can come with.

Melter: Awesome!

Teresa: Nico, which Gene-slammer do you think you'll meet next?

Nico: Gravity Beetle next.

Qin: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Green Rangers, and they're coming here to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Green Rangers, and they're coming here to destroy us all

WE GASPED IN HORROR!

Universe 666 Me: What?!

Tamara Oliver: Leave the Universe 666 Green Rangers to me and Lincoln, guys.

Lincoln: Hold on, Tamara, we're not doing this alone.

Tommy Oliver: He's right, Tamara, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading to Japan to destroy Amanojaku Megid.

Lincoln: That monster's going to pay for all his crimes, and once we get through with that monster, Universe 666 Green Rangers, you're next.

Tamara Oliver: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to destroy Amanojaku Megid and once we get through with that ugly monster, Lincoln and Tamara Oliver along with the Green Rangers are going to destroy The Universe 666 Green Rangers.

We were off to Japan.

---

We arrived in Japan.

Me: Japan. Wow.

Mr. Fizz: Where's Zocks right now?

Just then, Ryoga's phone rang and he answered it.

Ryoga: Hello?

Zocks: Hey. It's me.

Ryoga: Zocks. I'm surprised you're calling so soon.

Zocks: Look, despite the rocky start I had with you and your sister before, I really am happy that she's getting married.

Ryoga: Thank you. It's nice to go out of your way to call me. I guess everyone is starting to grow up.

Zocks: Oh, that's not the only reason. I'm reporting a Megid I just fought.

Ryoga: Which Sentai gear did you use against him?

Zocks: None, actually. He was easy to drive off. But he kinds dropped something.

Ryoga: What is it?

Zocks: Best you see for yourselves.

Ryoga: We're on our way.

We arrived and Zocks showed us a pen.

Me: Fancy pen.

Camie: Cool.

Beekeeper: A pen? You called us here for a fucking pen?!

Zocks: It has the Mitarai family crest on it. Look!

We saw it.

Me: He's right.

Xenia: Hmm.

Dr. Viktor: You don't think Rui was that Megid you fought, do you?

Me: Actually he is.

Ryoga: J.D.'s right.

Nico: Oh boy. Reika is in terrible danger.

Laney: Yeah.

Meowth: Say what?!

Deadpool: I knew it! And so did Eli!

Megan McCallister: And so did me, J.D. and Ryoga.

Nico: We're keeping up a front to make sure no one suspects it.

Deadpool: They are right.

Me: We're going to need one last piece of evidence to make the case a slam dunk before we crash the wedding.

Titanium Toenail: What kind of evidence?

Me: A broadcasted confession. That'll be the icing on the cake.

Nico: Perfect.

Qin: Nothing hurts worse than the perpetrators own words coming from their own mouth.

Me: Exactly. But we're going to need to go undercover.

Metal Man: Ryoga should confront him.

Zocks: I'm helping him with that.

Me: Great.

Nico: After the confrontation we hit Rui with everything we got.

Camie: Yep.

Mr. Touch: You two should have recording devices to broadcast what he says to you two.

Zocks: Right.

Ryoga: Got it.

I gave them recording and broadcasting devices.

Lincoln: All right lets do it! Operation Wedding Espionage is a go!

Me: Ooh good title Lincoln.

We got ready for Operation Wedding Espionage.

We arrived at the temple.

Cloud Man: This must be the place.

Eli: Yep. This is it. I sense Rui and Reika in there.

Me: All right here we go.

I spun around and was dressed in traditional Japanese clothes for it.

We did the same thing.

Nico: Perfect.

We went in and saw everyone enjoying themselves before the wedding.

Me: Wow look at this place.

Xenia: So many awesome people here.

Po Kong: Rui seems to be by himself right now. You two go up to him. We'll stay hidden.

Zocks: Okay.

They went and did so.

Rui: Brother. Thank you for everything. And this must be the World Pirate.

Zocks: That's right. Zocks Goldtsuiker.

Rui: (to Ryoga) Regardless, because of you, our wedding-

Zocks: We want to ask a question first.

Rui: Which is?

Ryoga: Does this look familiar? (Shows Pen)

Rui: The Mitari Clan's crest? I believe this was my Uncle's.

Zocks: I fought a Megid who dropped that.

Ryoga: I also have proof of you taking that very Alter Ride Book from the Southern Base. The previous head of the Mitari Clan didn't die in an accident. He was killed bya Megid. And the one who orchestrated his murder… was you.

Zocks: Unless we're mistaken.

Rui: (chuckles) You've got me. But if you think if like Storious or those Tojitendo fools, you're mistaken. Those Tojitendo fools are far less serious about their work anyway. It's just as you've said. The person who ordered the Megid who killed my uncle… was me.

Ryoga: Why did you do it?

Rui: To step up in this world, of course. I will take control of this irresolute guild and rewrite the rules of this world myself. And the first step to achieving that… was to falsify that will, in order to get closer to you lot.

Ryoga: You fiend. Is your marriage with Reika just a sham?!

Zocks: You must be kidding yourself if you think you're getting away with this!

Zocks tried to morph but Rui changed his arm into a Megid's, grabbed him, and threw him at Ryoga, knocking both of them down.

Ryoga: Your arm…

Rui: I've found a special Alter Book, you see? One that lets me fuse with a Megid. Don't worry. I'll purge you two after the ceremony ends.

Rui left as several Shimi restrain Zocks and Ryoga.

Wendy Koopa: The two of them could use some help!

Me: Regardless we did get the confession.

We went over and restrained them.

Stinky Butt farted in the Shimi's faces

Stinky Butt: Have some of this!

LOUD FART!

It provided a smokescreen.

We got away and regrouped.

Ryoga: Did you get the confession?

Me: We sure did. His goose is cooked.

Xenia: Now we wait till the ceremony.

Heat Wave: You got the confession on your own recording devices too.

Me: Yep. Rui is in deep shit doo-doo trouble.

Xenia: Yep and it's not going to end well for him.

Me: Yep

Chaor: While he's right about the Tojitendo, Storious was more evil then he could ever be.

Me: I agree. was beyond pure evil. Rui doesn't deserve the Black Gates like Storious did.

Nico: Yeah. We killed Storious last year.

Megan McCallister: And now here we are a year and a half later to kill another of the enemies of the Saber Team.

Technus: Not kill. Arrest.

Megan McCallister: Sorry.

Camie: I think the ceremony is starting.

Priest: If anyone has any objections as to why these two should not marry, speak now or forever hold your peace.

Android 17: Entrance time!

We went at them!

The wedding was silent!

But then the spirits of the Saber Team came and they swirled around them and then converged and then…

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosiob blasted off at the entrance.

Zocks: Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Reika: Zocks?

A phoenix cry was heard and we came out.

Me: WE OBJECT!

Rui: Team Loud Phoenix Storm!?

Nico: Rui Mitarai, you're under arrest!

Kaos: I, KAOS, object to this wedding!

Me: This wedding can't happen because Rui Mitarai is a cold blooded murderer!

Nico: Yeah!

EVERYONE GASPED!

Me: And we have all the proof RIGHT HERE!

I showed the confession and it played EVERYTHING Zocks and Ryoga recorded!

EVERYONE WAS SHOCKED, HORRIFIED AND DISGUSTED WITH HIM!

Rui: You couldn't leave well enough alone, could you?

Me: It's what we do!

He turned into the Amanojaku Megid!

Me: Amanojaku Megid!

Reika: You make me sick Rui!

Kaito got out the Gaoranger gear while Zocks got out the Hurricanger gear.

Kaito got a Wild Force Sword and Zocks got a Ninja Storm Sword.

Saber Team: HENSHIN!

They transformed!

Touma: "The Swordsman of Fire, Kamen Rider Saber!"

Touma: And we'll decide how this story will end!

Megan: And it will end with you going to prison!

Ryoga: Forgive me, Reika! I only wanted you… to have a peaceful and happy life! I wanted you aweay from danger! Away from being a swordsman! But I failed you! I will take responsiblity for this! I shall aly down my life to protect you!

Reika: No! I decided on this wedding myself! I wanted to forge my own path! I don't wish to just be protected by you! I became a swordsman of my own will too! That's why… I don't want to live in your shadow for the rest of my life!

Nico: (cries happily) That was heartwarming!

Me: Nico don't cry now. We got a fight to win.

Nico: Oh sorry.

With their respective Swords, Kaito and Zocks slashed at the jerk!

SLASH SLASH!

Me: And this for good measure too! (ECHOING) RAGE OF INFERNO! 超弾動閃煌斬

I swung my sword and fired a massive vortex of fire and light and it hit Amanojaku Megid and exploded with incredible power!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion burned him all over the place really bad!

Xenia: WHOA! Awesome!

Me: So is this!

I got out the Eternal Phoenix Wonder Ride Book.

Me: (Reads Verse) "With intense flames of furious fire, the Eternal Phoenix released a mighty wave of fire and it slammed into its enemies and burned them with the force of a million eternal flames and brought forth the mighty fury of the Eternal Phoenix!" (ECHOING) ETERNAL PHOENIX INFERNO RAGE! 火鳥炎剣舞

I swung my sword and fired a massive blast of fire that formed into a massive swarm of Phoenixes and they burned intensely with incredible fire and it hit Amanojaku Megid and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion REALLY BURNED him bad!

Qin: WHOA! What power!

Xenia: WOW!

Nico: Wonder Ride Surekill combo! That was genius!

Me: Yep.

Kaito got out the Magiranger Gear while Zocks got out the Boukenger Gear!

They got a Magistaff and Operation Overdrive Sword!

Nico: YEAH!

They continued to attack him!

SLASH SLASH SLASH SLASH!

Nico: Take that!

Qin: YEAH!

Me: Come on Nico join in!

Nico: My pleasure! (GETS OUT FART GUN!) SNIFF ON THIS!

LOUD FART!

He fired a green laser blast and it hit him and he smelled worse than a thousand rotten cesspools!

YUCK!

Laney: Time to unleash some Fairy Flower Power.

She pulled out her Wonder Ride Book called The Fairies of Ga'Hoole!

Laney: (Reads Verse) "Flying alongside the mighty Owls of Ga'Hoole were beautiful fairies that lived with the owls to defend the land against the forces of darkness and make the world beautiful. The Fairies used powerful flowers to fight off the forces of darkness and bring peace to the land." (ECHOING) FLOWER NATURE SLASH STORM! 自然花びら剣嵐

She swung her sword and fired a massive wave of flowers and they slashed Amanojaku Megid all over and blasted him in incredible explosions!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOMMMM!

Nico: WHOA! YEAH!

Eli: Try this one on for size! DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

He fired a blast of pitch black fire as hot as the sun and it formed into a terrifying dragon and it slammed into Amanojaku Megid and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was REALLY BURNED all over!

Qin: YEAH! Take that!

Kaito got out the Boukenger Gear while Zocks got out the Magiranger gear.

They switched weapons for that in a sense!

They blasted him and slashed him all over.

Nico: TAKE THIS!

Me: And this!

Me and Nico had our Shadow Dragon bracelets glow red and they fired beams of red light into the sky and formed into MASSIVE RED ENERGY BALLS! They grew massive and then condensed to the size of our bodies! We condensed them and made them more concentrated!

Me and Nico: This is the sum of all the evil villains we killed and all the dark deeds they did! Now feel their power! NEGATIVE KARMA BALL!

WE FIRED THE BALLS And they went at Amanojaku Megid and they slammed into him and went all the way up into space!

But then…

SUPER UNBELIEVABLY MASSIVE AND INCREDIBLY POWERFUL EXPLOSION OF A THOUSAND NOVA STRENGTHS!

The explosion really was felt all over and then Amanojaku Megid fell to the ground and crashed into the temple floor!

KRASMASH!

Kaito got out the Gokaiger gear while Zocks got out the Go Busters gear

They got a Super Megaforce Sword and Beast X Blaster!

Amanojaku Megid Was badly burned and mangled!

Me: What's a matter Rui. You were spouting off about having your family rise to the top and now you're being destroyed by someone that has much greater power than yours! What a dope! You think you're a jewel but all you are is nothing but a dirt clod!

Amanojaku Megid: My family WILL rise to the top. When I do what Storious could not!

Me: HA! Good luck with that.

Qin: Yeah!

Touma: I don't even need my other forms for this. Just my Brave Dragon form!

Carol: Take this!

Seh fired rainbow eye beams and finger blasts and blasted Amanojaku Megid all over the place with massive fiery explosions blasting off all over the place!

KRABBBBBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMM!
KRABBBBBBBBBOOOOOOOOOOOOMMMMM!
KRAABBBBBBBBOOOOOOOOOOOOOOMMMMMM!

Massive fiery explosions blasted off everywhere and blasted everything all over and blasted Amanojaku Megid all over.

Lola: YEAH!

Horsea squirted Ink and it got into his eyes and blinded him.

Me: There's 4 things that Storious had that you could never match up to!

Amanojaku Megid: Oh yeah? And what are they?

Me: 1: He was totally fucked up in the head. 2: He had a heart as black as night. 3: He was going to kill everyone on Earth and destroy the planet. And 4: He didn't give a flying fuck about anyone except himself! And that's why he died by our hands and was sent to the black gates!

Nico: Compared to him, YOU'RE WEAK!

Amanojaku Megid: (GROWLS) I WILL KILL YOU ALL!

He fired a massive wave of energy and I fired a blast of energy and the blasts collided and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I teleported and kicked him down!

I fired waves of energy and blasted him all over!

Me: That's all you care about Rui! You never loved Reika! You only wanted her for power and money! You're just a pathetic petty monster!

Nico: That's right! All you care about is money and power! And if those are the only things you want then you will ALWAYS and FOREVER will be alone!

Me: Because money is not going to buy you everything like Power, Friendship, True Love or compassion!

Lola: That's right!

Zocks: You should've covered your tracks more!

Nico: Yeah!

Amanojaku Megid: (to Zocks) And. why even help them? You're not even a Rider!

Zocks: True. But they've grown on me.

Me: You should have done your homework over the years! The Sentai Teams helped out the Rider Teams over the years! Just like the Riders have helped us during the 20 Days of Darkness!

Nico: That's right!

Xenia: Too bad you never saw it!

Lola: And you're too dumb to see that!

Lola fired waves of fireballs and blasted him.

Lincoln: (Reads verse) "Armed with the powers of the universe and the cosmos, the hero fires a wave of elements that eradicated the personification of evil and imprisoned him from into the servitude of their frenemies for good"

Just as Lincoln said that, he fired massive waves of elements that eradicated Amanojaku Megid and sent him to the M.O.E. HQ Forever and Rui was down on the ground and his Alter Ride Book was transformed into a Wonder Ride Book for Selene Arcangela: it was called The Heavenly Guardian Angel of The Heavens and Light and he gave it to her.

Nico: Good riddance, you piece of crap!

Me: And with that, his story ends here.

Lincoln: You said it. Now there's only one last thing to do and one last loose end to tie up: The Universe 666 Green Rangers.

?: None of you will ever leave this place alive!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and green energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and green energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Universe 666 Green Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Green Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 Green Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Tamara Oliver: That he has, and for that, we're going to destroy the instruments of his revenge.

Suddenly, Tamara Oliver's blue eyes turned neon blue and she was surrounded by a green energy aura with stars, green fire, green flames, phoenixes, and angels, she unholstered The Sword of Power, and as she approached The Universe 666 Green Rangers, she left green energy, stars, green fire, green flames, phoenixes, and angels with every step.

Tamara Oliver: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who had to be put down. Now, it's your turn, you'll pay for disgracing the legacy of the Green Rangers.

Suddenly, Tamara Oliver was surrounded by a massive vortex of green energy, stars, green fire, and green flames surrounding the vortex, there are phoenixes, angels, and the Green Rangers of 47 plus years flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at The Universe 666 Green Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Tamara Oliver emerged, but she was changed forever.

We were amazed by Tamara Oliver's Super Angel-Green Power Rangers Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Universe 666 Green Rangers saw it, they went mad with rage and ran at her and kill her, but Tamara Oliver fired a massive barrage of green energy, stars, green fire, green flames, phoenixes, and angels which hit The Universe 666 Green Rangers and sent them crashing onto the ground, they got back up and they were now really enraged.

Tommy Oliver: Incredible!

Selene Arcangela: Incredible is right, Tommy, Tamara's transformed, and we already knew of the kind of damage she's capable of doing to villains.

Lincoln: Yep, and now, it's time we end The Universe 666 Green Rangers and make them pay!

Tamara Oliver: (Divine Echoing Godly Voice of The Green Inferno Firestorm Green Rangers Embodiment Phoenix God Angel and

---

Tamara Oliver, Lincoln, and The Green Rangers went after The Universe 666 Green Rangers, and they fired extremely powerful blasts of rainbow energy, green energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Universe 666 Green Rangers, and they exploded with incredible power as they hit them.

Then, Lincoln and Tamara Oliver attacked them with powerful slashes from their massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Tamara Oliver also did the same by firing black energy slashes from her massive greatsword, and he and Tamara Oliver attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 Green Rangers badly.

Tommy Oliver and The Green Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you all die once more.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 Green Rangers' chests, and then, Lincoln began absorbing The Universe 666 Green Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Green Rangers, and he banished them to The Black Gates. We cheered wildly for what Tamara Oliver and Lincoln did as they holstered their massive greatswords on their backs and powered down and Tamara Oliver's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large green orbs orbiting around her legs, and massive brown angel wings are permanent.

Tamara Oliver: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 Green Rangers forever, Lincoln, you too, Tommy.

Lincoln: (Smiles Warmly) You're welcome, Tamara.

Suddenly, Tamara Oliver wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Jackie Holling's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the Green Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and green flames raging behind them and we cheered wildly. Then, Lincoln and Tamara Oliver sucked in and absorbed the elemental forces and green flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Green Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Green Rangers, will they? Not on our watch!

Me: You said it. So, Lincoln, who's the next Daydream Princess we're meeting tomorrow on your rescue?

Lincoln: I've got just the one: Solana Celestia, Daydream Equestrian Sun Princess of Light.

Selene Arcangela: Awesome, and you guys are going to love meeting her, Solana Celestia is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Princess Celestia combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Solana Celestia and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Solana Celestia trained Lincoln a lot with using the powers of Light and The Equestrian Sun, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Chandler with a blazing passion because Chandler when he had his Dark Side in him was a monstrous evil monster with a heart as black as the night, and Solana Celestia has put him in his place more than once: which means throwing him in jail like the criminal he was.

Me: Whoa!

Princess Celestia: I remember her all too well, she is indeed just like me in every way.

Lincoln: That she is, Princess Celestia.

We had him pinned down.

Ryoga: Any last words?

Reika: No, brother. Don't.

Xiao Fung: We said we would throw him in prison.

Gramma Stuffum: Besides, he's not worth killing.

Me: Prison suits him better.

Oculous: It's best if he spends the rest of his life in jail knowing he'll never be on top of the world.

Me: He'll be at the very bottom.

Fireor: But we still did a good job.

Count Nocturne: Let's celebrate in here!

Me: Good idea.

Nico: YEAH! Great job everyone.

Megan: (To the viewers) If you ever have a wedding be careful with who you wed or it will be a toxic relationship.

Nico: Yep.

We celebrated and later went back home and enjoyed the rest of the day and went to sleep.

# WILDS VS PETS

This chapter is based on Open Season 2

In the early morning hours at 2:30 AM, Lincoln had a dream, and he saw two figures who was hiding out and living in the streets of San Francisco, California. But, they were no two figures, they were Ruby the Bat, daughter of Lincoln's future wife, Rouge the Bat. and Pinky Fang-Bytes, daughter of Lincoln's future wife, Nitara. Lincoln woke up from the dream, but he wasn't the only one, Rouge the Bat, Nitara, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Nitara: And not only that, it also means that we found out where our kids are at.

Rouge the Bat: Any ideas where are they at?

Me: they're at San Francisco, California.

Nico: Oh man, that's not good. Even though San Francisco, California, is a nice place, but not so much for little kids like them.

Lincoln: I know, Nico. Come on, we're better hurry to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

As we whore about to go San Francisco, California, to rescue Ruby the Bat, and Pinky Fang-Bytes, Then suddenly, there was a knock at the door.

Rouge the Bat: (sighs and went to the door) Who would that be in the middle of the Night? We have importing mission to do.

Rouge the Bat opened the door and found a 17-years-old Japanese-American female Cybertronian teenager who has fair skin with bandages, dirt, dust, bruises and small cuts, two mismatched eyes; orange on the right eye and blue on the left eye, and black bobbed hair with straight blunt bangs and with solid purple and dark pink stripe single line style. she wears a light purple-colored sleeveless tattered dress-like, a beige-and-turquoise-colored long pants with three small cuts on each side, and black slippers/sandals. It was Teresa/Transmutate.

Me: (to Nico, whispering) Julie doesn't have a twin sister does she?

Nico: (whispering) Maybe.

Teresa/Transmutate: Are you Rouge and Nitara?

Nitara: Yes, we are.

Rouge the Bat: And who are you girl?

Teresa/Transmutate: Teresa… My name is Teresa… And do these young kids belongs to you three?

The two kids that whore with Teresa/Transmutate, was a petite and curvy 13-years-old Bat/Human girl who has tan skin with short white and ruby fur-like hair with ruby bow, and burgundy eyes. She has large pointy ears, small fangs, a short pointy tail on the rear, and large ruby wings on her back. she wears a white long-sleeved blouse with a high collar and red trim on the sleeves, a black skirt with red lining, white knee high socks, ruby mary janes with black soles. She wields a black and red Sniper-Scythe. And a tall and slender 14-years-old Vampire girl who has pale pink skin, red eyes with pink eyeshadow, bat-like ears, long pink hair with a pink and red bat hair clip. She also has exceptionally sharp fangs and large dark red bat-like wings. She wears a red dress with pink trim, a pink belt with a red and pink bat-shaped buckle, and pink-ribboned bat open-toed sandals. They are Ruby the Bat and Pinky Fang-Bytes.

When Rouge the Bat and Nitara saw them, they were stunned.

Rouge the Bat: (stunned) How?

Nitara: (Stunned) How did you find them?

Teresa/Transmutate: I find them out on the streets in San Francisco, California.

Rouge the Bat and Nitara ran up to Rouby the Bat and Pinky Fang-Bytes, and they hugged, and they cried tears of happiness, Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Me: Thanks, Teresa.

Teresa/Transmutate: You are welcome, J.D. (to Lincoln, blushed) Do you have something to say to them, Linky?

Lincoln: Course. (To Ruby the Bat, and Pinky Fang-Bytes) there's something you guys should know, Rouge, Nitara, your mothers are one of my many future wives.

Ruby the Bat and Pinky Fang-Bytes: That means… you're our father.

Lincoln smiled, and that filled Ruby the Bat and Pinky Fang-Bytes with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Teresa/Transmutate's neck with brown gems on the gold lightning bolts and turquoise crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Teresa/Transmutate: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Teresa.

Teresa/Transmutate: (Smiled) T-Thank you so much, Linky. Your kind words mean a lot to me.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it as her body glowed brightly, transforming into the mechanical humanoid-like with long hair, beige-colored battle armor, all of her limbs and midriff are in turquoise color, as well as having a samurai helmet-like with pointed-spike in middle and sides, Lincoln also marked Teresa/ Transmutate as he slowly sank his fangs into her and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings, He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit them, and we cheered for them, And then, Lincoln told everyone what happened. and he then introduced Ruby the Bat and Pinky Fang-Bytes to the rest of his siblings, who are now their aunts. We were proud of what Lincoln and Teresa/ Transmutate did in reuniting Rouge the Bat and Nitara with their kids, and Ruby the Bat and Pinky Fang-Bytes now have Lincoln as a loving, strong, brave, and caring father in their life.

Lincoln: Okay, guys, we got ourselves a huge emergency, and we're in for one hilarious battle: I've got word that a clone of Glaciator has been sighted here.

Me: Oh boy.

Nico: Oh, you're in for one serious ice cream headache, Lincoln, when you absorb this guy.

Eli: If he's causing trouble, we're gonna need a lot of firepower for him.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic

message.

Lori: We heard everything from Lincoln, and we're ready for that clone of Glaciator.

Me: Plus, Lincoln and I got an awesome combo for him when we turn into Wolf Moon and Fire Moon.

Nico: Can't wait to see it.

Qin: Yeah.

Roxy heard a Pokemon cry.

Roxy: Look here.

We saw a Celebi.

Nico: Cool a Celebi.

Roxy: Wow. And the poor thing hurt its wing.

Nico: Aww.

Celebi: Yeah I did.

Me: We'll help you.

We got to healing it.

Roxy: Are you okay now?

Celebi: Much better. Thank you all.

Nico: No problem. Want to come with us?

Celebi: Sure.

Qin: Awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing

window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for the Glaciator clone) AHA! Gotcha! I just spotted the clone of Glaciator, he's 20 yards away and he's been busy with causing trouble.

Winona Whale: Let's get him!

Lincoln: That ice cream monster's not getting out of this one alive, he's going down. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs

arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a

blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of Glaciator.

Nico: He shouldn't be far behind.

We were flying in the air and we saw the clone of Glaciator.

Lincoln: There he is.

Me: Let's get him. KIBAL, LET'S HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I transformed into Wolf Moon 🌙.

Lincoln: You got it. UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln transformed into Fire Moon as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body and his entire body was then covered in thick brown fur, his deep sapphire eyes and rainbow iris of his Third Eye turned red, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's and he grew a brown wolf snout, his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned red, and he let out a loud howl.

Me: Let's hit him with our Surekill combo, Lincoln.

Lincoln: You got it.

We unholstered our massive greatswords.

Me and Lincoln: RAGE OF THE JANUARY WOLF FIRE MOON! 一月のウルフファイアムーンの激怒!

Lincoln and I swung our massive greatswords and they fired a massive vortex of red and blue wolf fire with red and blue wolf spirits circling around the vortex and the massive vortex hits the Glaciator clone and he really got burned by that one.

Everyone's jaws fell to the floor!

CLANG!

Eli shut everyone's mouths.

Nico: W-WHAT ON EARTH WAS THAT?!

Me: That was our first Surekill combo that we call Rage of The January Wolf Fire Moon.

Lincoln: And we figured it was perfect for the clone of Glaciator.

Eli: That was really awesome.

Winona Whale: That was really awesome, but it looks like he's mad now.

Francis: Okay you ice cream monster! Lets dance!

Francis fired waves of fire and blasted him.

Francis: Remember me FROSTY?!

Francis fired waves of fire and blasted him all over.

Camie: Good idea.

Chowder I like my own version of ice cream.

Thrice Cream Man: From me the Thrice Cream Man.

Xenia: Yep.

Suddenly, Winona Whale's blue eyes turned neon blue and she was surrounded by an ocean blue energy aura with stars, water, ocean waves, whales, phoenixes, and angels, and as she approached the Glaciator clone, she left ocean blue energy, stars, water, ocean waves, whales, phoenixes, and angels with every step.

Winona Whale: You may be a clone of Glaciator, but you're still just as bad and dangerous as the original one, and we're not letting you run free any longer, prepare to die.

Suddenly, Winona Whale was surrounded by a massive vortex of ocean blue energy with stars, water, and ocean waves surrounding the vortex, there are whales, phoenixes, and angels flying and swimming around the vortex, and in the vortex is a blue phoenix with red eyes glaring at the Glaciator clone: the red eyes of eternal death.

We were really amazed by Winona Whale's Super Angel-Nuova Shenron Four-Star Dragon Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when the Glaciator clone saw it, he roared in rage and he charged at her, but Winona Whale fired a massive barrage of ocean blue energy, stars, water, ocean waves, whales, phoenixes, and angels which hit the Glaciator clone and sent him flying into a wall. He got back up, but now, the battle was really about to begin.

?: (Female Voice) But, this will end with that ice cream clone absorbed and sent to The Black Gates.

Suddenly, we saw Hamon, Lord of Striking Thunder appear.

Nico: Hannah, did you…?!

Suddenly, we saw Hamon revert back, and what stood in its place was a very beautiful and super sexy girl with long golden yellow hair and yellow headband, yellow eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a golden yellow sleeveless crop top, necklace with red gem for the pendant, golden yellow bridal gloves, golden yellow skirt, golden yellow stockings, golden yellow knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, bolts of lightning, dragons, phoenixes, and angels on the coattails and on the back is Hamon, Lord of Striking Thunder, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln, Winona Whale, Hannah Hamon Hernandez, and I went after the Glaciator clone, and we fired extremely powerful blasts of rainbow energy, ocean blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Glaciator clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Winona Whale, Hannah Hamon Hernandez, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Glaciator clone even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Hannah Hamon Hernandez, Winona Whale, and I fired powerful blasts of energy, lightning, water, and planets at the Glaciator clone, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This ends now!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the Glaciator chest, and then, Lincoln began absorbing the Glaciator clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of the Glaciator clone, and he banished him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Winona Whale's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long light blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large blue planets orbiting around her legs, and massive blue angel wings are permanent.

Winona Whale: Now, that was so awesome!

Me: And that's another clone defeated and absorbed by Lincoln.

Suddenly, I got jumped on by Winona Whale, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

Nico: That was one awesome battle.

Lincoln: Yep, and that's another Akumatized clone absorbed.

Me: You got that right. So, Lincoln, are you going to introduce us?

Lincoln: I was just about to do so.

Michelle Hernandez: Actually, leave this to me, Lincoln. Everyone, this is Hannah Hamon Hernandez, Avatar of Hamon, Lord of Striking Thunder and Gabriel the Archangel, she's Lincoln's Guardian Angel and friend from church. She's the younger sister of Michelle Hernandez, Gene-Slammer of Red-Eyes Zombie Dragon, and cousin of Marie Hernandez, Gene-Slammer of Hamon, Lord of Striking Thunder. She's a very powerful force of lightning and was born with the powers of lightning and she's also the Avatar of Hamon, Lord of Striking Thunder and Gabriel the Archangel, and she's also a master of a very powerful curse known as The Striking Thunder of Eternal Damnation, that kind of curse is meant for the most blackest of souls, and once it reaches their heart, that person will have their soul devoured by Hamon, Lord of Striking Thunder and their body will be sent to the depths of Hell for eternity.

WE GASPED!

Nico: Oh man, I remember your sister all too well!

Natasha Hernandez: We remembered her all too well, Nico, Hannah's really powerful and a very deadly force of lightning even more than Marie.

Michelle Hernandez: Yep, and she met Lincoln when he fell into that deep depression even after the Policeangel Sisters stopped that insidious plot Lori, Lynn, Lola, Lisa, and Luan made to turn all of Royal Woods against him, and he began questioning whether or not he's even meant to be alive. It was a deep wound to the heart that Hannah couldn't ignore, she took Lincoln to church and she began helping him spiritually and mentally, and he began to get better spiritually and mentally.

Luna: I remember that day all too well, she helped our bro out big time.

Michelle Hernandez: And Lincoln made Hannah a beautiful necklace, and to show thanks, she kissed him on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem, and Hannah hates Lynn with a searing blazing passion, the reason why is because one day when Lincoln and Monica were at church, that four-legged monstrosity threw a bomb inside the church to kill Lincoln, Hannah, and everyone in there, but Lincoln and Hannah got everyone out safely, and they also disabled the bomb. Then, they saw Lynn trying to escape and Hannah charged at Lori and viciously pulverized her and Lincoln tied her up after he electrocuted her and knocked her out. Lynn got grounded for eight months, and Hannah also swore if Lynn tried that again, she would be made the next victim of The Striking Thunder of Eternal Damnation.

We gasped.

Nico: Lynn, of all the reprehensible things you've ever done in the past, this is one of the most disgusting things ever!

Lincoln: We were really angry with what that animal did, and she got sent to Aunt Ruth's for eight months along with getting grounded, and it's so good to see you again, Hannah.

Hannah Hamon Hernandez: You too, Lincoln, and wow, you've really grown into an amazing and awesome young man in the last seven years!

Lincoln went up to and hugged Hannah Hamon Hernandez in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Hannah Hamon Hernandez with golden yellow gems on the gold lightning bolts and golden yellow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck. Hannah Hamon Hernandez knew what this was as Lincoln leaned down to her face and kissed her on the lips and she returned it as we cheered wildly for them.

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The Glaciator clone exploded, making it rain ice cream and we were eating the ice cream all over all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

Nothing was left of the Glaciator clone, and Lincoln banished him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down.

Me: That was awesome!

Qin: Yeah!

Nico: What sundae did you make?

Poromon: Chocolate, vanilla, strawberry and banana.

Me: Yummy.

Qin: Yeah that's true.

Qin: So, Scarlet Spider, Ultimate Spider Man, Spider Man 2099, Spider Man (Shattered Dimensions), Spider Man Noir, Spider Gwen, Rui (Pokemon), Wes, Anita Bathory, Animal Path, and the last two, Barty Crouch and the Dementors don't have archenemies yet.

Eddy: Shut up Ed!

Pearl Perfume: Yeah I smell like that don't I. But when you worked in the Perfume Department like I have it's a great scent.

Nico: The Perfume Department? We WERE SPRAYED HEAD TO TOE GOING THROUGH THAT!

Qin: That was so awful!

Pearl Perfume: Yeah it is a sadistic place there.

Nico: No shit!

SpongeBob: I always hate going through there!

Patrick: Me too!

Me: By the way is the Another Commander Cold friendly or hostile?

Sharaya Shrimp: Friendly and she is a really potent one.

Me: Wow.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Stina Scorpion: No he didn't because I stung him with my venom in his leg and made him sick.

Sakura Knudson: That explains why he was sick. But Swartz taught me how to identify poisons and how to cure them.

Me: That's very handy knowledge sis.

Sakura Knudson: It sure is.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

I caught the Ridewatch and purified it!

Nico: WHOA! Leni nice shot!

Leni: That wasn't me!

Me: And if I had to guess…

Greta Gravity: Yeah I'm naked.

Me: I figured.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Greta Gravity: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and she threw up and then reverted back. She had golden yellow hair and had red eyes and yellow angel wings and on her back were 2019 KING GHIDORAH'S THREE DRAGON HEADS and she had 2019 Ghidorah's tails out of her butt. She also had Ghidorah in front of a meteor and a beetle next to it.

Greta Gravity: (Groans) That hurt. (Sees herself) WHOA! I need some clothes.

Rarity: Don't worry darling. We can fix this.

The Fashion Brigade gave her new yellow clothes.

Greta Gravity: Wow! I look awesome!

May: I didn't get hit!

Xenia: Wow!

Lola: Amazing!

Galatea Ghidorah: That is really amazing!

Greta Gravity: It sure is.

Ultimate Spiderman: Do you have any favorite memories of Nico?

Greta Gravity: When me and Nico destroyed a huge Yakuza operation in Tokyo.

Nico: That was awesome.

Me: Wow! That is cool!

Nico: Yep.

Nico and Greta hugged.

Nico: I've missed you.

Greta Gravity: Same here.

We later went back home.

Lincoln: Whoa, we're here in New Mexico, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got some bad news: another feral version of Lynn is running loose and she's been busy beating up tons of innocent people and many of them were sent to the hospital.

We gasped.

Nico: Oh no, another version of Lynn when she went psycho on Packing Day is here?!

Me: Not again, that super aggressive belching farting four-legged monstrosity's gonna get it!

Lincoln: You said it, and we're going to heal the injured innocent people and turn that super aggressive belching farting four-legged monstrosity into a human sausage and destroy her.

Scarlet Spider: She won't be easy to take down.

Luna: True, she's like a wild animal on steroids, but we know she's coming because of the smell of her B.O., her smelly gym clothes, and her sweaty pits.

We headed for the hospital and we saw tons of innocent people beaten up badly by that animal.

Lincoln: That filthy animal, she's gonna get it.

Lincoln mixed up his special rainbow-colored soup and he gave it to everyone that got hurt and badly injured by that filthy animal, and immediately, they were all healed.

Me: Everyone has been healed, now let's go hunt that animal down.

We headed out of the hospital to hunt down that animal. Suddenly, we saw a very beautiful and super sexy girl with long hair in the same colors as Princess Celestia and yellow headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Light Skylanders and Princess Celestia's cutie mark on her right arm she has massive and beautiful white angel wings, she's dressed in a yellow sleeveless blouse, necklace with purple gem for the pendant, white bridal gloves, yellow and pink fancy skirt with pink bow, light blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, suns, light, magic, Alicorns, phoenixes, and angels on the coattails and on the back is the symbol of The Light Skylanders and Princess Celestia's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, gold chain for guard, and gold pointed tip for the pommel, and with her are the six girls.

Lincoln: (GASPS) Solana Celestia, Daydream Equestrian Sun Princess of Light.

Solana Celestia: That's right, and I got the girls away from that belching farting feral version of Lynn before she could pummel them with snowballs.

Lincoln: Awesome. But, keep your eyes peeled, she's around here somewhere.

Suddenly, in Feral Monster Lynn's point of view as she hides in some trees, she moved the trees aside and was watching us menacingly as she was breathing and snorting heavily, then, she pushed the trees back. Then, back to us

MONSTROUSLY LOUD BELCH!

Lucy: She's here…

Lincoln: I know. Lynn, you better get out here right now, you filthy animal! We can smell your sweaty pits from a mile away!

Then, that feral version of Lynn came out, and she was even worse than Lynn when she went psycho on Packing Day. She threw snowballs at us while roaring, but Lincoln fired a barrage of fireballs that melted the snowballs, and he flew at and he landed a powerful punch at that animal's face and sent her flying into a tree, she got back up, but she roared and beat her chest like a gorilla.

Then, the Louds unleashed pure Hell on her as they broke her arms and legs, and Lincoln who suffered the worse of Dark Lynn's wrath grabbed her and turned her into a human sausage, and Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into that feral animal version of Lynn's chest, and then, Lincoln began absorbing that feral animal version of Lynn into his body as he and all of us assimilated all of her inhuman superhuman strength and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of that feral animal version of Lynn, and he banished her to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: That's for all of the Packing Day nightmares you've put us through along with making my life Hell, you disgusting belching farting four-legged monstrosity. (To Solana Celestia) And it's so good to see you again, Solana.

Solana Celestia: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Solana Celestia as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Solana Celestia was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Solana Celestia: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Solana Celestia and he hugged her, and Solana Celestia is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Solana Celestia: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Solana Celestia, Daydream Equestrian Sun Princess of Light, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Princess Celestia combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Solana Celestia and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Solana Celestia trained Lincoln a lot with using the powers of Light and The Equestrian Sun, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Chandler with a blazing passion because Chandler when he had his Dark Side in him was a monstrous evil monster with a heart as black as the night, and Solana Celestia has put him in his place more than once: which means throwing him in jail like the criminal he was.

Nico: Yeesh, she really despised him for all the crap that Dark Side of his has done.

Lincoln: We, no all of Michigan despised him, for what Dark Chandler did in the past, he was garbage, and now that you're here, Solana.

Lincoln went up to and hugged Solana Celestia in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Solana Celestia: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Solana Celestia with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Solana Celestia: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Solana Celestia, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Solana Celestia's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Solana Celestia had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Nana Nanao, Maumi Iiyama, Saki Kusakabe, Aki Kominase, Lestie Heim Skgringla, and Ruri Kusakabe from Penetrative Search of the Creampie Spy -Protect the peace of the Womb!-

Lincoln: Oh wow, it's Nana Nanao, Maumi Iiyama, Saki Kusakabe, Aki Kominase, Lestie Heim Skgringla, and Ruri Kusakabe from Penetrative Search of the Creampie Spy -Protect the peace of the Womb!-.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Nana Nanao: Yes, we're okay, thanks to you.

Then, when Nana Nanao and the other five girls saw who it was that saved them from that another feral version of Lynn, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future

Nana Nanao: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Nana Nanao: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nana Nanao, Maumi Iiyama, Saki Kusakabe, Aki Kominase, Lestie Heim Skgringla, and Ruri Kusakabe with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was another feral version of Lynn who was running loose and she'd been busy beating up tons of innocent people and many of them were sent to the hospital.

But, when Lincoln showed what we all did in viciously pummeling that filthy animal and The Louds also giving her a vicious beating and Lincoln turning her into a human sausage and he absorbed her and sent her to The Black Gates, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Solana Celestia have a lot of catching up to do, now that she's back in town.

Maria: Jeez, so another feral version of Lynn was running loose?!

Lincoln: Yep.

Nico: Lincoln and his sisters gave her Hell for everything she'd done in the past, especially Lincoln, he gave her the worst thrashing ever and turned her into a human sausage.

Me: And finally, Lincoln absorbed her and sent her to The Black Gates.

Lincoln: She deserved it big time, and if I find out there's an Earth with a Team Loud Phoenix Storm who are like Lynn on Packing Day on steroids times infinity, we're going hunting!

We freaked out, and we had no idea of how right Lincoln was about to be.

---

After we got rid of that another feral version of Lynn, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Solana Celestia saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Solana Celestia: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Solana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Solana Celestia: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in

muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Solana Celestia: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Tracey Mink: What a hunk.

King Kai: (Telepathically) Nico, Lincoln, everyone, can you hear me?

Nico: We hear you, King Kai, what's up?

King Kai: (Telepathically) I overheard what Lincoln said and did some investigating, and the bad news, Lincoln's right: there's an Earth with a Team Loud Phoenix Storm who are like Lynn on Packing Day on steroids times infinity.

WE GASPED!

Nico: Oh man, this isn't good.

Eli: It's like you're some sort of psychic, Lincoln.

Lincoln: With my constant evolving, my powers are not only growing stronger, but my mind's grown and expanded even more. So, it looks like we're going hunting in the future. Wait, is their Earth in ruins?

King Kai: (Telepathically) Afraid so, they caused tons of damage in their Royal Woods along with pummeling people with tons of snowballs.

Lana: And if I had to guess, just like Lynn, they wiped everyone's fridges clean and stole the sack lunches too.

Lincoln: That means they'd have enough fuel for hours, along with letting out loud belches.

Me: Oh, it's on now!

Lincoln: We already got enough making preparations for our showdown with Lord Zedd and Rita Repulsa, along with getting rid of The Universe 666 Silver Rangers, The Universe 666 Gold Rangers, The Universe 666 White Rangers, The Universe 666 Purple Rangers, and The Universe 666 Gray Rangers, those snow monsters aren't going to mess that up, but we'll be dealing with them in the future.

King Kai: (Telepathically) I'm getting front row seats for the showdown against Lord Zedd and Rita Repulsa, and I'll also be getting front row seats for when you go after those filthy animals in the future.

Me: Thanks, King Kai.

We got a shower, and then, Lincoln, Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Avi: Wow, so this is Emerald Coast. It sure is beautiful.

Lincoln: It sure is, Avi, and it's perfect for our first date. Shall we?

Lincoln, Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber and they hugged the girls in their abnormally massive and powerful muscular arms and Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber are in your harem, Linky.

Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber showed the marks Lincoln made on the right sides of their necks.

Ashi: I'm truly proud that my sisters have gotten together with Lincoln.

Nicole: And I was the one who introduced Félicie Milliner and Camille Le Haut when we went to the world of Ballerina/Leap!

Luz: And Amity was the one who introduced Katya, Bria, and Amber to Lincoln.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Avi, Ami, Aki, Ari, Ani, Ali, Simulator Ashi, Félicie Milliner, Camille Le Haut, Katya, Bria, and Amber, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember

when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Time for Round 2 of Cascade Kingdom.

Qin: Nice!

Omi: (Tibetan Accent) Me and Peyton will go next for this.

Nico: Nice!

They went in and it activated and they were on CASCADE KINGDOM!

Peyton: Wow! So awesome!

Nico: Any tips Nicole?

Nicole: (On the radio) Well you guys are going after a bunch of Boomerang Koopas right?

Nico: Yep.

Nicole: Well just blast them like you always do.

Nico: Okay.

Omi: Great!

Peyton: Should be easy.

Nico: Yep.

Omi: Lets get it on then.

?: Not without me!

A figure came and it was a girl with aqua blue hair, blue eyes and blue clothes and had blue angel wings and she had a tiara with the symbol of Aqua Man on it.

Ailene Aqua: Ailene Aqua, Embodiment of Aqua Man.

Rex: Wow! Great to see you again Ailene.

Ben: Same here!

Ailene Aqua: You too Ben and Rex. Its been a while.

Nico: We can talk more later. Lets go.

They were off.

They flew and saw them!

Nico: There they are!

Ailene Aqua: It's buttkicking time!

She fired waves of fire, water, crystal and wind!

She blasted them all over!

Nico: WHOA! You have elemental powers!?

Ailene Aqua: Yep. And this!

She activated her Omnitrix and went into ULTIMATE AILENE!

Ailene Aqua: ULTIMATE HEATBLAST!

She fired a wave of intense blue fire and it hit the Koopas and incinerated them!

Nico: (gets out Commander Cold and Wolf's Ridewatches) This wolf is gonna stop you cold!

Nico activated them and fired waves of ice energy and blasted the Koopas all over.

Omi: ORB OF TORNAMI! WATER!

He fired a massive blast of water and drenched them!

Peyton fired waves if water and smashed them all over!

Nico jumped on them and pulverized them!

Ailene Aqua: CLOCKWORK!

She fired time rays and disintegrated the Koopas into dust!

Nico: Nice one!

Then they got more Power Moons!

Nico: YEAH!

They high five!

Nico: How did you meet Ben and Rex?

Ailene Aqua: I met Ben on some of his travels and helped him take down some of his enemies. I have my own Omnitrix and got 12,000 aliens in it.

Nico: WHOA! That's a lot.

Ailene Aqua: I know. And Ultimate Ailene is my primary form. It's cool.

Nico: Nice!

Ailene Aqua: And I met Rex when he was battling Van Kleiss. He turned me into an EVO and I got Elemental powers. I fought my primal EVO urges and made my EVO powers part of me.

Nico: Boy Van Kleiss is going to be in for one helluva shock when you show him soon.

Ailene Aqua: I know.

Nico: Would you like to join the team?

Ailene Aqua: I would be honored.

They left the simulator and we cheered wildly and it was awesome.

We arrived at the zoo.

Lara Laramie: Here we are at the zoo.

Me: Always love a good trip to the zoo.

Lana: I'll say!

Syd Chang: It's so awesome being here.

Me: I was told that we have a bunch of new animals here.

Nico: Yep. The Mascots are helping out here.

We arrived at an exhibit.

Sunset Shimmer: Are those Wildebeests?

Nico: Yep. We just got them in.

Fluttershy: They sure are amazing.

Lola: Wildebeests are really cool.

Lana: They come in huge herds from what I remember?

Xenia: That's right.

Me: The herds they are in can range up to several thousand of them. Remember how many of them there were in the stampede Scar started?

Nico: I sure do. That was a LOT of wildebeests.

Xenia: Yeah.

The mascots approached the Wildebeests.

Cybertron Scourge: Well, the mascots are goners. Let's start planning their funerals.

Me: Oh quit being dramatic. Fluttershy and the mascots sure know what they are doing.

The mascots gave them leaves and it was awesome and sweet of them.

Fluttershy: It's okay.

Poromon: Yeah we're friends.

Xenia: Wow. That is cool.

Nico: They made a lot of friends.

Eli: They sure did.

Poromon: See we're not going to hurt you.

Poliwag: Yeah.

Me: Wildebeests don't eat meat. They're herbivores. They eat plants.

Cybertron Scourge: Oh.

Shenzi: Looking back, I can't believe we caused that entire stampede.

Banzai: Yeah no kidding there. That was crazy huh Ed?

Ed (Lion King): (LAUGHS HYSTERICALLY)

Nico: Yeah it was crazy huh?

Swoop: Do them wildebeests have names?

Fluttershy: Oh this is Rosie, and this is Rocca. They just came here from Africa.

Nico: Wow.

Poromon: They sure are friendly.

Me: Yep.

Laney: That's cool that Fluttershy works at the Zoo too.

Me: She loves the zoo just as much as the pet shops. They are fun too.

Becca Chang: Yep. Fluttershy has been an amazing help ere for all of us.

Xenia: That is cool.

Nadira: For a minute, I thought you guys were gonna get beat up.

Me: Same here.

Nico: Yeah.

We later went back home.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even

more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Me: That was fun going to the zoo.

Xenia: It sure was.

Qin: Yeah.

Poromon: We learned our lesson from the gorillas.

Xenia: That's good. Glad you did.

Me: Otherwise Nico would have gone Hades apeshit crazy on you guys.

Nico: (LAUGHS) Yeah that is too true.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Fifi, the psychopathic poodle from Open Season 2, and he's out to kill Boog, Elliot, and their friends. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Fifi, the psychopathic poodle from Open Season 2, and he's out to kill Boog, Elliot, and their friends.

We gasped.

Nico: We got to get to Boog, Elliot, and their friends!

Me: I don't know what we're gonna do to him, but I can tell you this, it's gonna end with him taken to a vet to get fixed!

Lincoln: Oh no, J.D.'s pissed off, there's no way Fifi's getting away now.

Me: Yep!

Nico: First we'll watch the movie for Open Season 2 and then we'll head out.

Xenia: Okay.

Lola: I'll make the popcorn.

Nico: Always love pre-mission movies.

The previous group came

Fixer: Can me, Condiment King, Leonard, Mr. Mittens, Toiletnator, Xiao Fung, Luster Dawn, Oculous, Fireor, and Count Nocturne go with you guys?

Nico: Yes you sure can. We're going to help Boog and friends.

Fixer: Been a while since we helped them.

Nico: I Know. First we'll watch the movie Open Season 2.

Fixer: Okay.

We got to watching the movie.

---

In the spring, Elliot has grown giant new antlers and is about to marry Giselle. However, Elliot's new antlers are cracked off in an accident, which upsets him. Believing that his cracked antlers are a sign of bad luck and after hearing words being spoken by Ian during the wedding ceremony, Elliot begins to have second thoughts. Meanwhile, Mr. Weenie finds a dog biscuit trail that his previous owners left behind and follows it. At the climax of the wedding, Elliot witnesses Mr. Weenie being taken away by his old owners, Bob and Bobbie. Elliot tells an exaggerated story to the other forest animals about Bobbie torturing Mr. Weenie (made possible by his misinterpretation of Bobbie's excessive affections toward Mr. Weenie) and decides to make a rescue mission to save him while also using it to avoid marrying Giselle until his giant antlers grow back. Boog, Elliot, Giselle, McSquizzy, Buddy, Serge and Deni set off on a rescue mission under Boog's lead.

Meanwhile, the pets of Bob and Bobbie's friends - on their way to Pet Paradiso, a resort for humans and their pets - meet at a rest stop. There is Fifi, a toy poodle and his basset hound companion Roberto, two cats named Stanley and Roger, and two Southern dogs named Rufus and Charlene. Fifi discusses his hatred for wild animals, describing how he claims they got him shocked by a bug zapper. He then tries to maul a nearby rabbit, until he's stopped by his owner. Meanwhile, the wilds find Weenie, much to Elliot's dismay. They try to free him while his owners stop at a gas station.

They free him from his chains, but because of Elliot's impulsiveness and clumsiness, they accidentally leave him stuck in the RV along with Buddy. Elliot and Giselle have an argument, and eventually leave Elliot to search for Mr. Weenie himself, while Serge and Deni fly to look for him.

The owners reach the pet camp with Mr. Weenie and Buddy. The other pets meet with Weenie, and Fifi tries to revert Weenie back into his pet state, but Weenie resists. Buddy helps Weenie escape and Buddy tries to free Weenie from his shock collar. During the chase, Fifi gets shocked by the collar and gets the fur on his forehead burned, causing him to lose most of his sanity and vow revenge.

Meanwhile, Serge and Deni return and explain they found Weenie and Buddy at a pet camp, unaware that the two have already escaped. Boog and the others set up camp, and Boog fails to convince Giselle that Elliot is a good person and that they belong together. The wilds realize that they have gone to Pet Paradiso. Weenie and Buddy find Elliot in the woods and convince him to go to Pet Paradiso to save his friends.

The wilds try to sneak into Pet Paradiso by disguising themselves as pets, with Giselle as a dalmatian and McSquizzy as a chihuahua. Boog attempts to sneak in as a cat, but proves to be too large to pass off as one. He then changes his disguise to a sheepdog. After Elliot, Mr. Weenie, and Buddy meet up with Boog, Elliot also disguises himself as Boog's human owner and they sneak in. Giselle and McSquizzy walk around Pet Paradiso looking for Mr. Weenie, but their cover is blown and are captured by Fifi and the other pets and taken to their secret lair beneath the resort's waterslide. Elliot, Buddy and Mr. Weenie attempt to go inside to save Giselle and McSquizzy, but Mr. Weenie, missing being a pet again, goes to play on the waterslide, leaving the rest except Boog to be captured by Fifi, while Boog tries to catch Mr. Weenie.

Fifi tries to kill them all with a pile of shock collars. As Boog tries to stop Mr. Weenie from going down the waterslide, his cover is blown and security attempts to tranquilize him. Before Fifi shocks the wilds into submission, Elliot, having learned to trust himself more than his antlers, tries to profess his love for Giselle, only to be berated by her for leaving her at the altar and using Mr. Weenie's "kidnapping" as an excuse. As Fifi is about to kill them, Boog enters the lair via the water slide and the liquid flushes everyone out.

A battle between the wilds and pets ensues, with the Pet Paradiso security focused on tranquilizing the wilds. While Boog tricks security into tranquilizing themselves, Elliot saves Giselle, accidentally placing all the shock collars on himself. He wrestles Fifi in the pool for the shock collar remote; Fifi eventually grabs the remote and activates the collars, only to realize that Elliot has attached the collars to him. Fifi survives the electrocution but loses all his fur, humiliating him further. The pets and the wilds settle their differences and decide to become friends. Mr. Weenie, wanting to be a pet again, decides to join the pets and returns to his owners in rejoice. Returning to the woods, Elliot finally professes his true feelings for Giselle, and they get married.

---

Some of us were laughing hard. We laughed even harder after Fifi lost his fur!

When the movie was done we cheered wildly!

Me: (LAUGHS) That was so fun and cool!

Xenia: Yeah!

Camie: That was awesome!

Nico: Yeah!

Camie: So we're going after a renegade Poodle named Fifi? Is he a vampire poodle!?

Nico: No that was completely different. This is just a poodle with some issues.

Me: Yep.

I went over his history.

Fifi is the main antagonist of Sonny Pictures Animation's third full-length animated feature film Open Season 2 and a supporting character in it's sequel Open Season 3. He is the pets' former leader and boss and one of Mr. Weenie's current best friends.

He was voiced by Crispin Glover, who also played Stan Bittleman in Like Mike, Thin Man in the Charlie's Angels film series, Knave of Hearts in Alice in Wonderland, Willy Wonka in Epic Movie, Grendel in Beowulf, Montag the Magnificent in the 2007 film remake of The Wizard of Gore and George McFly in Back to the Future trilogy.

Fifi explains why he has a severe dislike for wild animals: One night at his home, his owner threw a squeaky toy behind the bushes and as he went to retrieve it, there were wild animals inside and they scared Fifi (making him drop his toy, which he had in his mouth); then he kept backing up, until his tail touched a bug lighter behind him and shocked him, which is how his tail had a little bald spot on it. He tells the other pets that the bald spot was caused by wild animals.

For a long time, Fifi has had a severe hatred of wild animals. He was playing with his pet toy on night, when he was spooked by several wild animals and eventually electrocuted by a bug zapper, leaving a bald spot on his tail. He claimed this was a wild animal attack and has hated them ever since.

Mr. Weenie didn't believe Fifi's claims due to his friendship with the wilds. Fifi told the pets that Mr. Weenie had become feral, and had to be cured. He ran away from them when Buddy the porcupine came to his rescue, leading Fifi to get electrocuted again, resulting to a bald spot on his head.

Elliot, Giselle, and McSquizzy (who all went to Pet Paradiso to save Mr. Weenie undercover) were later captured by Fifi, who planned to kill them with electric collars. However, they were rescued by Boog. Fifi and Elliot wrestled trying to get their hands on the remote control which activated the collars. Fifi finally got his hands on it, and presses the button despite warnings from the other characters, only to find the collars all over his body. This resulted to him losing all his fur. After this, the wilds and the pets became friends.

---

When it was done everyone was shocked!

Xenia: Man what a mean dog!

Camie: We're DEFINITELY sending him to the vet.

Varie: Yep.

Stone Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Blast Hornet next.

Qin: Ooh! Float like a butterfly and sting like a bee.

Xenia: Yeah!

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Orange Rangers, and they're coming here to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Orange Rangers, and they're coming here to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: What?!

Katie Manx: Leave the Universe 666 Green Rangers to me and Lincoln, guys.

Lincoln: Hold on, Katie, we're not doing this alone.

Kat Manx: He's right, Katie, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading out to rescue Boog, Elliot, and their friends and we're taking down Fifi.

Lincoln: That psycho's gonna get fixed after we take him down, and once we get through with that basket case, Universe 666 Orange Rangers, you're next.

Katie Manx: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to rescue Boog, Elliot, and their friends and we're taking down Fifi, and once we get through with that psychopathic poodle, Lincoln and Katie Manx along with the Orange Rangers are going to destroy The Universe 666 Orange Rangers.

We were off to the forest

---

We arrived at the forest.

Me: (Inhales) Ahh! Nothing like the awesome peaceful tranquility of the forest.

Nico: You said it.

Leonard: I feel right at home here!

Nico: Yep.

Fluttershy: It sure is peaceful here.

Camie: And the best part, No Shaw to ruin it.

Nico: Ain't that the truth.

Lola: I hated that guy! He almost killed the Mascots!

Horsea: Yeah no kidding!

Brawlrus: Actually, it was only Horsea.

Me: When it's one mascot it affects ALL the mascots.

Manaphy: He's right.

Brawlrus: Oh.

We saw Boog and friends!

Toiletnator: Yo, Boogster!

Boog: Hey guys! Long time no see!

Elliot: Wow! How have you all been?

Me: Great guys!

Boog: Wow! You guys look amazing! You all changed so much since the last time we saw each other.

Nico: Yeah we sure have.

Boog: Last time we saw you guys was two years ago.

Apeface: I remember that

Me: I know. Lots of stuff has happened since then.

Qin: Yeah.

Boog: Wow.

Elliot: Hey, Horsea. You doing okay?

Sebastian Mendez was laughing maliciously and malevolently and he pressed the button, we saw that Fifi had on all the collars, and when Fifi looked down, he saw the collars.

Fifi (Open Season): Oh… , oh no.

But, then, Sebastian looked down as he heard a low sound, and he found out he also had on the same collars, and Nico's harem had a smug grin on their faces and boy he was beyond pissed.

Sebastian Mendez: YOU LOWDOWN BACKSTABBING… ! I'M GONNA… !

But, before he could get after them in a fit of rage… !

ZZZZZZZZAAAAAAAAAAAAAAAAAPPPPPPPPPPPPPPP!

FIFI AND SEBASTIAN BOTH GOT ELECTROCUTED WITH OVER 900 OCTILLION BOLTS OF LIGHTNING!

Nico: You pulled the Old Switcheroo on Fifi, huh, Elliot?

Elliot: You bet I did!

Boog: Nice one.

Qin: And you girls also did the same to Sebastian, since you still don't trust him, huh?

Trudy Lawrence: What can we say, Qin, once a fucking snake always a fucking snake.

Fifi (Open Season): THAT… WAS… NOT… (Passes out) Fair. (Convulsing from the electric shock)

And Sebastian was also beyond pissed off at Nico's harem as he survived and got back up.

Sebastian Mendez: YOU… ! (DEMONIC VOICE) YOU… !

Trudy Lawrence: Yeah, yeah, you can kick our asses later, butt muncher.

Nico: Crudely done, Trudy, but either way, we took down Fifi and we're sending him off to get fixed.

Lincoln: Along with that sneaky move your harem did on Sebastian, we consider this mission accomplished. Now there's only one last thing to do and one last loose end to tie up: The Universe 666 Orange Rangers.

?: None of you will ever leave this place alive!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and orange energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and orange energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood

from anywhere, come on out now, Universe 666 Orange Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Orange Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 Orange Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Katie Manx: That he has, and for that, we're going to destroy the instruments of his revenge.

Suddenly, Katie Manx's blue eyes turned neon blue and she was surrounded by an orange energy aura with stars, orange fire, orange flames, phoenixes, and angels, she unholstered her massive golden greatsword, and as she approached The Universe 666 Orange Rangers, she left orange energy, stars, orange fire, orange flames, phoenixes, and angels with every step.

Katie Manx: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who had to be put down. Now, it's your turn, you'll pay for disgracing the legacy of the Orange Rangers.

Suddenly, Katie Manx was surrounded by a massive vortex of orange energy, stars, orange fire, and orange flames surrounding the vortex, there are phoenixes, angels, and the Orange Rangers of 47 plus years flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at The Universe 666 Orange Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Katie Manx emerged, but she was changed forever.

Katie Manx grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large orange orbs orbiting around her legs, she has the body of a goddess, she has white highlights in the bangs of her long orange hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and an orange energy aura with stars, orange fire, orange flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a orange lightning bolt with the Orange Cosmic Fury Ranger emblazoned on her forehead with orange iris, she has on Orange Ranger earrings with orange gems for eyes and holding the Star, Orange Fire, and Eternity Kanjis in their hands, she also has an Orange Ranger with orange gems for eyes and holding the Star, Orange Fire, and Eternity Kanjis in its hands for the second pendant on the bottom of her orange angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and orange gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Katie Manx has on a sleeveless orange top, orange skirt, white bridal gloves, and orange lightning bolt with the Orange Cosmic Fury Ranger on it on her right arm, green knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, orange fire, orange flames, phoenixes, and angels on the coattails, and on the back is an orange lightning bolt with all of The Orange Rangers from 47 years surrounding it and surrounded by stars and orange fire and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding an orange gem with neon glowing orange lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Katie Manx felt a sharp pain on her back, and then, her massive orange angel wings with white tips on the large orange feathers grew much bigger for her new body and she also now has eleven massive and long orange wolf tails with white tips and white markings, Katie Manx has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Katie Manx's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange energy, stars, orange fire, orange flames, phoenixes, and angels, and when it emerged, it was transformed into Katie Manx's Cosmic Eternal Orange Inferno Firestorm Orange Power Rangers Embodiment Phoenix God Angel Greatsword of Cosmic Eternal Orange Inferno Firestorm Orange Power Rangers Embodiment Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded green gems and black lightning bolt with the Orange Cosmic Fury Ranger and runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in their foreheads, longer midnight black handle, four large gold angel heads with orange gems for eyes and on the bottom of the large gold angel heads is a large gold angel head with orange gems for eyes and orange gem in its mouth for the pommel, Katie Manx has on her brand-new large gold Bracers of The Champions of The Universe with large orange gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of The Cosmic Fury Orange Ranger's head with orange gem for the visor for the belt buckle and gold versions of the other Orange Rangers' heads with orange gems for the visors around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Katie Manx's Super Angel-Orange Power Rangers Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Universe 666 Orange Rangers saw it, they went mad with rage and ran at her and kill her, but Katie Manx fired a massive barrage of orange energy, stars, orange fire, orange flames, phoenixes, and angels which hit The Universe 666 Orange Rangers and sent them crashing onto the ground, they got back up and they were now really enraged.

Kat Manx: Incredible!

Selene Arcangela: Incredible is right, Kat, Katie's transformed, and we already knew of the kind of damage she's capable of doing to villains.

Lincoln: Yep, and now, it's time we end The Universe 666 Orange Rangers and make them pay!

Katie Manx: (Divine Echoing Godly Voice of The Orange Inferno Firestorm Orange Rangers Embodiment Phoenix God Angel and Divine Cosmic Eternal Orange Inferno Firestorm Orange Rangers Embodiment Phoenix God Angel Love) That's right, those disgraces are going to pay for what they've done. Let's get them, Lincoln.

Kat Manx and the Orange Rangers also transformed and joined Lincoln and Katie Manx as well.

Katie Manx, Lincoln, and The Orange Rangers went after The Universe 666 Orange Rangers, and they fired extremely powerful blasts of rainbow energy, orange energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Universe 666 Orange Rangers, and they exploded with incredible power as they hit them.

Then, Lincoln and Katie Manx attacked them with powerful slashes from their massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Katie Manx also did the same by firing orange energy slashes from her massive greatsword, and he and Katie Manx attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 Orange Rangers badly.

Katie Manx and The Orange Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 Orange Rangers' chests, and then, Lincoln began absorbing The Universe 666 Orange Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Orange Rangers, and he banished them to The Black Gates. We cheered wildly for what Katie Manx and Lincoln did as they holstered their massive greatswords on their backs and powered down and Katie Manx's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large orange orbs orbiting around her legs, and massive orange angel wings are permanent.

Katie Manx: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 Orange Rangers forever, Lincoln, you too, Tommy.

Lincoln: (Smiles Warmly) You're welcome, Katie.

Suddenly, Katie Manx wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Katie Manx's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the Orange Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and green flames raging behind them and we cheered wildly. Then, Lincoln and Katie Manx sucked in and absorbed the elemental forces and green flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Orange Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Orange Rangers, will they? Not on our watch!

Me: You said it. So, Lincoln, who's the next Daydream Princess we're meeting tomorrow on your rescue?

Lincoln: I've got just the one: Lunaria Luna, Daydream Equestrian Moon Princess of Darkness.

Selene Arcangela: Awesome, and you guys are going to love meeting her, Lunaria Luna is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Princess Luna combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Lunaria Luna and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Solana Celestia trained Lincoln a lot with using the powers of Darkness and The Night and The Equestrian Moon, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Flip with a blazing passion because of everything he's done and he has a heart as black as the night, and Lunaria Luna has put him in his place more than once: which means throwing him in jail like the criminal he is.

Me: Whoa!

Princess Luna: I remember her all too well, she is indeed just like me in every way.

Lincoln: That she is, Princess Luna.

Titanium Titan: Another of Boog and Elliot's enemies dealt with.

2016 Morbucks: And this time, Horsea wasn't frightened.

Carly Atlas: No, she wasn't.

Me: Thank goodness.

Shiv: Where should we celebrate?

Dr. Light: How about that restaurant where Poliwag and Fifi had part of their fight in?

Me: Uhhh no thanks.

Nico: Yeah you're right. But great job today everyone.

Fluttershy: (To the viewers) Bad dogs better watch out.

Me: Yep.

We went to Lynn's Table to celebrate and later went back home and enjoyed the rest of the day and went to sleep

Me: I hope Harold isn't causing trouble to Arnold and friends.

Qin: Yeah that kid just can't seem to grow up.

Lola: I know! What a clod!

Xenia: I know! But it'll be fun to see how the school is doing.

Nico: Yep.

Gentoku: I'm looking forward to this one.

Varie: Same here.

Nico: Gentoku, I want to thank you, DJ Stylbator, and your teams for coming.

Gentoku: No problem Nico. I even got on an awesome shirt for this.

His shirt said Rescue Turn for Me and my Team.

Me: Awesome shirt Gentoku.

Gentoku: Thanks.

Lincoln was carrying Fluttershy on his back. The reason? Fluttershy was up all night trying to get her animal friends to fall asleep. Fluttershy was really tired.

Fluttershy: (Yawns) It'll be a fun one.

Lincoln: It sure will Flutters. I'll keep you cozy with me till we head home. Then you can take a nap.

Fluttershy: Oh thank you Linky.

Me: Aww Lincoln you are so good to Fluttershy.

Sirius Space: He sure is.

Nico: Boy Fluttershy is really exhausted. She really wore herself out.

Camie: Yeah.

Lincoln: I know.

Nico: Sirius, what do you like to do in your free time?

Sirius Space: I am an astronomer and I like looking at the stars and all of space. It's part of who I am.

Nico: That's cool.

Sirius Space: It sure is. And I love looking out at the stars.

Nico: So awesome.

Me: Yep.

Sirius Space: It's so fun looking out at the sky and the stars and planets. I love it.

Nico: Is Shanan included?

Sirius Space: Yep and so is Nicole.

Nicole: It's a great job for Sirius.

Shanan: And we're really proud of her too.

Sirius Space: Thanks guys. It's fun.

Xenia: It sure is.

Me: Oh Fluttershy we're sorry you had to stay up all night trying to get your friends to go to sleep.

Fluttershy: (Yawns) Yeah but it'll be okay.

Me: Good. What happened?

Fluttershy: A meteor crashed in front of the cottage and it woke them up.

Nico: Uh oh. No one got hurt did they?

Fluttershy: No thank goodness. It was so rough getting them to go back to sleep.

Me: Oh man. Well just hang on till this is done okay?

Fluttershy: I will.

Nico: Good. But yesterday was really awesome. It was great to see Boog and friends again.

Laney: It sure was. Almost 2 years.

Nico: Fifi was a bad dog!

Me: Shhh!

Nico: Oh sorry. Fifi was a bad dog.

Me: He sure was.

Lola: I hope they give him a really harsh lobotomizing.

Nico: Me too.

Lana: What he was doing to Boog and friends was awful.

Camie: It was.

Nico: He even picked a fight with Poliwag.

Me: Yeah an epic Chicken Fight one.

Lola: That was brutal.

Nico: No kidding. Poliwag did really amazingly well against Fifi.

Camie: He sure did.

Tsuyu: That was so amazing to see that in action.

Sirius Space: Like how Poromon and Murkrow's fights should have gone.

Nico: Yeah.

Maria: Why couldn't we have eaten at that restaurant part of their fight took place in?

Me: Because they tore the place apart and I didn't want to go there.

Nico: Fair point.

Maria: Yeah. You're right. But nonetheless it was great to see Boog and friends again.

Lola: Yeah.

Me: Here Lincoln.

I gave Fluttershy earmuffs for her to have peace and quiet.

Lincoln: Thanks J.D.

Me: No problem.

Fluttershy was snoring.

We then saw Harold holding onto the wall with his back to us.

Nico: What are you up to now, Harold?

But when he turned around, we saw he looked beat up!

WE GASPED!

Me: Oh man! What happened!?

Harold: Curly did this!

Me: Curly! Not again.

Lincoln: Okay, guys, we got ourselves a huge emergency that no one is going to like in the slightest: we got word from Arnold and the others that his friend, Curly, has gone crazy and he's hurting some of his friends.

WE GASPED!

Me: What the?!

Nico: That's not good!

Suddenly, the rest of the team arrived.

Elly Chromington: Sorry for the sudden arrival, Nico, but we had to come as soon as possible.

Natasha Hernandez: But, it's good that you did, we're gonna need a lot of help to cool down Curly.

Qin: That kid has a lot of problems.

Flora heard a Pokemon cry.

Flora: Look here guys.

We saw a Mega Meganium.

Me: Ooh a Mega Meganium

Nico: That's a beautiful one.

Qin: Yep. Oh and she hurt herself.

Mega Meganium: Because of that kid that was insane.

Me: Curly. He really went off the deep end.

We got to healing her.

Nico: You okay now?

Mega Meganium: Thanks to you guys.

Flora: Want to come with us?

Mega Meganium: Sure.

Nico: Awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical

strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Curly) AHA! Gotcha! I just spotted Curly, he's 20 yards away and he's been busy hurting the rest of their friends.

Falchion Falcon: Let's get him!

Lincoln: We'll also be finding out what caused Curly to go crazy. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began

sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Curly.

Me: Okay you lunatic kid, it's time for you to learn some manners

Nico: If we can find him.

We went into the school.

We were walking around the school, and then, we saw a lot of Arnold's friends hurt by Curly and then.

Me: Geez! Curly really did a number on them.

We saw Eugene REALLY mangled up.

Lola: Eugene is a mess.

Eugene: (Dazed) I'm okay.

FWOMP!

He fainted.

Me: I'm going to rip your face off Curly.

We continued on and we saw Curly throwing dodgeballs at the kids while barricaded inside the principal's office and he was laughing insanely.

Lincoln: There's Curly, and there's Arnold and the rest of his friends!

Me: Oh man, we got to stop him!

We ran up to Arnold and the rest of his friends, and before Curly could throw another dodgeball at them, Lincoln formed a diamond barrier that bounced the ball off, then, he summoned a shadow hand inside the office and it grabbed Curly and pulled him into the portal and forced him outside.

Curly: NO! NO!

Lincoln: Curly, you've got a lot of explaining to do, mister!

Curly: SUFFER!

Curly threw a dodgeball at Lincoln, but he caught it in his hands!

Me, Girl Jordan, Mollie, and Sophia Preston: UH OH!

Lincoln: You know what, I think you need a proper lesson, mister.

Falchion Falcon: You better be ready, crazy!

Me: (Cracks knuckles) We're going to rearrange your face and it's going to be slow and excruciatingly painful.

Mega Meganium charged at him and slapped him into a wall.

Nico: Nice one!

Curly: I WILL MAKE SURE YOU ALL NEVER LEAVE HERE ALIVE! (LAUGHS INSANELY)

Me: You're insane!

Qin: REALLY INSANE!

Lola: You should be in a nuthouse!

Me: Aw are you gonna cry? Your dodgeball skills bite squirrel tails. No wonder Rhonda hates your fucking guts.

Curly: I WILL KILL YOU ALL!

UH OH! STRUCK A HUGE NERVE!

He went at me and I put a finger on his forehead and blocked him as he roared in powerful fury.

I just yawned at him.

Roxy got out the Sword of Earth's Nature.

Roxy: You need to stink up. NATURE STYLE: MOON RAT STINK CLOUD!

She swung the sword and fired waves of energy and it hit hiim and he smelled worse than rotten onions!

He fired a wave of energy and blasted Curly all over.

Eddy: [in a spooky voice from behind a row of candles] "Curly Gammelthorpe! Let me poke your brain!" [He laughs evilly]

CURLY SCREAMED!

Ghost Rider got out the Sword of Eternal Penance

Ghost Rider: Look into my eyes! Your soul is stained by the blood of the innocent. Now, feel pain.

CURLY SCREAMED AS HE SAW THE CRIMES HE DID HAUNT HIM AND TURN AGAINST HIM!

Ghost Rider: HELL STYLE: JUDGEMENT OF 1,000 EVILS!

He fired waves of fire and blasted him all over the place.

Lola: YEAH!

Nico: WHOA! Nice one!

Lewa got out the Sword of the Winds of Mata Nui.

Lewa: This will blow you around. WIND STYLE: MATA NUI HURRICANE!

He fired a wave of wind and blew him around and then Curly ran and threw up in EUGENE'S MOUTH!

Me: OH SICK!

Xenia: Yuck!

Curly: I WILL KILL YOU ALL!

He went at Nico and then he punched him SQUARE IN THE BALLS!

KRASMASH!

NICO SQUEALED LIKE A LITTLE GIRL!

WE WINCED!

Me: OOH!

Fabia got out the Sword of the Haos Light of Neathia

Fabia: NO ONE DOES THAT TO NICO! LIGHT OF HAOS STYLE: TIGRERRA SLASH STORM!

She swung the sword and slashed him all over with blades of light.

Nico: (SQUEAKY VOICE) I'M GOING TO RIP THAT KIDS EYEBALLS OUT!

The blasts hit him and smashed him all over.

Nuju got out the Sword of the Ice of Metru Nui.

Nuju: You need to chill out! ICE STYLE: SNOWFLAKE CRYSTAL STORM!

Nuju fired waves of snowflakes and blasted Curly all over.

Lexx got out the Sword of Mars' Fiery Beauty.

Lexx: You need to be taught a huge lesson! FIRE STYLE: FIRE BEAUTY BLAST!

Lexx fired waves of fire and blasted him all over.

Haiku got out the Hummingbird Sword of Aslla Piscu's Orange Flames

Haiku: You should have gone to a nuthouse instead of school! ORANGE FLAME STYLE: HUMMINGBIRD FURY BURN!

She fired waves of fire and it turned into fire hummingbirds and smashed him all over.

Lane got out the Sword of Eris' Chaotic Power.

Lane: You are a TERRIBLE NERD! CHAOS LIGHT STYLE: LIGHT OF CHAOS SMASH!

He fired waves of Light and blasted him all over!

Kairi got out the Destiny's Key of Light

Kairi: Your heart only knows darkness. LIGHT KEY STYLE: LIGHT KEY BLAST!

She fired a wave of light and blasted Curly all over.

POW!

May Punched Curly

May: That was for Framing Eugene to get him expelled for pulling the Fire Alarm!

Xenia: YOU HEARTLESS JERK! All because of a stupid pencil he used!

Curly: IT WAS NOT JUST A PENCIL! IT WAS AN AWESOME WANKYLAND PENCIL!

Eddy: Whatever!

WHAM!

Eddy bashed him on his head.

Nico kicked him on his face.

Lola bit Curly on his leg!

CRUNCH!

Poromon bit his penis.

CRUNCH!

CURLY SCREAMED IN PAIN!

WE WINCED!

Nico: OUCH!

Homer: WHY YOU LITTLE! (STRANGLES CURLY) I'LL TEACH YOU TO BEAT YOUR FRIENDS UP! (GRUNTING)

Curly: (CHOKING)

Poromon: Not very tasty! But neither will this be! (ECHOING) LIGHTNING JAVELIN!

He fired a wave of lightning and it hit Curly and electrocuted him all over!

ZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPP

Nico: YIKES! Hope that provided some form of electroshock therapy!

Eddy: (LAUGHS) GO LUMPY GO!

Ed headbutted him!

KRASMASH!

He smashed him into the floor!

Curly then got out of the floor!

Curly: (GROWLS) I HATE YOU ALL! I HATE YOU TOO SARAH THE MONKEY FACE!

Sarah: [enraged] "WHAT'D YOU CALL ME?!" [Sarah runs out and slams a toilet down on Curly, knocking him through the floor. Curly comes back and throws a punch at Sarah.]

She ducks under it!

Sarah: "Nice try!" [She brings a car down on Curly.]

KRASMASH!

Jimmy: Knock his butt into next week Sarah!

Eddy: It's the match of the century Ed! Mammoth Mouth VS Insane Brain!

Ed: Not for me Eddy! Without the bun a sausage has no home!

Curly was REALLY MANGLED UP!

Curly: WHEN I'M DONE, I'M RIPPING OUT THE TEETH OF YOUR LITTLE FRIEND!

THAT DID IT!

Sarah's face turns red and her hair turns into fire, and steam starts to come out of her ears.

Jimmy: Sarah? Are you all right?

[Sarah explodes. She charges at Curly in a fury, looking for all the world like a mad dog. Curly is helpless against the berserk Sarah; a thug through happenstance, he has no idea how to defend himself against the onslaught. Sarah finishes up 20 minutes later. The dust clears, Her face turns to normal, and she looks around. Curly lies on the ground in pain, bruised all over and bones sticking out of his body and all his teeth knocked out with a bite mark on his tongue and looking like he lost a fight with a crazed superhero]

HOLY SHIT! WHAT A BEATDOWN!

Sarah: NO ONE! THREATENS JIMMY!

Nico: YOU TELL HIM SARAH!

But Curly wasn't finished yet.

Me: Wow. Amazing he still has fight left in him

Nico: Yeah!

Me: Curly I'm going to smash your skull into dust!

Curly growled ferociously!

Eddy: LIKE THIS! [He picks Ed up and uses him to batter Curly's head.]

Ed: [each time he hits him] (SMASH!) "Who's there? (KASMASH) Who's there? (KRASMASH) Who is there?"

Eddy: "Hey Jughead! Over here!"

[Eddy pulls his pants down and moons Curly, who turns green from nausea.]

Ed: "Whoa! I am turning into a werewolf, Eddy!"

Edd: GOOD LORD EDDY! MAKE YOURSELF DECENT MAN!

WE LAUGHED HYSTERICALLY!

Iron Boy fired a missile!

It hit Curly and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

He was burned all over!

Qin: (LAUGHS) FUNNY!

Iron Boy punched him in the nose!

POW! DINGDONG! WHAM!

Me: I got an idea!

I pulled out my Wonder Ride Book.

Me: (Reads Verse) "The Insane kid's luck was about to take a turn for the worse when a phonograph record flew in and smacked him in the head."

A record then flew in from out of nowhere and smashed Curly in his head!

KRASMASH!

Nico: OOH OUCH!

Me: (Reads another verse) "Then as he was on the floor, a spring launched him into the ceiling and he fell and got entangled in it."

BOING! SMACK! SMASH!

Curly falls back down onto the spring, wrapping himself in it.

Nico: NICE!

Me: (Reads Another Verse) "Then an ice cream cart went out of control and ran in and up the wall and then smashed onto him."

A bicycle ice-cream-cart bursts through his door and rebounds off the wall and ceiling, landing on Culry. Ed takes a phone

Ed: Curly's in pain now. He'll have to call you back.

Me: (Reads Another verse) "Just when he thought that it couldn't get any worse, a skunk appeared and sprayed him."

A skunk tail protrudes from a the wall beside him. Curly gets blasted!

SPRAY!

LIGHTHOUSE FOGHORN!

Nico: OH GOOD GOD!

Ed: WHO STEPPED ON A DUCK!?

Me: (Reads Another Verse) "Then a street light fell from its moorings and crashed onto the insane nutcase!"

KRASMASH!

A lightpole fell and crashed onto Curly.

Me: (Reads Another Verse) "Then a concrete drainpipe rolled onto the insane fool."

A concrete drainpipe rolled and crushed him.

Me: (Reads Another Verse) "And then a 16-Wheeled Semi Truck came and ran him over and turned him into roadkill!"

HONK HONK!

Curly saw it and then..

KRASMASH!

Me: (Reads Another verse) "If that weren't bad enough for the poor chump, a tree falls on him!

A tree falls onto Curly!

KRASMASH!

Ed: "Good morning, tree."

Me: (Continues) "… Followed by a sandbox with sand and a shovel and pail."

[Suddenly, a bucket and shovel fall into his hands. He looks up just in time to see a sandbox fall onto him. The sand follows shortly thereafter.]

Me: (Continues) "Then he is trampled by a stampede of hippopotamuses!"

[A rumbling is heard.]

Curly: "HIPPOS!" [He is trampled by the rampaging herd.]

He was a mess!

Me: (Continues) "Then he is struck by a freak lightning strike!"

THUNDERCLAP!

[Curly is struck by lightning.]

Me: (Continues) "Then a house falls onto him!"

KRASMASH!

A house appeared and smashed onto Curly!

Nico: Serves you right!

Me: YEAH

Meg: NOw you know how I felt!

Nico: YEAH!

HE ROARED AND WENT AT ME AND I WENT AT HIM AND PUNCHED HIM HARD IN HIS FACE!

I went at him and kicked him in the crotch and dealt an uppercut to him and kicked him in the nose.

Poliwag slapped him with his tail.

SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP!

He smacked him all over the place!

Me: Sniff on this!

I shoved his face into my butt and then activated Stinky Butt's Ridewatch and then…

LOUD MASSIVE SUPER FART!

I FARTED IN HIS FACE AT POINT BLANK RANGE!

Nelson: HA HA!

Nico: YEAH!

Me: Didn't like that stench did you!

Qin: Nice!

Lola threw fire and blasted him all over and the fire ignited the farts and burned him!

Me: Nice! Now this one! Nico you're gonna to probably thing I'm weird after this one.

I activated the Flibbius Flabbius plant ridewatch and held open Curly's mouth and then…

PROJECTILE VOMITS!

I threw up Flibber Flabber into his mouth and IT WAS REALLY NASTY STUFF!

Nico: OH THAT IS DISGUSTING!

Chowder: I recognize that!

Lily: YUCK!

I came back and I had a REALLY NASTY TASTE IN MY MOUTH!

Me: BLECH! That is gross! I didn't know Flibber Flabber was that disgusting!

Mung: Well it's straight nasty stuff. There's no way to make it taste better!

Me: YUCK! BLECH! IT TASTES REALLY AWFUL!

Schnitzel: Radda Radda! (It is awful)

Me: BLECH! Tell me about it Schnitzel! Chowder I don't know how you like that stuff but man it tastes REALLY AWFUL! Ms. Rita do you have any mouthwash?

Rita: Sure.

She gave me some.

Me: Thanks.

I gargled some and went to the bathroom and spat in the sink.

Me: Ahh. That's better.

I came back.

We continued blasted and smashing Curly.

Schnitzel: RADDA RADDA! (TAKE THIS YOU FREAK)

He grew Super-Saiyan-esque hair and bashed Curly all over with Salami sticks and smashed Curly into dust!

Qin: YEAH!

Me: Wow! Salami Fu!

Xenia: Nice!

Mung: GO SCHNITZEL!

Schnitzel: RADDA RADDA! RADDA RADDA! (TAKE THAT AND THAT! AND THAT AND THAT!)

Lola: YEAH!

Kole: Boy maybe Salami Swami can teach me all about that!

Nico: Maybe he can.

Kole: Yeah!

Schnitzel really was bashing him all over.

Chowder: Boy look at Schnitzel go! I remember seeing him do all this against that jerk Peking Duck.

Camie: Wow!

Nico: I didn't know that.

Chowder: Yeah it was awesome.

Nico: Cool.

Schnitzel came back.

Me: Awesome job Schnitzel!

Schnitzel: Radda Radda Ra. (Aw it was nothing.)

Suddenly, Falchion Falcon's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, winds, falcons, phoenixes, and angels, and as she approached Curly, she left pink energy, stars, winds, falcons, phoenixes, and angels with every step.

Falchion Falcon: Curly, you've really crossed it this time! You've got some nerve attacking Arnold and the rest of his friends like that, looks like you've left us no choice but to teach you a lesson you'll never forget.

Suddenly, Falchion Falcon was surrounded by a massive vortex of pink energy with stars and winds surrounding the vortex, there are falcons, phoenixes, and angels flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Curly: the red eyes of justice.

Me: WHOA!

Nico: Oh, this is gonna end badly!

Lincoln: Curly's going to get knocked all over the place, and hopefully, we'll find out what had caused him to go bonkers like that.

Then, as the vortex faded, Falchion Falcon emerged, but she was changed forever.

Falchion Falcon grew to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve pink planets orbiting around her legs, she has the body of a goddess, she has brown highlights in the bangs of her long light pink hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon pink eyes and a pink energy aura with stars, winds, falcons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a falcon along with her tiara emblazoned on her forehead and Third Eye with pink iris, she has on falcon earrings with pink gems for eyes and holding the Star, Wink, and Eternity Kanjis in its talons, she also has a falcon with pink gems for eyes and holding the Star, Wind, and Eternity Kanjis in its flippers for the second pendant on the bottom of her pink falcon-shaped Element of Harmony, along with the gold Phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold flame links, and she also has on her white and gold accented Elemental Phoenix Choker Necklace of Eternal

Love. Falchion Falcon has on a pink sleeveless top, pink sleeveless vest, long pink ankle-length skirt with the Falcon Dopant symbol on it, pink pants, no shoes, and long sleeveless white trenchcoat with stars, winds, falcons, phoenixes, and angels on the coattails, and on the back is the Falcon Dopant symbol surrounded by stars and winds and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding blue gem with neon glowing blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Falchion Falcon felt a sharp pain on her back, and then, her massive brown falcon angel wings with pink tips on the large brown feathers grew much bigger for her new body and she also now has eleven massive and long pink wolf tails with brown tips and brown markings, Falchion Falcon has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

We were really amazed by Falchion Falcon's Super Angel-Falcon Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Curly saw it, he went crazy again and threw more dodgeballs at her, but Falchion Falcon fired a massive barrage of pink energy, stars, winds, falcons, phoenixes, and angels which blew the dodgeballs away and hit Curly and sent him flying outside the school and we followed. He got back up, but now, he was really pissed.

Falchion Falcon: (Divine Echoing Godly Voice of The Hurricane Wind Sword Storm Falcon Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Hurricane Wind Sword Storm Falcon Dopant Embodiment Phoenix God Angel Love) You better start praying for mercy, Curly, because what you did to Arnold and the rest of his friends, you're about to get a severe thrashing.

?: (Female Voice) But, this will end with Curly taken down and cured.

Suddenly, we saw Raviel, Lord of Phantasms appear.

Nico: Hannah, did you…?!

Suddenly, we saw Raviel revert back, and what stood in its place was a very beautiful and super sexy girl with long dark blue hair and dark blue headband, dark blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a dark blue sleeveless crop top, necklace with red gem for the pendant, dark blue bridal gloves, dark blue skirt, dark blue stockings, dark blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, shadows, darkness, fiends, phoenixes, and angels on the coattails and on the back is Raviel, Lord of Phantasms, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln: (GASPS) Rachel Raziel Hernandez, Avatar of Raviel, Lord of Phantasms and Raziel, Angel of Mysteries and Secrets.

Michelle Hernandez: Sis?!

Marie Hernandez: Cousin?!

Fiona Hernandez, Nicole Hernandez, Natasha Hernandez, and Ariane Hernandez: Cousin Rachel?!

Rachel Hernandez: That's right, and sorry about the intrusion, Lincoln. But, I was hoping I can also join in as well.

Nico: The more the merrier.

Lincoln, Falchion Falcon, Rachel Raziel Hernandez, and I went after Curly, and we fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Curly, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Falchion Falcon, Rachel Raziel Hernandez, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Curly even more insane and crazy.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Rachel Raziel Hernandez, Falchion Falcon, and I fired powerful blasts of energy, darkness, wind, and planets at Curly, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Lincoln fired a beam of light which hit Curly and caused a blob of darkness to be removed from him, and we saw the faces of Rita Repulsa and Lord Zedd: proving that those two are the guilty culprits behind it and the blob of darkness was destroyed. Everyone cheered wildly as we holstered our weapons and powered down, and Falchion Falcon's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long pink wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large pink planets orbiting around her legs, and massive brown falcon angel wings are permanent.

Falchion Falcon: Now, that was so awesome!

Me: And we found out that Rita Repulsa and Lord Zedd were the ones behind Curly going mad.

Suddenly, I got jumped on by Falchion Falcon, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

Nico: That was one awesome battle.

Lincoln: Yep. Plus, we now know Rita Repulsa and Lord Zedd had a hand in this, and I've also found out that during Laney's Ambassador missions, the Blackwing Eatos 12 virus was also the doing of Rita Repulsa and Lord Zedd.

NOW, I WAS MEGA PISSED!

Me: Those… goddamn… !

Nico: Okay, now those pissants have really pissed us off!

Eli: Big time. So, Lincoln, are you going to introduce us?

Lincoln: I was just about to do so.

Michelle Hernandez: Actually, leave this to me, Lincoln. Everyone, this is Rachel Raziel Hernandez, Avatar of Raviel, Lord of Phantasms and Raziel, Angel of Mysteries and Secrets, she's Lincoln's Guardian Angel and friend from church. She's the younger sister of Michelle Hernandez, Gene-Slammer of Red-Eyes Zombie Dragon, and cousin of Nicole Hernandez, Gene-Slammer of Raviel, Lord of Phantasms. She's a very powerful force of darkness and was born with the powers of darkness, dark fire, dark magic, black magic, and Satanic Magic, along with a gift of using dark magic spells and dark curses, and she's also the Avatar of Raviel, Lord of Phantasms and Raziel, Angel of Mysteries and Secrets, and she's also a master of a very powerful curse known as The Phantasms of Eternal Damnation, that kind of curse is meant for the most blackest of souls, and once it reaches their heart, that person will have their soul devoured by Raviel, Lord of Phantasms and their body will be sent to the depths of Hell for eternity.

WE GASPED!

Me: Whoa, she's a powerful force of darkness alright, awesome.

Nico: (GASPS) Oh man, I remember your sister all too well!

Natasha Hernandez: We remembered her all too well, Nico, Rachel's really powerful and a very deadly force of darkness and fiends even more than Nicole.

Michelle Hernandez: Yep, and she met Lincoln when he fell into that deep depression even after the Policeangel Sisters stopped that insidious plot Lori, Lynn, Lola, Lisa, and Luan made to turn all of Royal Woods against him, and he began questioning whether or not he's even meant to be alive. It was a deep wound to the heart that Rachel couldn't ignore, she took Lincoln to church and she began helping him spiritually and mentally, and he began to get better spiritually and mentally. Lincoln made Rachel a beautiful necklace, and to show thanks, she kissed him on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem, and Rachel hates Lola with a searing blazing passion, the reason why is because one day when Lincoln and Rachel were at church, that rampaging pageant demon threw a bomb inside the church to kill Lincoln, Rachel, and everyone in there, but Lincoln and Rachel got everyone out safely, and they also disabled the bomb. Then, they saw Lynn trying to escape and Hannah charged at Lola and viciously pulverized her and Lincoln tied her up after he electrocuted her and knocked her out. Lola got grounded for eight months, and Rachel also swore if Lola tried that again, she would be made the next victim of The Phantasms of

Eternal Damnation.

We gasped.

Nico: Lola, of all the reprehensible things you've ever done in the past, this is one of the most disgusting things ever!

Lincoln: We were really angry with what that animal did, and she got sent to Aunt Ruth's for eight months along with getting grounded, and it's so good to see you again, Rachel.

Rachel Raziel Hernandez: You too, Lincoln, and wow, you've really grown into an amazing and awesome young man in the last seven years!

Lincoln went up to and hugged Rachel Raziel Hernandez in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Rachel Raziel Hernandez with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck. Rachel Raziel Hernandez knew what this was as Lincoln leaned down to her face and kissed her on the lips and she returned it as we cheered wildly for them.

Pan: So, this means, tomorrow, we're gonna be meeting…

Elise Dragonball: The Avatar of Armityle the Chaos Phantasm, and there's only one person who'd be the Gene-Slammer for him, Pan: Maria Hernandez.

Just then, Pan and Elise saw Harold about to taunt and make fun of Lincoln and Rachel.

Pan and Elise Dragonball: Seriously?! Grow up, Harold!

Pan and Elise Dragonball fired energy balls that hit Harold and sent him flying into trashcans and he also had trash on him.

Luna: Ooh, nice shot!

Nico: Lincoln sure is one lucky guy to have Pan and Elise both as his future wives.

Harold came to us.

Harold groaned.

Nico: Harold you should probably go to the Nurse's office.

Harold: Yeah good idea.

Varie: Curly sure did a number on all of you.

Applejack: Yeah that kid has more problems than a rabid buffalo.

Nico: Yeah. But now we know that it was because of Rita and Lord Zedd that it made him go nuts.

Me: Yep.

We went over to Curly.

Me: Well Curly I hope you learned a massive lesson out of all this.

Curly: I did. But I'm sorry. Okay boys take me away. I don't deserve to be here.

Curly was put in a straitjacket and then loaded in a paddy wagon.

Nico: Nice job, Mega Meganium!

Mega Meganium: Thanks Nico. It was fun.

Me: It sure was. I feel bad for Curly though.

Laney: Yeah he really has a lot of mental problems.

Poromon got out beer.

Mega Meganium: Poromon I don't drink beer sorry, I drink honey.

Me: That we can do.

BEEHIVE MAGISWORD!

I gave her some honey.

Mega Meganium: (SLURPS) Yummy.

Poromon: Honey is good.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Horsea: Good job yesterday, Poliwag.

Poliwag: Thanks. It was cool.

Xenia: Yep.

Fluttershy was really sleeping.

Fluttershy: (Snoring)

Nico: Look at Fluttershy asleep.

Me: She is really tired.

Lincoln is staying with her.

Twilight Sparkle: Good for Linky to look after Fluttershy.

Nico: Poliwag that was an intense Chicken Fight you got into yesterday.

Poliwag: Not nearly as intense as the ones from Peter and Ernie. But it sure was.

Xenia: Yeah it sure was.

Nico: What was the name of the restaurant you fought in?

Poliwag: The Frogger Cooker. It cooks frogs into meats.

Lana gasped!

Me: Uh oh. Lana doesn't like the sound of that.

Nico: Nope.

Maria: Then you two fought on an airplane.

Poliwag: Yep. We told everyone to leave the airplane.

Me: Good you did.

Xenia: Yeah.

Nico: Then you two fought in a beehive.

Poliwag: I know.

Xenia: that was crazy.

Nico: Yep.

Me: And then it ended with that rockslide.

Nico: Are you proud of yourself, Poliwag?

Poliwag: Yeah I am.

Nico: Awesome. My chicken fights could have been…

BLANG!

May bashed Nico on the head with an Iron Frying Pan.

Poliwag: I regret nothing!

Xenia: Funny.

Nico: Horsea and Manaphy should have those too.

KRABLAM!

Maria and May bashed Nico on his head with a huge fish club!

May and Maria: ABSOLUTELY NOT!

Manaphy: Why not, Mama?

May: Just don't want you to get into that. It's too dangerous.

Manaphy: Oh.

Horsea: I think we get it.

Nico got up.

Nico: OUCH! THAT HURT!

May: IT'S WHAT YOU GET FOR GIVING THEM IDEAS YOU NITWIT!

Nico: Sorry. I'm just saying those should happen more often.

Me: Alright guys knock it off. Fluttershy is trying to sleep.

May: Oh sorry.

Nico: Yeah.

Me: Besides we got other things to do. Like the Anothers for instance.

Nico: Which are?

Eli: (Concentrates) DJ Stylbator, Terraxia the Terrible, Baby Videl, Chili Con Carnage, Kai and HurricaneDark, Malachite, Bad End Pretty Cure, Roller Ghoster, Jasper, Pitcher Plant Monster and Pintar.

Me: Wow! So Gentoku, Sirius Space, Sailor Tamaran, Rhonda Chilliton, and Celestia & Luna Equestria and Sunny and Friends.

Me: Lana Lobster!

Lana Lobster: Yep. Awesome to see you again J.D.

Xenia: Yep.

Me: By the way is the Another DJ Stylbator friendly or hostile?

Lana Lobster: Friendly and she is funny.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Nico: And now, we wait.

Me: We don't have to wait long!

We saw ANOTHER DJ STYLBATOR!

Me: Whoa! Another DR Stylbator!

Nico: Whoa!

Another DJ: (In a girls voice) This is a crazy look for me.

Me: (GASP) That voice!

She reverted back and was a girl with pink hair and green eyes and had a pink shirt and green shorts and she had pink angel wings and had a tiara with the Starfish Dopant on it and the same symbol on her shorts and had a star sword in her hands.

Me: Patti Starfish!

They hugged.

Nico: So Winona is one of your friends?

Patti Starfish: Yep. And also I'm not as stupid as Patrick. No offense.

Patrick: None taken. But that is cool! A land version of me.

Sirius Space: (GEts out Terraxia the Terrible's Ridewatch) I AM INEVITABLE!

They used the powers of DJ Stylbator, Terraxia the Terrible, Baby Videl, Chili Con Carnage, Kai and HurricaneDark and blasted the Another!

Then Ozzy Ostrich, Endive, Real American, Blackjack, Lobster Dopant and Porcupine Nezilar came.

Nico: Wow! Nice team Ozzy.

Ozzy Ostrich: Thanks Nico.

Mung: (Angry) EN-DIVE!

Endive: MUNG!

Me: Told you they hate each other.

Nico: Oh boy.

But then honey blasts hit the Another and smashed it down and I went and got the ridewatch which was covered in honey.

Me: Hmm.

Me: Mmm! Good honey.

I purified it.

Me: Nice job Bumble Blast.

Bumble Blast: That wasn't me!

Me: WHOA! Blast Hornet.

Nico: Wow!

Nico: WHOA! Honia Hornet!

She reverted back and to our shock and amazement we saw that she was a bee-taur! She had black hair and yellow eyes and had yellow butterfly wings on her back and her legs were those of the body of a bumblebee! Her hair was long enough to cover her unmentionables and in the middle of her forehead was the symbol of a honey pot with a bee in front of it.

Me: Whoa! We never saw a Bee-Taur before!

May: Bad news: You're still naked. Good news: I didn't get hit!

Qin: Yeah.

Camie: But that is cool that you are a Bee-taur!

Honia Hornet: I know. But May you do not want to get hit by my honey. It's as strong as glue.

Me: But it tastes good.

Honia Hornet: It sure does.

Maria: I've got some clothes for you.

Honia Hornet: Thanks.

They went and gave her yellow and black clothes.

Honia Hornet: Wow! Cool! And the shoes for my bee legs make me look cool.

She had 3 pairs of sneaker shoes on her 6 bee legs.

Me: They sure do.

Maria: We couldn't find any clothes that fit your bee half.

Honia Hornet: No worries. I usually don't wear clothes there anyways.

Nico: Okay.

Sirius Space: Do you have any favorite memories of Nico?

Honia Hornet: When I took Nico to my family's hive and showed him how to make honey.

Nico: It's where I learned how to make honey.

Me: Cool!

Nico: Yep.

Nico and Honia hugged.

Nico: I've missed you.

Honia Hornet: Same here.

We later went back home and had Fluttershy put in her bed to rest.

York, and not only is Lincoln going to rescue the five girls here, but we got bad news.

Another old enemy of Lincoln's is running loose, a human and drug trafficker named Ricky Hernandez, and he's causing trouble with another operation he has, according to reports: he's the head of a sex ring and he and his musclebound thugs have been kidnapping girls and forcing them into being prostitutes and selling them for money, and even worse news: he's the former older brother of Michelle Hernandez, Monica Hernandez, Hannah Hernandez, Rachel Hernandez, and Maria Hernandez, Avatar of Armityle the Chaos Phantasm, and the former cousin of Fiona Hernandez, Marie Hernandez, Nicole Hernandez, Natasha Hernandez, and Ariane Hernandez, but they absolutely despise each other and after Ricky got sent to prison, he was disowned and his ties with his family were severed. So, it's gonna be ONE SUPER NASTY BRUTISH AND HORRIFIC FIGHT THAT'LL END RICKY HERNANDEZ' OPERATION!

Lincoln: Whoa, we're here in the north of Gotham Royal York, and I know what we're gonna do here, not only am I going to rescue the five girls here, but we got bad news. Michelle, Monica, Hannah, Rachel, your crime lord thug of an ex-older brother's running loose again!

Michelle Hernandez, Monica Hernandez, Hannah Hernandez, and Rachel Hernandez: (GASPS) WHAT, RICKY'S BACK AND RUNNING LOOSE AGAIN?!

But, they weren't the only ones: Fiona Hernandez, Marie Hernandez, Nicole Hernandez, Natasha Hernandez, and Ariane Hernandez were also pissed off as well.

Fiona Hernandez, Marie Hernandez, Nicole Hernandez, Natasha Hernandez, and Ariane Hernandez: THAT ASSHOLE'S BACK AND RUNNING LOOSE?! WHAT THE HELL?!

Eli: Lincoln, care to tell us about this guy?

Lincoln: You're not gonna like him one bit. Ricky Hernandez is another one of my enemies and he's one seriously mean bastard:

he's a human trafficker and drug dealer who's caused tons of trouble in Michigan for years.

Michelle Hernandez: And according to reports we'd received from the FBI and government organizations, he's the head of a sex ring and that he and his musclebound thugs have been kidnapping girls and forcing them into being prostitutes and selling them for money.

Gentoku: That's just horrible!

Lincoln: It gets worse, Gentoku, he's also the former older brother of Michelle Hernandez, Monica Hernandez, Hannah Hernandez, Rachel Hernandez, and the next Sacred Beast Avatar we're meeting tomorrow on Nico's rescue, Maria Hernandez, Avatar of Armityle the Chaos Phantasm.

Nico: And the former cousin of Fiona Hernandez, Marie Hernandez, Nicole Hernandez, Natasha Hernandez, and Ariane Hernandez, and the reason why Lincoln said former is because Natasha and her sisters and Michelle and her sisters absolutely despise him with a blazing passion, and after Ricky got sent to prison years ago, he was disowned and his ties with his family were severed.

Me: Oh boy, this is gonna get ugly!

Lincoln: It sure is, we're gonna destroy Ricky's operation, and I called the cops to get all of the girls Ricky and his thugs captured to safety, but as for his thugs and Ricky, I'm gonna absorb them.

We were flying, and then, we saw Ricky Hernandez hiding in a nearby strip club which also happens to be his HQ and he has really massive armies of musclebound thugs and guards here and they're all over the place.

Lincoln: There he is, and he's got his really massive armies of musclebound thugs and guards here and they're all over the place. Leave them to me.

We took cover in the shadows and Lincoln turned the tips of his eleven massive and long white tails into Cell's stingers, and he began sneaking behind the armies of Ricky Hernandez's thugs stationed all around the perimeter. Lincoln was right behind a group of thugs, and as he stabbed his tails into the backs of the group of thugs, Lincoln began absorbing them and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done, all that was left of the first group of thugs were their clothes and weapons.

Then, Lincoln continued on with sneaking behind the remaining armies of Ricky Hernandez's thugs, and like he did with the first group, he stabbed his tails into the backs of the remaining armies of Tony's thugs and Lincoln began absorbing them, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done, all that was left of the first group of thugs were their clothes and weapons.

Me: (Whispers) He's taken care of the armies of musclebound thugs and guards around the place, now he's got to take care of the snipers on the roofs.

Lincoln disappeared and reappeared on the rooftops without making any sort of noise, and when he was in the vicinity of the snipers, Lincoln stabbed his tails into the backs of the snipers and he began absorbing them and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done and the stingers changed back, all that was left of the snipers were their clothes and weapons.

This left Ricky and some of his personal guards in disarray and they fled in chaos, and in the chaos, the girls that he'd captured managed to escape and they were rescued by the police.

Lincoln: Ah, now that was quite a feast.

Then, we reappeared as Lincoln descended in front of us.

Lincoln: We're all set to ambush Ricky Hernandez, guys, and the cops rescued all of the girls he captured.

Me: With all his really massive armies of musclebound thugs and guards absorbed by you, now he's all alone.

Nico: Let's do this.

Suddenly, we saw a very beautiful and super sexy girl with long dark blue and black headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Dark Skylanders and Princess Luna's cutie mark on her right arm she has massive and beautiful black angel wings, she's dressed in a midnight blue sleeveless blouse, necklace with dark blue gem for the pendant, white bridal gloves, dark blue skirt, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moons, darkness, magic, Alicorns, phoenixes, and angels on the coattails and on the back is the symbol of The Dark Skylanders and Princess Luna's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, gold chain for guard, and gold pointed tip for the pommel, and with her are the five girls.

Lincoln: (GASPS) Lunaria Luna, Daydream Equestrian Moon Princess of Darkness.

Lunaria Luna: That's right, and I rescued the girls from that thug and his guards from within the shadows, but the rest, that was thanks to you absorbing his armies of musclebound thugs and guards outside.

Nicole: Awesome work.

?: LINCOLN LOUD, YOU AND THOSE FUCKING BITCHES WILreally massive armies of musclebound thugs and guardsL PAY FOR RUINING MY BUSINESS!

We then saw a huge muscular male with wild black hair and red eyes full of hatred come out along with two more beefy thugs, it was Ricky Hernandez, the former older brother of Michelle Hernandez, Monica Hernandez, Hannah Hernandez, Rachel Hernandez, and Maria Hernandez, Avatar of Armityle the Chaos Phantasm, former cousin of Fiona Hernandez, Marie Hernandez, Nicole Hernandez, Natasha Hernandez, and Ariane Hernandez, and lowlife scumbag human trafficker and drug dealer, and he was pissed off majorly.

Lincoln stabbed his tails into the backs of Ricky's two beefy thugs and he began absorbing them and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done and the stingers changed back, all that was left of them were their clothes and weapons.

Rachel Hernandez and Nicole Hernandez: EAT DARK FIRE, SHIT HEAD!

Rachel Hernandez fired a blast of dark fire which hit Ricky Hernandez and his shirt got burned badly, and he ripped it off with his hands, and he was ready for one serious brawl.

Sylvester: Well, it's time we got rid of that thug once and for all.

Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholstered their massive greatswords and transformed, and we went after Ricky Hernandez, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Ricky Hernandez's chest, and then, Lincoln began absorbing Ricky Hernandez into his body as he and all of us assimilated all of his superhuman strength and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Ricky Hernandez, and he banished him and his thugs to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: This is the last time you ever show your face, Ricky. (To Lunaria Luna) And it's so good to see you again, Lunaria.

Lunaria Luna: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Lunaria Luna as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Lunaria Luna was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Lunaria Luna: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Lunaria Luna and he hugged her, and Lunaria Luna is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lunaria Luna: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new,

along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Lunaria Luna, Daydream Equestrian Moon Princess of Darkness, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Princess Luna combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Lunaria Luna and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Solana Celestia trained Lincoln a lot with using the powers of Darkness and The Night and The Equestrian Moon, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Flip with a blazing passion because of everything he's done and he has a heart as black as the night, and Lunaria Luna has put him in his place more than once: which means throwing him in jail like the criminal he is.

Nico: Just like Princess Luna, she's also a powerful force of the night.

Lincoln: Yep, she's someone no villain would ever mess with, and now that you're here, Lunaria.

Lincoln went up to and hugged Lunaria Luna in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Lunaria Luna: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lunaria Luna with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lunaria Luna: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lunaria Luna, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Lunaria Luna's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Lunaria Luna had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Arika Sano, Yukari Kiryuu, Miaka Sano, Karen Inubushi, and Sakurako Ainoya from Shojo Bitch Darake no Tennis-bu Gasshuku!

Lincoln: Oh wow, it's Arika Sano, Yukari Kiryuu, Miaka Sano, Karen Inubushi, and Sakurako Ainoya from Shojo Bitch Darake no Tennis-bu Gasshuku!

Nicole: So, those were the girls Ricky also captured.

Lincoln: And whom Lunaria rescued from him. Are you girls okay?

Arika Sano: Yes, we're okay, thanks to you.

Then, when Arika Sano and the other four girls saw who it was that saved them from Ricky Hernandez, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command, Strategist, And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of

Arika Sano: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Arika Sano: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arika Sano, Yukari Kiryuu, Miaka Sano, Karen Inubushi, and Sakurako Ainoya with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Ricky Hernandez, former older brother of Michelle Hernandez, Monica Hernandez, Hannah Hernandez, Rachel Hernandez, and Maria Hernandez, Avatar of Armityle the Chaos Phantasm, former cousin of Fiona Hernandez, Marie Hernandez, Nicole Hernandez, Natasha Hernandez, and Ariane Hernandez, and lowlife scumbag human trafficker and drug dealer and is causing trouble with an operation he has, and according to reports: he's the head of a sex ring and he and his musclebound thugs have been kidnapping girls and forcing them into being prostitutes and selling them for money.

But, when Lincoln showed what he did first by absorbing the really massive armies of musclebound thugs and guards Ricky had outside and finally us thrashing that asshole and his two beefy personal guards and Lincoln absorbing them and banishing them to The Black Gates forever, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Lunaria Luna have a lot of catching up to do, now that she's back in town.

Maria: We heard about everything from Sheila, I can't believe that asshole was at it again!

Lincoln: We made sure this was the last time Ricky tried that again.

Nico: Natasha and her sisters were pissed when they found out he's been running loose once more.

Me: We were all pissed, any person who does that to girls and women in general are nothing but scum.

Nico: Along with cold-blooded deranged bastards who think they can torture and kill girls just to slake their thirst for blood, those are the worst kind.

---

After we got rid of Ricky Hernandez and his thugs and destroyed their ring, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lunaria Luna saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Lunaria Luna: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream

of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Lunaria, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Lunaria Luna: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Lunaria Luna: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Tracey Mink: What a hunk.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Andrea Wendova, and she was now completely insane and out for Nico, Qin, and his harem's blood!

Qin: WHAT THE?! ANDREA WENDOVA?! WHAT IS THAT FUCKED-UP PSYCHOPATHIC SLUT DOING HERE?!

Nico: I would've thought we'd never have to deal with her again, but it looks like she's gone completely mad. How the hell did that psycho slut bitch find her way here?

Me: There's no way Lord Zedd would do that.

Nico: You're right, he wouldn't. (Remembers the wedding incident) Ugh, Sebastian, if this was a result of your plan for revenge before your Dark Side finally kicked the bucket, you're in for one serious asskicking!

We flew out and Nico fired energy balls that hit Andrea Wendova and she got pissed off when she saw Nico, Qin, his harem, and the rest of us.

Elly Chromington: I should've known you'd show up here once again, Slutty Britches, you're the absolute definition of a sore loser and a parasite who wants death and destruction!

Andrea Wendova: SHUT THE FUCK UP! ONCE I KILL ALL OF YOU, THOSE BITCHES THAT I FORMERLY CALL MY SISTER AND MOTHER ARE NEXT!

Nico: Not happening, bitch!

Lincoln fired a blast of red energy that hit Andrea Wendova and removed her soul and sent it to The Black Gates while her body was turned her to stone, and was thrown in The Uranus Prison. We returned home to The World Tree Estate and continued our workouts.

Jackie Wren: Andrea didn't fit the role of Queen Bee, she was a psychopath and murderous slut, so there was only one punishment for her: death.

Nico: Helen and her mom had since cut their ties with Andrea, so they don't care what happens to her.

Andrea Martin: Yeah, she was a monster, so glad Lincoln got rid of her.

Lincoln: After what we saw in the video, she deserves it. Oh, and this wasn't any sort of any plan of revenge Sebastian had before his Dark Side was removed and finally bit the dust, so you girls better not try anything on him.

Nico's harem groaned and threw away the clubs and weapons they were going to use on him.

We got a shower, and then, Lincoln, Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona are heading to Cheep Cheep Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Gi: Wow, so this is Cheep Cheep Beach. It sure is beautiful.

Lincoln: It sure is, Gi, and it's perfect for our first date. Shall we?

Lincoln, Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona and they hugged the girls in their abnormally massive and powerful muscular arms and Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Cheep Cheep Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona are in your harem, Linky.

Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale!

---

Later it was time for Laney, Misty and Laura's third mission

Nico: Anyone else want to go with Laney, Misty, and Laura? Besides Yamato, Yost Spidey, Onua, Bane, Gabby Gator, and Morpho?

Martian Manhunter: I will go.

Man Boy: So will I!

Flora: I'll go with too.

Nico: Okay then.

Ben: I'll go too.

Me: Okay Ben.

Nico: Lets get moving.

We were off to Japan.

---

We arrived.

Homare Soya: Hey guys!

Me: Hey Homare!

Laney: Guys meet Yamato, Yost Spiderman and Onua.

Yamato: Great to meet you all. I'm Yamato Kazakiri, Red Ranger of the Zyuohgers.

Yost Spiderman: I'm the Spiderman of the Yost Dimension.

Onua: And I'm Onua the Toa of Earth.

Martian Manhunter: I'm J'onn J'onzz but you know me as Martian Manhunter.

Man Boy: I'm Man Boy, The power of a Man in the Body of a Boy.

Flora: I'm Flora, Princess of Linphea and the Fairy of Nature.

Ben: And I'm Ben Tennyson.

Hobare: Wow! An honor.

Laney: And these are our archenemies.

Gabby Gator: I'm Gabby Gator.

Morpho: And I'm Morpho.

Hiroyuki: Wow! An honor to meet you all.

Hobare: What's the Yost world?

Me: It's another dimension we found that's got a different timeline and series of events in the Marvel World.

Hobare: Oh I get it!

Me: Yep.

Nico: So, what's been going on lately?

Hiroyuki: Well things have been quiet so far. But Laney can we ask you something?

Laney: Sure.

Hiroyuki: How come you always wear a scarf? It's not even cold out.

Laney: Oh I wear it to hide this.

She took off her scarf and revealed her scar.

Hobare: Oh man! That scar looks bad.

Me: Laney was juggling plates and she slipped and the plates broke and a shard slashed her neck and she had to wear that scarf ever since.

Hobare: OUCH!

Pirika Asahikawa: YIKES! That must've hurt.

Me: It did.

Nico: She's lucky that didn't sever an artery.

Hiroyuki: Why would you juggle plates?!

Me: I honestly didn't get the fully details of the story and the reason behind it. It happened a couple of years before I moved to Michigan.

Hiroyuki: Oh. Okay. That must've really hurt.

Laney: It did.

Misty Tredwell: Yeah we were shocked ourselves back then.

Laney: Yeah I'm mostly good with painting pictures, dancing and reading books and all that. I like learning about psychology and all that.

Hiroyuki: That's cool.

Nico: Some of us have scars like that.

Eli: He's right.

Eli showed his scar on his chest.

Eli: I got shot while saving the live of one of my closest friends.

Me: Yep. Long story on that. But I got scars too.

I showed my scars on my face.

Me: Ugly story on this one. But that was a while back.

Hiroyuki: By the way J.D. is it true that you guys live in a massive tree?

Me: Yep. 528,000 feet high, 100 mile wide trunk and 1,000 mile wide foliage. The view of the planet is absolutely incredible.

Misty Tredwell: It sure is. It''s beautiful too.

Pirika Asahikawa: Wow that is cool!

Me: Yep.

Nico: You guys should see it.

Hiroyuki: We can't wait.

Me: Yeah it'll be awesome.

Eli: Yep. (Concentrates) WHOA! I sense something going on in the park.

Me: I think one of your monster villains is on the attack.

Eli: And I sense a Blackwing Eatos 12 Girl there too.

Me: Uh oh!

Yost Spiderman: Lets get a move on!

We were off to the park.

---

We arrived and we looked around

Yamato: Hiroyuki, you having the power of 3 Ultraman is Similar to my friend Misao having the power of 3 Beastman

Hiroyuki: That is really interesting and cool.

Laney: It sure is.

Nico: Yep.

Yost Spiderman's Spidey Sense tingled.

Yost Spiderman: Look there.

We saw a girl on a bench looking at herself in a puddle of water and it was a girl with green hair and red eyes and black clothes and she had a huge mustache? And she had pitch black angel wings.

Me: (GASP) Minerva Molestache.

Nico: Molestache's embodiment?

Me: Yep. She is half human and half Talpidian.

Nico: Oh man.

We went over.

Me: Minerva?

Minerva Molestache: J.D. you need to stay away from me.

Me: Minerva we just want to help.

Minerva Molestache: LOOK AT ME!

The mustache was awful!

Minerva Molestache: I'M A FREAK! I LOOK HORRIBLE WITH A MUSTACHE!

Nico: It doesn't look that bad.

Minerva Molestache: You're right. IT'S HORRIBLE!

Me: Minerva I know that mustache is part of your species heritage but why can't you just rip it off?

Minerva Molestache: I tried that numerous times! But it just keeps growing back! Something inside me keeps doing that!

Me: It's that virus in you! It's called Blackwing Eatos 12.

Eli: Ugly Story.

Me: We got to subdue you though to help you thought Minerva.

Minerva Molestache: Just please! Help me!

Yamato: WILD INSTINCT! AWAKEN!

AAAHHAAAHHAHAH!

He transformed!

Yamato: MONARCH OF THE OPEN SKIES! ZYUOH EAGLE!

He was ready!

But then out came GOROTHUNDER from episode 19 of Taiga!

Gorothunder (ゴロサンダー, Gorosandā) is a god of lightning that first appeared in episode 19 of Ultraman Taiga. Known for his reputation to control lightning throughout the universe, his presence also strikes fear as those who see him will meet their end.

He resembles Barriguiler, who appears to be identical in all but their color scheme to Gorothunder in Ultraman Trigger: New Generation Tiga, but the true relation between these two characters has yet to be identified.

Summoned by Ultraman Tregear to wreak havoc on humanity, Gorothunder descended in a storm cloud near Kana Sasaki and Hiroyuki Kudo. He took interest in the former and captured her in his belly button piercing prison before growing to giant size. Hiroyuki was unsure of what to do since fighting him would endanger Kana, but Ultraman Taiga convinced him that they cannot save her if they do not take action. Hiroyuki transforms into Taiga to fight Gorothunder, but quickly changed to Ultraman Titas after getting knocked down. He used the Electro Buster, but it was overpowered by Gorothunder's beam, and he was then knocked down by Gorothunder using his club. Kana awakened and cheered Titas on, before he fired the Astro Beam at Gorothunder to knock him away. Titas changed back to Taiga and transformed into Tri-Strium.

Using the Taiga Tri Blade, Taiga narrowly slashes off Gorothunder's belly button prison, setting Kana free. He then uses the Titas Burning Hammer to finish off Gorothunder, who used his own beams in a futile effort to attack him.

---

Nico: GOROTHUNDER!

Me: Uh oh!

Hiroyuki: Lets get him!

Eli: Time for some Kaiju Help! RODAN!

Rodan flying in was heard and he flew in and landed.

RODAN ROARED!

Eli: Awesome!

Rodan: So Gorothunder is next! Lets get him!

He fired a Fire Beam Blast and it hit Gorothunder and blasted him all over in powerful fiery explosions!

KRABBBBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBBBOOOOOOOOMMMM!
KRABBBBBBBBBBOOOOOOOOOOOMMMMMM!

Nico: YEAH!

Martian Manhunter Got out his eyecon

Martian Manhunter: This will be good.

He activated it.

GIOVANNI SCHIAPARELLI

Martian Manhunter: He was the man that named Olympus Mons on mars.

Me: I did not know that!

Nico: Me neither! That is cool!

He fired a wave of energy and blasted Gorothunder.

Onua got out his Eyecon.

Onua: Taste this!

He activated it.

JAMES LARKIN WHITE!

Onua: He was the man that discovered Carlsbad Caverns in New Mexico.

Nico: Wow! That is cool!

Onua: Yep.

He fired waves of earth and smashed Gorothunder all over!

Hiroyuki: Lets get him! ULTRAMAN TAIGA! BUDDY UP!

He turned into ULTRAMAN TAIGA!

Minerva's mustache formed fists that punched at Man Boy.

Man Boy's beard unched them all over!

---

Nico: YEAH!

?: (ECHOING) METEOR WING!

Numerous fireballs flew in from out of nowhere and they hit Minerva and blasted her down!

Nico: WHOA!

Me: Was that Birdramon?!

Birdramon flew in and landed!

Yamato got out his Eyecon!

Yamato: Don't underestimate this planet!

Me: Or you won't live long enough to regret it!

Yamato: That is for sure!

He activated it.

THOMAS MOLYNEUX!

Yamato: He was the man that discovered the Irish Elk from back over 7,700 years ago.

Nico: WOW!

He fired waves of energy and blasted down Gorothunder!

Birdramon: That is really interesting!

Nico: Sarah Takenouchi! Wow!

Birdramon: It's good to see you Nico.

Nico: Same here.

Yamato turned into his Gorilla power.

Yamato: MONARCH OF THE JUNGLE! ZYUOH GORILLA!

He punched and bashed Gorothunder!

Bane: Time for this monster to meet his master!

He pressed a button on his device and pumped himself with Venom and bulked up! HE WAS STRONGER THAN EVER!

He jumped and punched down Gorothunder!

KRASMASH!

Yost Spiderman got out his Eyecon.

Yost Spiderman: You mike like this!

He activated it!

NELLIE BLIE!

Nico: Nellie Blie! The Famous Early 20th Century Journalist.

Yost Spiderman: Yep.

He fired webs and tied up Minerva.

Morpho: My turn!

He fired a wave of energy and blasted Gorothunder all over.

Ben turned into Molestache!

Ben: MOLESTACHE!

He formed his mustache into fists and bashed Gorothunder all over!

Flora fired a wave of nature energy and bashed Gorothunder down.

Molestache: The best way to stop a Molestache Embodiment is with the source!

Nico: Ain't that the truth!

Rodan: And a Kaiju for the monster!

He fired a wave of fire energy from his mouth and blasted Gorothunder all over!

KRABBBBBBBOOOOOOOM!
KRABBBBBBBBBOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMM!

Nico: YEAH!

Gabby Gator: My turn!

She bit Gorothunder and he roared in pain!

Nico: Nice one!

Yanato Punched Gorothunder!

KRASMASH!

Nico: YEAH!

Laney: Take that!

Me: And this!

I fired a powerful energy blast and it hit him and exploded!

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

Minerva's moustache tried to punch Yost Spiderman. But he dodged all her punches.

Yost Spiderman: Nice try!

Laney: Yeah!

Laney flew and punched her down.

Nico: Nice! Lets get rid of Gorothunder!

Ultraman Taiga: Gladly! ULTRA BLAST!

He fired a massive wave of energy and it hit Gorothunder and he exploded!

KRABBBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead! I then got a Gorothunder Charm!

Me: Awesome!

Nico: Gorothunder you have failed this city!

Minerva's moustache tried to punch Ultraman Taiga.

But then my sword glowed and I slashed the moustache and burned it off and made it impossible to grow back.

Minerva Molestache: Thank you guys. I'll go quietly.

Me: Good.

Sarah reverted back and she was a girl with orange hair and blue eyes and had red clothes and had orange angel wings and had a symbol of Birdramon in the middle of her forehead and on her skirt and she had Birdramon's tail and a fire sword in her hand.

Sarah Takenouchi Birdra: Boy that was awesome and epic!

Nico: It sure was.

Yost Spidey: You can still use Molestache's powers. But that mustache that tried to kill us? It's as good as shaved!

Me: That's for sure!

Sarah Takenouchi Birdra: But we still got to find the antidote for that virus.

Nico: Yep.

Laney: By the way Sarah do you have any favorite memories of Nico?

Sarah Takenouchi Birdra: I sure do. When me and my sister Sora and Nico went on an awesome flight around the world and that was so awesome.

Nico: It sure was.

Eli: Wow! We didn't know Sora was your sister.

Nico: You never asked.

Nico and Sarah hugged.

Nico: I've missed you.

Sarah Takenouchi Birdra: Same here Nico.

---

We later came back home.

May: Hey guys. How did it go?

Me: Awesome!

We told everyone everything and it was amazing.

Lola: Wow!

Sora Takenouchi: That is awesome and Sarah! Wow!

She went over and hugged her sister.

Nico: Next time Toby, Moondancer, Takeru and Kylie should come.

Nicole: Awesome idea.

Xenia: Yep.

Number 3 of Laney, Misty and Laura's missions were done.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Later Fluttershy came out and she was rested and refreshed.

Me: Hey Fluttershy have a nice sleep?

Fluttershy: Oh I sure did and it was much well needed too.

Lincoln: That's great Flutters.

Lola: Yeah.

But then we smelled something really good cooking.

Ed: I SMELL BROWNIES! YUM YUM YUM!

Mandy: That better not be one of Billy's recipes.

The Mascots came out with a tray full of brownies. They were chocolate brownies and they had chocolate and vanilla and strawberry chips in them.

Poromon: These are our Neapolitan brownies. They are made with strawberry, vanilla and chocolate chips.

Me: Ooh!

Nico: Wow!

Poromon: Try them. Tell us what you think.

Me: Okay.

Billy: Lemme see if they're better than mine.

We tried some.

Me: (Eating)

Nico: (Eating)

Eli: (Eating)

Billy: (Eating)

Poliwag: Well?

Me: These are… THE MOST DELICIOUS BROWNIES EVER!

Nico: YUMMY!

Camie: SO GOOD!

Starlight Glimmer: THESE ARE REALLY DELICIOUS! Wow I haven't had brownies these delicious in a long time.

Billy: These are tasty!

Poromon: Thanks guys! We made them with love and fun.

Lola: Awesome!

Hun Gurr: I like that you used the classic ice cream flavors.

Poromon: Yeah we thought it was cool too.

?: Ooh those brownies look awesome.

?: They sure do.

We saw a girl that had 2 heads! They each had green hair and green eyes and had green clothes and had green angel wings and had a fire sword and they had a tiara with the symbol of Search Man on it.

Sienna Search: We are the Search Twins. I'm Sienna.

Sina: And I'm Sina.

Search Twins: And we're the Embodiment of Search Man.

Me: Wow!

Qin: That is cool! Awesome to meet you girls.

Lisa Loud: Sienna and Sina greetings.

Levi Loud: It has been a while.

Sienna Search: Lisa and Levi! You're both looking great.

Sina Search: It has been a while

G1 Snarl: How did you Search Man girls' meet Smart Louds?

Sienna Search: Well we both are scientists. We have done a lot of great scientific achievements that helped Lisa and Levi benefit for humanity.

Sina Search: It's really amazing and it was cool.

Sienna Search: We both met Lisa and Levi when they were both doing their college lectures and we wanted to help them out.

Sina Search: We sure did. We helped them solve all kinds of quadratic equations.

Lisa Loud: Indeed. It was really amazing.

Levi Loud: Indeed.

Me: That sure is awesome.

Nico: Would you girls like to join us?

Search Twins: We would be honored.

Bugly: This is actually the first time we've met a person with two heads.

Nico: Actually no it isn't. We met a couple of people like that.

Qin: The Another White Chromatic Dragon was like that.

Bugly: Oh right. Sorry.

Nico: No worries.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than our old enemy, Lotso, and he's come back for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than our old enemy, Lotso, and he's come back for revenge on us.

We gasped.

Nico: Oh man, I should've known that lowlife would come back. We got to get to Woody, Andy, and the others.

Me: He's heading straight for The Black Gates this time.

Lincoln: And we'll never have to deal with him again.

Me: Yep.

The previous group came.

Titanium Titan: (Spanish Accent) Can me, Zexion, Number 7, Johnny 13, Kitty, Titania, 2016 Morbucks, Carly Atlas, Shiv, and Dr. Light go with you guys?

Nico: Yes you all can go with. First we're going to watch Toy Story 3 and then we're going to head out.

Lola: I'll make the popcorn

Lola did so.

We got to watching the movie. Andy, Hannah and Molly were with us too.

---

Andy, now 17 years old, is preparing to leave for college. He has not played with his toys for years, and only Woody, Buzz Lightyear, Jessie, Bullseye, Rex, Slinky, Hamm, Mr. and Mrs. Potato Head, the Aliens, and three toy soldiers remain. As the despondent toys reflect on their future, the soldiers parachute out the window and leave. Andy intends to take Woody to college, and puts the other toys into a trash bag, to be placed in the attic; however, Andy's mother mistakenly puts the bag outside with the true garbage. The toys narrowly escape from the garbage truck, and, believing Andy deliberately threw them away, get into a donation box in Andy's mother's car with Molly's old Barbie doll. Woody follows in an attempt to bring them back, but is unable to convince the others of Andy's real intentions, and goes along when Andy's mother takes the box of donations to Sunnyside Daycare.

At Sunnyside, Andy's toys are welcomed by the other toys, led by Lots-O'-Huggin' Bear ("Lotso"). The toys (except for Woody) are delighted to learn that Sunnyside never runs out of children, and Barbie is enamored with a Ken doll. Woody attempts to return home, but is instead found by a child from Sunnyside named Bonnie, who brings him home and plays with him and her other toys. Bonnie's toys are shocked that Woody escaped from Sunnyside. Chuckles, a toy clown, explains that he, Lotso, and Big Baby, Lotso's assistant at Sunnyside, were owned by a girl named Daisy, but were lost during a family trip. When they made it home, Lotso found out that he had been replaced. Disregarding Chuckles' protests, the embittered Lotso lied to Big Baby that Daisy had replaced all of them. They rode a truck to Sunnyside, where Lotso took over, turning it into a toy prison. Chuckles was eventually broken and later found by Bonnie.

Meanwhile, back at Sunnyside after the toddlers play roughly with

Andy's toys, Buzz asks Lotso to move the toys to the older children's room. Lotso allows Buzz to go, but when he insists that Andy's toys go as well, Lotso switches Buzz to his original demo mode factory settings, causing him to believe himself to be an actual space ranger under Lotso's command. Meanwhile, Mrs. Potato Head, through an eye she lost in Andy's room, sees Andy searching for his toys. They realize that Woody told the truth about Andy's intentions and try to escape, but Lotso's gang, recruiting a brainwashed Buzz, imprison them.

Woody returns to Sunnyside, where a Chatter Telephone tells him that there is now no way out, except through the trash chute. Later that night, the toys make their escape plan. After successfully incapacitating Lotso's night watchman, a Cymbal-banging monkey toy, they attempt to restore Buzz's memory, but Rex accidentally resets Buzz to Spanish mode. Spanish Buzz, still believing himself to be an actual space ranger, immediately allies himself with Woody and falls in love with Jessie. The toys reach a dumpster, but are cornered by Lotso and his gang. Woody reveals Lotso's deception to Big Baby, who angrily throws Lotso into the dumpster. As a garbage truck approaches, the toys try to leave, but Lotso pulls Woody into the dumpster. The rest of Andy's toys jump after him as the truck arrives, and all fall inside.

Buzz returns to normal after a television falls onto him inside the truck. The truck takes the toys to a landfill, where they are swept onto a conveyor belt leading to an incinerator. The Aliens spot an industrial claw, but are swept away while running toward it. After narrowly avoiding a shredder and rescuing Lotso, Woody and Buzz help Lotso reach an emergency stop button, only for Lotso to leave the toys to die in the incinerator. The toys fall into the incinerator and resign themselves to their apparent fate, but the Aliens rescue them with the industrial claw. Lotso is later found by a garbage truck driver, who fastens him to his truck's radiator grille as a decoration. Woody and his friends ride Sid's garbage truck back to Andy's house.

Woody leaves a note for Andy, who, thinking the note is from his mother, donates the toys to Bonnie. Andy introduces the toys individually to Bonnie and is surprised to find Woody at the bottom of the donation box. Bonnie recognizes him, and though initially hesitant, Andy passes Woody on to her, and they play together before he leaves. Woody and the other toys witness Andy's departure as they begin their new lives with Bonnie.

In the film's epilogue, Barbie, Ken, and Big Baby have vastly improved Sunnyside and maintain contact with Bonnie's toys through letters. The toy soldiers parachute into Sunnyside, where Ken and Barbie welcome them.

---

We were watching the movie and it was both awesome and fun.

When the movie was done we cheered wildly.

Xenia: Aww that was awesome.

Lola: Yeah.

Andy: Looks like we're going to Sunnyside Daycare.

Hannah: Yeah. But It's funny that my brother became a garbage truck driver.

Me: And he"s still scarred by Woody and the toys scaring him.

Woody: Yeah! (LAUGHS) That is funny.

Me: Yep.

Thunder: Nico, which Gene Slammer do you think you'll meet next?

Nico: Jet Stingray next.

Qin: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's

Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Silver Rangers, and they're coming here to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Silver Rangers, and they're coming here to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: What?!

Maria Baliton: Leave the Universe 666 Silver Rangers to me and Lincoln, guys.

Lincoln: Hold on, Maria, we're not doing this alone.

Merrick: He's right, Maria, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading out to help Woody, Andy, and the others and destroy Lotso.

Lincoln: That rotten toy's going to pay for his crimes, and this time, we'll make sure that he never comes back, and once we get done with that bad toy, Universe 666 Silver Rangers, you're next.

Maria Baliton: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Woody, Andy, and the others and destroy Lotso, and once we got done with that rotten toy, Lincoln and Maria Baliton along with the Silver Rangers are going to destroy The Universe 666 Silver Rangers.

We were off to Sunnyside Daycare.

---

We arrived at Sunnyside Daycare

Zexion: Here we are.

Xion: Wow nice place.

Me: It sure is. I love going to daycares. I do some volunteer work and read the kids awesome stories about some of our adventures and they love it.

Nico: Aww that's sweet of you J.D.

Me: Yeah I'm a softie when it comes to kids like these.

We went in and there were so many kids.

Camie: Oh aren't they all cute.

Eli: They sure are.

We saw the kids playing and they were having a lot of fun.

Numbuh 3: Aw they are having fun.

Me: Yeah.

Andy: They are all so awesome having fun like this. Good times back then.

Pam: Yeah they sure are having fun.

Woody: Man brings back memories.

Me: Yeah.

Kitty: Are the Army Men with you guys?

Lola: Always carry them with me in their bucket. Never leave without it when we do an adventure for these.

Nico: Awesome.

I saw two kids fighting over a teddy bear.

I went over.

Me: Now kids. Lets do it like this.

I used my powers and made another bear for both of them.

Me: There you go kids.

Kids: Thanks J.D.

Nico: That is awesome J.D. You are a softie for this.

Me: Yeah.

Bludgeon: Are Barbie and Ken aroound?

Ken and Barbie came.

Ken: Right here. Awesome to see you again Woody.

Barbie: Yeah it sure is. Wait is that Stinky Pete with you?

Lana: It's all right. We reformed him. Long story on that.

2016 Morbucks: Are Sparks, Chunk and Twitch Around too?

Ken: Yep.

He pointed to them.

Me: Wow.

Chunk: Hey guys!

Twitch: Great to see you.

Sparks: Yeah.

Woody: You too guys. We have openings for you 3 in the M.O.E.

2016 Morbucks: I was just about to say that Woody.

Sparks: Sure you wants toys in the Masters of Evil?

Power Girl: Why not? Toy Org is in there, isn't he?

Me: Yes he is and Toy Org looks a lot like you Sparks.

I showed a picture to him.

Sparks: Wow! He does look like me. Sorta.

Nico: Yep.

I then smelled an all too familiar smell.

Me: (Sniffs) Strawberries.

Eris: You sure having Lotso here with all these kids is a good idea?

Me: No. Kids can you go play with our pink guest till it's time?

The kids went and they were playing with Lotso.

Me: (Snickers) So cute.

Amy Mercury: Aww. Daddy can I have Lotso as my toy?

Me: Oh sweetie you sure can. But one that's not evil.

Amy Mercury: Yay!

Me: Be right back.

I went over.

Me: Pardon me kids.

I used my powers and made a lifeless replica of Lotso and gave it Amy.

Amy Mercury: Thanks daddy!

Me: You're welcome sweetie.

Nico: Aww. You're a good dad J.D.

Sparks: Wait. Lotso's here?

Me: Yeah he is. He's with the kids over there. They are playing with him and holding him off while we talk.

Sparks: Oh boy.

Chunk: I thought we saw the last of him.

Me: I know. So did everyone else.

Stretch came.

Stretch: Hey guys. Sorry I'm late.

Woody: No worries Stretch but it's awesome to see you.

Stretch: Same here Woody.

Heimlich: (German Accent) Oh ja ja und this will be a fun adventure for us.

Flik: It sure will.

Chunk: I thought you guys killed Lotso back in Galaxy Toys.

Terrorsaur: We did!

Me: That was 2 years ago. But this time we're going to end him forever.

Xenia: Yep.

Lola: Yeah I've had it with that bear. When he was a heartless he smelled like rotten eggs.

Nico: Yuck.

Dr. Light: When we're done with him, he's gonna smell worse

Nico: You got that right.

?: We can help with that.

We saw Toy versions of Twilight Sparkle and friends.

Twilight Sparkle: Oh wow! Toy versions of us.

Sunset Shimmer: Wow! That is cool.

Fluttershy: Aww we look so adorable.

Rarity: Oh we sure do darlings.

Toy Twilight: Yeah we are cute.

Me: That is cool.

Applejack: It sure is.

Qin: I feel bad for all those toys that had to be given up.

Nico: Maybe we can find them and make them all brand new and better than ever.

Me: That's a great idea.

Poromon: Okay. I have 2 choices the kids can have. Beer. And Brownies.

Cybertron Sideways: You know the answer to that!

Poromon: Brownies.

Zexion: Did you say brownies?

Me: Yep. Poromon made awesome brownies. Neapolitan brownies.

Zexion: Yummy.

Poromon pulled out some brownies.

The M.O.E. Members tried them.

Zexion: Mmm! Delicious.

Me: Poromon and the mascots made them.

Nico: Yep.

Me: Hey kids you want a snack?

The kids cheered and we gave them brownies and they loved them.

Toy Applejack: Boy howdy they sure loved them.

Toy Fluttershy: Yeah they sure do.

Me: Yep.

Toy Starlight: You guys are awesome.

Me: Yep.

Poliwag: Who wants pizza as well?

Carly Atlas: Should that even be allowed here?!

Me: The kids can't have pizza yet. They have their own foods here.

Poliwag: Oh. That's okay.

Nico: Yeah.

Toy Pinkie Pie: It's so cute though!

Me: Yeah.

Pinkie Pie: Ooh she is me and it's amazing!

Nico: It sure is.

Gilda: I wasn't expecting the Toy versions of Rainbow Dash and the others

Rainbow Dash: It sure is cool and awesome to see them.

Toy Rainbow Dash: It sure is.

Dee Dee: Reminds me of my toys too.

Lola: It sure does.

Pirate Man: Lotso be walking the plank soon!

Me: Yeah. That's right.

Xenia: Lets get ready?

Johnny 13: I'M ready. What about you guys?

We nodded.

Me: Okay kids it's time for our fun.

The kids got ready to watch our fun.

Chill Bill: Entrance time!

We went at him.

Lotso got up and he was really mad!

Then the spirits of toys came and swirled around him and then converged and then a tree with lots of flowers popped out and bloomed and the singing of angels was heard and we came out.

Me: Hello Lotso? Nice to see you again for the last time!

Camie: Yeah!

Lotso: Very clever of you to send those kids after me. When I'm done with you all, I'll teach them a lesson in pain!

Number 7: The probability of you getting a chance to do that is very low.

Me: Like say around 0%.

Xenia: That's right.

Me: Also your scent is what gave you away.

Qin: You should know better than to underestimate our noses.

Lotso: I hate smelling like this!

Camie: Oh come on I think you smell pretty.

Rin Nohara: Yeah and I love strawberries

Sparks: Look, Lotso. I think everyone is getting sick of how you ran things here. Can't you just accept that?

Lotso: YOU FUCKING MORONS! THIS IS WHAT HAPPENS WHEN YOU DUMMIES TRY TO THINK. WE'RE ALL JUST TRASH, WAITING TO BE THROWN AWAY! THAT'S ALL A TOY IS!

Me: HEY! Watch that mouth of yours! There are children here!

Nico: And you're wrong! We love ALL toys.

Andy: That's right! I love my toys!

Lotso: Wait are you Andy!?

Andy: That's right! I am Woody's owner! All my toys are my family.

Woody: What would Daisy think?

Me: She would be disgusted with how low you have become!

Lotso's expression grew shocked at this but then became angry again.

Lotso: I don't give a rat's ass about that bitch anymore!

WE GASPED!

Me: Oh now it's on.

Nico: Time to use your head!

Me and Nico grabbed Rex and we ran at him like a battering ram!

Rex: BUT I DON'T WANT TO USE MY HEAD!

WE ROARED AND REX SCREAMED AND THEN WE SMASHED LOTSO INTO A WALL!

KRASMASH!

Buzz: No one tries to use me against my friends!

Buzz tried to use his laser on Lotso. But the laser was blocked by a familiar Heartless.

Nico: The King of Toys?

Me: Deja-vu!

Lotso (laughs evilly): Did you think I didn't bring backup?!

Toy Twilight: We'll get this one! Come on girls!

The Toy Ponies went at the King of Toys and blasted and smashed it all over!

SLASH SMASH BLAM BAM!

The King of Toys then disintegrated and we absorbed its negative energy!

Me: Wow!

Nico: They aren't pushovers at all!

Twilight Sparkle: Boy just like how we do so.

Sunset Shimmer: That is for sure.

Lotso: NO! YOU MONSTERS!

Me: The only monster here is you!

Me: And you know what smells better for you!?

I pointed my butt at him!

LOUD FART!

I farted in his face at point blank range!

Me: ROTTEN FARTS AND COW MANURE!

Nico threw a stink bomb at him!

It hit him and then…

KRAFART!

He smelled worse than rotten eggs!

LIGHTHOUSE FOGHORN!

The kids were laughing at him.

Dr. Light: I told you that you would smell worse then rotten eggs!

Lotso: I HATE ALL OF YOU!

Our auras flared up intensely.

Me: Thanks for the power boost!

Toy Org than appeared.

Toy Org: Someone mention me earlier?

Me: We did. Awesome you came Toy Org.

Toy Org: Thanks.

Sparks: Wow! So you are Toy Org? Wow! We look so alike.

Toy Org: We sure do! Wow!

Toy Org approached Lotso.

Lotso: You got something to say to me robot face!?

Toy Org grabbed Lotso.

Toy Org: You make me sick. You disgust me that you would say such horrible things about toys. Including your owner Daisy!

Lotso: You're one to talk. Do you even remember YOUR owner?!

Toy Org: I never had an owner! I'm not even a real toy!

Lotso: Then what are you!?

Toy Org: I'm an Org from Power Rangers Wild Force!

Toy Org threw him to the ground!

KRASMASH!

He threw him into a bunch of bowling pins we set up!

BOWLING SMASH!

STEEERIKE!

Xenia: Take that!

Lotso: (gets up) Remember how your arm got ripped, Sheriff? History's about to repeat itself!

Lotso tried to rip Woody's arm with his cane.

But nothing happened.

Me: Nice try Lotso. To make sure that never happens again we used our magic to make all our toys indestructible so they will never be harmed by time or anything.

Lotso: NO!

I fired a wave of tomatoes at him and splattered him all over!

Woody: Besides, I realing don't want to feel the pain of having my arm ripped!

Me: That's for sure!

Buzz: Me neither! My arm got broken off before too!

Nico: Oh when you found out you were a toy and you tried to fly?

Buzz: Yep.

Nico: Ouch.

Me: But Lotso you are not a toy at all. You're a stuffed rag full of garbage!

Eddy: And you deserve this. (GETS OUT A CERTAIN STINK BOMB)

The EL MONGO STINK BOMB!

Qin: Uh oh!

Eddy threw it and then…

EXPLOSIVELY MASSIVE SUPER FART BLAST!

The smell covered Lotso and it was HORRIBLE!

Edd: I CAN'T BREATHE!

Me: OH GOOD GRAVY!

Nico: Now he REALLY Stinks!

Qin: YUCK!

Me: UH OH! KIDS LOOK AWAY!

They did so.

Me: (PROJECTILE VOMITS)

I threw up all over Lotso!

Nico: Will that make him more stinky?

Me: Yeah. Sorry about that. It's the stink from Ed's feet in the stink bomb.

Ed: Something smells good.

Eddy: Shut up Ed!

Then Firebrand, Man Boy, Femme Fetale, Trapster, Saix, Kangor, Spot, Dark Turtles, Doctor Octopus, and Beast Man came.

Nico: Firebrand, Man Boy, Femme Fetale, Trapster, Saix, Kangor, Spot, Dark Turtles, Doctor Octopus, and Beast : Will that make him more stinky?

Me: Yeah. Sorry about that. It's the stink from Ed's feet in the stink bomb.

Ed: Something smells good.

Eddy: Shut up Ed!

Then Firebrand, Man Boy, Femme Fetale, Trapster, Saix, Kangor, Spot, Dark Turtles, Doctor Octopus, and Beast Man came.

Nico: Firebrand, Man Boy, Femme Fetale, Trapster, Saix, Kangor, Spot, Dark Turtles, Doctor Octopus, and Beast Man.

Firebrand: I feel like the King of Toys goes wherever Lotso goes.

Femme Fetale: It's a common trend.

Me: I feel the same thing.

Trapster: At least it went down quickly.

Qin: Yep.

Saix: (to Nico) We heard you took care of Curly.

Nico: We sure did.

Man Boy: (to Flora) You should take care of that Mega Meganium

Flora: I will do that.

Me: Awesome.

Hexuba came.

Me: Hexuba for another round. Awesome!

Hexuba: Yep. It sure is.

Qin: Cool.

Hexuba: I hope you like Toy Org getting in on this

Qin: We sure did and it was cool!

Eli: Yeah it sure was!

Camie: Yep!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!

We got the battles underway.

---

Firebrand was first.

Firebrand (to Kevin): Nico's rescue was going to PS 118, where he battled Curly and taught him some manners. Falchion Falcon transformed as well.

Kevin: Yeah you should have seen it! It was so funny! Everyone did all kinds of funny gags on him!

Irwin: Yo it was really funny!

Blossom: Yeah it sure was! But man that kid Curly has LOTS of problems.

Sunset Shimmer: I think he might have been dropped on his head when he was a baby.

Pipsqueak: (British Accent) Yeah what is wrong with that kid.

Sunburn: No kidding.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Universe 666 Silver Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Silver Rangers brought back by RD Sebastian who has officially lost his sanity.

Merrick and the Silver Rangers also transformed and joined Lincoln and Maria Baliton as well.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion,

Maria Baliton, Lincoln, and The Silver Rangers went after The Universe 666 Silver Rangers, and they fired extremely powerful blasts of rainbow energy, silver energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and

Mythological Animals at The Universe 666 Silver Rangers, and they exploded with incredible power as they hit them.

Then, Lincoln and Maria Baliton attacked them with powerful slashes from their massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Maria Baliton also did the same by firing silver energy slashes from her massive greatsword, and he and Maria Baliton attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 Silver Rangers badly.

Merrick and The Silver Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you all die once more.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 Silver Rangers' chests, and then, Lincoln began absorbing The Universe 666 Silver Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Silver Rangers, and he banished them to The Black Gates. We cheered wildly for what Maria Baliton and Lincoln did as they holstered their massive greatswords on their backs and powered down and Maria Baliton's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long silver wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large silver orbs orbiting around her legs, and massive silver angel wings are permanent.

Maria Baliton: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 Silver Rangers forever, Lincoln, you too, Merrick.

Lincoln: (Smiles Warmly) You're welcome, Maria.

Suddenly, Maria Baliton wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maria Baliton's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the Silver Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and silver flames raging behind them and we cheered wildly. Then, Lincoln and Maria Baliton sucked in and absorbed the elemental forces and silver flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Silver Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Silver Rangers, will they? Not on our watch!

Me: You said it. So, Lincoln, who's the next Daydream Princess we're meeting tomorrow on your rescue?

Lincoln: I've got just the one: Rayna Cosmos, Daydream Humility Princess of Magic.

Selene Arcangela: Awesome, and you guys are going to love meeting her, Rayna Cosmos is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Trixie Lulamoon combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Rayna Cosmos and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Rayna Cosmos trained Lincoln a lot with using the powers of humility and magic, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates that arrogant blowhard, Bradley Uppercrust III, with a blazing passion because of everything he's done and his arrogance was just like the Evil Sasukes, Dark Chandler, and all the other arrogant jerks we dealt with combined, and Rayna Cosmos has put him in his place more than once: which means throwing him in jail like the criminal he is.

Nico: Whoa!

Me: She's always found ways to put arrogant jerks in their place and teach them some humility.

Kangor: Nice thinking bringing Buster in, Mon.

Woody: I thought it would be appropriate.

Dark Leo: It sure was.

Dark Don: And that's the end of Lotso,

Andy: Good boy Buster.

Qin: Yeah.

Spot: But not the other Lotso toys.

Doctor Octopus: Those can stay.

Amy Mercury: I love him.

Beast Man: Now how about more brownies? I call first dibs!

Poromon: Now now. Plenty for everyone. We made more than enough.

Xenia: Awesome.

Nico: Awesome job today everyone.

Applejack: (To the viewers) This was a good adventure y'all.

Me: Yep.

We had fun with the kids and the brownies and later went back home and enjoyed the rest of the day and went to sleep.

Me: File Island. Wow been a while since we were here.

Nico: I know. So many great memories.

Lola: I know. It's awesome.

Camie: Yeah and so many fun adventures for Tai and friends here.

Lana: That is for sure.

Jinx: I'm ready to kick some Evil Digimon butt.

Xenia: Me too.

Nico: Jinx, I want to thank you, Ozzy Ostrich, and your teams for coming

Jinx: No problem Nico. This will be awesome.

Shark: It sure will be fun.

Nico: Shark, remember when we met you, Axel, and the others?

Shark: I sure do. That was so cool.

Qin: Yeah it sure was,

Me: Yep and it was really cool and fun.

Camie: Wow that is awesome.

Shark: It sure was.

Nico: I remember that you Asked Atomic Skull to say the password

Shark: That's right.

Me: That was funny.

Nico: Yeah. It sure was.

Lola: Yep.

Me: Yeah. Man yesterday was awesome and fun.

Laney: No kidding! And we now have finally seen the last of Lotso.

Nico: Those kids were very sweet.

Me: Yeah they sure were.

Camie: And they were so adorable.

Lola: Yeah. Lotso was completely wrong about EVERYTHING.

Nico: Yeah he sure was. All those kids were nice.

Maria: And they loved the mascots brownies.

Nico: We also met toy versions of Twilight and the others.

Twilight Sparkle: We sure did and that was so cool.

Sunset Shimmer: It sure was.

Rarity: Having myself as a toy is really amazing darlings.

Xenia: That was awesome.

Nico: It sure was. Also Lotso REALLY said all kinds of horrible things.

Eli: What a jerk.

Nico: It was fitting for Buster to kill him.

Lola: That it was.

Xenia: Yeah.

Chowder: That was so awesome.

Lola: Yeah it sure was.

Mung: I thought it was cute.

Endive: Oh it would have been fun i Mung was mauled up.

Mung: Oh yeah! Well you are a dumb ugly mad cow!

Endive: YOU TAKE THAT BACK YOU BIG NOSED MORON!

Eli: SHUT UP!

WHAM SMASH!

Schnitzel: RADDA RADDA! (SHUT UP YOU TWO!)

Nico: Nice one Schnitzel.

Schnitzel: Radda Radda. (Thank you Nico.)

Mung: Ouch!

Endive: That hurt.

Schnitzel then grinned and hit Mung and Endive again

WHAM WHAM WHAM WHAM!

He bashed them both twice!

Mung: (Dazed) Truffles you are a stupid moron.

Endive: OUCH! Stop that!

Nico: Okay Schnitzel they get the idea.

Schnitzel: (Pouts) Radda radda! (No fun at all)

Me: (Sternly) What was that Schnitzel?

Schnitzel: (Nervously) Radda radda radda radda. (That was to keep them in place there)

Me: That's what I thought you said.

Maria: You enjoyed that too much.

Schnitzel: (innocently) Radda Radda! (Uh I guess so.)

Qin: Yep.

We then saw someone.

Me: Huh? Look there.

We saw Young Tai looking after Young Kari who was really sick.

Me: Oh man!

We went over.

Me: Tai is everything okay?

Young Tai: No it's Kari.

Varie: She doesn't look so good. Good thing I'm a doctor.

She looked over her.

She coughed.

Varie: Oh man.

Me: What's wrong?

Young Izzy: She is really sick.

Tai: "It's Kari, she almost died once before because of me." Izzy, Tentomon and Agumon: "Huh!?" Tai: "It happened when she was four or five, just a little kid. She stayed home from kindergarten one day because she was sick.

Tai: I mean, I knew she was sick, but all I could think about on the way home was playing soccer."

Younger Tai: "Hey, I'm home!" Younger Tai got home and found her sick.

Tai: "I wanted to go out and play, but I didn't want to leave her by herself, so I took her outside with me. She seemed okay, really she did."

Younger Tai took her outside to play.

Young Tai: "Now watch me, just like that. No, that's not right… Kari? Kari!" Kari collapsed and was rushed to the hospital.

Mrs. Kamiya: "What could you have been thinking!? You knew she was sick!" Mrs. Kamiya slapped him and cried.

Tai: "She ended up with pneumonia, or something. She almost didn't make it, but what really kills me is what she said when they brought her home from the hospital. The first words out of her mouth…"

Younger Kari: "Tai, I'm sorry I can't kick the ball very good. You'll probably never want to play with me again."

* * *

Young Tai: "That's her, that's Kari. She never thinks about herself. It doesn't matter if she feels bad or if she's bummed out about other stuff, she's always worried about the other kids. She wouldn't be sick, she'd be just fine if she never came to this stupid place, but she came because she knew that we needed her help. You never thought about what she wanted. She never does!"

Young Izzy: "Because she cares." Young Tai: "She's a kid! I'm her big brother, I'm supposed to look after her and protect her and think of what's best for her! That's what I'm supposed to do!"

She groaned.

Nico: I remember how sick she got when I first met her. This was awful.

Laney: Poor Kari.

Me: I'm sorry Tai. You were just doing what you thought was best for her as a loving brother.

Nico: Nothing wrong with that.

Varie: Tai it wasn't your fault. You just love your sister.

Nico: Yeah. Kari couldn't go to camp with everyone because she was sick back then.

Xenia: Oh man.

Nico: I'm sorry Tai. If it's any consolation I know how you feel myself. I'm a bring brother too. And I love all my siblings as much as you love Kari. I know how you feel myself. Here.

Nico channelled some of his energy and power into her and it healed her and made her better.

Young Izzy: You're all better!

Young Kari: Yeah! What happened?

Nico: I healed you and made you better.

She hugged Nico.

Nico: But just in case, should I call the mascots here?

Me: That's a good idea.

Nico did so and called the mascots.

Poromon: We're here.

Me: Awesome.

Young Kari: Poromon!

She hugged him.

Me: Aww.

Nico: Yeah.

Poromon snuggled up to her.

Young Kari: I'm okay now. Thanks to all of you

Lincoln: Okay, guys, we got ourselves a huge emergency that no one is going to like in the slightest: we got word that the dark version of Matt from back when Tai and the group first came to File Island is here, and he's out to kill Tai.

WE GASPED!

Nico: Oh shit, not him again!

Me: Oh boy, he's not going to stop, is he?

Lincoln: No, he's not.

Magnamon: We'll make that dark version of Matt pay for trying to kill Tai, Lincoln.

Kari: You bet we will.

Suddenly, the rest of the team arrived.

Lori: Lincoln told us everything with a telepathic message, I can't believe that murderous monster's come back.

Nico: We'll show that little shrimp what for, Lori. Lincoln, I hope you got some awesome new techniques to show us.

Lori: We do.

Lincoln: Yep.

Me: Man I remember you telling us how bad Matt was like this.

Nico: Yeah. He was made this way because of the separation of his mother and father and brother.

Lola: Yeah.

Sunset Shimmer: Divorce can do that to people and it's not a pretty sight.

Nico: No it isn't.

Sunset Shimmer: Yeah.

Sunset Shimmer then heard a Pokemon cry.

Sunset Shimmer: Huh? Hey look.

We saw a DIALGA!

Me: Whoa Dialga!

Nico: Wow!

Dialga: Yeah I hurt myself.

Sunset Shimmer touched him and then saw into this mind and it was DARK MATT that did it!

Dialga: Dark Matt did it!

Xenia: That monster!

Matt: I can't believe that I was like that. I was a total monster all because of my Separation Anxiety issues.

Nico: I know.

We got to healing Dialga.

Nico: You okay now?

Diagla: Yes thanks to you guys.

Nico: No problem.

Sunset Shimmer: Want to come with us?

Dialga: Sure.

Nico: Great!

We got to finding Dark Matt.

We got to searching and then suddenly we felt THIS INTENSELY MASSIVE ENERGY SIGNAL!

Me: WHOA!

EVERYONE GASPED!

Me: WHOA! What in the world is emitting that intensely strong energy!?

Nico: I don't know! But this power is unreal!

Piccolo: Holy smokes! What incredible power!

Goku: I've never felt anything this strong before!

Laney: Wow me neither!

Maria: Lets worry about that later.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Dark Matt) AHA! Gotcha! I just spotted Dark Matt, he's 20 yards away, and now that he's picked up on Tai's presence, he's heading right for him.

Nico: Let's tear him apart limb from limb!

Lincoln: Gladly. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Me: I'm getting REALLY sick and tired of these thugs that mutant cheapskate is sending!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower

body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Dark Matt.

We were flying in the air, and we landed and started looking for Dark Matt.

Nico: Be ready for anything.

Lincoln: Alright, keep your eyes peeled, he's here somewhere.

Nico: Yeah, there's no telling where he's at.

?: TAI, I'M GONNA KILL YOU!

Then, we saw Dark Matt.

Me: There he is!

Lincoln: Now, let's tear him apart.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles bulged and grew even bigger and white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the large white wolf ears with rainbow markings on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail with rainbow markings above his white wolf tails, his claws on his fingers surrounded by his golden-armored finger claws, his large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind his head turned midnight blue, and he let out a powerful howl as Lincoln transformed into Lincoln The Nocturnal.

Lincoln: (Beastly Voice) Alright, you rotten little monster, hope you're ready to get another thrashing. (CRACKS KNUCKLES)

Me: Let me join in too, Lincoln, I've been wanting another shot at this monster.

I let out a growl as lighter brown fur begin growing on my abnormally massive and powerful muscular body with tan fur growing on my massive and wide muscular pecs and eight pack abs and my nose changed to a wolf's nose and muzzle and my abnormally massive and powerful upper and lower body muscles bulged and grew even bigger, my blue eyes had slit pupils, my rainbow wolf ears on top of my head turned brown, I still had claws on my fingers surrounded by my golden-armored finger claws, my eleven massive and long rainbow wolf tails turned brown, and my large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind my head turned midnight blue, and I let out a powerful howl as I transformed into J.D. The Nocturnal.

Me: (Beastly Voice) Let's get 'em, Lincoln. (CRACKS KNUCKLES)

Lincoln and I pounced on Dark Matt, and we proceeded to give him such a brutal thrashing and it was so brutal, we were enveloped in a massive fight cloud!

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS! WHIP CRACK! SMACK! BANG!

BLARGA FLARGA!

Nico: OH SHIT! THIS IS ONE NASTY AND MASSIVE WOLF FIGHT!

Lincoln and Me: (Beastly Voice) EAT BOOT, BITCH!

Lincoln and I kicked Dark Matt hard out of the fight cloud and sent him flying straight into a diamond wall Lincoln formed, he got back up, but now, he was NTH-DEGREE MEGA PISSED OFF!

Kari Kamiya: Okay, guys, you had your fun.

Sora Takenouchi, Mimi Tachikawa, Mallow, Miranda Mureau, and Lillyvoir: Now, it's our turn.

Nico: That's right!

Nico went over to Dark Matt!

Nico: What the hell is your problem Matt!? Why do you hate Tai so much!?

Dark Matt: Tai's the one with the loving parents!

Nico: What are you talking about? Yeah he has loving parents and you don't!? That's utter bullshit! Your father and mother love you so much!

Dark Matt: THAT'S A LIE! THEY NEVER LOVED ME! ALL THEY DID WAS LEFT ME ALONE! THEY TOOK T.K. AWAY FROM ME! I HATE THEM SO MUCH! THEY NEVER LOVED ME ONE BIT!

Nico: No you are totally wrong in every sense of the word! Your mom and dad loved you very much and they loved you and T.K. Equally! They could NEVER abandon you!

Dark Matt: NO! I WILL NEVER BELIEVE THAT! I WILL KILL TAI AND TAKE AWAY EVERYTHING THAT MAKES HIM WHAT HE IS!

HE ROARED AND CHARGED AT HIM!

Nico: I feel sorry for this kid!

Dialga charged at him and fired a Roar ofTime Blast and it hit him and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was smashed down!

Nico: Matt listen to yourself! Do you honestly think that your father wanted to separate from Nancy!? Absolutely not! Fate dealt you some bad cards when the incident at Highton View Terrace reared its ugly head!

Dark Matt: DON'T YOU DARE TALK ABOUT THAT!

Nico: Because it's the truth! You aren't the only one that suffered the way you did! When my home planet, Vegeta, was destroyed by Frieza and I lost almost all my people, I thought I would be the last of my kind! But I found out I wasn't when I met Kakarot, Vegeta and everyone on Team Loud Phoenix Storm! J.D. and everyone gave me what you had lost! And that is friendship and a loving family! You still have your father and you still have T.K. And your mother! They love you! And Tai treats you like a brother! He was doing his best to give you the love you lost yourself!

Horsea went up to him and squirted ink into his eyes at point blank range!

He blinded him.

Me: Nice one!

Maria patted Horsea on the head.

Horsea: Thanks.

Suddenly, the eyes of Kari Kamiya, Sora Takenouchi, Mimi Tachikawa, Mallow, Miranda Mureau, and Lillyvoir turned neon, and they were surrounded by colored energy auras with stars, fire, flames, plants, leaves, flowers, phoenixes, dryads, and angels, and as they approached Dark Matt, they left colored energy, stars, fire, flames, plants, leaves, flowers, phoenixes, dryads, and angels with every step.

Mimi Tachikawa: I've absolutely had it up to hear with you, you good-for-nothing violent and murderous little bastard, no one ruins my boyfriend's name and gets away with it!

Sora Takenouchi, Mallow, Miranda Mureau, and Lillyvoir: And now, we're going to make you pay dearly for trying to kill Tai and send you straight to Hell!

SUDDENLY, EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSIONS BLASTED OUT OF MIMI TACHIKAWA, SORA TAKENOUCHI, MALLOW, MIRANDA MUREAU, AND LILLYVOIR WITH SUCH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000 UNIVERSES FELT IT, AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO POWERFUL RAINBOW FIRE PHOENIXES, RAINBOW FIRE DRYADS, AND RAINBOW FIRE ANGELS! IT CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIXES, RAINBOW FIRE DRYADS, AND RAINBOW FIRE ANGELS WENT BACK TO EARTH AND MIMI TACHIKAWA, SORA TAKENOUCHI, MALLOW, MIRANDA MUREAU, AND LILLYVOIR GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Kari Kamiya, Sora Takenouchi, Mimi Tachikawa, Mallow, Miranda Mureau, and Lillyvoir were surrounded by massive vortex of colored energy with stars, fire, flames, plants, leaves, and flowers surrounding the vortexes, there are phoenixes, dryads, and angels flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at Dark Matt: the red eyes of eternal death.

Nico: WHOA!

Me: (Beastly Voice) THAT'S INCREDIBLE!

Lincoln, Kari Kamiya, Sora Takenouchi, Mimi Tachikawa, Mallow, Miranda Mureau, Lillyvoir, Maria Hernandez, and I went after Dark Matt, and we fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Curly, and they exploded with incredible power as they hit him.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Maria Hernandez, Kari Kamiya, Sora Takenouchi, Mimi Tachikawa, Mallow, Miranda Mureau, Lillyvoir, and I fired powerful blasts of energy, darkness, plants, fire, flames, leaves, and planets at Dark Matt, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Lincoln holstered his massive greatsword on his back, and then, he ran at Dark Matt, and he proceeded to tear him apart by ripping into his flesh with his gold-armored sharp claws and he screamed in agonizing pain, and one more swipe from Lincoln's claws tore a hole into Dark Matt's stomach and caused his guts to spill out.

Rachel Raziel Hernandez: Oh God! EVERYONE COVER YOUR EYES!

We heard the yell and we covered our eyes and Twilight Sparkle used magic and made us all sound-blocking earmuffs, and then, Lincoln did the one thing we hadn't seen since the battle against The Harvester.

LINCOLN BEGAN EATING DARK MATT'S SPILLED ORGANS ONE BY ONE, HE ATE HIS LIVER, STOMACH, INTESTINES, AND LUNGS! HE THEN PLUNGED HIS HAND DEEP INTO DARK MATT'S CHEST AND TORE OUT HIS HEART AND HE DEVOURED IT! HE EVEN TORE DARK MATT'S HEAD OFF ALONG WITH HIS SPINAL COLUMN AND HE RIPPED THE TOP OF HIS HEAD OFF AND ATE HIS BRAIN AND EYES!

Then, Lincoln change back and was covered in blood and he banished Dark Matt to The Black Gates for good. Everyone cheered wildly as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, 28th Century silver Miracle Box backpacks, Third Eye, eleven massive and long wolf tails, large gold halos with four orbiting gold rings on each corner behind their heads, twelve large colored planets orbiting around their legs, and massive colored angel wings of Kari Kamiya, Sora Takenouchi, Mimi Tachikawa, Mallow, Miranda Mureau, and Lillyvoir are permanent.

Nico: That was really gruesome and bloody!

Me: Big time. So, Lincoln, are you going to introduce us?

Lincoln: I was just about to do so.

Michelle Hernandez: Actually, leave this to me, Lincoln. Everyone, this is Maria Hernandez, Avatar of Armityle the Chaos Phantasm, she's Lincoln's Guardian Angel and friend from church. She's the second oldest sister of Michelle Hernandez, Gene-Slammer of Red-Eyes Zombie Dragon, and cousin of Ariane Hernandez, Gene-Slammer of all The Sacred Beasts. She's a very powerful force of darkness and was born with the powers of darkness, dark fire, dark magic, black magic, and Satanic Magic, along with a gift of using dark magic spells and dark curses and the powers of Heaven and Hell, and she's also the Avatar of Armityle, The Chaos Phantasm and she's also a master of a very powerful curse known as The Hellish Chaos Phantasms of Eternal Damnation, that kind of curse is meant for the most blackest of souls, and once it reaches their heart, that person will have their soul devoured by Armityle, the Chaos Phantasm and their body will be sent to the depths of Hell for eternity. She met Lincoln when he fell into that deep depression even after the Policeangel Sisters stopped that insidious plot Lori, Lynn, Lola, Lisa, and Luan made to turn all of Royal Woods against him, and he began questioning whether or not he's even meant to be alive. It was a deep wound to the heart that Maria couldn't ignore, she took Lincoln to church and she began helping him spiritually and mentally, and he began to get better spiritually and mentally. Lincoln made Maria a beautiful necklace, and to show thanks, she kissed him on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem, and Maria hates Lori, Lynn, Lola, Lisa, and Chandler with a searing blazing passion, the reason why is because one day when Lincoln and Maria were at church, those despicable cretins threw a bomb inside the church to kill Lincoln, Maria, and everyone in there, but Lincoln and Maria got everyone out safely, and they also disabled the bomb. Then, they saw them trying to escape and Lincoln and

Maria charged at them and viciously pulverized them and Lincoln tied them up after he electrocuted them and knocked them out. Lori, Lynn, Lola, and Lisa got grounded for eight months and Chandler got sent to jail, and Maria also swore if they tried that again, she would make sure they're the next victims of The Hellish Chaos Phantasms of Eternal Damnation.

WE GASPED!

Me: Whoa, she's a powerful force of darkness alright, awesome.

Nico: (GASPS) Oh man, I remember your sister all too well!

Natasha Hernandez: We remembered her all too well, Nico, Maria's really powerful and a very deadly force of darkness even more than Ariane, and I can't believe those fucking animals tried to do that again!

Lincoln: Yeah, their Dark Sides were blasphemous heathens and were willing to destroy churches to kill me and my Guardian Angels, so they were doomed to eternal damnation from the start, and it's so good to see you again, Maria.

Maria Hernandez: You too, Lincoln, and wow, you've really grown into an amazing and awesome young man in the last seven years!

Lincoln went up to and hugged Maria Hernandez in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Maria Hernandez with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck. Maria Hernandez knew what this was as Lincoln leaned down to her face and kissed her on the lips and she returned it as we cheered wildly for them.

Young Kari hugged Poromon.

Poromon: I'm all right.

Nico: Yeah. He dodged his hit.

Matt: But at least we're rid of that dark me.

Xenia: No kidding there.

Camie: Yeah he hated Tai with a vengeance. He was not going to listen to reason at all.

Nico: Nice job Dialga!

Dialga: Thanks Nico. It was fun and awesome.

Nico: It sure was.

Poromon got out a beer bottle.

Dialga: Poromon no thanks but I don't drink beer.

Poromon: Oh. Okay then.

Poliwag did the puppy eyes.

Dialga: Nice try Poliwag but that won't work on me.

Poliwag: Darn.

Manaphy: (jealous) Oh no, Poromon. Just keep on cuddling up to your new friend. I don't fucking mind!

May: Manaphy! Kari just loves him as a friend.

Nico: Yeah.

Young Kari: It's true.

Manaphy: Oh. Sorry. Sorry about that.

May: I'm sorry, Manaphy can get jealous sometimes.

Young Kari: No worries about that.

Nico: Good. But what I want to know is what that power was.

Me: Yeah that power was huge!

Xenia: No kidding.

Maria: Yeah! Where did that power come from?

Nico: It's a mystery.

?: No it isn't!

A figure flew in and it was a girl with black hair and she had red eyes and had black clothes and black dragon angel wings and had the symbol of Omega in the middle of her forehead and she had a sword with all 7 dragonballs in it and had a necklace with the symbol of Omega on it.

Orla Omega Shenron: Orla Omega Shenron - Embodiment of Omega Shenron and the avatar of the Shadow Dragons.

Me: WHOA! Your power is incredible!

Nico: WOW! That energy was coming from you?

Orla Omega Shenron: That's right. Not only am I the Embodiment of Omega Shenron with the powers of all 7 of the Shadow Dragons but I'm also something far more.

Nico: What more do you have?

Orla Omega Shenron: I'm also the gene-slammer of all 12,450+ Duel Monster Cards, 25,000+ Magic The Gathering Cards, 1,021+ Pokemon, 1,469+ Digimon, All the Mega Man Robot Masters and Mavericks, Ben 10 Aliens and Skylanders.

WE GASPED IN UTTER SHOCK!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Most of our jaws dropped to the ground and Eli picked them up!

Nico: HOLY SHIT!

Qin: YOU HAVE ALL THOSE POWERS INSIDE YOU!? What kind of power has Team Rocket made into you!?

Me: An incredibly really powerful one!

Orla Omega Shenron: I know. I was really shocked with the kind of power I have myself.

Goku: That is incredible!

Me: No kidding there!

Orla Omega Shenron: Yeah you could say that not even some of your most dangerous enemies could be enough to take me down.

Me: That is awesome!

Nico: It sure is! With all those powers and abilities inside you, you could be one of the most powerful forces we've seen.

Xenia: Yeah!

Me: Would you like to join the team?

Orla Omega Shenron: I would be honored.

Me: Awesome.

Nico: Great!

Me: Yeah!

Nico: That was cool though.

Me: Yep.

Young Kari: Thanks for helpingme get better guys.

Me: Aw no problem Kari.

Poromon: It was our pleasure.

Me: Yeah.

Nico: But at least we helped Matt destroy his demons.

Matt: That is true.

Poromon: He tried to swat me!

Nico: But you were faster.

Poromon: I sure was. Wow.

Nico: Yep.

Manaphy: Serves him right!

Me: Yep. Now comes the fun part. The Anothers.

Xenia: Yep.

Eli: (Concentrates) WHOA! We got Ozzy Ostrich, Endive, Real American, Blackjack, Lobster Dopant, Porcupine Nezilar, Reuben, Truffles, Peking Duck, Glomburger Cheese and Lightning Bolt (Chowder).

Nico: WHOA!

Chowder: Wow! All enemies we have.

Mung: Wow! That is cool.

Nico: Who's up?

Me: Jinx, Shark, Mung Daal, Chowder, Schnitzel, Gazpacho, Felicia Flare Firestar, Crimson Napalm, Yuji Kiba, Melanie Minty and Celestia Ludenberg.

Qin: WOW! This will be fun.

Flurry Heart: It sure will.

Then Flurry Heart, Fancy Pants, Sunburst, Snowdrop and Lily Lace started glowing.

Nico: WHOA! Your cutie marks. We know what that means.

Eli: Yeah and I sense that the anothers minus Ozzy Ostrich are 5 people.

Nico: Nice!

Qin: Yeah.

Nico There they are!

We saw Endive, Real American, Blackjack, Lobster Dopant, Porcupine Nezilar, Reuben, Truffles, Peking Duck, Glomburger Cheese and Lightning Bolt (Chowder)!

Nico: WHOA!

Mung: Whoa Endive your ANOTHER SELF is as UGLY As you are!

Endive: Oh shut up Mung!

Another Blackjack: (In a girls voice) This will be so fun!

Another Lobster Dopant: (In a girls voice) Yeah!

They merged and split into 5 figures and they were girls that were the Embodiments of Fancy Pants, Lily Lace, Snowdrop, Sunburst and Flurry Heart!

Faye Fancy Pants: (Posh Accent) I say. I am Faye Fancy Pants.

Lillian Lily Lace: Lillian Lily Lace.

Selina Snowdrop: Selina Snowdrop.

Crystal Sunburst: Crystal Sunburst.

Faith Flurry Heart: Faith Flurry Heart.

Flurry Heart: Wow! It's an honor to meet my embodiment.

Faith Flurry Heart: Same here.

Lily Lace: Wow! You all look amazing.

Lillian Lily Lacy: Same to you Lily.

Sunburst: Wow this is a really amazing honor.

Crystal Sunburst: It sure is.

Me: Yep. By the way is the Another Ozzy Ostrich friendly or hostile?

Selina Snowdrop: Half and Half. You'll see why soon.

Me: Okay.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and was separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Nico: And now we wait.

Lola: Yep.

Me: It's not gonna be long!

We saw ANOTHER OZZY OSTRICH!

Me: Another Ozzy Ostrich!

Qin: Nice!

Another Ozzy Ostrich: (In a girls voice) Lets make this a fun one!

It reverted back and split in twoand it was 2 girls! They both had red hair and green eyes and had carnival clothes and had tiaras with the Cutie Marks of the Flim-Flam Brothers on them and on their skirts and had Bling Bling Magiswords in their hands!

Felicia: Felicia Flim-Flam

Faith: Faith Flim-Flam!

Felicia and Faith: EMBODIMENTS, GENE-SLAMMERS AND LEGACY OF THE FLIM-FLAM BROTHERS! Pay us lots of money!

We gasped!

Applejack: I was not expecting those thieving rotten apples to get legacies!

Eddy: (LAUGHS) You girls are in every way like me no doubt.

Felicia Flim Flam: We sure are. We scammed 600 evil rich folks out of their money and made them broke.

Faith Flim Flam: We conned them with fake jewels.

Me: OOH! Cunning and conniving.

Nico: Yeah.

Me: Wait I remember seeing you girls! You're the 2 most notorious Con Artists in the world. Responsible for stealing the fortunes of lots of evil crooked rich folks and keeping it all for yourselves.

Eli: WHOA!

Felicia Flim Flam: That's right!

Faith Flim Flam: We only go after the most evil of rich folks.

Me: Wow!

Eddy: (LAUGHS) You girls REALLY are like me in every way possible. Man those evil rich folks are absolute saps!

Felicia Flim Flam: They sure are. But they are Not as beautiful and handsome aswe are.

Faith Flim Flam: Yeah to be that cunning you have to be extremely beautiful.

Ozzy Ostrich: Well said ladies!

Me: Yeah.

Felicia Flim-Flam: And is Eddy really like us in every way?

Me: You better believe he is. I can think of LOTS of reasons on that one.

Eddy: Yeah no kidding! But unlike you girls I scammed kids for Jawbreakers.

Faith Flim Flam: Small ones?

Me: No not those. Eddy said those are pathetic. These are big ones as big as your head.

Felicia Flim Flam: That makes much more sense.

Kaito: (gets out Hurricaneger gear) Did Swartz promise you anything?

Zocks: (gets out Gaoranger gear) Because we can grant it instead.

Kaito and Zocks got a Wild Force Sword and Ninja Storm Sword.

Felicia Flim Flam: No he didn't because we conned him out of this.

She pulled out an ancient book.

Me: What book is that?

Felicia Flim Flam: Take a look.

She gave it to me and it was a book called The Chronicles and Magic of Skyros.

Me: The Chronicles and Magic of Skyros?

Princess Celestia: (GASP) That was a book from the homeland where me and Luna came from!

Princess Luna: How did he find that?!

Me: Boy that is a good question!

Faith Flim Flam: We found out that he was going to make Another Alicorns.

WE GASPED!

Xenia: Another Alicorns!? Oh man!

Me: From what I read about it, that was the Ancient Sovereignty Land of the Alicorns and that place doesn't even exist anymore.

Nico: Yeah. But that was clever.

Me: But maybe this will have all the info we can learn about on what it was like in Skyros.

Nico: Yeah.

Sougo: (gets out Ninja Storm Ridewatch) Amazing how you got that book!

Geiz: (gets out Wild Force Ridewatch) How did you con him out of it?

Sougo got NinjaStormRedArmor while Geiz got WildForceRedArmor

Felicia Flim-Flam: We conned him with a room full of Turkish Delights.

Blossom: (LAUGHS) He sure was gullible.

Me: And lemme guess, he got a room full of cardboard and frosting.

Faith Flim-Flam: Bingo.

WE LAUGHED!

Eddy: (LAUGHS) What a sucker and a sap!

Me: That was clever and sneaky!

Sakura Knudson: That explains why I found his lab a mess and empty.

Nico: Nice!

Lincoln: Lets separate you first.

We did so.

Nico: (Gets out Ozzy Ostrich's Ridewatch) Time for Ostrich Power!

May: (Gets out Real American's Ridewatch) Time for some America power!

Maria: (Gets out Lobster Dopant's Ridewatch) This will SNAP YOU

OUT OF IT!

Shark: (Gets out Endive's Ridewatch) Mung is a big fat big nosed moron!

Mung: HEY! ENDIVE!

Mung jumped onto Endive and pulverized her all over!

We used the powers of Endive, Real American, Blackjack, Lobster Dopant and Porcupine Nezilar and blasted the Another

Il Lupo, Storm Eagle, Launch Octopus, Schnautzel, Hot Hootz and Kowalee came.

Nico: Whoa! Nice team Il Lupo!

Il Lupo: Thanks Nico.

Nico: Yeah!

?: Awesome!

Then Jet Stingray came!

Me: Jet Stingray!? Whoa!

Jet Stingray: (In a girls voice) And I'm ready for this.

Nico: Noriko Stingray!? Whoa!

Noriko Stingray: Yep. I got this.

She fried a wave of energy and blasted the Another and I caught the ridewatch and purified it.

Me: Yeah!

Nico: Nice job!

Noriko Stingray: That was fun!

Me: Yep.

Noriko Stingray: Oh and I'm naked.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt?

Noriko Stingray: I know.

Me: Here we go.

I snapped my fingers and she doubled in pain and then…

PROJECTILE VOMIT!

She threw up and instead of May it hit EDDY!

BLECH!

She reverted back and was a girl with purple hair and had purple eyes and had purple angel wings and had A symbol of a stingray in front of a nebula in the middle of her forehead.

Noriko Stingray: (Groans) That hurt. (GASP) OH MAN! SORRY wait Eddy? I hit you?

May: YAY! Wait uh oh.

Noriko Stingray: JUST GET ME SOME CLOTHES BEFORE EDDY PULVERIZES ME NAKED!

Rarity: We're coming darling!

The fashion brigade gave her purple clothes.

Noriko Stingray: Ahh that's better!

Eddy: You… YOU! I'LL DESTROY YOU!

Eddy was about to go after her when Ed and Luan grabbed him!

Eddy: WAIT TILL I GET MY HANDS ON YOU!

Luan: At least it was just Vomit! It could've been worse!

Eddy: I WILL KILL YOU!

Nico: EDDY STAND DOWN!

Eddy: But Nico…

Nico: I know! But it was an accident!

Laney grabbed Mung and Endive with her vines.

Lana: This was a crazy rescue.

May: At least She didn't hit me.

Nico: it wasn't like with the cursed phone!

Qin: True.

Shark: Do you have a favorite memory of Nico?

Noriko Stingray: When me and Nico had a fun time at the aquarium and we pet the stingrays.

Nico: Yep.

Qin: That was fun.

Camie: Nice.

Nico and Noriko hugged.

Nico: I've missed you.

Noriko Stingray: Same here.

We later went back home.

Me: Whoa, so now, we're dealing with the hypothetical Akuma of your friends and future wife.

Nico: Oh man, what's her story?

Lincoln: She was created due to being enraged because everyone was making fun of her Abuela's tamales and she vowed to make sure people loved them.

Ronnie Anne: Yikes! Now, that's major harsh, and she's also got tamale powers. But, there had to be a reason behind that.

Lincoln: Yep, it was due to a lie told by that wild out of control troublemaking filthy animal, Becky Blickensderfer.

Nikki: I knew she'd be behind that! That little… !

Jinx: Seriously, she has a death wish! I'm glad her little brother isn't like her anymore, he wanted to change.

Lincoln: And he and Mrs. Blickensderfer are glad Becky Blickensderfer the Terrible is in prison for good along with her friends. Now, let's get after Mad Tamale.

Nico: Yeah, I got a craving for tamales!

Suddenly, we saw a very beautiful and super sexy girl with long white hair and light blue headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Magic Skylanders and Trixie Lulamoon's cutie mark on her right arm she has massive and beautiful sapphire blue angel wings, she's dressed in a sapphire blue sleeveless blouse, necklace with dark blue gem for the pendant, white bridal gloves, sapphire blue fancy skirt, light blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, cosmos, magic, Alicorns, phoenixes, and angels on the coattails and on the back is the symbol of The Magic Skylanders and Trixie Lulamoon's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, gold chain for guard, and gold pointed tip for the pommel, and with her are the seven girls.

Lincoln: (GASPS) Rayna Cosmos, Daydream Humility Princess of Magic.

Rayna Cosmos: That's right, and I rescued the girls and got them away from Mad Tamale, and helped all the ponies recover, she fed them Fireball Tamales and they were running with fire in their mouths, so I cooled them down by firing water into their mouths.

?: YOU WILL SUFFER FOR RUINING MY FIREBALL TAMALES!

We then saw our target, Hot Tamale, and boy was she on one fiery rampage!

Then, Lincoln fired waves of ladybugs and red fire which hit Mad Tamale and knocked her down and she was tied up and thrown to Vypra. We cheered as we holstered our weapons and powered down.

Lincoln: That's one of my Akumatized friends down, and we now got the Akumatized forms of Liam, Rusty, Zach, Clyde, Mom, and Dad to go. (To Rayna Cosmos) And it's so good to see you again, Rayna.

Rayna Cosmos: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Rayna Cosmos as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Rayna Cosmos was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Rayna Cosmos: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Rayna Cosmos and he hugged her, and Rayna Cosmos is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Rayna Cosmos: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Rayna Cosmos, Daydream Humility Princess of Magic, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Trixie Lulamoon combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Rayna Cosmos and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Rayna Cosmos trained Lincoln a lot with using the powers of humility and magic, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates that arrogant blowhard, Bradley Uppercrust III, with a blazing passion because of everything he's done and his arrogance was just like the Evil Sasukes, Dark Chandler, and all the other arrogant jerks we dealt with combined, and Rayna Cosmos has put him in his place more than once: which means throwing him in jail like the criminal he is.

Nico: Wow, that's incredible.

Lincoln: When it came to punishing bragging arrogant jerks with big egos who have a habit of opening their big fat mouths, Rayna is an expert when it comes to that, and now that you're here, Rayna.

Lincoln went up to and hugged Rayna Cosmos in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Rayna Cosmos: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Rayna Cosmos with sapphire blue gems on the gold lightning bolts and sapphire blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Rayna Cosmos: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rayna Cosmos, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Rayna Cosmos's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Rayna Cosmos had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Kyouko Itami, Chie Misono, Nozomi Misono, Kaori Norikawa, Yuuri Tsukaji, Ryouko Katsurai, and

Mayuko Jinnai from Kyonyuu Mama-San Volley Team No Yuuwaku.

Lincoln: Oh wow, it's Kyouko Itami, Chie Misono, Nozomi Misono, Kaori Norikawa, Yuuri Tsukaji, Ryouko Katsurai, and Mayuko Jinnai from Kyonyuu Mama-San Volley Team No Yuuwaku.

Ed Cowart: Whoa, you just saved another group of voluptuous girls from that rampaging Akuma.

Zackary Nightingale swung his Zackary Nightingale's Cosmic Eternal Crimson Red Firestorm Defender Celestial Magic Heavenly Red Wolf Phoenix Angel Mage's Staff of Cosmic Eternal Crimson Red Firestorm Defender Celestial Magic Heavenly Red Wolf Phoenix Angel Justice, and this time, he landed a hit on Ed Cowart's head hard and left a lump on his head.

We winced and Lincoln gave Ed Cowart a block of ice he made and put it on his head.

Valencia Nightingale: I told you he's a hard-ass!

Lincoln: Yeesh. Are you girls okay?

Kyouko Itami: Yes, we're okay, thanks to you.

Then, when Kyouko Itami and the other six girls saw who it was that saved them from Mad Tamale, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf

Kyouko Itami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kyouko Itami: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kyouko Itami, Chie Misono, Nozomi Misono, Kaori Norikawa, Yuuri Tsukaji, Ryouko Katsurai, and Mayuko Jinnai with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Mad Tamale, the hypothetical Akuma of Ronnie Anne Santiago.

But, when Lincoln showed what we did in beating her down and Lincoln firing waves of red fire and ladybugs at her that took her down and sent her to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Rayna Cosmos have a lot of catching up to do, now that she's back in town.

Maria: Man, you guys sure had an awesome time taking down Ronnie Anne's hypothetical Akuma form.

Lincoln: She was one tough opponent with those tamale powers of hers.

Nico: No fooling, especially those spicy Fireball Tamales, those were potent.

Me: But, still, that was interesting. So, tomorrow, the next

Hypothetical Akuma villain we're going after is Liam's. But, why do I got the feeling that blood's going to be spilled tomorrow?

---

After we took down Mad Tamale, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Rayna Cosmos saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Rayna Cosmos: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank

at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Rayna, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Rayna Cosmos: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Rayna Cosmos: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Tracey Mink: What a hunk.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was an old enemy of The Kawaii Sisters, a dangerous male Dark Goth by the name of Damian Doragon.

Angel Kawaii: Oh no, Damian Doragon?!

Nico: You all know him?

Lincoln: Wish we hadn't, Damian Doragon is a dangerous male Dark Goth who's just as much a threat as Damian Alaister and The Church of Necrom. We defeated him and sent him back to Hell, but it looks like he's returned. We need to stop him now.

We flew out and Lincoln fired rainbow energy balls that hit Damian Doragon and he got pissed off when he saw Lincoln, The Kawaii Sisters, his harem, and all of us!

Damian Doragon: (DEMONIC VOICE) YOU! I DON'T CARE HOW MANY OF YOU ARE THERE AND HOW POWERFUL YOU ALL ARE, I WILL DESTROY YOU ALL, TEAM LOUD PHOENIX STORM, AND ALL OF HUMANITY WILL BE ERADICATED!

Lincoln: Go to Hell, Damian.

Lincoln got out the Dark Destroyer, and he lashed at Damian Doragon which instantly killed him and because of the incredible amount of evil in his heart, his soul was sent to The Black Gates. We returned home to The World Tree Estate and continued our workouts.

Jackie Wren: It's been a long while since you used The Dark Destroyer, Lincoln.

Lincoln: It sure has, but that whip is still as deadly to the truly irredeemable and truly evil.

Me: No fooling, that whip sure is powerful.

Nico: The Kawaii Sisters sure made one deadly whip, it's as lethal as The Vampire Killer.

We got a shower, and then, Lincoln, Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode are heading to Plack Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9",

handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Roulette: Wow, so this is Plack Beach. It sure is beautiful.

Lincoln: It sure is, Roulette, and it's perfect for our first date. Shall we?

Lincoln, Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Plack Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode are in your harem, Linky.

Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Jupiter, Mars, Gi, Simulator Linka, and Simulator Mona, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember

when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for another Super Mario Odyssey adventure.

Me: Now it's Cascade Kingdom for Round 3.

Qin: Yep.

Roach: Me and Lightning will go with.

Nico: Okay.

They went in and the simulator activated and they were in CASCADE KINGDOM for round 3.

Nico: Any tips Nicole?

Nicole: (On the radio) Well you guys are going after Hammer Koopas there so there's a bunch of them running around. Just blast them like you always do.

Nico: Okay.

Nico: Keep your eyes peeled.

They flew and saw numerous HAMMER KOOPAS!

Nico: There they are!

Roach: Lets rip them apart!

Nico: Keep your eyes peeled.

They flew and saw numerous HAMMER KOOPAS!

Nico: There they are!

Roach: Lets rip them apart!

Nico: (gets out Ozzie Ostrich and Dj Stylbator's Ridewatches) Time for this ostrich to make some noise!

Nico activated them and fired waves of eggs and blasted the Koopas all over.

Nico: YEAH!

?: (ECHOING) ELECTRO SHOCKER!

A ball of lightning flew in and it hit the Koopas and blasted them down.

Nico: What the!?

Kabuterimon and a girl with brown hair and blue eyes and red clothes and she had purple wings and a tiara with the symbol of Clown Man on it flew in.

Chloe Clown: Chloe Clown! Embodiment of Clown Man.

Sora: Awesome!

Kari: Wow! Awesome!

Chloe Clown: Awesome to see you again Sora and Kari!

Kabuterimon: (In a girls voice) And Its been a while Nico.

Nico: Kira Kabuteri! Wow!

Roach: AWESOME!

Kira reverted back and was a girl with purple hair and purple eyes and had purple clothes and had purple butterly wings and she had a

Mega Drill Magisword in her hand. And she had a symbol of Kabuterimon in the middle of her forehead and on her skirt

Kira Kabuteri: Lets get them!

Roach and Lightning fired waves of lightning and blasted the Koopas and Chloe Clown threw pies and they hit the Koopas and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

They got more Power Moons.

Nico: That was awesome!

Kira Kabuteri: Yeah it was!

Nico: Yep.

Chloe Clown: I'll say!

Nico: How did you meet Kari and Sora?

Chloe Clown: I met them both in the Digital World when they were battling a bunch of MudFrigimon that were running amuck.

Nico: WHOA! Brutal.

Chloe Clown: Yeah.

Roach: And Kira do you have a favorite memory of Nico?

Kira Kabuteri: I sure do. When me and Nico found an awesome diamond vein in a cave and it made my family rich.

Nico: Yep.

Lightning: Wow! Nice!

Nico: Yep.

Nico and Kira hugged.

Nico: I've missed you.

Kira Kabuteri: Same here.

Nico: Yeah. And Chloe would you like to join us?

Chloe Clown: I would be honored.

They left the simulator and we cheered for them.

---

Later me, Nanette and the mascots were heading out.

Treehugger: Where are you dudes going?

Me: To help Nanette. She is going to do you know what to Ed. (Winks)

Treehugger: Wow. Way to go dudes.

Me: Yep.

We went down to the surface and we were off to the jewelry store we got Kairi and some of our rings from.

Poromon: Now where to find rings?

Me: I know just the place.

We walked and went into the city and we went into the jewelry store.

Me: Here we are.

Owner: Ah J.D. Knudson and Ms. Albright! Welcome. And great mascots you too.

Poromon: Thanks.

Horsea: You know why we're here.

Owner: I most certainly do.

He pulled out a beautiful blue diamond ring with diamonds in the shape of a the Japanese symbol for Thunder and it had a lightning bolt made of amethyst around it.

Me: Ooh! That is gorgeous.

Nanette: That ring is perfect.

Me: We'll take it.

I gave him some money.

Owner: Great choice.

---

We later came back.

Fluttershy: Welcome back, guys!

Me: Thanks.

Nico: How did it go?

We showed the ring.

Nico: Awesome! Ed is in his room.

Nanette: (GULP) Here goes.

She took the ring and went to Ed's room

She went in.

Thundercracker: Ed, Nanette has something to tell you.

Ed Grant: What is it?

Nanette: Okay I'm just going to say it. Ed Grant, will you marry me?!

She popped the question and showed the ring.

Ed Grant: OH WOW! OH NANETTE OF COURSE I WILL!

He hugged and kissed her and she put the ring on and they kissed and we cheered wildly for them!

G1 Silverbolt: Nice job dude!

Ed Grant: Thanks guys!

Me: Anytime!

Xenia: Yeah!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Threatpack (to Disk Wars Hulk): You happy for Ed?

Disk Wars Hulk had tears in his eyes.

Threatpack: Are you crying?

Disk Wars Hulk: Course not. Hulk just have something in eye.

Xenia: Funny.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a group of poachers and they're hurting elephants in Africa during a Total Solar Eclipse. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a group of poachers and they're hurting elephants in Africa during a Total Solar Eclipse.

We gasped.

Me: WHAT?!

Nico: Oh man, we got to get to Africa at once!

Lincoln: Those poachers are in huge trouble again!

The previous group came.

Kangor: (Jamaican Accent) Can me, Firebrand, Man Boy, Femme Fetale, Trapster, Saix, Spot, Dark Turtles, Doctor Octopus, and Beast Man go with you guys, mon?

Dark Mikey: And nice job proposing, guys!

Ed Grant: Thanks.

Nanette: Yeah.

Nico: And yes you all can come with.

Xenia: We got to go down to Africa to deal with some poachers.

Eli: Eliza is going to tell us more.

Edward: Nico, which Gene Slammer do you think you'll meet next?

Nico: Storm Owl next.

Qin: Electrifying.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Gold Rangers, and they're coming here to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Gold Rangers, and they're coming here to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: What?!

Laura Weston: Leave the Universe 666 Gold Rangers to me and Lincoln, guys.

Lincoln: Hold on, Laura, we're not doing this alone.

Levi Weston: He's right, Laura, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading out to Africa help Eliza and her family take down those poachers again.

Lincoln: Those poachers are going to pay for their crimes, and this time, we'll make sure they get their prison sentences, and once we get done with those poachers, Universe 666 Gold Rangers, you're next.

Laura Weston: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Africa help Eliza and her family take down those poachers again, and once we got done with those poachers, Lincoln and Laura Weston along with the Gold Rangers are going to destroy The Universe 666 Gold Rangers.

We were off to Africa.

---

We arrived in Africa.

Firebrand: Here we are!

Dark Don: Eliza should be here somewhere

Nico: Yeah. Look!

We saw the Comvee.

Xenia: There it is.

We flew to it.

Eliza: Guys! You made it!

Me: Thank goodness you're alright Eliza.

Birdbrain: How have things been here?

Eliza: Not good guys. Poachers are here.

Me: Who are they?

Eliza: Sloan and Bree Blackburn.

I GASPED WHEN I HEARD THOSE NAMES!

Me: Did you say Sloan and Bree Blackburn!?

Eliza: Uh yeah.

Me: I had a feeling it was going to be them.

Nico: Do you know them?

Me: Well. These are the most notorious poachers in the world. They are wanted on 4 continents for poaching. I've been trying to catch these guys for years. 12 years ago I was hunting them and I failed to catch them every time. They were always one step ahead of me.

Nico: What can you tell us about them?

Me: Well it's not pretty.

I went over their history.

---

Sloan Blackburn is the main antagonist of Nickelodeon's 9th feature film The Wild Thornberrys Movie. He is the ruthless leader of the Poachers and the husband of Bree Blackburn. He is also Eliza Thornberry's archenemy.

He was voiced by Rupert Everett, who also played Lord Rutledge in Dunston Checks In, Dr. Claw in the 1999 live-action Inspector Gagdet film, Carnaby Fritton in St. Trinians, and Prince Charming in DreamWorks' Shrek franchise.

Sloan and Bree travel across the Savannah via a helicopter and come across a cheetah cub named Tally, prompting Sloan to capture him. Eliza manages to catch up to the poachers and tries to climb up the rope ladder. Sloan shines a searchlight in Eliza's face, rendering her unable to identify the man, though she does identify the hilt of his knife. Sloan then uses his knife to cut the rope and Eliza falls, but her family manages to catch her in time.

During Eliza's stay at a boarding school in London, she has a vision of Shaman Mnyambo informing her to rescue Tally, so she and her pet chimp, Darwin depart for their flight back to Africa. While taking a train from Nairobi, Eliza encounters an injured rhinoceros, who informs her that he has been shot by poachers near a river. Sloan and Bree arrive at the scene posing as concerned zoologists and the rhino is taken away by conservationists, while Eliza notices his knife. Eliza, Darwin, and Donnie later run into Bree and Sloan yet again at their camp, and the two allow the group to stay with them for the night.

However, when Eliza discovers the Blackburns' equipment in their RV along with a captive Tally, Bree and Sloan's evil true colors are revealed, and they take Eliza and her friends captive. Sloan was fearful about Eliza's mysterious pre-knowledge of the poachers' "fence" in Tembo Valley and what else she could know that could threaten Sloan's poaching operation. Before Sloan could interrogate Eliza on what else she knew, Eliza's sister Debbie arrives looking for Eliza. While Bree takes Eliza hostage, Sloan threatens to kill Debbie if Eliza refuses to reveal her source of information. As such, Eliza is forced to admit that she has the power to talk to animals, and that the animals living in the valley gave her the information in the first place. A storm arises, taking away Eliza's powers, and forcing the horrified Blackburns to flee away by chopper.

Later that day, as the poachers prepare at Tembo Valley to use bombs to drive the arriving elephants to stampede into their electrified fence, Sloan oversees and the operation and gives the orders, while Bree pilots the helicopter. They almost succeeded in murdering all the elephants, but their plot was foiled when Eliza managed to stop the elephants and turn them around just before they reached the fence.

Enraged at Eliza's heroic interference, Sloan forcefully picked her up on the chopper's ladder, as he tells her she'll regret it, but an furious Eliza yells at Sloan, justifying that his actions are wrong, as he foolishly reagefully proclaims that her actions are stupid and hurled her into a waterfall to kill Eliza and have her out if the way. Bree and Sloan then tried to shoot the elephants down from in the air as a backup plan, but the elephants pulled their chopper down out of the air by its ladder and destroyed it. Once the eclipse ended, Bree and Sloan were defeated and cornered by the vengeful elephants and arrested by the Congolese rangers for their crimes along with all of their men.

Brietta "Bree" Blackburn is the secondary antagonist of Nickelodeon's 9th feature film The Wild Thornberrys Movie. She is an infamous poacher serving as the wife and partner in crime of Sloan Blackburn, the leader of the poachers.

She was voiced by Marisa Tomei, who also played Dr. May Updale in The First Purge.

When travelling across the savannah via helicopter, they come across a cheetah cub named Tally and Sloan captures him. Eliza tries to stop Sloan from taking Tally, but Sloan cuts the rope ladder, despite Bree's orders not to do so, sending Eliza falling, though her family manages to catch her in time.

During Eliza's stay at a boarding school in London, she has a vision of Shaman Mnyambo telling her to rescue Tally, so she and Darwin head back to Africa. After taking a train from Nairobi, Eliza unknowingly encounters a rhinoceros whom the poachers had shot his horn, and Sloan and Bree arrive to the scene posing as concerned zoologists. Eliza, Darwin, and Donnie later run into Bree and Sloan yet again at their camp, and the two allow the group to stay with them for the night.

However, when Eliza discovered the Blackburns' equipment in their RV along with a captive Tally, Bree and Sloan's evil true colors were soon revealed, and they took Eliza and her friends captive. Bree and Sloan then try to shoot the elephants down from in the air as a backup plan, but the elephants pull their chopper down out of the air by its ladder and destroyed it. Once the eclipse ended, Bree and Sloan were defeated and cornered by the vengeful elephants before they and their men were arrested by the rangers for their crimes.

When I was done everyone was shocked!

Nico: WHOA!

Qin: JEEZ! That is a terrible history!

Femme Fatale: Are they going after lions?

Me: No. They are going after Elephants. There's a massive heard of them that is going to come through the Tambo Valley.

Eliza: They are going to try and do this again. This is what happened when I lost my powers the first time.

Isabel: This is bad guys.

Fluttershy: Those big fat meanies!

Nico: They must've escaped before the Congo Police came for them.

Me: Not this time. They eluded me for over 12 years. No more.

Triggerhappy: We foil their plans if we save at least one of them.

Eliza: I know how they are going to do it. An electric fence will kill them.

WE GASPED!

Me: The cover of the shadow of the Eclipse will blind them long enough for them to not realize what they are running into.

Lola: We got to destroy that fence.

Nico: And I know the perfect way to illuminate the area for them to see.

Xenia: Artificial moonlight?

Nico: Bingo.

Qin: Clever.

Nico: The Sun may be blocked by the moon but we have a way to illuminate the area even during a Total Solar Eclipse.

Xenia: Good idea.

Me: And I'm not going to let Sloan and Bree get away from me again. I've got some unfinished business with them.

Camie: J.D. is really out to bring them to justice huh?

Nico: This was before J.D. moved to Michigan and made the team. So this is personal to him.

Dark Leo: Those elephants did nothing to deserve this.

Dark Raph: Those poachers are getting their asses kicked for this!

Eliza Thornberry: The Eclipse hasn't started yet. So the elephants are safe for the moment.

Me: And when the sun is covered we got 8 minutes to destroy that fence. We've got a very NARROW window of opportunity.

Darkwing: Can't we do it before?

Me: That's exactly what they will be expecting.

Nico: Lets just follow what J.D. has planned and then we'll figure something out from there.

Everyone agreed.

Nico: Lets head to the valley and analyze the situation.

We went to Tempo Valley.

We arrived and we were hiding.

Nico: So this is Tempo Valley.

Me: Yep.

Beast Man: Maybe I can control some of the animals around here. (to Nanette) Nice job getting engaged, by the way.

Nanette: Thanks.

Nico: Not a bad idea.

Me: Good idea. Okay here's how they are going to do it. When the sun is being covered by the moon they will lure the elephants in here and then they will detonate bombs over there to drive them into a stampede which will cause them to head right into that fence right there. That fence is surging with over 1 million volts of electricity.

Everyone gasped.

Nico: It's a huge trap.

Skullcruncher: You think they'll mistake my alternate mode as a real crocodile?

Nico: I don't think so.

Eliza: Those poor elephants.

Qin: I know. But we got to stop those poachers.

Camie: What are these poachers after?

Me: Ivory. Elephant Ivory on the Black Market will fetch them a very pretty penny.

Trapster: They ain't getting shit!

Me: That is for sure.

We heard elephants trumpeting.

Me: Here they come.

I looked at the sun and saw the eclipse beginning.

Me: The Eclipse is starting. There's no turning back now.

Pounce: Now?

Me: Yes.

The shadow of the moon started to cover us.

Nico: Here it comes.

We saw the elephants coming in.

Me: Here they come.

Doctor Octopus: Time to get those elephants out!

Nico: Stick to the plan Otto.

Eliza: Oh…

Me: When the first explosive is detonated, that's when we destroy that fence.

Drag Strip: Shouldn't be that long now.

Then…

KRABBBBBOOOOOOOOMMMM!

Nico: We have detonation!

ELEPHANT TRUMPETS!

Me: NOW!

Nico: ENTRANCE TIME!

We flew at the fence!

Sloan was laughing!

Sloan: Soon we'll be rich!

But then the spirits of animals appeared and they swirled around them and then converged and then…

FLASH!

A MASSIVE FLASH OF LIGHT AS BRIGHT AS A THOUSAND SUNS ILLUMINATED THE SKY AND THEN THE COVER OF THE UMBRA WAS LIT UP BY A BALL OF ARTIFICIAL MOONLIGHT! THEN…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above the helicopter they were in and a phoenix cry was heard and then a fire energy blast hit the fence and melted it into White Hot Slop!

Sloan: NO!

The elephants all got through the fence area safely!

Bree: NO!

Sloan: ELIZA THORNBERRY YOU WILL PAY FOR THIS!

But then we appeared!

Me: Sloan and Bree Blackburn you are under arrest!

Sloan: TEAM LOUD PHOENIX STORM!

Me: You have eluded me for 12 years Sloan and Bree! NO MORE!

We grabbed the helicopter and pulled it down and it landed and it was down!

They came out pissed!

Saix: We'll also be taking your chopper!

Sloan: I WILL NOT GO QUIETLY!

Me: Then we'll take you down by force!

We went at them and I punched Sloan in the face and Varie kicked Bree down!

Eliza kicked Sloan in his face and punched him in the face.

Eliza: That was for trying to kill my by throwing me over the falls!

Search Man: Don't you recognize J.D.?

Sloan: What do you mean?

Me: Let me refresh your memory. 12 years ago I was relentlessly hunting across the world to bring you two to justice.

Sloan: What!?

They saw me as what I was like 12 years ago and now in my power today.

Sloan: WHAT THE!? You're that brat!?

Me: That's right! And this Brat is ready to take you two down!

I punched Sloan in the stomach and kicked him in the face.

Man Boy: My turn!

He punched them both all over the place!

Fluttershy then punched Bree in the face and kicked her in the stomach!

Fluttershy: You two are nothing but a couple of GREAT BIG MEANIES!

POW BLAM SMASH WHOMP!

She thrashed them all over!

Star Man: This will leave you seeing stars!

He blasted them all over with stars.

Nico kicked the both of them in their faces.

Eliza punched them both in the face!

Spot: (to Ed Grant) Are you happy that you and Nanette are engaged now?

Ed Grant: You bet I am!

He fired energy blasts and blasted the 2 poachers.

Hulk smashed them both all over!

Xenia blasted them with arrows.

Camie fired waves of Aurora Energy.

Nico: You two poachers have failed this world!

Disk Wars Hulk: (To Ed Grant) Ed, I really am proud of you.

Ed Grant: Thanks Hulk.

They fired waves of energy.

Me: No elephants are getting turned into piano keys on our watch!

Nico: If it's possible to do that!

Qin: YEAH!

Me: No they aren't really made of elephant tusk Ivory. I was just saying that to get under their skin.

Nico: Oh. Good.

Maria: THey're not getting turned into ANYTHING!

Matia fired waves of water and drenched the two poachers!

Xenia: YEAH!

Lola: Because Elephants are amazing!

Raj: (India Accent) That is for sure!

Dark Leo: One of our teammates is an elephant too!

Me: That's right!

I punched Sloan and Qin kicked Bree.

Raj punched them!

POW!

Raj: You are a bunch of nasty people!

Nico: YEAH!

Poromon pecked them!

POINK POINK POINK POINK!

Nico: Yeah!

Then, El Oso, Count Vertigo, Overdrive, Wrecking Crew, DC Enchantress, Tar Pit, Black Spider, Bronze Kneecap, Evil Star, and Dark Spicer.

Nico: El Oso, Count Vertigo, Overdrive, Wrecking Crew, DC Enchantress, Tar Pit, Black Spider, Bronze Kneecap, Evil Star, and Dark Spicer.

Count Vertigo: I didn't know you had a score to settle with these assholes.

Me: No one asked about it.

Overdrive: But that score's as good as settled now. And I call dibs on their helicoptor.

Me: That is for sure.

Wrecker: (to Nico) We heard you fought Dark Matt.

Nico: Yep we sure did.

Thunderball: Still can't believe Matt went through Hell before.

Nico: I know.

El Oso: (to Sunset) (Spanish Accent) You should take care of that Dialga.

Sunset Shimmer: I will.

Dark Spicer: (to Nico) Here's your warning: Your ass is about to be kicked!

Nico: Bring it on Salmon Face.

Vilevine came.

Me: Vilevine! Up for another round?

Vilevine: Yep.

Me: Nice!

Vilevine: I honestly feel right at home here.

Me: Awesome.

Xenia: Yep.

Dark Spicer: And I have 2 new aliens for you all to see.

He turned into a black version of a Xaikoran Lightning Wisp!

Thundervile: I call this one… Thundervile!

Sora Takenouchi: Is that a Xaikoran Lightning Wisp?

Thundervile: It sure is! Shocking, huh?

Thundervile charged at Sora.

She jumped and dodged him.

Shanan: Very shocking! But awesome!

Dark Spicer: And so is this.

He turned into an Eosapien with spines and wings.

Windjelly: Meet Windjelly!

Kari Kamiya: That's an Eosapien, right?

Windjelly: Damn straight!

Windjelly charged at Kari

She jumped over him and blasted him down with a wave of light.

Nico: Wow!

Shanan: Awesome choice!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway

* * *

Sunset Shimmer, Ratchet & Clank, Kairi Yano, Fireball, Alejandra Jones (Lady Ghost Rider), Flamebird, Firestar, Nadine Phoenix, Pipsqueak, Fire Skylanders, Threatpack and Cross Crow VS El Oso, Don Octavio, Universe 666 Blackheart, Ragnaros, Dr. Abel Cuvier, and Lava Volcano Man - Nico's rescue was on File Island and went there to battle the dark side of Matt who wass out to kill Tai! But we were not going to let him and Sora, Kari, Mimi, Mallow, Lillyvoir and Miranda Mureau all transformed against him

* * *

El Oso was first.

El Oso (to Sunset): Nico's rescue was on File Island and to battle the dark side of Matt, who was out to kill Tai! But he wasn't going to let him, so Sora, Kari, Mimi, Mallow, Lillyvoir and Miranda Mureau all transformed against him

Sunset Shimmer: They sure did and man that was brutal. I can't believe that Matt was once like that back in those days. Nico said that it was a brutal battle between them.

Ratchet: Yeah that's was awful.

Clank: And all because of Matt and T.K.'s mother and father separating.

Kairi Yano: Yeah that's is rough. Divorce can REALLY impact you not just physically but mentally.

Pipsqueak: (British Accent) Yeah that is sad for Matt. But thank goodness he isn't like that anymore.

Sunburn: Boy no kidding there.

El Oso: Yeah poor Matt. But at least you got rid of his dark side. Lets do it!

Sunset flicked the switches for El Oso and Equestria and got a fire sword.

Sunset Shimmer: THE FIRESTORM SWORD OF FORGIVENESS!

El Oso: BUENA!

Sunset Shimmer: Yep. FIRE STYLE: FIRESTORM OF FORGIVENESS!

She fired waves of fire and the group fired waves of energy and fire and blasted them down

Reika Kirishima: ANIMAL TIME STYLE: WHALE!

Lincoln and the girls fired elemental blasts that took on the animals and they hit the poachers head on and exploded.

Lincoln and his Harem: ANIMAL FINAL SMASH: ANIMAL KINGDOM RAMPAGE!

Lincoln and his harem summoned animals from the animal kingdom to attack the poachers and they were badly mongrelized.

Lincoln: Now to teach you jerks a lesson.

Luna: Sweet Mother of Rock and Roll! Everyone, take cover!

We screamed and ran for cover, as Lincoln roared and pounded his chest, and he summoned gorillas that trounced the poachers badly, then, he let out a lion roar and that summoned lions who mauled the poachers, then, he let out a call and that summoned skunks who sprayed them a lot, and he let out a loud elephant roar and that caused elephants to come charging at the poachers, and they got trampled and looked like pancakes.

Eli: Sheesh, I think you traumatized them, Lincoln.

Fluttershy: Goodness, those animal calls were really impressive.

Luna: That was due to his training in the jungle with his Guardian Angels, and because of it, he had gained the ability to summon animals, along with their strengths and abilities.

Then, Lincoln hoisted them up, tied them up in rainbow energy straitjackets, and he swung his eleven massive and long white wolf tails and sent them flying through a portal and straight to a new prison that we'd created: one meant for poachers.

Nico: When are those poachers ever going to learn?

Me: Never.

Lincoln: Well, they can learn their lesson in prison forever. Now there's only one last thing to do and one last loose end to tie up: The Universe 666 Gold Rangers.

?: None of you will ever leave this place alive!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of

the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and gold energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and gold energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Universe 666 Gold Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Gold Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 Gold Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Laura Weston: That he has, and for that, we're going to destroy the instruments of his revenge.

Suddenly, Laura Weston's blue eyes turned neon blue and she was surrounded by a gold energy aura with stars, gold fire, gold flames, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached The Universe 666 Gold Rangers, she left gold energy, stars, gold fire, gold flames, phoenixes, and angels with every step.

Laura Weston: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who had to be put down. Now, it's your turn, you'll pay for disgracing the legacy of the Gold Rangers.

Suddenly, Laura Weston was surrounded by a massive vortex of gold energy, stars, gold fire, and gold flames surrounding the vortex, there are phoenixes, angels, and the Gold Rangers of 47 plus years flying around the vortex, and in the vortex is a gold phoenix with red eyes glaring at The Universe 666 Gold Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Laura Weston emerged, but she was changed forever.

Laura Weston grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large gold orbs orbiting around her legs, she has the body of a goddess, she has white highlights in the bangs of her long golden blonde hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a gold energy aura with stars, gold fire, gold flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a gold lightning bolt with the Gold Ranger emblazoned on her forehead with gold iris, she has on Gold Ranger earrings with silver gems for eyes and holding the Star, Gold Fire, and Eternity Kanjis in their hands, she also has an Gold Ranger with gold gems for eyes and holding the Star, Gold Fire, and Eternity Kanjis in its hands for the second pendant on the bottom of her gold angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with gold crystal links from her merged Crystal Necklace of the Buddha and gold gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Laura Weston felt a sharp pain on her back, and then, her massive gold angel wings with white tips on the large gold feathers grew much bigger for her new body and she also now has eleven massive and long gold wolf tails with white tips and white markings, Laura Weston has on her Ring of the Phoenix with large gold gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Laura Weston's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of gold energy, stars, gold fire, gold flames, phoenixes, and angels, and when it emerged, it was transformed into Laura Weston's Cosmic Eternal Silver Inferno Firestorm Gold Power Rangers Embodiment Phoenix God Angel Greatsword of Cosmic Eternal Gold Inferno Firestorm Silver Power Rangers Embodiment Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded gold gems and gold lightning bolt with the Gold Ranger and runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel heads for the crossguard, large white angel faces built into both sides of the hilt and large gold gems embedded in their foreheads, longer midnight black handle, four large gold angel heads with gold gems for eyes and on the bottom of the large gold angel heads is a large gold angel head with gold gems for eyes and silver gem in its mouth for the pommel, Laura Weston has on her brand-new large gold Bracers of The Champions of The Universe with large gold gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of The Ninja Steel Gold Ranger's head with gold gem for the visor for the belt buckle and gold versions of the other Gold Rangers' heads with gold gems for the visors around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) RD Sebastian has already paid for his crimes, and now, it's your turn, your end has come, Universe 666 Gold Rangers!

Laura Weston, Lincoln, and The Gold Rangers went after The Universe 666 Gold Rangers, and they fired extremely powerful blasts of rainbow energy, gold energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Universe 666 Gold Rangers, and they exploded with incredible power as they hit them.

Then, Lincoln and Laura Weston attacked them with powerful slashes from their massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Laura Weston also did the same by firing gold energy slashes from her massive greatsword, and he and Laura Weston attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 Gold Rangers badly.

Levi Weston and the Gold Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you all die once more.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 Gold Rangers' chests, and then, Lincoln began absorbing The Universe 666 Gold Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Gold Rangers, and he banished them to The Black Gates. We cheered wildly for what Laura Weston and

Lincoln did as they holstered their massive greatswords on their backs and powered down and Laura Weston's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long gold wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large gold orbs orbiting around her legs, and massive gold angel wings are permanent.

Laura Weston: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 Gold Rangers forever, Lincoln, you too, Levi.

Lincoln: (Smiles Warmly) You're welcome, Laura.

Suddenly, Laura Weston wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Laura Weston's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the Gold Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and gold flames raging behind them and we cheered wildly. Then, Lincoln and Laura Weston sucked in and absorbed the elemental forces and gold flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Gold Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Gold Rangers, will they? Not on our watch!

Me: You said it. So, Lincoln, who's the next Daydream Princess we're meeting tomorrow on your rescue?

Lincoln: I've got just the one: Laura Tempest, Daydream Princess of

The Indigo Lightning.

Indigo Zap: Wow, wait, that's right, I'm also a member of The Daydream 16.

Selene Arcangela: Awesome, and you guys are going to love meeting her, Laura Tempest is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Indigo Zap combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Laura Tempest and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Laura Tempest really trained Lincoln a lot especially with using the powers of blue lightning, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lori with a blazing passion because of everything she's done because her actions reminded her of Abacus Cinch, and Laura Tempest has put her in her place more than once: which means getting her grounded and thrown back in her cage like the gorilla that she is.

Nico: Whoa!

Lincoln: Yeah, Laura is indeed a powerful force of blue lightning, and when someone sees the skies turn dark and blue lightning raging in the skies, that's the sign that she's here.

DC Enchantress: Two animal abusers down for the count.

Tar Pit: You said it.

Me: And they are in prison where they belong at long last.

Eliza: Good riddance.

Black Spider: And as promised, we're keeping the helicoptor.

Bronze Kneecap: We sure are.

Evil Star: Where should we celebrate?

Nico: I know where.

The eclipse ended.

Me: Just in time too and all the elephants are safe.

Nico: Yep. Great job today everyone.

Fluttershy: (To the viewers) No animals are getting hurt under our watch.

Xenia: Yep.

We went back home and celebrated at Lynn's Table and enjoyed the rest of the day and went to sleep.

Nico: Yep.

Me: But it was cool that Eliza faced them before.

Camie: Yeah and these poachers did the same thing twice.

Me: Yeah very coincidental.

Nico: Eliza was a big help there.

Me: She sure was. Past experiences really helped her out big time.

Xenia: Yeah. And as a bonus victory those elephants are all okay.

Nico: Yep.

I was reading the ancient book that the Legacies of the Flim-Flam Brothers got for us.

Me: Whoa look at this! The Alicorn Land of Skyros was actually the Equestria version of Atlantis. It says here that Skyros had magic powers that were 100 times more powerful than those of regular unicorns.

Nico: Wow! That is amazing.

Princess Celestia: That is amazing. Our home was widely well known for that back then.

Princess Luna: It sure is.

NIco: Wow! Does it say anything about Opaline?

Me: It just says that she was banishedf from Skyros. But thats it. But luckily the info on her was updated.

I showed her history updated

Queen Opaline Arcana is the main antagonist of the fifth generation of the My Little Pony franchise. She is an evil Alicorn Queen, the former boss and the adoptive mother of Misty Brightdawn, and the arch-nemesis of Sunny Starscout.

She is voiced by Athena Karkanis in her first villainous role.

Prior the events of the series, Opaline was an Alicorn filly who grew up in a place called Skyros, and her specialty was fire magic. However, she was bitterly jealous of both Princess Celestia and Princess Luna, who were also fillies at the time, because of they were capable of controlling the sun and moon respectively, which made them quite popular. At one point, Opaline tried to make friends with them, but only to be snubbed by them, causing Opaline to become resentful and giving her the need to prove that she shouldn't be underestimated (it's unknown if her backstory is either true or false, as she visually made Celestia and Luna look like condescending Alicorns rather than how they normally act just to make herself sympathetic).

Sometime in the future, during Twilight Sparkle's reign of Equestria, Opaline went to invade the land after she was banished from Skyros. Believing the Alicorns are meant to rule over ponies because she thought they were superior, Opaline wanted all the magic to herself, but Twilight prevented her and separated the magic in three crystals for each pony kind to separate. Weakened, Opaline tries everything she can to regain her power and resume her conquest of Equestria. During then, Opaline searched for the most powerful magic in Equestria to claim back for herself. While searching, she comes across a filly by the name of Misty Brightdawn, who was lost in the woods after following a bunny-corn. Taking pity on the poor unicorn, she raises Misty as her servant.

While Queen Opaline doesn't physically appear in the film, her actions played a big role in shaping events of it. Due to her being responsible of not only separating three pony tribes which causing

Equestria to lose its magic and each of them blames on each other, but also causing Sprout to turn himself into a petty and bullish yet insecure and cowardly deputy sheriff into a power hungry and tyrannical "emperor" of Maretime Bay who wants to wage a war against Pegasi and unicorns. But luckily, Sunny and her friends managed to stop him from doing so and succeeded in reuniting three pony tribes together which brought the magic back together.

Queen Opaline is introduced at the end of the Make Your Mark special. She sits in a throne room with her minion, a blue unicorn. She is delighted that the ponies have learned how to utilize magic again after it has returned. She states that she will "take back what's hers". This sets her up as a villain in future works.

In "Izzy Does It", Opaline sends Misty to spy on Sunny and her friends, and she reports her that magic has returned to Equestria just like she said. Misty sneaks to Sunny's smoothie stand and puts a golden compact with a red bow on it. When Misty returns to her castle and tells her more about the magic, she plans to become more powerful than ever before and promising her to get her cutie mark when it's done. It is revealed that the compact is the only way to spy on Sunny and her friends, but it won't let them see inside the Crystal Brighthouse, which she considers sending one of her allies to infiltrate it inside.

In "Growing Pains", Opaline and Misty continue spying on Sunny and everypony through the mirror compact, which then she puts her next plan into action. After a while, Misty reports on how the Earth Pony magic is going out of control in Maretime Bay, Opaline allows it to continue without any interference, plotting to take it for herself and become more powerful than ever.

In "Portrait of a Princess", Opaline sends Misty out to Maretime Bay to interfere with Pipp and Zipp's Portrait Day, a yearly occurrence for the two princesses of Zephyr Hights. Using her magic to create an Ocean Lily, a rare flower, she gives it to Misty to lure the two Pegasus Princesses into a trap so that their Portrait Day celebration would be ruined. This plan fails as Pipp uses her social media followers to escape.

In "Ali-Conned", Opaline takes advantage of Sunny's ability to become a temporal alicorn, and uses the mirror compact to make herself look like Sunny's reflection. Through the compact, Opaline encourages Sunny to embrace her alicorn status, as well as sending out Misty to help with it. Sunny denies being an alicorn all the time, as she just wants everypony to like her for who she is, and not what others want her to be.

In "The Cutie Mark Mix-Up", Opaline watches the Crystal Brighthouse from her castle, plotting to get the Prisbeam power from the Brighthouse. She creates an artificial magic mouse creature, sending it to where Sunny and Hitch were located. The Artificial Creature gains the attention of Sparky, a dragon that Hitch took care of ever since the events of Chapter One, and after chasing it Sparky sneezes, causing his dragon fire magic to switch Hitch and Sunny's cutie marks along with their personalities.

Sparky chases the artificial mouse creature into the Crystal Brighthouse, just as the animals were being rounded up by the rest of Sunny's friends. After discovering the re-created lantern that Sunny used to save Posey Bloom in the first chapter, Opaline plots to obtain the lantern and use it's magic to make herself all powerful. She later disintegrates an artificial mouse, possibly due to outliving its usefulness.

In "The Traditional Unicorn Sleepover", Opaline sends Misty to the Crystal Brighthouse, allowing her to join Izzy's sleepover, as a means of getting the lantern. The cover is nearly blown when Zipp noticed Misty acting suspicious.

In "Hoof Done it?", during the sleepover in the middle of the night, Misty stole the lantern and plots to take it to Opaline, so that she can finally obtain her cutie mark. This plan backfires as Pipp, Izzy, and Zipp interfere with the plans. Returning to Opaline's castle without the lantern, Opaline forgoes the lantern and instead goes after 'Dragon Fire Magic' upon hearing about Sparky's abilities.

In "Have You Seen This Dragon?", after Misty fails at capturing Sparky, she obtains some of his Dragon Fire inside a magic-proof glass jar, sending that back with her instead. Opaline obtains the magic from that smidge of Sparky's Dragon Fire, she begs for more of it after feeling so much powerful.

In "Top Remodel", Opaline becomes enraged that Twilight has enchanted the crystals with a secret message after watching Misty's recording of Zipp trying to solve the mysteries of Twilight Sparkle's message on her phone. Misty then told her that Twilight has put all of her magic to Unity Crystals which suggesting that they should steal them, but Opaline finds it impossible to get them because she needs to get strong enough to drain the magic from the crystals, even if it means trying to kidnap Sparky again. She told Misty not to fail her again before she left, leaving Misty to get anxious of her decision.

In "The Jinxie Games", Opaline angrily calls Misty down to the throne room after she returns from the Crystal Brighthouse to search for Sparky.

In "Sunny Side Up", after practicing her evil speech, Opaline devised her plans to steal the Mane Five's cutie marks in order to make herself more powerful if she has enough dragonfire on her hooves, but becomes enraged upon discovering that Misty haven't captured Sparky yet. After she tells her a backstory, Opaline immediately "grounds" Misty and sending her to her room, leaving her hooves to be chained by her magic smoke. She leaves her castle and walked around the land until she reached the Dragonstone where the Dragonfire is, plotting to take the artifact in order to make herself powerful. After a long-hour hike to the top, she attempts to touch the Dragonstone but only for the artifact to lose its magic and drops off to the ground. After she returns to the castle, she freeing Misty from her hooves and explaining her plan to get the Dragonstone. However, she later noticed Misty's drawn cutie mark on her flank.

In "The Manesquerade Ball", Opaline tells Misty she's no longer "grounded" and asked her to keep an eye on her castle while she went back to get the Dragonstone. Unfortunately for her, she wasn't aware that Misty snuck out of the castle to go to the Manesquerade Ball with the Mane Five while she's gone. After Misty returns back to her castle from the event, Opaline returns with a Dragonstone on her hoof before she left. She then enters Misty's room and told her to clean it up.

In "A Little Horse", Opaline was angry at Misty after discovering that Pipp and Zipp have almost found out about who she is, but has no choice but to decide to get Sparky so she could get more dragonfire for herself.

In "Missing the Mark", after Misty managed to capture Sparky and is about to bring him back to the Mane Five, Opaline arrives and became surprised that she brought the baby dragon to her. She then takes him to her study room where she absorbed all of Sparky's dragonfire to the Dragon Stone and is willing to drop him off the castle once the dragonfire is done being drained. When Misty brought the Mane Five to her castle to help them save Sparky, as the group finally meet Opaline face to face, she has them trapped inside her anti-magic bubble. After she reveals Misty's deception to the Mane Five, she explained her intentions of stealing everypony's magic once Sparky's dragonfire is done being drained. After she praises Misty for her accomplishment, Opaline asked her to watch Sparky if he gets dropped off the castle and mercilessly wants him to die instead of keeping him alive.

While absorbing Sparky's dragonfire through the Dragon Stone, she was hearing Misty calling for help and discovering that she was tied up in vines on her throne before she was forced to confront Sunny. After trapping Sunny under the rock, Izzy and Pipp throwing things at Opaline to protect her until they got trapped inside magic bubble. When Opaline is about to do something harmful to both unicorn and Pegasi, Sunny managed to use her Alicorn magic to protect them before they fought. The rest of Sunny's friends, including Misty, are cheering for Sunny, empowering her which gotten Opaline trapped inside the magic bubble back. After the Mane Five left with Sparky they rescued, Opaline furiously releasing Misty from the vines so she could clean up the mess they made. After Misty is done cleaning up the lair, Opaline began to praise her again before Misty secretly left to Crystal Brighthouse to teamed up with the Mane Five so they could defeat her together. Meanwhile back at her castle, Opaline is planning to absorbed more dragonfire from all dragons through Equestria in order to steal all magic.

In "Cutie Blossom Bash", Opaline is seen finding her manebrush called "Gertrude" and complaining about how Misty always failed and begs for her cutie mark. She also reveals that she never intended to give Misty a cutie mark, which she clearly enjoys out of pleasure. After Misty returns, Opaline noticed her new mane color before she gets to tell her about her plans.

In the two-part episode "Family Trees", Opaline was mentioned when Zipp asked Misty about her since she's worried about what the evil queen's planning to do, Hitch explained that Sparky has been tired ever since Opaline has steal all of his dragonfire and the Mane Five theorized that the dragons had left Dragon Lands before Opaline could found them all.

In "Father of the Bridlewood", she was mentioned when Misty remembered her plans of conquering Equestria and Zipp asked the Elder Flower about Queen Opaline.

In "Mane Smelody", after asking Misty where she has been, Opaline explained her plans to invade the Dragon Lands to terrorize the dragons and steal their dragonfire ever since they have awakened from their deep hibernation after magic has returned in Equestria, causing Misty to excuse herself so she could warn both Sunny and Zipp about what Opaline is planning.

In "Nightmare on Mane Street", Opaline discovered that she can use the Together Tree she planted to travel outside her castle to Maretime Bay. However, a Nightmare Night celebration was going on and when she arrives at Maretime Bay, nopony takes her seriously, believing she's wearing a fake alicorn costume. She steals Posey Bloom's cutie mark but doesn't want to spend all night stealing cutie marks so she returns to her castle to form a new plan.

## Chapter 6

In "The Isle of Scaly", prior to the episode, Opaline has been stealing all cutie marks from everypony to empower herself before moving on to the Isle of Scaly where she drains all of dragonfire from every dragons and later kidnaps both Lava and Jade and brings them to her castle. With Lava and Jade were captured on her hoof, she brainwashed them into her side by singing her own villainous song and using the dragonstone to put the under her control. The dragonstone is later empowered by Lava and Jade's dragonfire and later transferred them to Together Tree. With all cutie marks she has stolen, Opaline brags that nopony can stop her.

In the two-part episode "Roots of All Evil", Opaline has traveled around Equestria with Together Trees to steal all of the cutie marks from everypony. When she returns to her castle, she caught Spike and the dragons for tried to take the Dragonstone back from her and brainwashed them into doing her bidding. After revealing her plans to conquer Equestria after taking all magic from the land, she returns to Maretime Bay where she fought Hitch Trailblazer and takes his cutie mark to put it on her golden necklace where she's storing the Mane Five's cutie marks once she collects all of them.

Opaline and the brainwashed Lava and Jade arrived at the Crystal Brighthouse to break inside and steal Sunny's cutie mark, but the magical barrier prevents them from breaking in. However, she was lured away by Misty to take away her golden necklace that stores the Mane Six's cutie marks until she managed to get away by setting up a drone as a decoy. Arrived at Zephyr Heights through Maretime Bay's Together Tree, she was forced to listening to Pipp's song as a distraction to get her and the dragons covered up in clothes by Zipp for the Pegasi royal sisters to get away, but Opaline managed to capture them and stole their cutie marks. Before she leaves, Misty confronts and standing up to her for all the abuse and mistreatment she received and telling that friendship has changed herself because of the Mane Five, causing Opaline to get angry at her so much that she takes away her cutie mark as petty revenge for her betrayal. Arrived at Bridlewood, she got everything including food thrown at her by Izzy and her fellow unicorns to fight against her. Izzy almost got away by placing her fake cutie mark on her flank, which causing Opaline to grew more angry and takes away her cutie mark in retaliation.

Meanwhile, despite everypony losing their hopes once Opaline stole everypony's cutie marks, they never gave up hope as they plans to channel their own unity and power of friendship at Together Trees from their respective locations to defeat Opaline and return all of their stolen cutie marks while Sunny went to confront Opaline in her castle by alone. When being confronted by Sunny, Opaline attempts to corrupt her into becoming just like her, but Sunny refused and they fought, but Opaline's magic is growing even stronger than the last time they fought. She then captures Sunny and takes away her cutie mark, believing she has already won since she finally got all cutie mark magic on her hoof. However, everypony's unity and power of friendship has been channeling through Together Tree to Opaline's which causes the Rainbow of Light to be released from Sunny's pendant and entangled her, allowing Sparky to take back the Dragonstone and returned all of the cutie marks back to everypony, while freeing Lava and Jade from her brainwashing as well. When her castle is about to collapse, Sunny and the dragons escape, leaving Opaline to become enraged and all alone by herself. She's about to go after them, but her cutie mark has taken away from her and she became imprisoned inside her own Together Tree for eternity. It's unlikely that she will escape imprisonment and it's unknown if she's even still alive.

In "Dragon Dad", it is set after Make Your Mark Chapter 2 episode 8 "Have You Seen This Dragon?", Opaline sends Misty out to get some Dragon Fire Magic from Sparky. Opaline constantly begs Misty to get the magic fire, especially in her sleep.

In "Nightmare Night Party", she orders Misty to get the ponies to use their magic so they could found out how it works, which she did by making mischief during the party and causing a power outage at Mane Melody. When Izzy and Zipp are talking to her, Opaline drags Misty away from them. After enough observation, she told Misty to return to the castle.

In "Haunted House", she orders Misty to kidnap Sparky Sparkeroni from the Mane Five so she could get his dragonfire for herself, which she did by luring them into a haunted house which led them being separated by Sparky. After trapping Sparky inside, they tried to capture him until the Mane Five escape the haunted house with him.

In "Baby Critters", the bunnycorns accidentally contacts Queen Opaline with Sunny's mirror compact. She was seen having a relaxation time with a face mask on her before she was contacted and angrily believe it to be a prank call.

In "Under the Mistytoe", which takes place near the end of My Little Pony: Winter Wishday, Misty sneak to the Crystal Brighthouse where she waits for the Mane Five and Sparky to return. Opaline shows her disinterest of her kind's holiday traditions and order Misty to capture Sparky so she could harness his dragonfire for her evil intentions. She was singing at the castle while wishing for dragonfire until Misty returns and accidentally brought her Cloudpuff, Queen Haven's flying pet Pomeranian.

In "Secret Ad-mare-er", she and Misty made their cameo appearance when Izzy tries to gave everypony a holiday spirits during Hearts and Hooves Day.

In "Ponykind Parade-emonium", she orders Misty to put the Blazeberry Buns on an alleyway in order to retrieve the dragonfire from Sparky. However, it only made Sparky sneezes out after smelling the aroma of the Buns and the critters got brainwashed by the smell as result. As Sunny and her friends save Hitch and Sparky from brainwashed critters, she hypocritically retreats and leave Misty to be attacked by a critter because she made a "mess".

In "Sparky's Sick", when Misty is walking around Maretime Bay, Opaline immediately contacts her and said that she felt a powerful surge of dragon magic here. As she confusingly seeing a giant mushroom here, she angrily orders Misty to capture Sparky for her. After Misty got succumebed by Sparky's huge fart after drinking the grossest smoothie made by the Mane Five to cure his hiccuburp, Opaline contacts her again to see if she's already captured the baby dragon until she was disgusted by the smell of Sparky's farts.

In "Mission Imponable", Opaline sent Misty to the Crystal Brighthouse to get the information about the magic crystals and how they work. The next morning, she impatiently contacts Misty and asked for the results before she quickly hungs up when they were caught by the Mane Five.

In "Opaline Alone" shows the entire of her daily life while she's alone. In the episode, Opaline contacts Misty and berated her for taking so long. She then reminded Misty that her "task" is very important and warned not to fail her. After laughs maniacally, she waits for Misty to hear the results but only for her to get irritated when it takes too long. To get rid of her boredom, she practices her evil speech if she already took over the entire Equestria, singing about how villainous she is, choosing and wearing various outfits, and plotting her villainous rise to power.

She then contacts Misty again and angrily voicing out her impatience at her before hanging up. After ranting her hatred toward Sunny and her friends out of anger, she continues her daily life like painting her hoof while watching Jazz Hooves' tutorial, watching any TV shows and social media including gleefully laughing at Sunny's misery at a social media video, and trying to kick the raccoonicorn out of the castle. After a long hour of waiting, Misty returns with her "task", which is delivering her smoothie. She asked Misty to help her pick a crown, but she leaves with an excuse of going to Mane Melody for a karaoke this evening, much to her chagrin as she gets back to watching a TV show along with raccoonicorn.

In "As The Misty Clears", Opaline sent Misty to retrieve Sparky from the Mane Five for his dragonfire. When Misty is confronted by the Mane Five, Opaline tried to contact Misty but Misty struggled to hang up her call, causing them to become suspicious of her behavior and her necklace. After Misty left to get some shadowberries for Opaline, she removed her necklace and put in on the rock, leaving Zipp to take the necklace for some research. While the Mane Five were analyzing the necklace, it began to corrupt each of the Mane Five which made them doing the opposite of how they act normally. It is unknown if either the necklace starts to move on its own or it was Opaline who took control of it. Misty arrived at the Crystal Brighthouse and stops the necklace from corrupting the Mane Five, then later throws away her necklace after seeing of how dangerous it is and it unleashed a purple beam after it shatters to the ground.

In "I've Seen Fire And I've Seen Rain (Bows)", Opaline didn't appeared in the episode as she was mentioned by the Mane Five and Misty when they're telling a story about how Sunny fought the evil queen until she appears at the end of the episode when she brags about how powerful she is and that no pony could stop her before she laughing madly.

In "Nightmare Market", Opaline gleefully watches the video where the Mane 5 (including Misty) are turning into foals and she finally gains her opportunity to strike by stealing their cutie marks. By the time she enters the Night Market, Opaline angrily freaks out when the Mane Five and Alphabittle has left in the Mare Stream. Instead of accept Onyx's offer of giving her a tea, she steals her cutie mark and sinisterly declaring that Sunny is next.

In "The Rise and Fall", after Opaline broadcasting her vlog all around Equestria to reveals her plans to steal all cutie marks from everypony, she brainwashed two dragons to be on her side and mass stealing the cutie marks from everypony in Equestria, before moving on to Sunny's friends (including her former servant Misty) who lost theirs as well after losing to her. However, she eventually fought Sunny and later succeeds in defeating her and stole her cutie mark, much to everypony's shock as they're watching her tragic defeat. After Sunny being empowered from everypony's encouragements (including her friends), Opaline is eventually punished for everything she has done by having her cutie mark stolen and sent to be imprisoned inside her own Together Tree, but not before swearing her vengeance on Sunny and everypony else.

The second issue of the G5 comic series reveals that she was responsible for driving ponies apart in the first place, making her responsible for the isolated and prejudiced world of modern Equestria by the time of A New Generation. As a unicorn, she encouraged other unicorns to believe they were superior to other ponies, causing racial tensions. Twilight and her friends eventually managed to defuse the situation, but Twilight decided to create the Unity Crystals to preserve all magic in Equestria. If racial tensions ever developed again, the crystals could be separated to ensure ponies couldn't use their magic against each other.

However, her actions led Discord to become a fearful extremist who believes that magic is a source of conflict and division, so that's why he plans to destroy the Unity Crystals so the magic won't return to Equestria again which causes the conflict between him and the Mane Five.

Opaline appears as the main villain of this game. She uses her alicorn magic to make large purple vines grow out of the ground and spread all over Equestria. Soon after the vines were all cleared by the Main Five, Opaline returns to try and grow more vines and destroy more of Equestria. However, after seeing the Earth Ponies use their own magic while trying to clear vines, she sees that the trees that were grown from the Earth Ponies were already destroying most of the town anyways.

In the final chapter of Book 1, Opaline watches over Sunny and her friends at the Crystal Brighthouse, seeing that the Critters of Maretime Bay are no longer jittery. She allows this, but vows to return for her revenge when she returns to have every single pony under her spell.

When it was done we were shocked and horrified!

Nico: SHE REALLY WAS PURE EVIL INCARNATE!

Laney: No kidding! I'm glad we destroyed her.

Nico: Me too.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at an orange planet.

Nico: We're here!

Lola: Wow! Looks like a lava ocean planet.

Xenia: It sure does.

We got to landing and we saw that it was an ocean planet!

We got outside and saw that it was an OCEAN PLANET OF BOUILLABAISSE!

Me: WHOA! It's a Bouillabaiisse Ocean planet!

Nico: Wow!

It was full of clams, shrimp, scallops, mussels, crab meat, fish, garlic, saffron and more!

Eddy: Are they tasty?

I pulled out a bowl and filled it up and it was full of fish and shellfish goodness.

Me: (Eating Clams) MMM! Delicious!

I ate the crab and fish and it was good!

Nico: That is a big yes!

I ate some shrimp and crab meat.

Me: Mmm! Delicious!

Marinette: I love bouillabaisse!

She got to eating too!

Nico ate some.

Nico had clams and crab and mussels.

Nico: Mmm! Delicious!

Me: (Eating shrimp) Mmm! So good.

I ate the scallops and they were chewy and delicious.

Me: Mmm! Delicious!

Camie: (Eating) Mmm! Cooked to perfection!

May ate some.

May: (Eating shrimp and crab) Mmm! Boy it's so full of flavor.

Me: It sure is! But Bouillabaisse is expensive.

Nico: Wow!

Me: I know. One little bowl can cost up to $150.00.

Nico: That is horseshit! No offense Twilight and girls.

Twilight Sparkle: None taken but yeah that is expensive.

Maria ate some.

Maria: (Eating shrimp and clams) Mmm! So good.

Me: It sure is. But it's good.

Lola: It sure is!

Lynn Sr.: I agree there. And this is also the most expensive item we have in our menu at Lynn's Table. We sell it for $65.00.

Me: Wow! It it popular with those that are rich?

Chandler: It sure is. My grandfather loves it.

Me: Lord Tetherby has great tastes.

Nico: He sure does.

Me: Yep.

Anna Anyanova: I buy bowls of it too.

Lincoln: All my guardian angels love it.

Lynn Sr.: Yeah it's really popular with them.

Me: Wow what a hit. That is cool.

Lynn Sr.: It sure is.

Xenia: Yep.

We were eating more.

Nico: It's really awesome.

Me: Yep.

Eddy ate some.

Eddy: (Eating crab and clams) Mmm! So good though.

Eli: Yep.

Lincoln: Okay, guys, we got ourselves a huge emergency, and we're in for one epic battle: I've got word that a clone of Copycat has been sighted here.

We gasped.

Me: Oh boy.

Nico: This guy's gonna be one tough bastard to fight.

Eli: If he's causing trouble, we're gonna need a lot of firepower for him.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Lori: We heard everything from Lincoln, and we're ready for that clone of Copycat.

Me: Nice.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for the Copycat clone) AHA! Gotcha! I just spotted the clone of Copycat, he's 20 yards away and he's been busy with causing trouble.

Sirius Space: Let's get him!

Lincoln: That imposter Akuma clone's not getting out of this one alive, he's going down. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began

growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of Copycat.

Maximum Ride heard a Pokemon cry.

Maximum Ride: Hey look here!

It was a Xerneas!

Me: Whoa a Xerneas!

Xenia: Wow! One of my kind.

Camie: Cool!

Me: And it was hurt.

Xerneas: Yeah I hurt my leg.

We got to healing her.

Xerneas: Thank you.

Maximum Ride: No problem. Want to come with us?

Xerneas: Sure.

Maximum Ride: Great!

Qin: Awesome!

Me: I have a feeling this will be explosive.

Camie: Yeah!

We were flying in the air and we saw the clone of Copycat.

Lincoln: There he is.

We were really amazed by Sirius Space's Super Angel-Space Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when the Copycat clone saw it, he roared in rage and he charged at her, but Sirius Space fired a massive barrage of dark blue energy, stars, nebulae, planets, phoenixes, and angels which hit the Copycat clone and sent him flying into a wall. He got back up, but now, he was beyond pissed off.

Sirius Space: (Divine Echoing Godly Voice of The Planetary Star Storm Space Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Planetary Star Storm Space Dopant Embodiment Phoenix God Angel Love) Looks like I've pissed him off even more.

?: (LOUD HOWL)

Nico: J.D., Lincoln, was that…?

Me: That… wasn't us.

Lincoln: No, but I know that howl from anywhere.

Suddenly, we saw a very beautiful and extremely super sexy girl with long brown hair with large brown wolf ears on top of her head and brown wolf tail and dark blue flower beret in her hair, yellow eyes with dark blue markings, she was tall at 7'9" in height, she had the voluptuous sexy body of a goddess with massive bust to match, fair skin, she has massive and beautiful white angel wings, she's dressed in a dark blue sleeveless blouse, necklace with dark blue gem for the pendant, dark blue denim shorts, dark blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, wolves, phoenixes, and angels on the coattails and on the back is a Dire Wolf, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln: (GASPS) Paige Moonwolf, The Immortal Dire Wolf Angel of The Jungles of South America.

Lincoln, Sirius Space, and I went after the Copycat clone, and we fired extremely powerful blasts of rainbow energy, dark blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Copycat clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Sirius Space, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Copycat clone even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Sirius Space, and I fired powerful blasts of energy, stars, nebulae, and planets at the Copycat clone, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the Copycat clone's chest, and then, Lincoln began absorbing the Copycat clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of the Copycat clone, and he banished him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Sirius Space's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long dark blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large dark blue planets orbiting around her legs, and massive dark blue angel wings are permanent.

Sirius Space: Now, that was so awesome!

Me: And that's another clone defeated and absorbed by Lincoln.

Suddenly, I got jumped on by Sirius Space, and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes.

Me: (In Heaven) So… awesome.

Nico: That was one awesome battle.

Lincoln: Yep, and that's another Akumatized clone absorbed.

Me: You got that right. So, Lincoln, are you going to introduce us?

Lincoln: I was just about to do so.

But, before he could do so, Lincoln was pounced on by Paige Moonwolf as he'd caught her in his massive muscular arms and her large breasts smooshed against his massive pecs and her stomach pressed against his eight-pack abs and she proceeded to kiss him first on the lips in a really deep passionate manner, then she did the same leaving kisses face, arms, pecs, eight-pack abs, and stomach. When Paige Moonwolf was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something… I've… not… forgotten.

Nico: (WHISTLES) Talk about passionate, you two really engaged in a full-blown make-out scene!

Selene Arcangela: Which was something we haven't forgotten. Anyways, this is Paige Moonwolf, Immortal Dire Wolf Angel, she's Lincoln's Guardian Angel from the humid jungles of South America and a friend of Lily the Mermaid, but here's a secret: she's actually a Dire Wolf from 479 million years ago who got turned into a very beautiful and extremely super sexy human wolf girl when she was exposed to the energy of a magical meteor that gave her really incredible powers including immortality, invincibility, flight, and even blue wolf fire powers, and she also gained massive white angel wings and the energy from the meteor also increased her extremely powerful physical strength, senses, and abilities giving her incredible superhuman strength, superhuman agility, superhuman stamina, superhuman speed, superhuman senses, superhuman durability, superhuman regeneration, superhuman intelligence, and beyond.

We were amazed.

Me: That's so awesome!

Selene Arcangela: She had seen it all over those millions of years, and she's one of the extremely physically powerful of Lincoln's

Guardian Angels. Lincoln first met Paige Moonwolf when he was seventeen during a trip to the humid jungles of South America where he saved her from a group of poachers who tried to capture her and sell her for a huge amount of cash. When he was cleaning her wounds, he'd taken off his shirt and she blushed madly upon seeing him: her curiosity of seeing a big strong male like Lincoln peaked her interests. Suddenly, she got close to Lincoln as she wrapped her arms around his neck, and then, she kissed him on the lips, and he returned the kiss, but with an extremely hot passion, and he made the bold move of biting her and kissing his bite mark he'd placed on her neck marking her, and that of course, meant that he would marry her along with the rest of his harem when he comes of age.

May: Wow! She really came onto him with that, she's really bold!

Lily the Mermaid: And she really hates the jerks with a blazing passion especially when she found out the poachers who tried to capture her were sent by Flip, and she swore if he ever tried anything like this again, she would tear him apart, and she means it!

Me: I remembered Lincoln telling me about that, that fucking mutant!

Lincoln: Yeah, Flip went way too far again, and I pulverized him big time when we got back, and it's so good to see you again, Paige.

Paige Moonwolf: You too, Lincoln, (Seductive tone in her voice and rubs Lincoln's massive pecs with her hands) You've really really grown even more into an even more manlier, muscular, handsome, and sexier man since last time.

Lincoln was blushing even more than ever.

Luna: We had to keep an eye on her at all times, she was THAT in love with him, dude!

Nico: Yeah, I remembered that all too well.

Lincoln then hugged Paige Moonwolf in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Paige Moonwolf with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck. Paige Moonwolf knew what this was as Lincoln leaned down to her face and kissed her on the lips and she returned it as we cheered wildly for them.

Laney: Plus, for those who'd just joined us, we got the video of how Paige Moonwolf and Lincoln met.

Camie: This we got to see.

Nico: Yeah, but we got to warn you: things are about to get really hot and steamy, so be warned.

Me: Even we were still stunned by what happened.

Nico: I knew cat related things would distract him.

Me: I had that same feeling myself.

Camie: That was funny.

Lola: Yeah.

Nico: Nice job Xerneas!

Xerneas: Thanks Nico. It was amazing.

Xenia: It sure was.

Nico: I'll say!

Poromon got out a beer bottle.

Xerneas: Poromon I know what you're asking and it's no. Sorry I don't drink.

Poromon: Oh. Sounds like everyone knows the drill.

Xerneas: Yeah sorry and Poliwag the puppy eyes won't work on me.

Poliwag: Oh.

Nico: Now, we need to think up a way to make Bouillabaisse less expensive.

Me: Easier said than done.

Qin: Yeah.

Xenia: Yeah.

Mung: Everyone before we do that I have something to show you. It's a picture I drew of Endive.

Nico: Okay. Show it while she's not looking.

Mung: She's not here but look.

He showed it and it was a picture of sexy Truffles on a rug with a rose in her mouth!

Schnitzel: RADDDA! (MY EYES!)

Chowder: I'M BLIND! I'M BLIND!

Me: WHAT THE FUCK IS THAT?!

Nico: MUNG!

Horsea looked at it!

Maria grabbed her and covered her eyes.

Horsea: HEY!

Mung: WHOOPS! THAT'S THE WRONG DRAWING!

He put it back and got out another one.

Mung: Here we go!

He unrolled it and it was a drawing of Schnitzel taking a shower and he was covering himself feeling violated!

Chowder: (SCREAMS) MY EYES ARE BLEEDING! (CRYING SCREAMING)

Schnitzel: RADDA! RADDA RADDA RADDA RADDA! (MUNG! YOU SAID YOU WERE GOING TO THROW THAT!)

Mung: I know I said I was going to throw it away. My bad.

He threw it away.

Nico: GEEZ!

Me: We'll see it later Mung. Right now we got business to take care of.

Lola: Yeah we got the Anothers to face.

Nico: Which are?

Eli: (Concentrates) Whoa! We got Il Lupo, Storm Eagle, Launch Octopus, Schnautzel, Hot Hootz, Kowalee, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror and Louie PoisonSea!

Nico: WHOA!

Me: We know who's up for that one. Red Hood, Mega Man, Roll, Dr. Light, Storm Woman and Ember Woman And the Cutie Mark Crusaders.

Nico: Yep.

Eli: I sense that the Anothers minus Il Lupo are one person.

Me: Nice.

Nico: THERE THEY ARE!

We saw Another Storm Eagle, Launch Octopus, Schnautzel, Hot Hootz, Kowalee, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror and Louie PoisonSea!

Me: WHOA!

Nico: This will be fun.

Another Storm Eagle: (In a girls voice) It sure will be.

Me: (GASP) That voice.

They merged and she reverted back and was a girl with blue hair and blue eyes and had blue clothes and blue wolf ears and a tail and she had blue angel wings and a tiara with the symbol of the Werewolf Dopant on it and on her skirt and she had a wolf sword.

Me: (GASP) Winona Werewolf!

Winona Werewolf: Awesome to see you again J.D.

Me: Same here. Winona is the embodiment of the Werewolf Dopant and yes not only is she a werewolf but is also a master of the night.

Nico: Wow! That is cool!

Lola: I'll say!

Me: By the way is the Another Il Lupo friendly or hostile?

Winona Werewolf: Hostile but I'm afraid it's someone you are all too familiar with J.D.

Me: Uh oh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and was separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for backup. (TURNS DIAL) OSTRICH FORCE 6!

She summoned Ozzy Ostrich, Endive, Real American, Blackjack, Lobster Dopant and Porcupine Nezilar.

Qin: YEAH!

Nico: And now we wait.

?: J.D. KNUDSON! YOU WILL FEEL MY STINKY BREATH FULL FORCE!

Me: OH FUCK ME SIDEWAYS AND CALL ME A SACK OF ROTTEN CHUM! I thought we were rid of him!

We saw ANOTHER IL LUPO!

Nico: Another Il Lupo!

Me: But it's who he really is that makes me mad! Isn't that right Mr. Bernard Bolhofner!

He reverted back and it was none other than a clone of Mr. BERNARD BOLHOFNER!

Bolhofner: You always were smart enough to figure me out J.D.!

Me: But I thought we sent you to the Black Gates especially for everything you did to me! You must be a clone.

Bolhofner: That's right!

Nico: Oh great!

?: (Slurred Speech) Hey you son of a bitch!

POW WHAM SMASH BASH!

A figure appeared and it was a girl with black hair and blue eyes and she was dressed in a blue bikini and she had blue angel wings and she was drunk as a loon and she smashed Bolhofner all over!

She reached into his pocket and took out a tiara and it had the symbol of the Alcohol Dopant on it and she put it on.

Allison Alcohol: (HIC) That's better.

Me: Allison Alcohol!? Whoa!

She went over to me wobbly and drunk!

Allison Alcohol: Look who it (HIC) is. It's mister lover boy.

She kissed me full on the mouth.

Me: (COUGHS) Still as drunk as ever.

Allison Alcohol: You always know the right things to say when we make love. (CRYING)

Il Lupo: You remind me of when I'm in a bad mood. Except much worse!

Bolhofner got up.

Bolhofner: That stupid bitch!

Me: HEY! She is drunk! All the time. Besides now the mascots can have an awesome drinking buddy.

Qin: But yeah he is worse than you Il Lupo.

Kaito: (gets out Zi O gear) Normally, we'd ask what Swartz promised you.

Zocks: (gets out Zero One gear) But I think we know what that promise was!

Kaito and Zocks got out Zi O and Zero One swords.

Me: And that's revenge on me right?

Bolhofner clone: YES!

Me: You brought all that on yourself. But also you aren't worth killing again. Instead I'm condemning you to eternal servitude into the M.O.E.

Nico: Wait what!?

Me: Trust me on this.

Nico: Okay.

Sougo (Gets out Zi O II Ridewatch): The original is in the Black Gates anyway.

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz (gets out Vulcan Ridewatch): No harm in having a clone in the MOE

Sougo became Zi O II while Geiz got VulcanArmor.

Me: Yep. But you know what smells worse than his breath?

I farted in the clone's face!

LOUD FART!

He was coughing and gagging all over!

Nico laughed!

Nico: (Gets out Il Lupo's Ridewatch) Time for this assassin to strike!

May: (GETS OUT LAUNCH OCTOPUS'S RIDEWATCH) Taste water!

Maria: (GETS OUT HOT HOOTZ RIDEWATCH) You are gonna burn!

Mega Man: (GETS OUT STORM EAGLE'S RIDEWATCH) This will blow you away!

They used the powers of Il Lupo, Storm Eagle, Launch Octopus, Schnautzel, Hot Hootz, Kowalee and blasted him down!

Namero Bacho, Yost Griffin, U.A. Scorcher, Thunder Man EXE, Goyagma and Sairagin came.

Nico: Nice team Namero!

Namero Bacho: Thanks Nico.

Kevin: So my team is up next! Awesome!

Lola: YEAH!

Kairi Yano: It's nice that another Gangler gets a team.

Namero Bacho: It sure is.

?: I'll take this ruffian down!

Out came STORM OWL!

Me: Whoa Storm Owl!

Nico: Nice!

Storm Owl: (In a girls voice) I'm ready for this freak!

Nico: Stormy Owl!? Whoa!

Qin: Awesome!

Stormy Owl: Awesome to see you again Nico and you too Qin. I got this.

She fired a wave of lightning and wind and blasted him down and I caught the ridewatch and purified it and we tied up Bolhofner!

Nico: YEAH! Bernard Bolhofner you have failed this world.

Lincoln: And same with us.

KRABLAM!

Lincoln, Clyde, Stella, Liam, Zach, Rusty and Chandler then punched him square in the face and knocked him out.

Nico: WHOA!

UA Scorcher: It's a real good thing you guys got me to the MOE HQ before the Maria Hill of my world could arrest me and have me injected with those nanites.

Nico: That is for sure.

Qin: No kidding. That was a smart call.

Sydney: I agree there.

Stormy Owl: Yeah. Oh I'm naked.

I put on my blind man glasses.

Me: I had a feeling. It's going to hurt though.

Stormy Owl: I know.

The boys covered their eyes.

Me: Here we go.

I snapped my fingers and she doubled over in pain and threw up and fired waves of wind that hit Nico and spun him around like a top and he was spinning REALLY REALLY FAST! She reverted back and was a girl with blue hair and had red eyes and had blue angel wings and had a symbol in the middle of her forehead that looked like an owl in front of a hurricane. Nico was really spinning fast and he wasn't stopping!

Stormy Owl: (GASP) Oh man!

Nico: WHOAWHOAWHOAWHOAWHOA! JANE STOP THIS CRAZY THING!

Rarity: Lets get you dressed first darling.

They gave her awesome blue clothes.

Stormy Owl: Awesome.

May: At least I wasn't hit this time.

NICO THEN THREW UP ALL OVER MAY!

Nico: (PROJECTILE VOMITS)

Me: OH SICK!

Nico: Sorry May.

May: Me and my big mouth…

Nico: Sorry May.

May: It's okay.

Stormy Owl: Man that was strong winds to make you dizzy.

Mega Man: No kidding.

Wind Man: That was stronger than my wind.

Lola: Yeah.

Mega Man: Do you have any favorite memories of Nico?

Stormy Owl: When me and Nico were doing projects on tornadoes in school and it was fun.

Nico: Those were fun.

Maria washed May off.

Stormy Owl: Yep.

Nico and Stormy hugged.

Nico: I've missed you.

Stormy Owl: Same here.

We later went back home.

Lincoln: Wow, looks like my rescue's taking place on Liam's farm, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we got bad news: Satan Farmer, the hypothetical Akuma of Liam Hunnicut is running loose, so we are going to take him down and send him to The Masters of Evil.

Me: Whoa, so now, we're dealing with the hypothetical Akuma of Liam.

Nico: What's his story?

Lincoln: According to Gabriel, Satan Farmer was created when Liam's farm was utterly decimated by Flip, his crops were destroyed and his barn was damaged, and Liam swore vengeance on him, and when he was turned into Satan Farmer, he was given terrifying demonic farmer powers and he's also a bloodthirsty monster.

Liam: Whoa, even I was stunned hearing that.

Carmen: Me too, but this proves there's no line Flip's willing to cross.

Red Hood: We'll be rid of him very soon, I've got a few bullets with his name on them.

Lincoln: Save them for when we deliver the finishing blow on him, Jason.

Suddenly, we saw a very beautiful and super sexy girl with long dark blue hair with light blue streaks and light blue headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Air Skylanders and Indigo Zap's cutie mark on her right arm she has massive and beautiful indigo blue angel wings, she's dressed in an indigo blue sleeveless blouse, necklace with dark blue gem for the pendant, white bridal gloves, indigo blue skirt, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, blue lightning, Alicorns, phoenixes, and angels on the coattails and on the back is the symbol of The Air Skylanders and Indigo Zap's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, gold chain for guard, and gold pointed tip for the pommel, and with her are the seven girls.

Then, Lincoln fired waves of ladybugs and red fire which hit Satan

Farmer and knocked him down and he was tied up and thrown to Vypra. We cheered as we holstered our weapons and powered down.

Lincoln: That's another of my Akumatized friends down, and we now got the Akumatized forms of Rusty, Zach, Clyde, Mom, and Dad to go. (To Laura Tempest) And it's so good to see you again, Laura.

Laura Tempest: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Laura Tempest as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Laura Tempest was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Laura Tempest: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Laura Tempest and he hugged her, and Laura Tempest is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Laura Tempest: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Laura Tempest, Daydream Princess of The Blue Lightning, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Indigo Zap combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream

Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Laura Tempest and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Laura Tempest really trained Lincoln a lot especially with using the powers of blue lightning, and he made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lori with a blazing passion because of everything she's done because her actions reminded her of Abacus Cinch, and Laura Tempest has put her in her place more than once: which means getting her grounded and thrown back in her cage like the gorilla that she is.

Nico: Damn, she really put Lori in her place, and did she really go so far as to call her a gorilla?

Lincoln: Big time, and Lori got so mad, she went ballistic. But, the cage kept her from trying even that, and now that you're here, Laura.

Lincoln went up to and hugged Laura Tempest in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Laura Tempest: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laura Tempest with indigo blue gems on the gold lightning bolts and indigo blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Laura Tempest: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Laura Tempest, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Laura Tempest's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Laura Tempest had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Momo Momozono, Aoi Aida, Xiaomei Ling, Hoozuki Akanesora, Noel Shirohime, Honey Pumpkin, and Mikage Kuroki from Maid-san and Big Boobs Spirit.

Ed Cowart: Whoa, Momo Momozono, Aoi Aida, Xiaomei Ling, Hoozuki Akanesora, Noel Shirohime, Honey Pumpkin, and Mikage Kuroki from Maid-san and Big Boobs Spirit. You just saved another group of voluptuous girls from that rampaging Akuma.

Zackary Nightingale swung his Zackary Nightingale's Cosmic Eternal Crimson Red Firestorm Defender Celestial Magic Heavenly Red Wolf Phoenix Angel Mage's Staff of Cosmic Eternal Crimson Red Firestorm Defender Celestial Magic Heavenly Red Wolf Phoenix Angel Justice, and this time, he landed a hit on Ed Cowart's head hard and left a lump on his head.

We winced and Lincoln gave Ed Cowart a block of ice he made and put it on his head.

Valencia Nightingale: I told you he's a hard-ass!

Lincoln: Yeesh. Are you girls okay?

Momo Momozono: Yes, we're okay, thanks to you.

Then, when Momo Momozono and the other six girls saw who it was that saved them from Satan Farmer, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted

Momo Momozono: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Momo Momozono: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Momo Momozono, Aoi Aida, Xiaomei Ling, Hoozuki Akanesora, Noel Shirohime, Honey Pumpkin, and Mikage Kuroki with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Satan Farmer, the hypothetical Akuma of Liam Hunnicut.

But, when Lincoln showed what we did in beating him down and Lincoln firing waves of red fire and ladybugs at him that took him down and sent her to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Laura Tempest have a lot of catching up to do, now that she's back in town.

Maria: Man, you guys sure had an awesome time taking down Liam's hypothetical Akuma form.

Lincoln: He was tough alright.

Nico: No fooling, especially since he has terrifying demon powers.

Me: But, still, that was interesting. So, tomorrow, the next Hypothetical Akuma villain we're going after is Zach's, and this one is bound to be out of this world.

---

After we took down Satan Farmer, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Laura Tempest and Paige Moonwolf saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding, same with Paige Moonwolf.

Laura Tempest: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Paige Moonwolf: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Laura Tempest: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Paige Moonwolf: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Luna: Okay, dudes, now brace yourselves.

Luna played a video on the big screen, and it showed Lincoln and Lily the Mermaid visiting the hot and humid jungles of South America from last year.

Past Lincoln: I love coming here to the jungles of South America.

Past Lily the Mermaid: Same here, it's really amazing.

Suddenly, Lincoln and Lily the Mermaid heard a loud howl along with the sound of men's voices from a distance.

Past Lincoln: Let's check it out.

Lincoln and Lily the Mermaid rushed out, and there they saw a group of poachers and they saw who the poachers were trying to capture: a very beautiful and extremely super sexy girl with long brown hair with large brown wolf ears on top of her head and brown wolf tail and dark blue flower beret in her hair, yellow eyes with dark blue markings, she was tall at 7'9" in height, she had the voluptuous sexy body of a goddess with massive bust to match, fair skin, she has massive and beautiful white angel wings, she's dressed in a dark blue sleeveless blouse, necklace with dark blue gem for the pendant, dark blue denim shorts, dark blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, wolves, phoenixes, and angels on the coattails and on the back is a Dire Wolf, and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Past Lincoln: Those poachers! Come on, let's get them!

Lincoln and Lily the Mermaid flew down and viciously throttled the poachers, and got them arrested by the cops.

Poacher: DAMN IT! FLIP, YOU'RE A DEAD MAN!

Past Lincoln: So, you're working for that mutant?! Get them out of here before I beat them to death!

The cops got the poachers out of here, and then, they turned to the wolf girl. Lincoln kneeled down in front of the wolf girl.

Past Lincoln: Are you alright?

Past Paige Moonwolf: Not really, those assholes scratched me with their knives.

Past Lincoln: Those poachers really went too far. Here, let me clean up your wounds.

Suddenly, Lincoln took off his shirt, and when Paige Moonwolf saw him for the first time, she had an atomic red blush on her face.

Past Paige Moonwolf: (In her mind) My God, he's… so… good-looking, and those really massive and powerful upper and lower body muscles of his weren't just for show, he really caused a lot of damage to those poachers.

Then, Lincoln wrapped his left arm around her to comfort her as he used his right arm with his shirt to clean her wounds, but that really made the blush on her face deepen even more.

Past Lily the Mermaid: There we go. Her wounds are cleaned and bandaged, but it's not safe not with those poachers running loose.

Past Lincoln: Especially those from Flip, that mutant's gonna get such a thrashing for this when we head back.

Suddenly, Paige Moonwolf moved close to Lincoln as she wrapped her arms around his neck, and she kissed him on the lips, then, he wrapped his massive and muscular arms around her waist and he'd returned the kiss but with an extremely hot passion, and he made the bold move of biting her on her neck and he kissed the bite mark he'd placed on her neck marking her.

Past Lily the Mermaid: You two only met, and she's already thanking you for what you did in saving her. You really are her white knight in shining armor.

Lincoln picked her up bridal style.

Past Lincoln: Flip crossed a serious line this time, and for that, I'm gonna rip all his body hair off with hot wax.

Lincoln and Lily the Mermaid went home with Paige Moonwolf as the video ended.

Camie: So, that's how you two met.

Lincoln: Yep.

Lily the Mermaid: And after we told everyone of what happened, they all made death threats on Flip and some of us even cursed him out.

Nico: Yeah, J.D. swore like a sailor when he made those death threats at that mutant.

Lily the Mermaid: And Paige explained her history to us, and we were amazed that she was a Dire Wolf turned human wolf girl thanks to being exposed to the energy of a magical meteor that gave her really incredible powers including immortality, invincibility, flight, and even blue wolf fire powers, and she also gained massive white angel wings and the energy from the meteor also increased her extremely powerful physical strength, senses, and abilities giving her incredible superhuman strength, superhuman agility, superhuman stamina, superhuman speed, superhuman senses, superhuman durability, superhuman regeneration, superhuman intelligence, and beyond.

Nicole: We were amazed though, but what we didn't know was that her instincts desired her to find a mate, and she saw one in Lincoln, and after they came back, they had a really long lovemaking and mating session.

Paige Moonwolf: He was definitely no amateur when it came to lovemaking, he was one dominant and strong Alpha Male.

We got a shower, and then, Lincoln, Alana the Arch Imp, Dana the Devil, Gwen the Gremlin, Impa the Imp, Pearl the Pixie, Asha, and Wasser are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Alana the Arch Imp, Dana the Devil, Gwen the Gremlin, Impa the Imp, Pearl the Pixie, Asha, and Wasser are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Alana the Arch Imp: Wow, so this is Gelato Beach. It sure is

beautiful.

Lincoln: It sure is, Alana, and it's perfect for our first date. Shall we?

Lincoln, Alana the Arch Imp, Dana the Devil, Gwen the Gremlin, Impa the Imp, Pearl the Pixie, Asha, and Wasser dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator Opal, Ginger, June, Windshear, Roulette, Shadow Striker, Strika, Nightbeat, and Wingcode got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Alana the Arch Imp, Dana the Devil, Gwen the Gremlin, Impa the Imp, Pearl the Pixie, Asha, and Wasser and they hugged the girls in their abnormally massive and powerful muscular arms and Alana the Arch Imp, Dana the Devil, Gwen the Gremlin, Impa the Imp, Pearl the Pixie, Asha, and Wasser placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Alana the Arch Imp, Dana the Devil, Gwen the Gremlin, Impa the Imp, Pearl the Pixie, Asha, and Wasser as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alana the Arch Imp, Dana the Devil, Gwen the Gremlin, Impa the Imp, Pearl the Pixie, Asha, and Wasser with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Alana the Arch Imp, Dana the Devil, Gwen the Gremlin, Impa the Imp, Pearl the Pixie, Asha, and Wasser are in your harem, Linky.

Alana the Arch Imp, Dana the Devil, Gwen the Gremlin, Impa the Imp, Pearl the Pixie, Asha, and Wasser showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is

just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Alana the Arch Imp, Dana the Devil, Gwen the Gremlin, Impa the Imp, Pearl the Pixie, Asha, and Wasser, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Laney, Laura and Misty's final mission.

Nico: Who should go with Takeru, Kylie, and Moondancer?

Toby: I'll go!

Yae: I'll go too.

Kitty: So will I!

Lori: Me and the rest of our siblings will literally go too.

Nico: Okay then. It'll be awesome.

Twilight Sparkle: Go get them Moondancer.

Moondancer: I will Twilight.

We were off to Japan.

---

We arrives.

Hiroyuki: Hey guys!

Laney: Guys, meet Takeru, Kylie and Moondancer.

Takeru: An honor to meet you. I'm Takeru Tenkuji, leader of the Ghost Kamen Riders.

Me: They were 2015's Kamen Riders.

Kylie Griffin: Yep. My name is Kylie Griffin and I'm one of the Ghostbusters.

Moondancer: I'm Moondancer. It's an honor.

Toby: I'm Toby Tredwell, Misty's little brother.

Yae: I'm Yae the lady ninja.

Kitty: And my name is Kitty.

Hobare: Wow! Awesome to meet you.

Laney: Yep. And you met my brother Lincoln. These are all my siblings.

Lori: It's literally awesome to meet you. I'm Lori.

Leni: I'm Leni.

Luna: I'm Luna. Sup dudes.

Luan: I'm Luan.

Lynn: I'm Lynn Jr.

Linka: I'm Linka.

Liberty: I'm Liberty.

Lee: I'm Lee.

Lyra: I'm Lyra.

Lucy Loud: I'm Lucy.

Lucille: (Scottish Accent) I'm Lucille. Pleasure to meet you lads.

Lana: I'm Lana.

Lola: I'm Lola.

Lisa: Greetings. I'm Lisa.

Lily: And I'm Lily.

Hobare: Wow! That's a lot of kids! But it's awesome to meet you all.

Me: Yes and their mom and dad all thought it would be cute if their names all started with the letter L.

Nico: Yep.

Me: (Whispers to Hiroyuki) Their family is one that has never believed in condoms.

He snickered at that one.

Kitty: I'm actually a ghost.

Me: It's a long story. But Kitty is Lewa's archenemy.

Hobare: Oh man! That is scary.

Me: Don't worry she is not going to hurt you.

Hobare: Oh.

Me: Also Lucille is one of the ancestors of the Loud kids. During one of our most awesome major battles that we had 2 years ago we found out that the Loud Siblings had Scottish Royalty in their blood.

Lucy Loud: It's true and Lucille is my ancestor.

Lucille: It's true lads and we are grateful to meet our descendants now.

Hobare: Wait I've heard about that battle with Team Dark Phoenix Storm! That was epic!

Eli: It sure was.

Lola: Yeah no kidding there.

Lincoln: Yep.

Misty Tredwell: That was one of the most amazing battles we've ever had.

Me: Yep.

Nico: Also Toby was dead before.

Me: Yep. Misty told us what happened to him and it was horrible. So I brought him back.

Hobare: How?

Me: With a simple snap of my fingers. I can do anything just by snapping my fingers.

Hiroyuki: Wow! Can you make a ramen bowl tree appear?

I snapped my fingers and tree like that appeared instantly!

Hobare: WOW!

Hiroyuki: That is amazing!

Me: Yep. I have the power to do anything.

Misty Tredwell: That's what made me fall in love with J.D. because he healed me.

Me: Not to brag. Misty was devastated when her brother died and I decided to bring her brother back.

Pirika Asahikawa: Oh that is so sweet.

Me: Yeah.

Hiroyuki: I hope you killed whoever was rewsponsible was Toby's death before!

Nico: Oh, we did.

Me: It's true. This was him.

I showed a picture of Sayer.

Me: His name was Sayer and he was trying to exploit her brother for his own selfish purposes. We got rid of him for good.

Pirika Asahikawa: Good riddance.

Me: No kidding.

Hiroyuki: NO ONE should be responsible for killing kids.

Me: THAT IS DEFINITELY for sure! And we don't kill kids EVER! Only on RARE circles. Only those like Princess Morbucks and all that because our code STRICTLY forbids us from killing kids.

Pirika Asahikawa: That's awesome that you have that in your code.

Lola: Yep.

Hiroyuki: I agree.

Misty Tredwell: I know. But J.D. brought back Toby for me and I will always be grateful to him for that.

Me: Yeah.

Hiroyuki: That is awesome.

Pirika Asahikawa: By the way J.D. is it true that Kang the Conqueror was responsible for what gave you your powers?

Me: It sure is! It's all 100% true. Kang was responsible for everything that happened to me. The Radiation, my powers, all of it!

Nico: He was getting tired of losing to the Avengers. So he caused J.D.

's powers just so the Avengers would be obsolete.

Me: But his plan backfired in his face big time. He never expected the Avengers to join Team Loud Phoenix Storm.

Eli: Yeah it was a massive twist of irony.

Hobare: That REALLY is ironic. But in a really awesome kind of way.

Me: Yeah no kidding.

Lori: We were literally blown out of our skulls when we heard that.

Luna: We sure were dudes. But it all made sense after that.

Me: Yep. Everything that happened to me was all thanks to Kang and I am honored that Kang made me this way. I accepted the truth. Thanks to him I wouldn't have made Team Loud Phoenix Storm and we wouldn't have become the most powerful force in the entire universe.

Nico: We had no ill will towards Kang for that.

Hobare: Good and I don't either. He gave Earth and the universe a massive gift and that's you and your friends J.D. Also he has a tragic past and is honorable.

Lincoln: That is too true.

Me: Yep.

Pirika: Was Kang responsible for those dimensional vortexes too?

Me: No. I asked him the very same question and no he wasn't.

Eli: That's still a big mystery.

Nico: They're probably just random.

Me: Yeah.

Eli: We'll never know.

Nico: Anyway how have things been here?

Hiroyuki: Busy. We were trying to figure out why the park suddenly turned into a jungle and it was a girl with Plantapocalypse's powers.

WE GASPED!

Me: That's Rhonda Plantapocalypse! She's the Embodiment of Plantapocalypse. She's half human and half Rhododendronian. She has plant powers that are just as strong and powerful as all of the plant users combined.

Nico: Wow!

Eli: No kidding!

Nico: Oh boy.

Takeru: Lets get moving then. HENSHIN!

He turned into Kamen Rider Ghost!

Me: Yeah!

We were off to the park and when we got there we saw that it was turned into an IMMENSE JUNGLE AS DENSE AS 100 AMAZON RAINFORESTS!

Eli: WHOA! What a jungle!

Nico: and Hiroyuki? Here's your Eyecon.

Me: Your archenemy is Big Zero. Her real name is Amity Hunter. She has size powers so she will be perfect for facing you as Taiga.

Hiroyuki: Cool! Looking forward to it.

Nico: Yep.

We went into the jungle.

Nico: Wow! What a jungle.

Me: Rhonda sure did a great job in this.

Lola: Yeah no kidding there.

A vine moved near us but vanished quickly.

Nico: What was that!?

Me: No idea.

We got into a clearing and it was beautiful.

Me: Wow! Wait look.

We saw a girl with green hair and she had black clothes and black angel wings as black as the night and she had a tiara with a picture of Plantapocalypse on it..

Me: Rhonda?

Rhonda saw us and she had red eyes and vampire fangs.

Rhonda Plantapocalypse: J.D?

Me: Yeah it's me.

Rhonda Plantapocalypse: What's happening to me?

Me: You were infected with a virus called Blackwing Eatos 12.

Rhonda commanded some vines to lunge near us.

I slashed the vines with my sword!

Me: Rhonda you can stop this.

Rhonda Plantapocalypse: I can't! This virus is making me lose control of my powers.

Me: Lord Zedd and Rita infected you. We don't know who made this virus.

Lisa Loud: But luckily I made the antidote.

She pulled out a bottle full of a glowing red liquid.

Me: Wow! You made the antidote Lisa?

Lisa Loud: I sure did. Just got to inject this into you. But it will take 1 hour to take effect.

Nico: Plenty of time to battle the monster and Rhonda.

Rhonda Plantapocalypse: Okay.

She injected her with it.

Then out came GRIMDO from the Ultraman Taiga movie!

---

Long ago, before the creation of the universe itself, "Grimdo" existed as the form of primordial chaos gods, who were sealed away in the graveyard ruins of Planet Borges to maintain the balance of the universe, though ancient cosmic runes were left behind. There was similar ancient writing in a cave on Planet Tika-Du, where Ultraman Tregear and Ultraman Taro ventured to during their youth. After Tregear's fall to the darkness, he managed to decipher the ancient runes on Planet Borges and unsealed the ancient chaos gods, who were absorbed into his Color Timer, granting him great power. Tregear covered his Color Timer with strong restraints to prevent Grimdo from escaping.

In an alternate timeline created through Absolute Tartarus' manipulation of the timeline, Tregear was taken into Tartarus' ranks as a Parallel Isotope, preventing him from unsealing Grimdo and gaining the ancient god's power.

A part of Grimdo was freed from Tregear's body when the seal was loosened after the battle between Tregear and Ultraman Taiga. The monster is sealed by the New Generation Heroes for a short time at the cost of their transformation abilities, and made its way to Earth. It escapes its seal and wreaks havoc on Earth, with Taiga, Ultraman Rosso and Ultraman Blu unable to contend with it. As part of Tregear's plan, Taro showed up to help his son and used the Ultra Dynamite on Grimdo, though the monster possesses him in the process. Taro, under the influence of Grimdo, fought against Taiga and forced him and the brothers to retreat.

Grimdo leaves Taro after he is saved by Hiroyuki Kudo and the Tri-Squad, who clash into him using the Ultra Dynamite. Their combined power managed to drive out Grimdo from Taro's body and restore him to his usual self. Having lost everything, Tregear decided to offer himself to Grimdo. His body broke down and was absorbed into the beast, restoring it to its full power. His consciousness was within the monster and controlled it, with a desire to destroy everything.

The Tregear-Grimdo fusion overwhelmed Taro and the New Generation Heroes, even in their strongest forms. Taro advised them to fuse via Taiga's Ultra Horns while he distracted Grimdo, allowing them to have the opportunity to fuse into Ultraman Reiga, who was strong enough to deflect all of Grimdo's attacks. At the climax of the battle, Reiga shot through Grimdo's central eye with the Reiga Ultimate Blaster. With a sorrowful voice, Tregear called out to Taro before he is destroyed along with Grimdo.

---

Me: WHOA! Grimdo! I remember him!

Nico: Oh boy!

Rhonda commanded some vines to lunge towards Kitty.

She went intangible and they pasted through her.

Kitty: Never mess with a ghost.

Eli: Time for some plant Kaiju power! BIOLLANTE RISE!

Pollen fell from the sky and then the ground rumbled and out came BIOLLANTE!

Biollante roared!

Biollante: I'm ready for some action!

Nico: Awesome!

Hiroyuki: Lets do it! ULTRAMAN TRI-SQUAD! BUDDY UP!

He pulled out the Tri-Squad sword and activated it and became ULTRAMAN TRI-SQUAD!

Takeru got out his Eyecon.

ROBIN HOOD!

Takeru: Robin Hood power!

He fired an arrow and it hit Grimdo and blasted him all over.

Lori: Time for this! (ACTIVATES EYECON)

DANIEL HALLADAY!

Lori: The inventor of the Wind Mill.

Nico: Wow!

She fired waves of wind and blasted him down.

Zenkaigan! (Drum line) Kengou hakken kyoshou ni ohsama samurai bouzu ni sniper! Dai~ Hen~ge~! (Yay!)

Takeru became his Grateful Damashii form!

Nico: Awesome!

Me: Yeah! Sorry about rhis Rhonda!

I fired waves of fire and blasted her all over.

Leni: This will be fun! (Activates Eyecon)

KARL SCHWARZSCHILD!

Leni: I don't know who that is.

Me: He was the man that characterized what a Black Hole was.

Leni: Oh!

She fired gravity blasts and smashed down Grimdo!

Kitty: I was in a motorcycle accident with my boyfriend Johnny 13.

Aqua: Looking forward to it.

Lola: Yeah!

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even

more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lincoln and the mascots were later playing Video games.

Exile: (Russian Accent) What are you guys doing?

Lincoln: Playing Super Smash Brothers Ultimate.

Me: Lincoln and the mascots are doing really well in this one.

Eli: Cool.

Lincoln was himself in the game and the mascots were Mario, Luigi, Princess Peach and Daisy.

Ingrid Vollenenshikova: (Ukrainian Accent) Who are you guys rooting for?

Nico: Good question.

Me: Lincoln is doing really well.

Camie: I'll say.

Me: I'm rooting for Lincoln.

Skywarp: I'm rooting for Poromon!

Qin: It's all pretty close!

GAME!

Linxoln won!

Lincoln: OH YEAH!

Me: WOOHOO!

Poromon: Awesome! Great game Lincoln!

Manaphy: That was fun!

Poliwag: Yeah it was!

Horsea: You were great!

Lincoln: Thanks guys!

?: That was fun!

A girl with black hair, blue eyes and black angel wings and was wearing a blue kimono an she had a tiara with the Tengu symbol on it.

Tanya Tengu: Tanya Tengu, Embodiment of Tengu Man.

Ink Rose: Tanya wow.

Zick: Wow! Awesome to see you again.

Tanya Tengu: Awesome to see you again Ink Rose and Zick. Its been a while.

Skydive: How did you meet Ink Rose and Zick?

Tanya Tengu: I met Ink Rose when she was working on fashions of darkness. I helped make awesome darkness fashions for her awesome gothic attire.

Ink Rose: She does a really great job.

Nico: Awesome.

Tanya Tengu: Yep an I helped Zick beat that big plant monster. It was how I met him and Elena together.

Nico: Wow!

Zick: Yeah that was cool.

Nico: Yep. Would you like to join the team?

Tanya Tengu: I would be Ivy: Congrats, Lincoln!

Lincoln: Thanks!

We got some drinks.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than our old enemy, Kitty Galore, and she's come back for revenge. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I

just had a vision and I saw who it was that we're going to confront today, it's none other than our old enemy, Kitty Galore, and she's come back for revenge.

We gasped.

Me: WHAT?!

Nico: Oh, that little… !

Qin: That hairless furball's getting such a thrashing once again.

Me: Big time!

?: We're gonna enjoy fucking him up!

Suddenly, we saw five girls appear in The World Tree Estate.

Drakus: (GASPS) Oh man! The Mitternacht Clan!

Rachel Carrington: It's been a long time since we've seen our favorite phantom thieves!

Sebastian Mendez: THE MITTERNACHT CLAN?! HERE?! Damn it, of all the worst times!

Lincoln: Drakus, care to introduce us?

Drakus: Gladly. The first girl is Saiko Vallière, the Sharktopus Gene-Slammer, she's the cousin of Louise De La Vallière from Zero No Tsukaima, and she's not only my classmate in gym from Japan, but she's the leader of The Mitternacht Clan and is the most swagalicious of them all. But, she has a deep loathing of Sergio, because, as it turns out, Sergio's actually the most wanted bird on the planet for numerous crimes against his fellow birds, crimes against humanity and numerous illegal raves, and once Saiko sees Sergio, he will be ripped apart on sight.

Everyone: SERGIO!

Rachel Carrington: Yep, Saiko really hates that stupid bird. The second girl is Jaimie Napier, the Petracuda Gene-Slammer, and the daughter of Jack Napier, The Joker. She's Drakus' classmate in gym from New Jersey, and she's known as The Wild Card of The Mitternacht Clan and she's just as sadistic as The Joker, but is also very much a jokester and playful trash gremlin around her friends. She's just done with Lex Luthor's shenanigans and will shoot him on sight and steal everything LexCorp has if she gets a chance to.

X-Squad Lila Rossi: The third girl is Charlie Wayne, the Whalewolf Gene-Slammer, she's the niece of Bruce Wayne A.K.A. Batman, she's Drakus' classmate in law from New Jersey, and she's also the Quartermaster of The Mitternacht Clan, ensuring that they remain well supplied. She also has Bat DNA thanks to an incident involving Jaimie and some pie. They both agreed not to talk about the details. She hates Bradley Uppercrust III with a blazing passion, the reason why is because he once stole nuclear bombs and placed them in every classroom. But luckily, Drakus and Charlie intercepted him and removed the nukes. She is also dating Jaimie Napier and another girl in a poly couple, and is perfectly happy with her girlfriends.

X-Squad Cell: The fourth girl is Erika Cobblepot, the Behemoth Gene-Slammer, she's Drakus' classmate in culinary from Japan, and she's also The Top Assassin of The Mitternacht Clan and the daughter of Oswald Cobblepot, aka the Penguin. She was once Fish Mooney's umbrella girl, but thanks to her devious and clever mind along with the many weapons she stole from her dad, which he didn't judge, as she used her new ill-gotten gains to put herself high above the rest, she made a name for herself and bested her competitors in the Gotham mob. Though she and Fish were once at odds, she ultimately came to see her as a surrogate granddaughter and her legacy in Gotham, prompting a reconciliation. She hates Theo and Tabitha Galavan with a vengeance, the reason why is because they were not only a disgrace to gangsters everywhere, but they also tried to steal weather satellites to sell them to the highest bidder. But luckily, the satellites have alarms designed to go off the moment any gangster tries to steal them. They alerted Drakus, Erika and Penguin and his goons and they arrived instantly. They jumped Their and Tabitha and beat the crap out of the two thugs and put the two thugs back in jail, with the two swearing bloody revenge on Drakus, Erika and Oswald. Erika is dating Charlie Wayne and Jaimie

Napier.

Drakus: And the fifth girl is Ellen Otonokoji, the Moby Dick Gene-Slammer, she's the sister of Hibiki and Kanade Otonokoji and is a big time bounty hunter that goes after the most dangerous criminals in the world and she goes after ONLY THE WORST OF THE WORST for big time bounties. She is also my friend from Music. By day, she's a normal person but by night, she's a bounty hunter. Ellen doesn't just go after any kind of criminal however, she goes after witch hunters, people that think witches are less than human because they can do magic and they do ungodly acts that are essentially harassment and more. She is also the leader of an awesome secret underground organization that is affiliated with the FBI, INTERPOL, Scotland Yard, The CIA and top law enforcement agencies called C.L.W.F.W.H., The Center for the Liberation of Witches from Witch Hunters. Their mission is to bring down utterly delusional witch hunters and send them to the toughest discipline schools ever for immense reeducation.

Nico: Whoa, that's really really awesome!

Drakus: You got that right, but you're not going to like their hated archenemy.

Drakus pulled up the image of a girl with long white hair in long pigtails and dressed in fancy clothes and she has blood red eyes and tears of blood and black fairy wings.

Me: Who's that?

Drakus: This is the hated archenemy of The Mitternacht Clan, her name is Faith N. Siknes, she may seem like an innocent and church-going saint, but that hides the true Faith N. Siknes: the true Faith N. Siknes is a cruel, sadistic and evil witch hunter with an utter disregard for all magic and with oceans of innocent blood on her hands and who desires to see the world burn and to see all witches on Earth and the universes beyond die painfully, because of an incident with an innocent mage that left her eyes perpetually running with blood which drove her mad with fear of how much time she has left on Earth that drove her insane and to vow to make all witches die, and yet somehow, she finds herself dating Saiko Vallière, essentially a witch, and this confuses her SO MUCH! And the wings on her back are cybernetic.

We were horrified!

Nico: SHE'S A MONSTER EVEN WORSE THAN SEBASTIAN IN THE PAST!

Hunter (Owl House): Along with Phillip Whittebane, but you're right, she's even worse than Sebastian.

Drakus: And speaking of, one time, Faith N. Siknes and Theo and Tabitha Galavan made an unholy and dark alliance with the bloodthirsty Sebastian Mendez to destroy mankind, but it ended with me, The X-Squad, and the Mitternacht Clan taking them all down, but while Theo and Tabitha and Faith were taken back to prison, I stabbed the bloodthirsty Sebastian in his black heart saying this is for murdering Rachel Carrington, you bitch, and left him to die in a pool of his own blood.

Lincoln: Yeesh, just how many of Sebastian's actions have pissed us off?!

Drakus: One too many, and unfortunately, thanks to The Curse of Devil's Point he still had on him, the wound healed, and he then escaped back to The Netherworld and he vowed bloody and eternal revenge on me, The X-Squad, and the Mitternacht Clan.

Sebastian Mendez: I remember that bitch, Faith, all too well. She's just as you said, but I'm going to show her that I'm far worse than her, a real monster: someone who has killed before and has ocean tons of blood on my hands and I'm far worse than her because of my Dark Side and I'm even worse than Frieza and on a whole new level of darkness.

Nico: We've seen that many times over. Okay, let's head out and get rid of Kitty Galore.

Lincoln: Sorry, Fluttershy, but this is one bad cat who needs to be stopped, she's a threat to mankind.

Fluttershy: It's okay, you did tell me about what he did years ago,

Lincoln.

Lincoln: Oh yeah, I remember.

Nico: But, he knew of your love for animals, so he was being careful with his words.

The previous group came.

Count Vertigo: Can me, El Oso, Overdrive, Wrecking Crew, DC Enchantress, Tar Pit, Black Spider, Bronze Kneecap, Evil Star, and Dark Spicer go with you guys?

Piledriver: And I think the next Ambassador missions are for Atomic Puppet.

Nico: That's right. You'll see soon. And yes you all can come with us. Our old friend Kitty Galore is back.

Camie: What can you tell us about her?

Nico: She's a rogue cat.

He went over her history.

Ivana Clawyu, also known as Kitty Galore, is the titular main antagonist of the 2010 film Cats & Dogs: The Revenge Of Kitty Galore. She is a ruthless, hairless cat whose goal is to use "The Call Of The Wild" disc to make every dog in the world turn against their owners, and would then be locked up in the kennels. She also has a henchman named Paws, a robotic cat, and a pet mouse named Scrumptious, she is also the archenemy of Diggs and Catherine.

She was voiced by Bette Midler, who also played Winifred Sanderson in Hocus Pocus and Rose Thompson Harvoc in Gypsy.

Kitty was once known as Ivana Clawyu, a well respected long-haired cat agent in the employment of M.E.O.W.S. (Mousers Enforcing Our World's Safety). But during a mission at a cosmetics factory, a guard dog chased her into a vat of hair removal cream, permanently removing her long hair. Shamed by her fellow agents, Ivana returned to her owners, only to be tossed out in the snow on

Christmas. Angered, Ivana vows vengeance on all humans and changes her name to Kitty Galore.

With nowhere to go, Kitty sets up base in the company of Play Land's Chuck the Magnificent, a magician whom Kitty takes no pleasure in being his "assistant". Despite this, Kitty used the resources of Play Land to her advantage, including turning a ride into a giant satellite dish, and creating a robotic Maine Coon henchman, Paws. She even adopted a reluctant white mouse named Scrumptious, who she tries to protect from Paws from time to time.

Over the next two months, Kitty has been stealing technology for her satellite and satellite dish, including satellite codes from Germany, where was spotted by Rex, an agent of D.O.G., who saw though her puppy costume. She even broadcasted a message to cats everywhere about her plans. However, Kitty saw a threat in a pigeon named Seamus, who was unknowingly given blueprints to Kitty's satellite dish by his cousin Nicky, who also served as Kitty's carrier pigeon. She sent Paws after Seamus, but he failed.

After learning from a cat in jail that cats and dogs are teaming up with each other, she sent a pair of tabby assassins, the MacDougall Twins, after Diggs, Butch, Catherine, and Seamus. But they failed as well. Despite this, Kitty got the last part for her satellite dish from Nicky, stole the keys from Chuck's escape act, trapping him in the closet tied up, and set a trap for Diggs and Catherine, where she reveals her plans of broadcasting an audio sound called "The Call of the Wild" to drive dogs insane. She then left the duo to drown in a magician's water tank, but they managed to escape.

During the final fight with Kitty Galore, Diggs tricked Paws into biting the electric cord, causing Kitty Galore's satellite to be destroyed. Scrumptious turned against Kitty Galore and pushed the eject button of her escape pad, and Kitty Galore was thrown out of the machine to be returned to her magician owner, defeated.

When it was done we were shocked!

Qin: That is horrible!

Me: She's still a threat to humanity and must be stopped at all costs.

Xenia: That's right.

Leozack: Boss, which Gene Slammer do you think you'll meet next?

Nico: Magma Dragoon next.

Qin: Ooh! Hot!

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 White Rangers, and they're coming here to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 White Rangers, and they're coming here to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: What?!

Selene Hargan: Leave the Universe 666 White Rangers to me and Lincoln, guys.

Lincoln: Hold on, Selene, we're not doing this alone.

Dominic: He's right, Selene, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading out to destroy our old enemy, Kitty Galore.

Lincoln: That vile feline shouldn't have chosen to return, now we're going to get rid of him for good, and once we're done with that rotten monster, Universe 666 White Rangers, you're next.

Selene Hargan: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to destroy our old enemy, Kitty Galore and see to it he dies here and now, and once we got done with that evil cat, Lincoln and Selene Hargan along with the White Rangers are going to destroy The Universe 666 White Rangers.

We were off to the Jersey Boardwalk.

---

We arrived at the Jersey Boardwalk.

Wrecker: This must be it.

Thunderball: Okay. You guys came here before us.

Bulldozer: You'll have to show us around.

Nico: Sure. I know this place like my hand. Been here many times.

Eli: Awesome.

Squidward: You sure the dogs are here?

Eli: They sure are. I sense them.

Lola: Been a while since we helped Lou and Butch and team. But we're ready for anything.

Camie: Yeah.

Cat: That was when we battled Mr. Tinkles.

Dog: Yeah it sure was.

Tar Pit: Any dogs here?

Me: Look!

Butch: Awesome you guys are here. And we're glad you all came.

Peek: Yeah we got big trouble!

Lincoln: Kitty Galore is back and she is going to finish what she started before.

Lou: How did you know Lincoln?

Lincoln: My powers evolved a lot.

Hotlink: Is this everyone?

Lou: Well…

Catherine came.

Catherine (C&D): I'm glad you came. I'm Catherine.

Me: Oh awesome to meet you.

Nico: We're not going to let Kitty Galore get revenge on us. If we want to stop her, it's going to take ALL of us to do so.

Diggs: You're right. This is gonna be good.

Bronze Kneecap: Which one of you is a German Shepherd?

Diggs: Me. I'm a German Shepherd.

Me: Awesome.

Qin: Awesome dog.

Ground Man: Oh, and Poromon has presents for you guys.

Poromon grinned and got out beer bottles.

Lou: Beer for us? Wow.

Butch: Aww you shouldn't have.

Poromon: It's the least I can do.

Dark Spicer: In the meantime, I got the perfect form for the battle.

Dark turned into Feralhound.

Nico: Perfect choice.

Qin: Yep.

Skull Man: Who wants to drink the beer first?

Lou: I don't know.

Nico: Well…

Me: Hmm.

Butch: I'll drink first!

I popped it open for him.

He drank it.

Me: Oh boy.

Poromon drank next and they both got drunk.

Qin: Uh oh.

Poromon: (Slurred Speech) Hey! I love you guys!

Me: Oooo kay?

Butch: (Slurred speech) Lets go kick that cat's butt! I'm driving!

Evil Star: Ok. Let's humor you. You can drive what Overdrive uses around here!

Poromon: Okay! (BARNEY BELCH)

Overdrive: The bumper cars will do.

Qin: Yep.

Butch: Okay!

Butch got into a bumper car.

Waspinator: Waspinator thinks this is gonna be fun!

Qin: Oh boy.

They got it started and it was going.

Ravage: Are they even going anywhere?

The car was not moving. But in their minds, they were.

Qin: Okay this fun has gone on long enough.

I snapped my fingers and they were back to normal.

Black Spider: Okay NOW Lets get going for Real.

Eli: I sense that Kitty is over there.

Hr pointed to a chair carousel ride.

Qin: Then we need to get there.

Nico: Right.

Diamond Tiara: It's funny how we're fighting cats today

Nico: I know.

Lola: Crazy huh.

Me: Yeah.

Lou: You fought another cat earlier?

Enchantress: It was a clone of Copycat

Qin: Yep.

Xenia: On a Bouillabaisse planet.

Lou: Nice.

Overdrive: I'm still using buper cars here!

Nico: We know.

Qin: Yep

We saw Kitty about to activate the transmitter for her satellite.

Nico: There she is!

Fangry: Entrance time!

We went at her!

Kitty was almost ready and then the spirits of dogs came and swirled around her and then converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard and then we csme out!

Nico: Kitty Galore! You are not going to activate your satellite again!

Kitty Gakore. You want to try and stop me?

El Oso: Challenge accepted!

Eli: That's what we're going to do!

Xenia: Your 9 lives are up!

We fired a wave of energy and blasted her transmitter into fiery rubble!

Kitty Galore: Oh, you're gonna pay for that!

She charged at Horsea

Horsea headbutt Kitty all over!

SMASH!

She bashed her down.

Horsea: Nice try!

Horsea then got out a mouse cat pole.

Lincoln and his harem summoned cats and dogs galore to attack Kitty Galore and that miserable hairball is badly mongrelized.

Lincoln: Your revenge against the world ends here!

Lincoln kicked Kitty Galore hard into the air, and he cupped his hands together and formed a massive rainbow fire energy ball surrounded rainbow flames.

Lincoln: Your revenge against the world ends here, now go to Hell and stay there forever! FIRESTORM KAMEHAMEHA!

Lincoln fired a massive rainbow fire Kamehameha energy wave which hit Kitty Galore and incinerated that vile cat and sent him to The Black Gates.

Nico: GREAT BALLS OF FIRE! Lincoln, that was so awesome! You used the Firestorm Kamehameha and sent Kitty Galore straight to The Black Gates!

Me: He also has other elemental versions of the Kamehameha, Nico, and they're just as powerful.

Lincoln: I've been learning how to use elemental versions of the techniques Master Goku and the others taught me, and they're really powerful and deadly. Now, there's only one last thing to do and one last loose end to tie up: The Universe 666 Gold Rangers.

?: None of you will ever leave this place alive!

Suddenly, the twelve large planets and stars orbing around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and white energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and white energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Universe 666 White Rangers, or we will force you out.

An army of figures came out, and they were none other than The

Universe 666 White Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 White Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Selene Hargan: That he has, and for that, we're going to destroy the instruments of his revenge.

Suddenly, Selene Hargan's blue eyes turned neon blue and she was surrounded by a white energy aura with stars, white fire, white flames, phoenixes, and angels, she unholstered the Rhino Blade and her massive gold greatsword, and as she approached The Universe 666 White Rangers, she left white energy, stars, white fire, white flames, phoenixes, and angels with every step.

Selene Hargan: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who had to be put down. Now, it's your turn, you'll pay for disgracing the legacy of the White Rangers.

Suddenly, Selene Hargan was surrounded by a massive vortex of white energy, stars, white fire, and white flames surrounding the vortex, there are phoenixes, angels, and the White Rangers of 47 plus years flying around the vortex, and in the vortex is a gold phoenix with red eyes glaring at The Universe 666 White Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Selene Hargan emerged, but she was changed forever.

Selene Hargan, Lincoln, and The White Rangers went after The

Universe 666 White Rangers, and they fired extremely powerful blasts of rainbow energy, white energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Universe 666 White Rangers, and they exploded with incredible power as they hit them.

Then, Lincoln and Selene Hargan attacked them with powerful slashes from their massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Selene Hargan also did the same by firing white energy slashes from her massive greatsword, and he and Selene Hargan attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 White Rangers badly.

Dominic Hargan and the White Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon

Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you all die once more.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 White Rangers' chests, and then, Lincoln began absorbing The Universe 666 White Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 White Rangers, and he banished them to The Black Gates. We cheered wildly for what Selene Hargan and Lincoln did as they holstered their massive greatswords on their backs and powered down and Selene Hargan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long white wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large white orbs orbiting around her legs, and massive white angel wings are permanent.

Selene Hargan: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 White Rangers forever, Lincoln, you too, Dominic.

Lincoln: (Smiles Warmly) You're welcome, Selene.

Suddenly, Selene Hargan wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selene Hargan's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the White Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and white flames raging behind them and we cheered wildly. Then, Lincoln and Selene Hargan sucked in and absorbed the elemental forces and white flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Gold Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Gold Rangers, will they? Not on our watch!

Me: You said it. So, Lincoln, who's the next Daydream Princess we're meeting tomorrow on your rescue?

Lincoln: I've got just the one: Caitlin Lusignan, Daydream Miracle Princess of The Full Moon.

Moondancer: Wow, wait, that's right, I'm also a member of The Daydream 16.

Selene Arcangela: Awesome, and you guys are going to love meeting her, Caitlin Lusignan is Lincoln's Guardian Angel from

Michigan and she's a really really powerful girl with the same powers as Daydream Moondancer combined with the powers she has being Lincoln's Guardian Angel. She's the scholarly member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Caitlin Lusignan and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Caitlin Lusignan trained Lincoln a lot especially with using the powers of the full moon and miracles, and like Melanie Moondancer, Caitlin and has the power to make anything happen with just a snap of her fingers. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lynn with a blazing passion because of everything she's done and Caitlin's put her in her place more than once: which means getting her grounded and thrown back in her cage like the gorilla that she is.

Nico: Whoa!

Lincoln: Yeah, Caitlin is indeed a powerful force of miracles and the full moon, and no one wants to cross her. And tomorrow's going to be one epic week of adventures leading to the final battle with Lord Zedd and Rita Repulsa.

Me: You said it, Lincoln. We've been waiting for this for a long time.

Nico: Yeah.

Vector: That's one bad kitty down.

Tala: You said it.

Ranamon: No other cats should be like that!

Cheshire: And I should know.

Arbormon: Where should we celebrate?

Nico: Plenty of stuff here. But great job today everyone.

Laney: (To the viewers) Mark sure all your pets are loved.

Nico: Yep.

We enjoyed the boardwalk and had fun and even had awesome food and we later went home and went to sleep.

Scorcher, Thunder Man EXE, Goyagma and Sairagin and we're going on an awesome treasure hunt to an uncharted island to find an amazing treasure. Also we're going to battle Twisted Cinderella and Colleen Gemma is going to transform against her. Also we're going to battle Another Namero Bacho, Yost Griffin, U.A. Scorcher, Thunder Man EXE, Goyagma and Sairagin who are the embodiments of the Griffin Dopant and Cinnamon Bun Dopant and also we're going to meet the gene-slammer for Magma Dragoon and her name is Melanie Magma.

Alright, and for tomorrow, the match-up is Rena James, Embodiment of The Purple Power Rangers and Lincoln VS. The Universe 666 Purple Rangers

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Zach's house, but we got bad news: Conspiracy UFO, the

Hypothetical Akuma of Zach Gurdle, is running loose, so we are going to take him down and send him to The Masters of Evil. And we're going to meet the next Daydream Princess, her name is Caitlin Lusignan, Daydream Miracle Princess of The Full Moon, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Moondancer combined with the powers she has being Lincoln's Guardian Angel. She's the scholarly member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Caitlin Lusignan and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Caitlin Lusignan trained Lincoln a lot especially with using the powers of the full moon and miracles, and like Melanie Moondancer, Caitlin and has the power to make anything happen with just a snap of her fingers. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lynn with a blazing passion because of everything she's done and Caitlin's put her in her place more than once: which means getting her grounded and thrown back in her cage like the gorilla that she is.

Get ready for action as we embark on a 12 part saga for Power Rangers Cosmic Fury. First part is for where we battle Omwhyzo and that will be awesome.

See you next time.

Xenia: This is gonna be an awesome treasure hunt.

Camie: It sure will be.

Lola: Yeah.

Nico: I'm looking forward to this one.

Varie: Me too.

Nicole: You guys are going to love the quarry.

Daring Do: It will be fun.

Nico: Kevin, I want to thank you, Namero Bacho, and your teams for coming

Kevin: No problem Nico. This is gonna be awesome.

Qin: Yeah it sure will.

ZOOM!

Helen Wheels was running on the surface of the water really fast!

Nico: Helen, do you miss being human?

Helen Wheels: Sometimes. But being part Kineceleran makes me really awesome and fast.

Ellie Singh: Just like me! Being fast is really awesome!

Helen Wheels: It sure is! But I do miss being human.

Nico: I can tell.

May: Me too.

Nico:… wanna be human again with my help?

Helen Wheels: I would like that Nico.

Nico: Awesome!

Xenia: Yeah!

Me: Man that was an awesome mission yesterday.

Xenia: It sure was. Kitty Galore was a monster!

Maria: It seemed as if she was gonna get into a fight with Horsea.

Nico: Yeah no kidding.

Qin: I don't know what her beef was with Horsea.

Me: Yeah but that was still fun though.

Nico: Poromon and Butch also got drunk.

Me: Yeah no kidding!

Qin: But that was funny.

Camie: It sure was.

Varie: Yeah.

Nico: Poromon finished the rest of the beer bottles that he brought.

Me: He sure did.

Qin: Yeah no kidding.

Nico: Thank goodness.

Lola: Yeah.

Nico: So what treasure are we getting?

Nicole: You'll like this one Nico. It's called the Ruby Sword of Kagatsuchi. It's said to be a mighty sword of fire that has all the powers of intense fire.

Qin: WOW!

Nico: Where do we find it?

Nicole: It's coming right about now!

We then saw a city rise out of the water and it was amazing! IT WAS A CITY WITH RUBY PHOENIX STATUES AND IT WAS AMAZING! WE THEN SAW THAT IT WAS A ON THE BACK OF A HUGE WHALE!

Nicole: There it is guys! The Whale City of Kagatsuchi!

Nico: Wow! It's a City on the back of a giant whale!

Maria: It's like Atlantis all over again!

Laney: Actually this is more like the Vanishing Isle from Aladdin and the King of Thieves!

Qin: Incredible!

Nicole: And we're in luck guys. For one whole year this whale becomes an island.

Nico: Wow!

Lola: This is amazing!

We flew and landed into the city.

Eli: Wow! This is amazing.

Lana: Wow!

Nicole: Yep. Once every 500 years this whale turns into an island and then it migrates on a neverending journey around the world.

Then it rests in a different spot for 1 year after 500 years.

Xenia: Incredible!

Lola: Wow!

Nico: Careful. There might be traps.

We nodded.

We went into the palace and it was amazing and incredibly pristine after so many eons.

Nico: This is incredible. We must the first to see this kind of place.

Nicole: No one has ever been on this kind of island Nico. Because no one even knows it even exists.

Qin: Amazing.

Lola: This is incredible!

Nico: Yeah.

We went into a main chamber and it was a room made entirely out of ruby statues and amazingly beautiful walls and ancient art.

Laney: Wow!

Lola: This is amazing!

Camie: This is amazing and beautiful.

Nicole: I know. This city is thousands of years old and it's amazing that it's still in this pristine condition.

Eli: And no one has ever been here before?

Nicole: Nope. No one.

Nico: Except today.

Qin: With us.

Me: Yep. We are the first to ever set foot here.

Nico: Are there anymore like this Nicole?

Nicole: Believe it or not Nico, yes there are. Legends say that there are islands that govern the 10 elemental forces of nature and they each have Swords of the Gods of the World. One for Each Element.

Nico: Amazing!

Lola: Yeah!

Maria: This is gonna be fun!

Qin: It sure is.

Nicole: Yep. And there's our quarry!

We saw in the middle of an alter with 4 Ruby Phoenix Statues around it, on a stone rock, the SWORD OF KAGATSUCHI! It was a Ruby Blade Sword and it had fire around the blade.

Nicole: There it is! At long last we found it! The Sword of Kagatsuchi!

Xenia: That is amazing!

Lola: Yeah!

Nico: Wonder who gets it?

Flare Firestar: I'll get it. This will be interesting.

Pipp Petals: Oh my glitter! This will be so amazing.

Nico: Go ahead.

Flare gulped and went over to the sword and she she then grabbed the hilt and pulled it out and it glowed and she underwent a massive and powerful transformation!

(ESCAFLOWNE FOX KIDS EXTENDED INTRO PLAYS)

A vortex of fire enveloped her and the statues of the phoenix glowed and emited a massively powerful energy! She then had her wings turn into amazingly intense flame wings of incredibly powerful heat and power and she got longer fire hair and had clothes that glowed with the beautiful power of fire and crystal shimmering like the Crystal Ponies in the Crystal Empire! She got a kanji on her vest for Flare Firestar - Knight of Flaming Passion on it!

フレア・ファイアスター - 烈火の情熱の騎士

She emerged forever changed and we were amazed!

Qin: WHOA!

Xenia: Wow! Flare you look incredible!

Pipp Petals: Oh my glitter! You look amazing Flare! How do you feel?

Flare Firestar: I feel amazing Pipp! This is amazing!

Nico: Nice job!

Me: Yeah!

Flare Firestar: Thanks guys!

Lincoln: Okay, guys, we got ourselves a huge emergency, and we're also in for a fierce battle: Twisted Cinderella has come here, and she's out for blood.

We gasped.

Nico: No doubt it's against Anastasia.

Me: Yep. But, we're going to cure her, right?

Lincoln: Yep.

Nico: Oh boy.

Suddenly, Lincoln's large solid gold halo with four large orbiting gold rings on the corners of the halo began to glow and emanate rainbow light, and then, we saw Lincoln's orange version of He-Man's loincloth, long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings turn from white to gold, and his gold chest harness remained the same. Lincoln transforms into Lincoln, God of The Eternal Wheel of Life.

Eli: It's been a while since we've seen you transform into your God of The Eternal Wheel of Life form.

Lincoln: Yep.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Lori: We heard everything from Lincoln, looks like we got another Twisted Princess to cure.

Me: Yep.

Allie Knudson: This is not good guys. This version of Cinderella really reached her breaking point.

Helena Nicos: Yeah it's not good. After her dress was torn by the step sisters, Cinderella ran away, heartbroken. When Fairy Godmother appeared, Cinderella had enough of the abuse and took the wand from her! Before the carriage left, Cinderella casted a spell which killed Lady Tremaine instantly. But for her stepsisters, she had a more cruel thing in mind. Casting a spell on two of her bird frieds, they pecked out the eyes of the step sisters! To add more torture, the eyes were brought back magically, only to be pecked out again and again. Giving Cinderella the satisfaction to watch her step sisters go through the same abuse as she had been, sort of

WE GASPED IN SHOCK!

Anastasia: (SHUDDERS) SHE TOOK MINE AND DRISELLA'S EYES!?

Nico: That is horrible! She really did reach her breaking point! And she killed Tremaine and gouged out her stepsisters eyes to torture them over and over again! That is awful!

Lola: Yeah no kidding! And all because they ripped her dress apart!

Qin: What a couple of evil monsters! That dress that her animal friends made was beautiful and they threw it all away like garbage!

Camie: That is so despicable!

Rarity: That dress they made was absolutely beautiful darlings. Cinderella maybe I can fix up that dress for you.

Cinderella: I would like that very much Rarity.

Rarity: Great.

Me: I'll be right back.

I teleported and came back with Cinderella's dress and it was really shredded.

Me: Man this dress is in tatters.

Nico: (WHISTLES) No kidding. Drisella and Anastasia really did a number on it.

Anastasia: And looking back I can't believe we did that. Our jealousy was that dangerous.

Nico: No kidding. Luckily Rarity and the Fashion Brigade will fix it up.

Qin: Yep

Cinderella: Thank you guys.

Squirrel Girl heard a Pokemon cry.

Squirrel Girl: Hey look here.

We saw a Pachirisu.

Dawn: Wow a Pachirisu.

Nico: That's fitting too.

Squirrel Girl: It sure is.

Me: Oh and the poor thing hurt its tail.

Pachirusu: Yeah. But I'll be okay.

We got to healing it.

We healed it up.

Pachirusu: Thank you.

Nico: You okay now?

Pachirusu: Thanks to you guys.

Qin: Awesome.

Squirrel Girl: Would you like to go with us?

Pachirusu: I would like that.

Nico: Awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we

saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Twisted Cinderella) AHA! Gotcha! I just spotted Twisted Cinderella, she's 20 yards away, and she's searching for Drizella and Anastasia.

Nico: Let's head over there at once and cure her.

Lincoln: She needs her soul repaired at once. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs,

and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Twisted Cinderella.

Me: Now to find Twisted Cinderella.

Eli: I sense her on that island over there.

I flew up and saw the island.

Me: That must be it.

Nico: Lets go guys.

We were off to the island.

Nico: Hopefully she's in a good mood.

Me: Yeah.

We arrived at the island as we flew.

Lincoln: There she is, now to get her attention.

Lincoln fired golden energy blasts from his massive gold angel wings and the four large gold orbiting rings on the corner of the halo that hit Twisted Cinderella, and that made her mad as we landed in front of her.

Twisted Cinderella: Why… are you here?

Me: You know why we're here: to cure you of the darkness that stains your heart and soul.

Colleen Gemma: And that's exactly what we came here to do.

Twisted Cinderella: I don't need curing! I just want these people to suffer for what they did to me!

Me: You mean the abuse that you endured because of Tremaine and your stepsisters. I know they brought all this on themselves. But Cinderella listen! This is not who you are. Your father would not want you to become like this! His own daughter turning into a ruthless killing machine hellbent on revenge.

Twisted Cinderella: You wanna help me? Then do me a favor and use the Black Gates on Anastasia!

Nico: NO! I'm glad you're not asking us to go back in time but we're not doing that to her!

Me: Absolutely not! Anastasia LEARNED from her mistakes! If ANYONE deserves the black gates it's Lady Tremaine! She made you this way and treated you like nothing more than dirt! Not only that but she KILLED YOUR FATHER!

She gasped in shock!

Twisted Cinderella: WHAT!? She killed my father!?

Me: I'm afraid so. She poisoned him.

Qin: It's true! She killed your father to get all his money!

Xenia: Yeah!

Me: Lady Tremaine was a golddigger and she should have been executed for her crimes.

Nico: Tremaine can get the Black Gates next time we see her. But not her daughters. Drisella's getting better and Anastasia IS better!

Qin: That's right!

Me: We made sure Tremaine paid big time. We brought her crimes to light in front of the whole kingdom and battled her and then got her and Drisella exiled.

Nico: Yeah!

Aqua: It's true.

Nico: And Drisella's in the Masters of Evil anyway.

Me: Yeah!

Qin: Besides Tremaine made you like this.

Laney: No more! She will get what's coming to her soon.

Twisted Cinderella: It's too late to save me now! I'm a monster!

Me: It's NEVER too late Cinderella!

Qin: That's right! It's never too late to do what's right and let us help you. Let us save you from this monster you were turned into.

Xenia: Yeah!

Pachirisu charged at her and fired a massive blast of lightning and it electrocuted her.

Xenia: OH YEAH!

Lola: YEAH!

Dawn: Now that was awesome.

Me: And that is all true!

Twisted Cinderella: But look at me! I'm hideous!

Me: You will never be hideous on the outside!

I used my powers and made her the most beautiful dress ever and made her more beautiful than ever.

Me: True beauty lies in the eye of the beholder and you are both beautiful inside and out no matter how you look.

Twisted Cinderella: There's no going back for me!

Me: It's never too late for you to change.

Lola: That's right Cinderella.

Xenia: Yeah.

Nico: Deep down, I know the real you is still there!

Qin: That's right!

Suddenly, Colleen Gemma's dark blue eyes turned neon dark blue, and she was surrounded by a white and purple energy aura with stars, water, ocean waves, magic, jewels, Alicorns, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Twisted Cinderella, she left white and purple energy, stars, water, ocean waves, magic, jewels, Alicorns, phoenixes, and angels with every step.

Colleen Gemma: What you went through was indeed horrible, the one person to be blamed for it was Tremaine, her heart was as black as the night. But, you, you need not suffer from her misdeeds, Cinderella. I intend to bring you back into the light, and that's exactly what I intend to do.

Suddenly, Colleen Gemma was surrounded by a massive vortex of white and purple energy with stars, water, ocean waves, magic, and jewels surrounding the vortex, there are Alicorns, phoenixes, angels, and Rarity flying around the vortex, and in the vortex is a white phoenix with blue eyes gazing at Twisted Cinderella: the blue eyes of salvation.

Me: This is it.

Nico: Just like how Rarity transformed.

Lincoln: But, now you get to see her Gene-Slammer transform.

Then, as the vortex faded, Colleen Gemma emerged, but she was changed forever.

Colleen Gemma grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large purple and white planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long flowing purple hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon dark blue eyes and a white and purple energy aura with stars, water, ocean waves, magic, jewels, Alicorns, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Rarity with three jewels on its horn emblazoned on her forehead and Third Eye with dark blue iris, she has on Alicorn earrings with blue gems for eyes and the Water, Generosity, and Eternity Kanjis in its hooves on her ears, she also has an Alicorn with blue gems for eyes and the Water, Generosity, and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love, Colleen Gemma has on a dark purple short-sleeved blouse, purple sleeveless top, purple skirt with Rarity's cutie mark on it, white stockings, purple knee-high high-heeled boots with butterflies for shoe buckles, and sleeveless long white trenchcoat with stars, water, ocean waves, magic, jewels, Alicorns, phoenixes, and angels on the coattails, and on the back is Rarity surrounded by gems and water and right on top of its horn is the symbol of the Water Skylanders and her cutie mark and silver

We were truly amazed by Colleen Gemma's Super Angel-Generosity Alicorn Princess-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Twisted Cinderella saw it, she went mad and ran at her to kill her, but Colleen Gemma fired a massive barrage of purple energy, stars, water, ocean waves, magic, jewels, Alicorns, phoenixes, and angels which hit Twisted Cinderella and sent her flying to a wall, she got back up, but now, she was even more enraged.

Colleen Gemma: (Divine Echoing Godly Voice of The Harmony Ocean Fashionista Maelstrom Water Skylander Jewel Alicorn Princess Phoenix God Angel and Divine Cosmic Eternal Harmony Ocean Fashionista Maelstrom Water Skylander Jewel Alicorn Princess Phoenix God Angel Love) Looks like she wants to fight.

Rarity: All the more so, Colleen. But, it's necessary to do so.

Suddenly, Rarity's dark blue eyes turned neon dark blue, and she was surrounded by a white and purple energy aura with stars, water, ocean waves, magic, jewels, Alicorns, phoenixes, and angels, she unholstered her massive Rarity's Generous Eternal Maelstrom Water Alicorn Greatsword of Eternal Magical Generosity and Maelstrom Gem Water Skylander Justice, and as she approached Twisted Cinderella, she left white and purple energy, stars, water, ocean waves, magic, jewels, Alicorns, phoenixes, and angels with every step.

Rarity: Just like Colleen said, what you went through was indeed horrible, the one person to be blamed for it was Tremaine, her heart was as black as the night. But, you, you need not suffer from her misdeeds, Cinderella. I intend to bring you back into the light, and that's exactly what I intend to do.

Suddenly, Rarity was surrounded by a massive vortex of white and purple energy with stars, water, ocean waves, magic, and jewels surrounding the vortex, there are Alicorns, phoenixes, angels, and Rarity flying around the vortex, and in the vortex is a white phoenix with blue eyes gazing at Twisted Cinderella: the blue eyes of salvation.

Me: WHOA!

Nico: Looks like Rarity's not going to be a bystander in this!

Lincoln: Nope, she saw her friend transform, it makes sense she also transforms as well.

Then, as the vortex faded, Rarity emerged, but she was changed forever.

Rarity grew from 7'9" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large purple and white planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long flowing purple hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon dark blue eyes and a white and purple energy aura with stars, water, ocean waves, magic, jewels, Alicorns, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Rarity with three jewels on its horn emblazoned on her forehead and Third Eye with dark blue iris, she has on Alicorn earrings with blue gems for eyes and the Water, Generosity, and Eternity Kanjis in its hooves on her ears, she also has an Alicorn with blue gems for eyes and the Water, Generosity, and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love, Rarity has on a dark purple sleeveless blouse, short-sleeved blue top with her cutie mark, gems, water, and white phoenix on it, dark blue pants, purple knee-high high-heeled boots with her cutie mark for shoe buckles, and sleeveless long white trenchcoat with stars, water, ocean waves, magic, jewels, Alicorns, phoenixes, and angels on the coattails, and on the back is an Alicorn surrounded by gems and water and right on top of its horn is the symbol of the Water Skylanders and her cutie mark and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding dark blue gem with neon glowing dark blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Rarity felt a sharp pain on her back, and then, her massive white angel wings with purple tips on the large white feathers and white horn on her head grew much bigger for her new body, and her purple curled tail also grew larger and longer. Rarity has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern Corps ring on her left ring finger, and she has her cutie mark on her right shoulder.

?: Tremaine, you've really gone way too far!

Suddenly, we saw two girls arrive: one girl has orange hair and orange eyes and dressed in orange and black clothes, she has fire angel wings and a flower-themed Keyblade, and the other girl has long red hair and red eyes and dressed in red clothes, she has yellow angel wings and a Keyblade in hand.

Selflessness, Courage, and Trust) We won't let you suffer any longer, Cinderella.

Lincoln, Colleen Gemma, Rarity, and I went after Twisted Cinderella, and we fired extremely powerful blasts of rainbow energy, purple and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Twisted Cinderella, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on he and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Colleen Gemma, Rarity, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Twisted Cinderella even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit her and slashed at her with his dark greatsword, Then, Lincoln, Colleen Gemma, Rarity, and I fired powerful blasts of energy, water, gems, and planets at Twisted Cinderella, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked her and she got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to save you from this madness.

Lincoln fired gold spider silk webs that tied her up, and he chanted a powerful incantation and his large golden halo glowed and the four large orbiting gold rings fired rays of rainbow healing light which hit Twisted Cinderella and purified her as we saw a black wisp of smoke come out with Lady Tremaine's cruel face on it and it was destroyed forever. Everyone cheered wildly as we holstered our weapons and powered down, and Colleen Gemma's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large purple and white planets orbiting around her legs, and massive white angel wings and longer white horn are permanent, and Rarity's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer curled purple tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large purple and white planets orbiting around her legs, and massive white angel wings and longer white horn are permanent.

Suddenly, Colleen Gemma and Rarity felt wobbly and almost fainted, but Lincoln caught them both in his abnormally massive and powerful muscular arms.

Lincoln: Are you and Colleen okay, Rarity?

Rarity: We're a little dizzy, but otherwise, we're okay.

Me: That was so awesome!

Nico: And I was surprised that you also transformed too, Rarity.

Lincoln: Like I said, it's fair that Rarity transformed to help me and Colleen as well.

Me: Yep. So, Lincoln, are you going to introduce us?

Lincoln: I was just about to do so.

Carolina Keyblada: Actually, you should leave this to me, Lincoln. The first girl is Brenda Brentaal IV, Keyblade Knight of Brentaal IV, she's Lincoln's Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Brentaal IV, and she has intense fire, earth, and lava powers and she's a master of fire, earth, and lava. She is the Keyblade Knight of Brentaal IV, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot and she taught him everything that she knows when it comes to using the powers of fire, earth, and lava.

Nico: Wow! A master of Fire, Earth, and Lava, that's deadly.

Emily Monroe: You said a mouthful, and the second girl is Faith Flamar, Keyblade Knight of Flamar, she's Lincoln's Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Flamar, and she has intense fire powers and she's a powerful force of fire. She is the Keyblade Knight of Flamar, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot and she taught him everything that she knows when it comes to using the powers of fire, and she hates Scoots with a vengeance and Faith almost got Scoots run out of town by an angry mob for doing something horrible to Lincoln.

Eli: What did she do?

Lincoln: She tried to run me over with a train she hijacked.

WE GASPED!

Nico: Why, that miserable old goat! Now, I'm really glad we sent her butt straight to The Black Gates last year.

Lincoln: You and me both. (To Brenda Brentaal IV and Faith Flamar) And it's so good to see you both again.

Brenda Brentaal IV: You too, Lincoln.

Faith Flamar: And you're really really grown in quite the man.

Lincoln then hugged Brenda Brentaal IV in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln hugged Faith Flamar in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love

appeared on the necks of Brenda Brentaal IV and Faith Flamar with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklaces of The Buddha along with two white and gold-accented Elemental Thunderbird Chokers of Eternal Love on her neck. Brenda Brentaal IV and Faith Flamar knew what this was as Lincoln leaned down to their faces and kissed them on the lips and they returned it as we cheered wildly for them.

Nico: I hope you're okay now?

Twisted Cinderella: Yes. I am much better. Thank you all.

Qin: That was awesome though.

Lola: Yeah. But we will get you justice.

Camie: Yeah!

Me: Nico no offense but in my opinion, us banishing Lady Tremaine was too lenient on our part.

Nico: I know. But I'm waiting for her to come to us

Qin: And when that time comes, BAM!

Xenia: Yep.

Varie: We let her have it.

Camie: Yep.

Nico: Good job, Pachirisu!

Pachirisu: Thanks Nico.

Squirrel Girl: That was awesome. You're going to get along great with Sandy Cheeks and everyone. Including my squirrel friends.

Pachirisu: I know.

Camie: Yeah. Been a while since we took on one of the Twisted Princesses though.

Allie Knudson: It sure has been a while.

Poromon got out a beer bottle.

Poromon: Want a beer?

Pachirisu: Oh no thanks. I don't drink. Got any acorns?

Me: I think we can work on that.

I touched the ground and grew a tree and lots of acorns came.

Pachirisu: Thanks!

Poliwag did the puppy eyes.

Poliwag: Pwetty pwease?

Pachirisu: NOT THE PUPPY EYES! ANYTHING BUT THE PUPPY EYES!

Horsea: Does that mean it's working?

Nico: I've seen that in cartoons and how it works like that. But Poliwag that's enough.

Poliwag: Aw crud.

Pachirisu: I was just doing that to be silly.

Camie: Oh

Nico: Alright, Helen. Remember what I promised you?

Helen Wheels: You were going to turn me human.

Nico: Yep. Ready?

Helen Wheels: I'm ready.

Nico: Here we go. (SNAPS FINGERS)

He snapped his fingers and she turned into a human with blue hair and had blue eyes and had black and blue clothes on.

Helen Wheels: Wow! I look awesome!

I showed a mirror and she saw herself.

She felt her face and it was human.

Helen Wheels: This is amazing.

Nico: It sure is.

Me: You still have your Kineceleran Super Speed.

Nico: Yep.

She tried to take a step but fell down.

Helen Wheels: WHOA!

I caught her.

Me: It's going to take a while for you to get used to it.

Nico: Are your clothes okay?

Helen Wheels: They sure are. Very comfy too.

Lola: They sure are.

Camie: Yep.

Ellie Singh: I can teach you how to be human like me. It took me a while to do so.

Helen Wheels: From one fellow Kineceleran to another that means a lot to me.

Nico: How do you feel?

Helen Wheels: Amazing and it'll take a while for me to get used to this.

Nico: Take your time.

Ellie Singh: At least you're not naked like how I ended up.

Helen Wheels: True.

Nico: Yeah.

Her stomach growled.

Helen Wheels: Man I am hungry.

Nico: I think we can arrange that.

Me: Yeah

I formed an all you can eat buffet for her and man was she eating all over.

She was eating everything like how Goku does.

Nico: Whoa man is she hungry.

Goku: (LAUGHS) She is eating as much as I do.

Nico: No kidding Kakarot.

Qin: Yeah.

Nico: She must've gotten hungry reverting back.

Qin: No kidding.

She licked all those plates clean.

Me: Wow she REALLY was hungry.

Goku: (LAUGHS) Boy no kidding.

Me: Boy she REALLY ate as much as you did Master Goku.

Goku: She sure did.

Poromon: Can you blame her?

Nico: Not at all.

Helen Wheels: Ahh! Man I was hungry!

Me: Boy no kidding!

She burped.

Helen Wheels: Oh excuse me.

Me: Well now you are ready for some action.

Lola: Yeah.

Nico: Now we got the Anothers to face.

Lola: Yep.

Nico: Which are?

Eli: (Concentrates) Namero Bacho, Yost Griffin, U.A. Scorcher, Thunder Man EXE, Goyagma, Sairagin, Leonard, King Hiss, Hydro Man, Vypra, Shiv, Electro, Webstor, Bane, Vexen, Firefly, Calamitous and Ebon.

Me: Whoa! That is interesting.

Nico: Who's up?

Me: Boy this one is really self explanatory. Kevin Levin, Helen Wheels, Michael Morningstar, Cooper Daniels, Alan Alright and Pierce Wheels And the Loud Kids.

Nico: Yep.

Eli: I sense the Anothers minus Namero are one person.

Qin: Wow. This will be easy.

Nico: There they are!

Out came the anothers! Minus Namaro Bacho!

Qin: WHOA!

Lola: This is gonna be big!

Nico: Yep.

Another Thunder Man EXE: (In a girls voice) Yep it sure will.

Me: (GASP) That voice!

They merged and she reverted back and it was a girl with green hair and green eyes and green clothes and green angel wings and she had a tiara with the symbol of the Griffin Dopant on it and the same symbol on her skirt and she had a powerful sword.

Me: Gloria Griffin!

Gloria Griffin: Awesome to see you again J.D.

Me: Same here. Gloria is the embodiment of the Griffin Dopant and is a master of the Griffin and she is a force to be reckoned with.

Nico: Nice!

Me: By the way is the Another Namero Bacho friendly or hostile?

Gloria Griffin: Friendly and she has a really awesome power.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea

dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: Yep.

But then we smelled a really delicious and awesome aroma.

Me: (Sniffs) Ooh! (Sniffs) Hey I know that smell anywhere.

Hinata then started drooling uncontrollably.

Hinata: (Sniffs) Oh boy! Cinnamon Buns!

Connie Cinnabon: (LAUGHS) She loves my buns.

Me: When you have known Hinata for 150,000 years you tend to know what they like. Also she loves cinnamon buns as much as ramen.

Naruto: It's true.

Me: Also besides being a chef she is a great artist.

Connie Cinnabon: It's true.

She showed us her paintings. It was landscape art.

Shanan: Wow! Those are beautiful Connie.

Laney: I'll say!

Shanan: I'm an artist myself and I paint alien landscapes.

Connie Cinnabon: That is cool! I think I saw some of them in an art exhibit.

Shanan: Yep. Those were some of my paintings I drew.

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

Zocks: Okay.

They got a PatRangers and LupinRangers Sword as well as a Kyurangers Sword.

Connie Cinnabon: Nope. But I made this for him.

She showed a magnificent painting of Sakura Knudson as Venus in her own version of The Birth of Venus and it was in a beautiful and magnificent landscape.

Me: Oh wow!

Sakura Knudson: I remember that painting and man did I look so beautiful in that one.

Jessie Knudson: Wow! Your own version of the famous Birth of Venus painting. That is breathtaking.

Shanan: It sure is!

Lola: I think that is beautiful.

Connie Cinnabon: Yep. It sure is.

Sougo: (gets out Patranger Ridewatch) I think we saw that painting before.

Geiz: (Gets out Kyuranger Ridewatch) It was beautiful by itself.

Tsukuyomi: (gets out Lupinranger Ridewatch) Your version of it is even more beautiful.

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Connie Cinnabon: Yep Sakura Knudson agreed to be in this painting.

Sakura Knudson: It was awesome to be in it.

Me: It's a magnificent work of art.

Connie Cinnabon: Yep.

Lincoln: Lets separate you first.

Lincoln fired a light blast and separated her.

Me: Now lets get the Another!

Keiichiro: By order of the GSPO, We're taking you down by force!

Kairi Yano: Here's an Advanced Notice, We're taking your treasure!

Me: And we're going to kick your big ugly fucking ass!

Nico: (Gets out Namero Bacho's ridewatch) Time to make some art!

May: (Gets out U.A. Scorcher's ridewatch) Time to burn!

Maria: (Gets out Goyagma's ridewatch) This will burn bad!

Helen Wheels: (Gets out Yost Griffin's ridewatch) Take to the skies!

They used the powers of Namero Bacho, Yost Griffin, U.A. Scorcher, Thunder Man EXE, Goyagma and Sairagin and blasted the Another!

I teleported and opened Another Namero's safe and in it was NUMEROUS PAINTING!

Me: WHOA! Look at these paintings!

I brought them over.

Connie Cinnabon: These are all the paintings I did of all the adventures you did!

We saw NUMEROUS Paintings of some of our most amazing and epic adventures!

Qin: Wow! These are awesome!

We saw The Battle with Thanos, The Great War With The Royal Defenders, The Battle with Nerissa, Our battles with The Kamen Riders major enemies, the 20 Days of Darkness, The Battle with The Shredder from 2003, Destroying Team Flare, My battle with Barodius, Our Ambassador Missions and more.

Nico: Wow! These are really amazing!

Connie Cinnabon: I've been busy and I have a very amazing creative side.

Lola: You sure do!

Then Baroness Von Bon Bon, Frank (Cars), Captain Memo, Sword Roidmude, TTG Invisible Man and The Live Action Infernocons!

Nico: Awesome Team Baroness Von Bon Bon.

Baroness Von Bon Bon: (German Accent) Ach it's really amazing isn't it ja.

Qin: Yep.

Nico: WHOA! Is that the Live Action Infernocons!?

Live Action Rupture: That's us Nico and it's awesome to meet you and you too Starlight. Thank you for destroyed our Worlds version of

Megatron.

Live Action Thrash: Yeah we never liked the guy.

Starlight Glimmer: Glad I could help.

?: Boy that is a cool team!

Magma Dragoon came!

Me: Whoa! Magma Dragoon!

Nico: Hot!

Magma Dragoon: (In a girls voice) I'll say!

Nico: Melanie Magma! Whoa!

Melanie Magma: Yep. I got this.

She fired waves of lava and then Another Nabare exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

He was dead! I caught the ridewatch and purified it!

Nico: YEAH! Nabare Bacho you have failed this world!

PatRangers: Mission Accomplished!

LupinRangers: With that we bid you a final Adieu!

Horsea: YAY!

Nico: That was awesome!

Lola: Yeah it was!

Melanie Magma: Yeah!

Me: And if I had to guess…

Melanie Magma: Actually…

She reverted back and was a girl with orange hair, red eyes and was wearing only an orange bikini and she had a volcano with a dragon in front of it in the middle of her forehead and she had orange fire angel wings.

Melanie Magma: I can revert back at will. But I was cursed to wear only an orange bikini.

Me: You still look hot! Literally.

May: I'm glad I didn't get hit. But we can fix this.

Brittney: We dealt with this magic before.

Brittney chanted an incantation and removed the curse.

The Fashion Brigade gave her awesome orange clothes and she looked awesome.

Melanie Magma: Wow! I look awesome.

Manaphy: You sure do.

Helen Wheels: Do you have any great memories of Nico?

Melanie Magma: I sure do. When me and Nico were in Hawaii and we found an awesome treasure. The Volcano Book of Pele.

Nicole: Wow! That's another treasure I was trying to find for a long time.

Nico: Yep.

Nico and Melanie hugged.

Nico: I've missed you.

Melanie Magma: Same here.

We later went back home.

Lincoln: Wow, looks like my rescue's taking place at Zach's house, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we got bad news: Conspiracy UFO, the Hypothetical Akuma of Zach Gurdle, is running loose, so we are going to take him down and send him to The Masters of Evil.

Me: Whoa, so now, we're dealing with the hypothetical Akuma of Zach.

Nico: What's his story?

Lincoln: According to Gabriel, Conspiracy UFO was created when Chandler caused trouble for Zach and made a fool of him by making a fake UFO and filming it and he showed it to everyone and the others laughed at him, but we were extremely angry with Chandler with that stunt of his.

Liam: Even I was stunned hearing that.

Carmen: Me too. Making a fool of Zach because of his obsessions with aliens, that was just proof of how much of a jerk Dark Chandler was.

Kevin Levin: But, he got his just desserts in the end though.

Lincoln: That he did.

Suddenly, we saw a very beautiful and super sexy girl with long red hair with pink streaks and light blue headband, purple eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, the symbol of the Dark Skylanders and Moondancer's cutie mark on her right arm she has massive and beautiful indigo blue angel wings, she's dressed in a red sleeveless crop top, necklace with purple gem for the pendant, white bridal gloves, red skirt, black stockings, purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moons, Alicorns, phoenixes, and angels on the coattails and on the back is the symbol of The Dark Skylanders and Moondancer's cutie mark, holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, gold chain for guard, and gold pointed tip for the pommel, and with her are the twelve girls.

Lincoln: (GASPS) Caitlin Lusignan, Daydream Miracle Princess of The Full Moon.

Caitlin Lusignan: That's right, and I rescued the girls and got them away from Conspiracy UFO, he immediately thought they were aliens. He is Zach's hypothetical Akuma alright.

?: (ROBOTIC VOICE) WHERE ARE THEY? WHERE ARE THE ALIENS?!

We then saw Conspiracy UFO, and he was a UFO with red eyes.

Conspiracy UFO, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln fired waves of ladybugs and red fire which hit Conspiracy UFO and knocked him down and he was tied up and thrown to Vypra. We cheered as we holstered our weapons and powered down.

Lincoln: That's another of my Akumatized friends down, and we now got the Akumatized forms of Rusty, Clyde, Mom, and Dad to go. (To Caitlin Lusignan) And it's so good to see you again, Caitlin.

Caitlin Lusignan: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Caitlin Lusignan as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Caitlin Lusignan was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Caitlin Lusignan: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Caitlin Lusignan and he hugged her, and Caitlin Lusignan is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Caitlin Lusignan: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation

and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Caitlin Lusignan, Daydream Miracle Princess of The Full Moon, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Moondancer combined with the powers she has being Lincoln's Guardian Angel. She's the scholarly member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Caitlin Lusignan and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Caitlin Lusignan trained Lincoln a lot especially with using the powers of the full moon and miracles, and like Melanie Moondancer, Caitlin and has the power to make anything happen with just a snap of her fingers. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lynn with a blazing passion because of everything she's done and Caitlin's put her in her place more than once: which means getting her grounded and thrown back in her cage like the gorilla that she is.

Nico: Damn, she really put Lynn in her place, and did she really go so far as to call her a gorilla?

Lincoln: Big time, and it was true, Lynn acted like a wild gorilla and always gets angry at every turn because of her Dark Side, and that cage kept her from trying even that, and now that you're here, Caitlin.

Lincoln went up to and hugged Caitlin Lusignan in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Caitlin Lusignan: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Caitlin Lusignan with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Caitlin Lusignan: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Caitlin Lusignan, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Caitlin Lusignan's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Caitlin Lusignan had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Anime Freddy Fazbear, Anime Bonnie, Anime Chica, Anime Foxy, Anime Mangle, Anime Spring-Bonnie, Anime Golden Freddy, Balloon Babe "BB", Anime Puppet, Anime Lefty, Anime Circus Baby, and Anime Ballora from the Five Nights in Anime series.

Lincoln: Whoa, that's Anime Freddy Fazbear, Anime Bonnie, Anime Chica, Anime Foxy, Anime Mangle, Anime Spring-Bonnie, Anime Golden Freddy, Balloon Babe "BB", Anime Puppet, Anime Lefty, Anime Circus Baby, and Anime Ballora from the Five Nights in Anime series.

Nicole: Wait, I remember hearing about them, they're from a parody game of Five Nights at Freddy's, but the animatronics are all female and they're also attractive human-like robots.

Lincoln: Wow, I didn't know about that. Are you girls okay?

Anime Freddy Fazbear: Yes, we're okay, thanks to you.

Anime Freddy Fazbear: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Anime Foxy: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Anime Freddy Fazbear, Anime Bonnie, Anime Chica, Anime Foxy, Anime Mangle, Anime Spring-Bonnie, Anime Golden Freddy, Balloon Babe "BB", Anime Puppet, Anime Lefty, Anime Circus Baby, and Anime Ballora with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Conspiracy UFO, the Hypothetical Akuma of Zach Gurdle.

But, when Lincoln showed what we did in beating him down and Lincoln firing waves of red fire and ladybugs at him that took him down and sent her to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Caitlin Lusignan have a lot of catching up to do, now that she's back in town.

Maria: Man, you guys sure had an awesome time taking down Zach's hypothetical Akuma form.

Lincoln: He was definitely an out of this world opponent alright.

Nico: No fooling, especially since he has those star and lasers and space powers.

Me: But, still, that was interesting. So, tomorrow, the next Hypothetical Akuma villain we're going after is Rusty's, and this one is bound to be an awesome adventure.

---

After we took down Conspiracy UFO, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Caitlin Lusignan saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Caitlin Lusignan: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Caitlin, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Caitlin Lusignan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and

we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Caitlin Lusignan: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was the hated archenemy of The Mitternacht Clan: Faith N. Siknes.

Sebastian Mendez: (DEMONIC VOICE) That bitch has shown up, has she? I'M GONNA KILL HER!

Sebastian was heading for the elevator to head down there, but Drakus blocked his way.

Drakus: Sebastian, we promised that we were going to send her to Vypra and The Masters of Evil.

Sebastian Mendez: (Demonic Voice) OUT OF MY FUCKING WAY!

Sebastian Mendez smashed his fist into Drakus' stomach hard and he went down coughing up blood and he was bleeding and Sebastian flew out of there.

Nico: Oh shit, Drakus! Hang on!

Lincoln gave Drakus a potion which he drank and was healed up.

Drakus: Thanks, Lincoln. Let's get that bastard and fuck him up!

We flew out of the World Tree Estate and just in time to see Sebastian already causing havoc by firing dark fire at Faith N. Siknes and laughing demonically. Lincoln fired rainbow energy blasts at Faith N. Siknes and Sebastian and Faith N. Siknes was pissed off when she saw The Mitternacht Clan and The X-Squad along with us.

Faith N. Siknes: YOU FUCKING ASSHOLES! I WILL KILL YOU ALL AND DESTROY EVERY LAST WITCH ON EARTH AND THE UNIVERSES BEYOND AND SEE THE WORLD BURN! (LAUGHING INSANELY)

X-Squad Cyclonus: You're still as fucked up as ever, Faith. Though that's no surprise given that Sebastian switched back into the fucked-up murderous and insane monster he was.

Lincoln: Though unlike what's going to happen to Sebastian, you'll be getting off easy.

Lincoln fired rainbow energy blasts at Faith N. Siknes and was tied up in a rainbow energy straitjacket and thrown to Vypra. Then, we turned our attention to Sebastian who was in a shit ton of trouble and already pissed.

Sebastian Mendez: YOU! YOU! YOU RUINED MY CHANCE TO KILL HER! IF I LET A FUCKED-UP WITCH HUNTER LIKE HER LIVE, THEN ALL ARE IN DANGER!

Drakus: Sebastian, you really really crossed it big time! LET'S FUCK HIM UP!

Drakus, The Mitternacht Clan, and The X-Squad pounced on and began clobbering Sebastian badly as they wound up getting consumed in a massive fight cloud!

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG

SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS! WHIP CRACK! SMACK! BANG!

BLARGA FLARGA!

Nico: OH SHIT!

Me: DAMN! NOW, THAT'S BRUTAL!

Drakus, The Mitternacht Clan, and The X-Squad: EAT BOOT, BITCH!

Drakus, The Mitternacht Clan, and The X-Squad kicked Sebastian out of the fight cloud, and he's already bleeding and he let out a demonic shriek, but Lincoln tied him up and we went back home and continued our workouts and Lincoln hung Sebastian on a coat rack to cool off.

Drakus: Nice one, Lincoln, that'll get him to cool off.

Lincoln: Next time, I'll show him true Hell on Earth if he gets like that again!

Qin: Seeing him get a taste of his own medicine? That I'd pay big bucks to see.

Nico's Harem: Same here.

We got a shower, and then, Lincoln, Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Raya: Wow, so this is Sirena Beach. It sure is beautiful.

Lincoln: It sure is, Raya, and it's perfect for our first date. Shall we?

Lincoln, Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida and they hugged the girls in their abnormally massive and powerful muscular arms and Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida are in your harem, Linky.

Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant,

but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Sand Kingdom is next.

Me: Ooh! That one is treacherous and awesome.

Nicole: That must mean you're going to battle Knucklotec first.

Nico: Yep.

Edd: Me and Jimmy Neutron will glady accompany you Nico.

Nico: Awesome Double D.

They went in and it activated and they were at SAND KINGDOM!

---

The Sand Kingdom is the third kingdom visited in Super Mario Odyssey. It is the greater location of Tostarena, which is a desert village featuring a small town and a large ruins area. This kingdom's main landmark is the Inverted Pyramid, which is an upside-down pyramid located in the north-east section of the area. When Mario first visits here, the kingdom is covered with large pillars of ice and Bowser is found atop the Inverted Pyramid. The player's first objective in this kingdom is to reach the "highest tower". From there, the player must find Moon Shards in the Moe-Eye habitat. After that, they reach the top of the Inverted Pyramid and fight Hariet, one of the Broodals, which will grant the player a Multi Moon. When collected, the player is teleported back to the Odyssey, and the kingdom cycles to a night-time version, where the Inverted Pyramid floats into the air, revealing a large hole underneath. The kingdom is also overrun by Chinchos during the night-time, which Mario must avoid as he heads to the large hole under the Inverted Pyramid. Once the player enters, he must traverse through an icy Underground Temple and then fight Knucklotec at the end of the Temple. Defeating this boss rewards Mario with another Multi Moon, which (when collected) reverts the kingdom back to daytime and causes almost all the ice on the surface of the kingdom to melt, allowing access to more Power Moons. Once Mario has collected enough Power Moons, he can head off to the next kingdom - either the Lake Kingdom or the Wooded Kingdom may be chosen, but not both at this point.

The Sand Kingdom was the first location shown in the game, dating back to the first Nintendo Switch reveal trailer. It is located east of the Cascade Kingdom, southwest of the Lake Kingdom, and northwest of the Wooded Kingdom. These three kingdoms are all located on a large landmass resembling Pangaea.

The location is primarily based off of Mesoamerica, particularly Mexico. However, other aspects allude to different countries, with Moe-Eyes inspired by the moai statues from Easter Island and the Jaxis presumably inspired by the komainu from Japan. The name "Tostarena" is likely from the Spanish words "tostado" (toasted) and "arena" (sand).

---

Nico: Wow!

Jimmy Neutron: Sand Kingdom. What a place.

Nico: It sure is amazing. WHEW! It's hot!

Jimmy Neutron: It sure is.

Nico: Any tips Nicole?

Nicole: Well You got to bash Knucklotec with his own fists.

Nico: Okay.

Nicole: You can find him in the underground icy temple.

Nico: Oh boy. I remember how cold that place was.

Nicole: I know. So this time you can find him at the top of the inverted pyramid.

Nico: Gotcha! The embodiment will probably meet us there. Lets go!

They were off to the pyramid.

They were flying.

Double D: (Pants) H2O, please…

Ed: Gravy!

Eddy: Ed Shut up!

Nico: Oh brother.

Jimmy Neutron: Here Double D.

He gave him some water.

Edd: Why thank you Jimmy.

He drank it down.

Edd: Ahh. They got to the top of the pyramid and saw KNUCKLOTEC!

Nico: There he is!

Jimmy Neutron: He sure looks disturbing.

Edd: He sure does.

They landed.

Nico: Okay you ugly tiki, it's time to smash your face in.

Knucklotec: And you must be Nico Chan!

Nico: That's right. Here to bash your ugly face in.

Knucklotec: Come and try it.

Nico: Gladly. FINAL SHINE ATTACK!

He fired a green energy blast and it hit him square in the face and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion really put a dent into him! When the smoke cleared it showed half of his head blasted off!

Knucklotec: (To Double D) Maybe I'll get a lucky hit in and find out what's under your hat!

Nico: Oh you don't want to find out!

?: (Echoing) HARPOON TORPEDO!

Torpedoes flew in and they hit Knucklotec and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA!

They saw Ikkakumon and on its back was a girl with red hair and red eyes and red clothes and had fire angel wings and had a tiara with the symbol of Magma Man on it.

Mindy Magma: Mindy Magma, Embodiment of Magma Man.

Ikkakumon: (In a girls voice) This will be awesome.

Nico: Irena Ikkaku!? Whoa!

Edd: Why Mindy awesome to see you again.

Jimmy Neutron: Same here.

Mindy Magma: You too Double D and Jimmy. Its been a while.

Nico: (gets out Namero Bacho and Il Lupo's Ridewatches) Time for this assassin to make art!

Nico activated them and fired waves of energy and blasted Knucklotec.

Mindy Magma blasted Knucklotec with lava blasts.

Edd and Jimmy blasted Knucklotec all over.

Nico: YEAH! Double D time for the reveal!

Me: UH OH! EVERYONE COVER YOUR EYES!

Camie: Why?

Me: Just do it! IN THE NAME OF ALL THINGS GREAT AND SMALL YOU DON'T WANT TO KNOW!

They did so! Edd took off his hat and then KNUCKLOTEC GASPED AND HE THEN SCREAMED LIKE A LITTLE GIRL AND THEN STARTED TO CRACK AND THEN…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

Then they got all the power moons! Green Ones.

Double D put his hat back on.

Irena Ikkaku reverted back and she was a girl with dark grey hair and had blue eyes and grey clothes and had grey angel wings and had a symbol of Ikkakumon in the middle of her forehead and on her skirt and had an ice sword.

Irena Ikkaku: That was nuts! But that was fun!

Mindy Magma: You got that right!

Nico: Yeah!

They all high five.

Nico: How did you meet Double D and Jimmy?

Mindy Magma: I met Double D when I was helping the Ed's with one of their scams. But it backfired because of Sarah and I smashed her face in and knocked out all of her teeth. I also got her in trouble with Ed's mom for a change.

Nico: Nice.

Mindy Magma: Yep. And I met Jimmy when he made those awesome candy balls. They were so good.

Nico: Wow!

Jimmy Neutron: Indeed.

Irena Ikkaku: She told me all about that candy and it must've been really tasty.

Nico: Yep it sure is.

Jimmy Neutron: Do you have a favorite memory of Nico?

Irena Ikkaku: Well I'm an eskimo from Alaska and my favorite memory is when me and Nico found an Abandoned camp in the North Pole and saw that it was the camp where The Thing from 1951 was at.

WE GASPED!

Nico: Yeah that was creepy.

Irena Ikkaku: Yeah.

They hugged.

Nico: I've missed you.

Irena Ikkaku: Same here.

Nico: Would you both like to join the team?

Mindy Magma: We would be honored.

They left and we cheered wildly for them

At the M.O.E. HQ, Condiment King was going back to his room for a nap.

Condiment King: Man I'm beat.

He went into his awesome sauce room. All his furniture and stuff were bottles of sauces and more. He also had shelves full of joke books and more.

He went on hie bed and laid down.

SQUEAKY TOY SQUEAK.

Condiment King: Huh?

He fluffed his pillow.

---

Nikiya: Guys, where are the mascots?

Me: Oh I think they are…

Eli: Yep. They're playing hide and seek.

Me: M.O.E. HQ?

Eli: Yep.

Nico: Looks like we're going to see another one of the rooms of the M.O.E. Members.

---

Back with Condiment King…

He was fluffing his pillow when he saw that it was Poromon!

Poromon: Hey there.

Condiment King: Poromon. You sneaky bird. Playing Hide and seek?

Poromon: Yep I sure am. Poliwag, Manaphy and Horsea are looking for me.

Condiment King: How Long were you there?

Poromon: 20 minutes.

Condiment King: Oh.

---

We were flying there.

Anna Avianna: Well, let's see what chaos they've caused right now

Me: Yep.

We arrived and knocked on the door.

Vypra answered.

Vypra: Oh hey guys!

Me: Hey Vypra. Sorry about coming on such short notice.

Vypra: The Mascots are playing hide and seek here?

Nico: Yep.

Vypra: Come on in.

---

Back with Condiment King…

Condiment King: What do you think of my room?

Poromon: It's awesome!

The mascots then came in.

Horsea: Aha! Found you!

Poliwag: Wow! Awesome room Condiment King.

Condiment King: Thanks.

Manaphy: Can we come in?

Condiment King: Sure.

They went in.

Manaphy: Awesome room.

Poliwag: It's all sauce bottle furniture. Cool!

Condiment King: It sure is awesome.

---

Vypra: They went to Condiment King's room.

Me: Wow.

G1 Slipstream: Now where is Condiment King's room?

Vypra: Down here.

We arrived and the door opened and we saw Condiment King's room and it was amazing.

Me: Wow! Nice room.

Leif: Boy I'll say.

Condiment King: Hey guys. What do you think?

Nico: Saucy and fun.

Air Raid: Can we see your pictures?

Condiment King: Sure.

He showed a photo album.

Condiment King: This is me getting thrashed by Batman on my first day.

Me: When you were controlled by Mad Hatter.

Condiment King: Yep. And here's me when we first met.

Nico: Boy I remember that. That was when I first joined the team.

Condiment King: Glad you guys like my room.

Me: It's really awesome.

Poromon: Yep.

Condiment King: Yeah. See you guys soon.

Nico: Bye.

We teleported back with the mascots

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Nico: (reads newspaper) "Porter C. Powell running for Detroit Mayor. Claims Team Loud Phoenix Storm and Autobots are Menaces"

Sari Sumdac: Ugh! Just when I thought I'd heard the last of that jerk!

Lea: Isn't he the guy who was your dad's business rival?

Sari Sumdac: Don't forget he kicked me out of my own home when no records of my birth existed!

Lincoln: We really gonna let him get away with that?

Nico: Tell you what? We're gonna start on making our move against Zedd and Rita. But I'll also see if I can find time to deal with him.

Qin: Good idea.

Poromon: I'm just glad I saw another MOE Member's room.

Me: That was cool.

Qin: Yep.

Nico: Yep.

Poliwag: So what's our first move on Zedd and Rita?

Nico: We are going to move through their forces one by one and take them down.

Camie: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Omwhyzo, a commander put in charge of Lord Zedd's invasion of Earth and Squilla's bodyguard, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Omwhyzo, a commander put in charge of Lord Zedd's invasion of Earth and Squilla's bodyguard, and he's causing havoc.

We gasped.

Me: I remember Omwhyzo!

Tommy: So, Lord Zedd's already making his move sending one of his allies to Earth.

Me: Looks like it.

Nico: So, we'll be taking out his men one at time, which'll clear the way to Rita Repulsa and Lord Zedd himself.

Suddenly, Sebastian's midnight blue eyes turned blood red and he fired two blasts of unholy darkness which hit Rita Repulsa and Lord Zedd, and they now have a clock tattoo on their backs, which we saw through a viewing window Lincoln made and closed.

Eli: Oh God, now you've gone and put a curse on them?! You moron!

Nico: That's only to tell them Doomsday is coming. Okay, let's head on out and destroy Omwhyzo.

Lincoln: He's not getting out of this alive.

Eli: Yeah! I sense that he's on the planet Coruscant.

Qin: The Jedi Home planet.

Lola: Yep.

Nico: We should call the Vreedles for Backup.

Applejack: Good idea.

We did so.

Octagon: We're ready.

Me: Awesome.

The previous group came.

Arbormon: Can me, Vexen, Ryugu Tamatebacco, Pterodactyl Ghost, Jack O Lantern, Pied Piper, U Foes, Tala, Ranamon, and Cheshire go with you guys?

X Ray: Although, I get the feeling we're in for a lot of surprises for these adventures coming up.

Nico: I know. But we're ready for them. And yes you all can come with us. First part is going to be on Coruscant.

Xenia: Yep.

Arbormon: Nice.

Runabout: Boss, which Gene Slammer do you think you'll meet next?

Nico: Cyber Peacock next.

Me: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Purple Rangers, and they're coming here to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Purple Rangers, and they're coming here to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: What?!

Rena James: Leave the Universe 666 Purple Rangers to me and Lincoln, guys.

Lincoln: Hold on, Rena, we're not doing this alone.

RJ James: He's right, Rena, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading out to destroy Omwhyzo.

Lincoln: The battle to save Earth from Lord Zedd and Rita Repulsa is finally on, and once we get done with Omwhyzo, Universe 666 Purple Rangers, you're next.

Rena James: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to destroy Omwhyzo, and once we got done with one of Lord Zedd's monsters, Lincoln and Rena James along with the Purple Rangers are going to destroy The Universe 666 Purple Rangers.

We went to the ship and we were off to Coruscant

---

The U.S.S. Valoroous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,432.8: The U.S.S. Valorous Phoenix is En Route to the Jedi Capital planet Coruscant for part 1 of our adventures against the forces of Lord Zedd and Rita and we're going to face Omwhyzo from Cosmic Fury. Our mission is to destroy him and have him put into the M.O.E.

Vexen: You know on some parts of these adventures, we'll have to go to Earth.

Vapor: I have a feeling the important parts of taking down Zedd and Rita will be there.

Nico: I know. But it wouldn't be a cosmic adventure if we didn't go to different planets.

Vapor: True.

Ring Man: Who knows what surprises are in store for us?

Qin: We'll be ready for them.

Me: In the meantime…

I used my computer and uploaded some dirty secrets about Powell.

Me: Slander US will he.

Qin: You mess with us and we fuck around with you.

Lola: Yeah!

I got done.

Me: There.

Pterodactyl Ghost: J.D., we'll have Powell taken care of down the road. Right now, taking out Rita and Zedd's goons is more important.

Me: I know. Just want to make sure he gets a taste of his own medicine.

Nico: Fair point.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Coruscant!

Nico: Here we are.

Papillon: Good ol Coruscant.

Anakin: Yeah home.

We landed and we were at the Jedi Temple.

Nico: Here we are.

Pied Piper: Everything's quiet so far.

Maria: Don't jinx it. Zedd and Rita are bound to have left a nasty surprise here.

Me: I know.

Eli: You mean THEM!

We saw Putties coming!

Me: Putties!

Jason: Just like old times!

Me: Lets get them!

G1 Venom: There are also Tenga Warriors too!

Me: Lets get them!

I fired waves of energy and blasted them all over in fiery explosions!

KRABBBBBBBBOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOMMMMMM!

Aurico: RED AQUITAR RANGER POWER!

They were ready!

Me: YEAH! Nico, when we face Lord Zedd, I've got 30 years of pain to dish out on him!

Nico: ME TOO! We'll take him down together!

Me: Lets go!

We went at the footsoldiers and blasted and smashed and kicked them all over!

SMASH WHAM BASH BLAM!

I blasted numerous Putties and Tengus!

Eddy: If this is the best Zedd and Rita have to throw at us, this'll be easy!

Flash (groans): WHY did you say that?

Me: I have a feeling they are just getting started.

I fired waves of energy and blasted the rest of the Footsoldiers.

Me: That's it for them. That was just for starters.

Elec Man: Heads up! I see someone approaching!

We saw a figure and it was EVIL GREEN RANGER!

Me: Wait is that Evil Green Ranger!?

Mary Jane: What's he doing here? It's not his turn.

Eli: Wait! I sense that this is a clone of him!

He went up to us.

Me: Well look who it is.

Evil Green Ranger Clone: I'm your worst nightmare!

Me: Well I'm your even worse FUCKING NIGHTMARE!

I then went Super Angel 3!

Me: I don't need to transform into my maximum power to take you down.

Evil Green Ranger Clone: And I didn't come alone!

Out came a girl with blond hair and red eyes and had black clothes and black angel wings and she had the symbol of The Worst in the middle of her forehead.

Me: (GASP) Eleanor Worst!

Nico: The Embodiment of The Worst?

Me: Yep. She's half Atrocian and she is strong and tough as one.

Qin: Wow!

Selena Logan: I'll help face her.

Nico: Okay.

I went over to Evil Green Ranger Clone.

Me: Lets dance!

I unsheathed my sword and we clashed and I kicked him in the stomach and punched him and ducked under a kick and jumped and kicked him in the face!

I fired energy waves and he fired green energy blasts and the blasts collided and exploded!

KRABBBBBBBBOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMMMMM!

KRABBBBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOMMMMM!

Massive fiery explosions blasted off all over!

I blocked many of his moves and kicked him in the face.

Mary Jane: Let me get in some action!

Me: Go for it M.J.!

She turned into the Ultimate Spiderwoman and slashed him all over.

Tala: Save some for us!

Rhomboid tried punching her but it had no effect!

Nico: She has intensely strong durability. Lisa it's going to take more than a shot needle to get the antidote into her.

Lisa Loud: Luckily I made this!

She pulled out an Electron ray gun and fired an antidote blast and it went into her.

Nico: Nice one!

Blot: You're going down clown!

Ripster: SHARK ATTACK!

They smashed the evil Green Ranger Clone and bashed and smashed him all over.

SMASH WHAM! BLAM!

Cheshire: Anyone got any ideas?!

Octagon: I got one! (throws grenade at her)

It hit her and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down and her eyes were back to normal. Her eyes were back to their normal yellow color.

Eleanor Worst: Wow! I'm cured!

Nico: Now lets take care of that clone!

Kevin Levin: I had a time to shine earlier. Figures I should get a shot in!

Kevin touched some metal and turned into it and formed a mace ball hand and smashed the evil green ranger clone all over.

Vector: Ironclad!

Ironclad: No need to tell me twice!

He went and smashed the clone down.

Me: Time to finish this clone!

I fired a wave of energy and it hit him and he exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Me: YEAH!

Demolishor: We're not done here yet!

Nico: Nope.

Eli: I sense that Omwhyzo is close. Over there.

He pointed to the temple.

Ranamon: You okay, Eleanor?

Eleanor Worst: Yeah I'll be fine.

Nico: Awesome.

Lola: Great.

Jack O Lantern: Let's get a move on.

We nodded and went to the temple.

Nico: Here we go.

Qin: There! Target sighted!

We saw Omwhyzo!

Tornado Man: ENTRANCE TIME!

We went at him.

Omwhyzo was laughing evilly. But then the spirits of space came and they swirled around him and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out!

Nico: Omwhyzo, it's buttkicking time!

Qin: You are the first Cosmic Fury monster we're going to destroy!

Lincoln and his harem: MIGHTY MORPHIN FINAL SMASH: MIGHTY MORPHIN ULTRA BLAST!

They summoned and fired the Power Blaster which blasted Omwhyzo all over.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Omwhyzo's chest, and then, Lincoln began absorbing Omwhyzo into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

Omwhyzo: (In Pain) No! No! This can't be! Lord Zedd, Rita Repulsa, forgive me!

When Lincoln was done and the stingers changed back, nothing's left of Omwhyzo, and he banished his soul to The Black Gates.

Nico: Omwhyzo, you have failed this whole universe!

Me: And the campaign against Lord Zedd and Rita Repulsa has just begun!

Lincoln: You said it. Now, there's only one last thing to do and one last loose end to tie up: The Universe 666 Purple Rangers.

?: None of you will ever leave this place alive!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and purple energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and purple energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Universe 666 Purple Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Purple Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 Purple Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Rena James: That he has, and for that, we're going to destroy the instruments of his revenge.

Suddenly, Rena James' blue eyes turned neon blue and she was surrounded by a purple energy aura with stars, purple fire, white flames, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached The Universe 666 Purple Rangers, she left purple energy, stars, purple fire, purple flames,

phoenixes, and angels with every step.

Rena James: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who had to be put down. Now, it's your turn, you'll pay for disgracing the legacy of the Purple Rangers.

Suddenly, Rena James was surrounded by a massive vortex of purple energy, stars, purple fire, and purple flames surrounding the vortex, there are phoenixes, angels, and the Purple Rangers of 47 plus years flying around the vortex, and in the vortex is a white phoenix with red eyes glaring at The Universe 666 Purple Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Rena James emerged, but she was changed forever.

Rena James grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large purple orbs orbiting around her legs, she has the body of a goddess, she has white highlights in the bangs of her long purple hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a purple energy aura with stars, purple fire, purple flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a white lightning bolt with the Purple Ranger emblazoned on her forehead with purple iris, she has on Purple Ranger earrings with purple gems for eyes and holding the Star, Purple Fire, and Eternity Kanjis in their hands, she also has an Purple Ranger with purple gems for eyes and holding the Star, Purple Fire, and Eternity Kanjis in its hands for the second pendant on the bottom of her purple angel-shaped Element of

Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems embedded on the white lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Rena James has on a sleeveless purple top, purple skirt, white bridal gloves, and purple lightning bolt with the Purple Ranger on it on her right arm, purple knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, purple fire, purple flames, phoenixes, and angels on the coattails, and on the back is a purple lightning bolt with all of The Purple Rangers from 47 years surrounding it and surrounded by stars and purple fire and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a purple gem with neon glowing purple lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Rena James felt a sharp pain on her back, and then, her massive purple angel wings with white tips on the large purple feathers grew much bigger for her new body and she also now has eleven massive and long purple wolf tails with white tips and white markings, Rena James has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Rena James' massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, purple fire, purple flames, phoenixes, and angels, and when it emerged, it was transformed into Rena James' Cosmic Eternal Purple Inferno Firestorm Purple Power Rangers Embodiment Phoenix God Angel Greatsword of Cosmic Eternal Purple Inferno Firestorm Purple Power Rangers Embodiment Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded purple gems and purple lightning bolt with the Purple Rangers and runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large gold angel heads with purple gems for eyes and on the bottom of the large gold angel heads is a large gold angel head with purple gems for eyes and purple gem in its mouth for the pommel, Rena James has on her brand-new large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of The Jungle Fury Purple Wolf Ranger's head with purple gem for the visor for the belt buckle and gold versions of the other Purple Rangers' heads with purple gems for the visors around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Rena James' Super Angel-Purple Power Rangers Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Universe 666 Purple Rangers saw it, they went mad with rage and ran at her and kill her, but Rena James fired a massive barrage of purple energy, stars, purple fire, purple flames, phoenixes, and angels which hit The Universe 666 Purple Rangers and sent them crashing onto the ground, they got back up and they were now really enraged.

RJ: Incredible!

RJ and the Purple Rangers also attacked their Universe 666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you all die once more.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 Purple Rangers' chests, and then, Lincoln began absorbing The Universe 666 Purple Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Purple Rangers, and he banished them to The Black Gates. We cheered wildly for what Rena James and Lincoln did as they holstered their massive greatswords on their backs and powered down and Rena James' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large purple orbs orbiting around her legs, and massive purple angel wings are permanent.

Rena James: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 Purple Rangers forever, Lincoln, you too, RJ.

Lincoln: (Smiles Warmly) You're welcome, Rena.

Suddenly, Rena James wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rena James' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the Purple Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and purple flames raging behind them and we cheered wildly. Then, Lincoln and Rena James sucked in and absorbed the elemental forces and purple flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Purple Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Purple Rangers, will they? Not on our watch!

Me: You said it. So, Lincoln, who's the next Daydream Princess we're meeting tomorrow on your rescue?

Lincoln: There are three final members of The Daydream Princesses we're meeting tomorrow on my rescue: Allie Davies, Daydream Princess of Sour Sweet Friendship, Callie Parsons, Daydream Princess of The Sun Friendship, and Jessica Chambers, Daydream Princess of Fireworks Friendship.

Selene Arcangela: That is so awesome, and you guys will love meeting them, Allie Davis is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Lemon Zest combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Allie Davies and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Allie Davies trained Lincoln a lot especially with using the powers of lemons. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lola with a blazing passion because of everything she's done and Allie's put her in her place more than once: which means getting her grounded and thrown back in her cage like the rampaging animal that she is.

Mia Addison: Callie Parsons is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Sunny Flare combined with the powers she has being

Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Callie Parsons and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Callie Parsons trained Lincoln a lot especially with using the powers of the sun. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lisa with a blazing passion because of everything she's done and Callie's put her in her place more than once: which means getting her grounded and thrown back in a makeshift jail cell like the criminal that she is.

Emily LeRou: And Jessica Chambers is Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Sugarcoat combined with the powers she has being Lincoln's Guardian Angel. She's the genius member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Jessica Chambers and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Jessica Chambers trained Lincoln a lot especially with using the powers of fireworks. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Luan with a blazing passion because of everything she's done and Jessica's put her in her place more than once: which means getting her grounded and thrown back in a makeshift padded cell like the homicidal lunatic that she is.

Me: Whoa, so we're going to be meeting Sunny Flare, Sour Sweet and Sugarcoat's Daydream Princesses.

Lincoln: Yep.

Suddenly, a special alarm on our wrist computers on our left Bracers rang, and it showed that Sebastian's curse on Rita Repulsa and Lord Zedd has gone up.

Me: Nice. So, whenever we take down and destroy the Cosmic Fury Rangers' enemies, the curse on those two will go up.

Lincoln: And when we face them truly, that's when they die.

Sebastian Mendez: I don't even know what I was thinking allying with those bastards, I was indeed out of my mind. But, that'll end here when we face them.

Nico: You said a mouthful.

Molten Man: And so ends the first battle against Rita and Zedd.

Trickster: And with many more to come.

Loki: If we can kill Bansheera, we kill them when the time comes.

Cad Bane: You're right on that.

Vortex: Now, about Charcoal Grill's offer.

Charcoal Grill Org: A feast of awesome proportions.

Nico: Yep. Great job today everyone. We're not done yet though. This was just the start.

Lola: Yep.

Lucky: (To the viewers) Now the ultimate battle for 30 years of rangers is about to begin.

Qin: Yep.

We later went back home and had a great barbecue and then enjoyed the rest of the day and went to sleep.

Camie: Boy this cave is scary

Xenia: Yeah I don't like it. It gives me the creeps.

Me: It sure is a scary cave. But it's amazing that this is here.

Lola: Yeah no kidding.

Camie: (GULP) I hope we don't run into any vampire poodles here.

Lola: Yeah me too.

Aligned Knock Out: I know. But we'll be ready for anything.

Nico: Knock Out, I want to thank you, Baroness Von Bon Bon, and your teams for coming.

Aligned Knock Out: Not a problem Nico. It's going to be awesome.

Aligned Optimus Prime: It sure will be an interesting adventure my friends.

Nico: Yep.

Xenia: But this cave is cool though.

Nico: Optimus, I want to thank you, Bumblebee, and the rest of your team for being there for me when I was visiting your world

Aligned Optimus: It was no trouble at all Nico. It was really enjoyable having you with us.

Aligned Bumblebee: It was really cool having you with us.

Aligned Bulkhead: We had a lot of fun with you.

Starlight Glimmer: Just as much fun as I did when I was in the Live Action universe.

Xenia: That was awesome.

Maria: Boy it sure was. And we loved watching Dark Phoenix too.

Nico: Yeah.

Me: That was an awesome way to test out the prototype Ambassador Mission program.

Eli: It sure was.

Nico: You're just as wise and and a good friend as the one we know and love

Aligned Optimus Prime: That is too true.

Me: Yeah.

Xenia: Yep.

Starlight Glimmer: But it was still a fun time. And Nico's test worked perfectly.

Nico: It sure did.

Camie: Yep.

Nico: Yeah. Man yesterday's mission was awesome.

Me: Yep and now we know that Rita and Zedd are on the move.

Laney: Yeah.

Nico: we took out one of their goons.

Me: We sure did. Omwhyzo who is the American version of Quervo from Kyurangers.

Lola: Yeah that is awesome.

Eli: And on the planet Coruscant too. Very fitting.

Lola: And awesome too.

Nico: And we also found another Embodiment.

Qin: Yeah. The Worst.

Leni: The Worst what?

Lisa Loud: Leni it was an embodiment of one of Ben's aliens.

Leni: Oh right.

Lily: At least we helped her and Lisa made that awesome electron ray gun for that.

Nico: Yeah that was genius. One of Mojo Jojo's designs?

Lisa Loud: That is correct Nico.

Qin: Cool.

Nico: Remind me to thank him.

Lisa Loud: Noted.

Nico: What are we looking for here?

Nicole: The quarry this time is going to be awesome. We're going to find the Earth Sword of Gaia. Legends say it was made by Gaia herself and has all the powers over Earth and Life.

Nico: Cool!

Nicole: Yep. We should be coming up to the chamber for it right about… now.

We got to a huge room and it was EMPTY! We saw a massively huge hole in the ground that went on for miles and it was so deep! It went down deep into the bowels of the earth!

Nico: WHOA! (ECHOING)

Xenia: Wow! That hole is deep!

Camie: It sure is!

Qin: Is this it? There's nothing here.

Maria: We should keep going.

Eli: Yeah this can't be it.

Nicole: That's because we're already here.

Nico: You're not making any sense.

Nicole: Watch.

There was a rumble and then OUT OF THE HOLE ROSE A MASSIVE AND AMAZINGLY BEAUTIFUL MOUNTAIN ROCK CITY AND IT HAD CRYSTALS AND MORE ON IT! AND IT WAS ON TOP OF THE BACK OF A HUGE AND MASSIVE TURTLE!

WE GASPED!

Nicole: There it is guys! The Mountain Palace of Gaia!

Nico: WHOA!

Qin: WOW!

Me: Incredible! It's a huge mountain on the back of a massive turtle!

Camie: Amazing!

Nico: I'll say!

Daring Do: This is incredible!

Nicole: Yep. That hole is its burrow and every one thousand years the castle rises up and the turtle it's on stays up here for one year he goes down into that burrow to sleep.

Nico: Wow!

We went over to an entrance to the palace and it was amazing. The crystals of the palace were lighting up as we went in.

Nico: Incredible.

May: It sure is.

Nicole: Incredible.

Eli: We must be the first to ever see this.

Nicole: That's right Eli. No one has ever found this place until now.

Nico: We're the first.

Nicole: Yep.

We arrived in a huge and extremely amazing crystal chamber in the middle of the palace.

Nico: Wow!

Rarity: The crystals here are absolutely beautiful.

Nico: They sure are. Look!

We saw in an altar of crystals THE EARTH SWORD OF GAIA! It looked like a crystal sword with leaves and crystal on the hilt and pommel and the sword had jewels and rock on the blade.

Nicole: There it is! At long last we found it!

Nico: Wow!

Eli: Incredible!

Nico: Who gets it?

Pipp Petals: Dahlia should get it. She would be perfect for it. She loves flowers as much as anyone else.

Me: Awesome idea Pipp.

Camie: Yeah.

Dahlia: I would be honored.

Nico: Go for it.

Dahlia gulped.

She went over to the sword and then she grabbed the hilt and pulled it out and the sword glowed and then she underwent an amazing transformation!

(ESCAFLOWNE FOX KIDS EXTENDED INTRO SONG PLAYS)

The crystals glowed and emitted a massively powerful energy and it channeled into Dahlia and the power of life and earth flowed into her like you wouldn't believe as she was enveloped in a massive vortex of life and earth! Her power was rising fast. She emerged forever changed! She had flower angel wings and was surging with the intense power of the earth and all life!

Nico: WHOA!

Sunny Starscout: Wow! Dahlia you look amazing! How do you feel?

Dahlia: I feel incredible Sunny! Wow! This is amazing!

Me: Wow! Way to go Dahlia!

Nicole: Awesome!

Nico: You should be proud.

Dahlia: I am.

Lincoln: Way to go Dahlia!

Xenia: Yeah!

Lincoln: Okay, guys, we got ourselves a huge emergency, and we're also in for a fierce battle: Twisted Tiana has come here, and she's out for blood.

We gasped.

Nico: No doubt it's against Facilier.

Me: Yep. But, we're going to cure her, right?

Lincoln: Yep.

Suddenly, Lincoln's large solid gold halo with four large orbiting gold rings on the corners of the halo began to glow and emanate rainbow light, and then, we saw Lincoln's orange version of He-Man's loincloth, long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings turn from white to gold, and his gold chest harness remained the same. Lincoln transforms into Lincoln, God of The Eternal Wheel of Life.

Eli: It's been a while since we've seen you transform into your God of The Eternal Wheel of Life form.

Lincoln: Yep.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Lori: We heard everything from Lincoln, looks like we got another Twisted Princess to cure.

Me: Yep.

Allie Knudson: Yeah and you guys are not going to like the story about this one.

Helena Nicos: Yeah. After smashing Facilier's locket and he was dragged onto the other side, voodoo spirits wanted to stay in our world by taking over Tiana's body and they did. She was changed back to human and her own shadow came to life, serving her. Since the voodoo spirits control her now, they seek out Naveen who was still a frog. He tried to get through to her but he was killed and taken as a trophy since Naveen was hard to capture by the voodoo spirits. Then to make sure that she was the only voodoo magician around in New Orleans, she sought out Mama Odie and killed her too and took her snake Juju as her own pet. She now rules New Orleans with a ruthless hand and many serve her for if they don't, all it takes is a doll and a needle.

WE GASPED IN SHOCK!

Nico: This is bad!

Qin: VERY Bad!

Lola: Yeah!

Brittney: I can't believe that Tiana would become like this!

Lillian Hale: No kidding there.

Musa heard a Pokemon cry.

Musa: Look here.

We saw a Meloetta.

Iris: (GASP) A Meloetta.

Qin: Wow! That one is perfect for you Musa.

Musa: Yeah and the poor thing hurt its leg.

She picked it up.

Meloetta: I hurt myself on the leg.

Musa: Oh we'll heal you up.

We went and did so.

Nico: We should call Faciler as well.

Me: Good idea.

We called him.

Facilier: I got your call guys. What's up?

Me: Twisted Tiana is running amok outside.

Qin: And we're going to find her.

Musa healed up Meloetta.

Meloetta: Thank you.

Musa: You're welcome. Do you want to come with us?

Meloetta: I would be honored.

Nico: Awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and

they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Twisted Tiana) AHA! Gotcha! I just spotted Twisted Tiana, she's 20 miles away from here, and she's searching for Facilier.

Nico: Let's head over there at once and cure her.

Lincoln: She needs her soul repaired at once. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Twisted Tiana.

Nico: Lets go find her.

We flew out of the cave and we were off

Nico: Tiana? Are you there?

We were flying in the air and we saw Twisted Tiana.

Lincoln: There she is, now to get her attention.

Lincoln fired golden energy blasts from his massive gold angel wings and the four large gold orbiting rings on the corner of the halo that hit Twisted Tiana, and that made her mad as we landed in front of her.

Twisted Tiana: Why… are you here?

Me: You know why we're here: to cure you of the darkness that stains your heart and soul.

Eartha Calliso: And that's exactly what we came here to do.

Me: And we're going to stop you from doing a TERRIBLE mistake.

Facilier: And that is to hurt innocent people.

Twisted Tiana: (to Facilier) You don't get to talk! After all, it's your fault I'm like this!

Facilier: Because you were trying to save the prince! And that debt was really getting hard for me to overcome.

Me: His friends were gonna double-cross him anyway!

Laney: Yeah! Some friends!

Twisted Tiana: Well, now, you guys are gonna use the Black Gates on Facilier over there!

Nico: No! Facilier's learned his lesson!

Twisted Tiana: (smirks evilly) I have ways of making you comply!

She grabbed Aligned Knock Out and scratched his paint!

Aligned Knock Out: (screams in pain) Not the finish!

Twisted Tiana: If you don't use the Black Gates on Facilier, the next scratch is going to be longer!

Dahlia then used the power of her sword and vines appeared and tied up Twisted Tiana!

I fixed Aligned Knock Out's paint.

Dahlia: WOW! That was so amazing!

Sunny Starscout: Boy it sure was!

Nico: Tiana, you don't want to do this!

Twisted Tiana: You don't understand! HE TURNED ME INTO A FROG!

Lana: I thought you looked awesome and cute as one.

Twisted Tiana: YOU THINK THIS IS FUNNY?!

Nico: No we're not laughing!

Brittney: Facilier made your life hell but he was doing that because he was messing around with forces no mortal can even fathom!

Xenia: It's true!

Facilier: What I was doing was horrible even for anyone I know and I realize now that I was a total monster.

Meloetta charged at her and fired waves of music energy and blasted her all over!

Nico: YEAH!

Suddenly, Eartha Calliso's pink eyes turned neon pink and she was surrounded by a pink and yellow energy aura with stars, magic, butterflies, leaves, plants, animals, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Twisted Tiana, she left pink and yellow energy, stars, magic, butterflies, leaves, plants, animals, phoenixes, and angels with every step.

We were truly amazed by Fluttershy's Super Angel-Kindness Alicorn Princess-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Twisted Tiana saw it, she went mad and ran at her to kill her, but Eartha Calliso fired a massive barrage of pink and yellow energy, stars, magic, butterflies, leaves, plants, animals, phoenixes, and angels which hit Twisted Tiana and sent her flying to a wall, she got back up, but now, she was even more enraged.

United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We won't let you suffer any longer, Tiana.

Lincoln, Eartha Calliso, Fluttershy, and I went after Twisted Tiana, and we fired extremely powerful blasts of rainbow energy, pink and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Twisted Tiana, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on he and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Eartha Calliso, Fluttershy, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Twisted Tiana even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit her and slashed at her with his dark greatsword, Then, Lincoln, Eartha Calliso, Fluttershy, and I fired powerful blasts of energy, leaves, plants, and planets at Twisted Tiana, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked her and she got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to save you from this madness.

Lincoln fired gold spider silk webs that tied her up, and he chanted a powerful incantation and his large golden halo glowed and the four large orbiting gold rings fired rays of rainbow healing light which hit Twisted Tiana and purified her as we saw a black wisp of smoke come out with Facilier's cruel face on it and it was destroyed forever. Everyone cheered wildly as we holstered our weapons and powered down, and Eartha Calliso's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long pink wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large pink and yellow planets orbiting around her legs, and massive yellow angel wings and longer yellow horn are permanent, and Fluttershy's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer pink tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large pink and yellow planets orbiting around her legs, and massive yellow angel wings and longer yellow horn are permanent.

Suddenly, Eartha Calliso and Fluttershy felt wobbly and almost fainted, but Lincoln caught them both in his abnormally massive and powerful muscular arms.

Lincoln: Are you and Eartha okay, Fluttershy?

Fluttershy: We're a little dizzy, but otherwise, we're okay.

Me: That was so awesome!

Nico: And I was surprised that you also transformed too, Fluttershy.

Lincoln: Like I said, it's fair that Fluttershy transformed to help me and Eartha as well.

Me: Yep. Hmm.

Nico: Something wrong, J.D.?

Me: I'm starting to think the return of The Twisted Princesses were also the doing of Lord Zedd and Rita Repulsa.

Lincoln: It could be the case, J.D.

Eli: Either way, we're still curing the Twisted Princesses and pissing them off as always, but it won't save them still.

Nico: Are you okay now?

Twisted Tiana: I think so. But I have the worst headache.

Qin: Well we did rough you up good.

Lola: Yeah. But those were some silly pranks.

Celine Screwball: Sorry about that. I have a really nasty habit of overdoing it.

Twisted Tiana: But those were awesome.

Qin: They were funny.

Me: No kidding. Man I NEVER LAUGHED THAT HARD BEFORE!

Maria: Here J.D.

Maria gave me some water

Me: Thanks Maria.

I gulped it down.

Nico: You can still rebuild your life.

Twisted Tiana: That's right. Thank you all.

Nico: Nice job, Meloetta!

Meloetta: Thanks. It was awesome and fun.

Qin: It sure was.

Me: Nico are you okay? She didn't hurt you too bad did she?

Nico: I'm fine. Sabretooth's healing factor, remember?

Me: Oh right.

Qin: Yeah.

Poromon got out a beer bottle.

Meloetta: Poromon, I don't drink beer sorry. All that laughter from seeing the battle really tired me out.

Poromon: Oh that's okay. But man that was still a funny one.

Poliwag: It was.

Xenia: I'll say.

Poliwag did puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Okay.

Manaphy: Mama, can I juggle dynamite?

May: Manaphy no that's too dangerous.

I finished drinking.

Me: Ahh! Man I was thirsty. Thanks Maria.

Maria: No problem.

Me: I saw that in cartoons once and it was really funny. Dangerous but funny. I wouldn't try it.

Horsea: Maria, can I poke Pumas with a stick?

Maria: No way Horsea.

Me: I saw that in a cartoon a long time ago. Never ends well for the ones that do it.

Qin: Yep.

Nico: Yeah.

Poromon: Nico, can I take a tank out for a joyride?

Nico: No way!

Me: That's funny. I remember Brian saying that Peter bought a tank for Meg and they crushed Joe's legs with it.

Brian: Yep. It's true.

Poliwag: Nico, can I use grenades as bowling balls?

Nico: No Poliwag that is dangerous.

Me: I saw that in a cartoon too. It was funny.

Tentacool: Yeah! Varie can I use chickens as arrows?

Varie: No way!

Me: (LAUGHS) That is so funny! I remember seeing that in one of my favorite movies. That was hilarious.

Jirachi: Can I stick bullseyes to criminal jerks and blast them with machine guns?

Nico: (LAUGHS) That would be awesome!

Max: But no Jirachi.

Me: (LAUGHS) That is really funny. I remember seeing that too.

Nico: You guys can't do any dangerous stuff! PERIOD!

Me: Why do you think they say "Don't Try this at home?" Because it's a surefire way to get yourself killed.

Xenia: It's true.

Lola: Yeah!

Camie: That is for sure!

Poromon: Aww…

Eddy: Yeah this is real life. This ain't a cartoon.

Ed: Yeah. Life isn't like what we saw in I was a Teenage Appetizer from Planet Sushi: The Second Coming.

Eddy: Shut up Ed.

Carmen: I remember that Jonny told me that Ed said something like that when the Ed's tried out for the Urban Rangers a long time ago and it was funny.

Maria: It sure was.

Nico: We might be immortal but even we can die if there's no parts left of us.

Me: Yeah

Qin: That's true.

Lola: Yeah.

Poliwag: Alright…

Nico: Good.

Eli: Uh guys!?

Qin: Oh boy.

Another Baroness Von Bon Bon: Nice gift to you huh.

She reverted back and was a girl with green hair and had purple eyes and glasses and had magenta clothes and had green angel wings and had a tiara with the symbol of Juniper Montage's Cutie Mark and on her skirt and she had Juniper's tail.

Me: Whoa, so now, we're dealing with the hypothetical Akuma of Rusty.

Nico: What's his story?

Lincoln: According to Gabriel, Thriller Zombie was created when Chandler, Artie, and Trent caused trouble for Rusty and his dad by trashing the tuxedo store, but we were extremely angry with Chandler, Artie, and Trent with their stunt, and Rusty swore revenge on him.

We gasped.

Luna: Yeah, but this was no surprise since Chandler did tons of horrible things in the past.

Me: But, unlike the other zombies we've dealt with, Thriller Zombie's different, he can create zombies and he's a pretty good dancer.

Aligned Knock Out: We better hurry and take him down though.

Lincoln: Right, Knock Out.

Suddenly, we saw three very beautiful and super sexy girls who were tall at 7'0" in height with massive green, purple, and white angel wings, long hair and clothes in the same colors as Sunny Flare, Lemon Zest, and Sugarcoat with the Life, Light, and Tech Skylanders symbols and the cutie marks of Sunny Flare, Lemon Zest, and Sugarcoat on their right arms, long white sleeveless trenchcoats with stars, lemons, fireworks, suns, Alicorns, phoenixes, and angels on the coattails and on the back are the symbols of The Life, Light, and Tech Skylanders and the cutie marks of Sunny Flare, Lemon Zest, and Sugarcoat, holstered on their backs are three massive gold greatswords, and with them are the eight girls.

Jessica Chambers: But, I hit them with some fireworks, and they were sent dancing to their graves.

We then saw Thriller Zombie moonwalking towards us. Suddenly, Sebastian summoned dark hands that grabbed him and sent him flying to a nearby tree.

Thundersnow Ice Dragon Angel of Divine Sub-Zero Arctic Thundersnow Ice Dragon Musk Ox Justice and Divine Sub-Zero Arctic Thundersnow Ice Dragon Musk Ox Hope, and Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholstered their massive greatswords and transformed, and we went after Thriller Zombie, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln fired waves of ladybugs and red fire which hit Thriller Zombie and knocked him down and he was tied up and thrown to Vypra. We cheered as we holstered our weapons and powered down.

Lincoln: That's another of my Akumatized friends down, and we now got the Akumatized forms of Clyde, Mom, and Dad to go. (To Allie Davies, Callie Parsons, and Jessica Chambers) And it's so good to see you again, Allie, Callie, and Jessica.

Callie Parsons: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Allie Davies, Callie Parsons, and Jessica Chambers as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Allie Davies, Callie Parsons, and Jessica Chambers were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Allie Davis: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Allie Davies, Callie Parsons, and Jessica Chambers and he hugged them, and Allie Davies, Callie Parsons, and Jessica Chambers are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Jessica Chambers: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, the first girl is Allie Davies, Daydream Princess of Sour Sweet Friendship, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Lemon Zest combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Allie Davies and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Allie Davies trained Lincoln a lot especially with using the powers of lemons. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lola with a blazing passion because of everything she's done and Allie's put her in her place more than once: which means getting her grounded and thrown back in her cage like the rampaging animal that she is.

Michelle Emperyous: The second girl is Callie Parsons, Daydream Princess of The Sun Friendship, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Sunny Flare combined with the powers she has being Lincoln's Guardian Angel. She's a member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. Lincoln helped Callie Parsons and the other Daydream Crusaders and drove The Midnight Knights of Royal Woods away forever, but they all swore bloody revenge on them. Callie Parsons trained Lincoln a lot especially with using the powers of the sun. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She hates Lisa with a blazing passion because of everything she's done and Callie's put her in her place more than once: which means getting her grounded and thrown back in a makeshift jail cell like the criminal that she is.

Laney Emperyous: And the third girl is Jessica Chambers, Daydream Princess of Fireworks Friendship, she's Lincoln's Guardian Angel from Michigan and she's a really really powerful girl with the same powers as Daydream Sugarcoat combined with the powers she has being Lincoln's Guardian Angel. She's the genius member of The Daydream Crusaders of Royal Woods, a group of girls who have the same powers as The Daydream 16 and are dedicated to protecting the innocent and preserving Harmony and Peace and their enemies included The Doomsday 23 along with their enemies, The Midnight Knights of Royal Woods, a group of girls who have the same powers as The Midnight 15 and they desired to bring death and destruction to all, only to be foiled by The Daydream Crusaders. She hates Luan with a blazing passion because of everything she's done and Jessica's put her in her place more than once: which means getting her grounded and thrown back in a makeshift padded cell like the homicidal lunatic that she is.

Nico: Whoa, that's really awesome. And now, we've met all of The Daydream Crusaders.

Lincoln: Yeah, and if The Midnight Knights of Royal Woods dare to return, we'll send them all straight to The Black Gates, and now that you're all here.

Lincoln first went up to and hugged Allie Davies in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Allie Davies: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Allie Davies, Callie Parsons, and Jessica Chambers with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks.

Allie Davies, Callie Parsons, and Jessica Chambers: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Allie Davies, Callie Parsons, and Jessica Chambers, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Allie Davies, Callie Parsons, and Jessica Chambers, and he leaned down to each of their faces and kissed them each on the lips, but when she wrapped her arms around him, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Allie Davies, Callie Parsons, and Jessica Chambers had an atomic red blush on their faces, hearts in their eyes, and their hearts were beating like mad. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Tomoe Tajika, Riri Shinmeiji, Haruhime Tougasaki, Rekka Hanatsuki, Mitone Itsutsuji, Yui Tokuchika, Honeybell Yukusasa, and Tsukiyo Yonomori from Harem x Shangri-La.

Lincoln: Oh wow, it's Tomoe Tajika, Riri Shinmeiji, Haruhime Tougasaki, Rekka Hanatsuki, Mitone Itsutsuji, Yui Tokuchika, Honeybell Yukusasa, and Tsukiyo Yonomori from Harem x Shangri-La.

Nicole: Oh boy, you're in for Nosebleed City, Lincoln, these girls are extremely voluptuous and beautiful.

Lincoln: (Blushes Hard) Nicole. Are you girls okay?

Tomoe Tajika: Yes, we're okay, thanks to you.

Then, when Tomoe Tajika and the other seven girls saw who it was that saved them from Thriller Zombie, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command, Strategist, And Founder of Team Loud Phoenix Storm, Emissary of The

Tomoe Tajika: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Tomoe Tajika: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tomoe Tajika, Riri Shinmeiji, Haruhime Tougasaki, Rekka Hanatsuki, Mitone Itsutsuji, Yui Tokuchika, Honeybell Yukusasa, and Tsukiyo Yonomori with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Thriller Zombie, the Hypothetical Akuma form of Rusty Spokes.

But, when Lincoln showed what we did in beating him down and Lincoln firing waves of red fire and ladybugs at him that took him down and sent her to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln, Allie Davies, Callie Parsons, and Jessica Chambers have a lot of catching up to do, now that she's back in town.

Maria: Man, you guys sure had an awesome time taking down Rusty's hypothetical Akuma form.

Lincoln: He was definitely an awesome opponent alright.

Nico: No fooling, but of course, Sebastian wrecked the dance off battle against him with his blood lust.

Me: But, still, that was interesting. So, tomorrow, the next Hypothetical Akuma villain we're going after is Clyde's, and this guy is going to be one nasty troublemaker.

After we took down Thriller Zombie, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Allie Davies, Callie Parsons, and Jessica Chambers saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Allie Davies: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Callie Parsons: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Jessica Chambers: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Allie Davies: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Callie Parsons: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was none other than Kikimora, former assistant of Emperor Belos, and she was on a rampage.

Hunter (Owl House): Kikimora. I should've known she'd be here.

Nico: You know her?

Luz: And we hate her, she's Belos' former assistant and a total powerhungry monster.

Me: So, another of Belos' minions is running loose, eh?

Hunter (Owl House): I'm not letting her get away, this time, we're ending her for good.

Hunter flew out of The World Tree Estate and fired yellow energy blasts and elemental magic blasts that hit Kikimora and she was enraged when she saw Hunter and all of us here.

Kikimora: YOU! TRAITOR! AND YOU BASTARDS! I WILL KILL YOU ALL FOR WHAT YOU DID TO EMPEROR BELOS!

Hunter (Owl House): You won't get that chance ever.

Suddenly, a spirit appeared in front of Kikimora: it was Caleb Wittebane, the older brother of Philip Wittebane and ancestor of The Clawthorne Family.

Lincoln: Who is that? He looks like an adult version of Hunter.

Luz: That's Caleb Wittebane, older brother of Philip Wittebane and ancestor of the Clawthorne family, but he's not like his mad younger brother at all.

Felicia Wittebane: My ancestor's older brother himself.

Hunter (Owl House): Caleb?

Suddenly, Caleb Wittebane turned to Hunter, and we also saw the spirits of the other Grimwalkers appear with him.

Caleb Wittebane: I am truly sorry for appearing all of a sudden to all of you, but I want to thank you all for what you did in defeating Philip and sending him to prison. My brother's madness drove him into this along with murdering me, but he needed to be stopped.

Amity: We had to do it or all of the witches in The Boiling Isles were going to die.

Caleb Wittebane: I know. Hunter, there is something that I want to give to you.

Suddenly, the spirits of the Grimwalkers turned into yellow orbs of energy and they went into Hunter, and we felt his power and energy spike astronomically and he then gained a massive power boost. Then, Caleb Wittebane went up to Hunter as he hugged him, and then, he went into Hunter and merged with him.

Kikimora: (GROWLS) I'LL KILL YOU, TRAITOR!

Suddenly, Hunter teleported in a yellow flash of light and kicked Kikimora into a tree.

Hunter (Owl House): (Multiple Voices) You will never hurt another innocent soul ever again.

Suddenly, Hunter's dark magenta eyes turned neon dark magenta and he was surrounded by a golden yellow energy aura with stars, magic, fire, water, ice, earth, red cardinals, bluejays, phoenixes, and angels, he had his Hunter's Cosmic Eternal Boiling Isles Rebellion Celestial Magic Heavenly Cardinal Phoenix Angel Mage's Staff of Cosmic Eternal Boiling Isles Rebellion Celestial Magic Heavenly Cardinal Phoenix Angel Justice in hand, his Palisman, Flapjack, turned from its wooden form into its live form, and as he approached Kikimora, he left golden yellow energy, stars, magic, fire, water, ice, earth, red cardinals, bluejays, phoenixes, and angels with every step.

Hunter (Owl House): (Multiple Voices) Kikimora, you've always made me sick to my stomach even now. You're just as powerhungry as ever along with being as delusional as that greedy heartless witch, Odalia, and that delusional old hag, Terra, which is why I was glad Luz helped me to see Belos for the monster he was: a 375-year-old zealous fanatical witch hunter and witch killer by the name of Phillip Wittebane, a man who was nothing more than a stain on the lips of all demons and witches, and that whole "coming together" nonsense. Don't make me laugh, you were nothing more than a pawn in his scheme, he was planning on killing you, his most loyal servant when The Day of Unity came, and I've always hated you that much for your powerhungry ways, and now, you're going to pay for everything you've done.

Suddenly, Hunter was surrounded by a very massive vortex of yellow energy with stars, magic, fire, water, ice, and earth surrounding the vortex, there are red cardinals, bluejays, phoenixes, and angels flying around the vortex, and in the vortex is a dark magenta phoenix with red eyes glaring at Kikimora: the red eyes of eternal death.

Me: WHOA!

Nico: INCREDIBLE!

Luz: Uh oh, now she's in huge trouble now!

Amity: Big time! This is gonna get ugly!

Willow: You said it.

Gus: I hope Hunter tears her head off.

Felicia Wittebane: You said a mouthful.

Then, as the vortex faded, Hunter emerged, but he was changed forever, and Kikimora is about to meet her doom.

Hunter grew from 8'5" to 8'9" in height, his abnormally massive and powerful upper and lower body muscles grew a little bigger and he still retains his eight-pack abs, he no longer has bags under his eyes and his scars are gone, he has large gold metal braces on his biceps and thighs, and he now has twelve large red planets orbiting around his legs, he has dark magenta highlights in the bangs of his longer ash-blond hair shaved below the top with long jagged forelock and he has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind his head, he has neon dark magenta eyes and a golden yellow energy aura with stars, magic, fire, water, ice, earth, red cardinals, bluejays, phoenixes, and angels and immense protective neon rainbow aura with all of the elements swirling around it, he has a red cardinal on the right and Bluejay on the left along with a phoenix and angel emblazoned on his forehead and Third Eye with dark magenta iris, he has on red cardinal earrings with red gems for eyes and holding the Star, Magic, Fire, Water, Ice, Earth, and Eternity Kanjis in its talons, he has on his Crystal Necklace of The Buddha with red gems on the gold star links and blue crystals for the links and red cardinal-shaped Element of Harmony and below the Element of Harmony is a red cardinal and Bluejay with red and blue gems for eyes and holding the Star, Magic, Fire, Water, Ice, Earth, and Eternity Kanjis in its wings for the pendant and he has on a white and gold accented choker on his neck. Suddenly, Hunter felt a sharp pain on his wider and more muscular back, and then, his massive ash-blonde angel wings with dark magenta tips on the large ash-blonde feathers grew much bigger for his new body, Hunter has on he has on his Ring of The Phoenix with large pink gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Hunter's massive Hunter's Cosmic Eternal Boiling Isles Rebellion Celestial Magic Heavenly Cardinal Phoenix Angel Mage's Staff of Cosmic Eternal Boiling Isles Rebellion Celestial Magic Heavenly Cardinal Phoenix Angel Justice and all the greatswords and swords that he'd gotten began to merge together, and they were surrounded by a kaleidoscope of golden yellow energy, stars, magic, fire, water, ice, earth, red cardinals, bluejays, phoenixes, and angels, and when it emerged, it was transformed into Hunter's Cosmic Eternal Boiling Isles Rebellion Celestial Magic Heavenly Cardinal Phoenix Angel Mage's Staff of Cosmic Eternal Boiling Isles Rebellion Celestial Magic Heavenly Cardinal Phoenix Angel Justice, it's a brand-new Mage's Staff measuring at 8'7" in length with a massive red orb mounted on top of four large gold cardinal heads with red gems for eyes and crescent-shaped beaks and below them is a large red gem surrounded by a gold ring with small chain made of three red gems and red cardinal for the pendant and gold dragon coiled around one end of the long midnight black handle and on the other end of the long midnight black handle is a small gold coil and below it are four smaller gold raven heads with red gems for the eyes and on top of a large gold ring and on the bottom of the raven heads is a large midnight black crescent moon weight with red gem on it for the pommel and levitating large red magic orb with gold designs on it at his left side, Hunter has on his large gold Bracers of The Champions of The Universe with large red gems on his wrists and Dragon Ball Bracelet on the large gold left Bracer, large gold Belt of Elemental Bravery with large gold cardinal head with red gems for eyes and large red gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe, Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. We were amazed by Hunter's Super Angel-Red Cardinal-Bluejay-

God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Willow Park saw what happened to him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding. But, when Kikimora saw it, she went mad and got into a robot she made and ran at him to kill him, but Hunter fired a massive barrage of golden yellow energy, stars, magic, fire, water, ice, earth, red cardinals, bluejays, phoenixes, and angels which destroyed Kikimora's robot suit and they also hit her and sent her flying into a tree, she got back up, but boy, was she pissed off.

Hunter: (Divine Echoing Godly Voice of The Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel and Divine Cosmic Eternal Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel Hope) (Multiple Voices) Pissed off? You should be, but I'll be glad to finally get rid of you for good, you powerhungry freak.

Hunter went after Kikimora, and he fired extremely powerful blasts of golden yellow energy, stars, magic, fire, water, ice, earth, red cardinals, bluejays, phoenixes, and angels at Kikimora, and they exploded with incredible power as they hit her.

Then, he attacked her by whacking her with his brand-new Mage's Staff and blasting him with red and golden yellow energy blasts he fired from it, his Palisman, Flapjack, also fired blasts of fire which hit Kikimora and he got burned badly, and Hunter also fired golden yellow energy slashes with his silver-plated claws and left some really nasty scars, and he attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of his massive and excessive brute superhuman strength, along with elemental blasts, and this was enough to drive Kikimora even madder with rage.

Kikimora: YOU! YOU! I WILL KILL YOU ALL AND AVENGE EMPEROR BELOS!

Kikimora went after Hunter in a fit of rage, but Hunter fired golden yellow energy blasts at Kikimora and he summoned red cardinals to attack Kikimora and she was really scarred by their furious attack, and he even drew glyphs that fired elemental magic blasts that hit her.

Hunter: (Divine Echoing Godly Voice of The Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel and Divine Cosmic Eternal Cosmic Celestial Boiling Isles Rebel Force Earth Magic Demon Realm Red Cardinal Bluejay Phoenix God Angel Hope) (Multiple Voices) This is where you die, Kikimora. BOILING ISLES MAGIC STYLE: BOILING ISLES RESISTANCE MEGABLAST!

Hunter fired a massive golden yellow energy blast with colored energy blasts that took on the forms of the other members of The Boiling Isles Rebel Force and they hit Kikimora and she was destroyed and sent to The Black Gates forever. We cheered wildly for what Hunter did as he powered down, and his new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting gold rings on each corner behind his head, twelve large red planets orbiting around his legs, and massive ash-blonde angel wings are permanent.

Hunter (Owl House): Your days of following Emperor Belos have long since passed, now go join the other bastards in The Black Gates.

Suddenly, Willow wrapped her arms around Hunter's waist, as her chest pressed against Hunter's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Hunter's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Hunter leaned down to Willow's face, they kissed passionately as she moved her hands onto Hunter's massive pecs, and behind them was a Red Cardinal, Bluejay, Phoenix, Mermaid, Angel, Fairy, Succubus, Windigo, and Pixie flying in the air, and we saw a flock of red cardinal and bluejays and many animals running across the field and elemental forces and earth magic behind them and we cheered wildly. Then, Hunter and Willow sucked in and absorbed the elemental forces and earth magic and they came back to us as the display vanished.

We returned home and continued our workouts.

Felicia Wittebane: Hunter, that was so awesome. So, this was Caleb's gift to you.

Hunter (Owl House): Yeah. He knew what his brother did was wrong, and he saw that I've left his service, but he still wanted to help me. Like I reminded him of not only himself, but also, for his unborn child.

Lincoln: There's got to be more to Caleb's story that we got to check out.

Felicia Wittebane: I agree, Lincoln.

Nico: Yeah, there's got to be more to his story than meets the eye.

We got a shower, and then, Lincoln, Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Celine, Eileen, and Viney are heading to Everbay Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Celine, Eileen, and Viney are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Moon Girl/Celine, Eileen, and Viney all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until

Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Ishtar (SMITE): Wow, so this is Everbay Coast. It sure is beautiful.

Lincoln: It sure is, Lady Ishtar, and it's perfect for our first date. Shall we?

Lincoln, Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Celine, Eileen, and Viney dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Celine, Eileen, and Viney got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set,

Lincoln made clones of himself and he and his clones went up to Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Celine, Eileen, and Viney and they hugged the girls in their abnormally massive and powerful muscular arms and Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Celine, Eileen, and Viney placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Celine, Eileen, and Viney as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Celine, Eileen, and Viney with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Celine, Eileen, and Viney are in your harem, Linky.

Ishtar (SMITE), Bastet (SMITE), Eset (SMITE), Neith (SMITE), Serqet (SMITE), Sergeant O'Fera, Antagony, Nickel, Celine, Eileen, and Viney showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Raya, Namaari, Simulator Esmeralda, Simulator Jane Porter, Alice, Simulator Megara "Meg", and Simulator Kida, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Sunny Starscout's first mission.

Nico: This is gonna be awesome and funny.

Qin: Yeah!

Nico: Anyone else want to go with Sunny, Harry, and Aqua? Besides 2 Rabbids?

Xigbar: I'll come.

Liam: Same with me!

Me: All right!

Luan: Me and Eddy will go too.

Eddy: Yeah!

Nico: Okay then.

Sunny Starscout: Awesome!

Twilight Sparkle: And I'll go with too.

Nico: Okay. Lets head out!

We were off.

Me: So this is Mega City.

Aqua: Wow! This is amazing seeing this place.

Luan: Boy it's great seeing this place again.

Joey Felt: Eddy? Luan? Is that you two?

Eddy: Hey Joey!

Joey Felt: Been busy as ever but wow! Team Loud Phoenix Storm it's awesome to meet you.

Joey Felt: That is really awesome! And it's an honor to have you all here.

Me: We're honored to be here.

The Rabbids gibbered.

Aqua: (Sighs) And these are Rabbids.

Joey Felt: Oh they are cute.

Me: Oh they are cute and extremely funny.

Eli: Yeah they are not the brightest lightbulbs in the closet if you know what we mean.

Joey Felt: I see. Lets head to my house to talk more.

Me: Okay.

We went to Joey's house.

Harry Potter: Where's Atomic Puppet?

Joey Felt: I'll show him to you. He's at home.

We arrived at his house.

Joey Felt: Here we are. I'm home and I have company!

Mr. Felt came out.

Mr. Felt: Team Loud Phoenix Storm! Wow what an honor! And Luan and Eddy its been a while.

Eddy: You too Mr. Felt. Its been a long time.

Luan: Same here.

Me: Awesome to meet you Mr. Felt.

Mr. Felt: Same here.

We went up to his room and talked. And we met Atomic Puppet.

Atomic Puppet: Team Loud Phoenix Storm. An honor to meet you!

Me: Wow! You too.

One of the Rabbids tried to put Atomic Puppet in his mouth.

Atomic Puppet: HEY I'm not a chew toy!

Eddy: Now now that's enough.

Nico: See what I mean?

Joey Felt: I do see what you mean.

Sunny Starscout: How did he get turned into a hand puppet?

Atomic Puppet: My disgruntled Sidekick Mookie did this to me.

Harry Potter: But it's not so bad right?

Atomic Puppet: No it isn't.

Me: Good. But I think we just found our main target for Sunny Starscout's big day. What can you tell us about Mookie?

Atomic Puppet: Well now he goes by Sergeant Subatomic.

He told us about him.

---

Sergeant Subatomic is Captain Atomic's bitter and envious former sidekick and is responsible for his transformation into a puppet, done in an attempt to replace him as Mega City's protector. While Mookie does have a wide assortment of gadgets to use, by himself, he's nothing more than a glory hound that lives in his mother's basement. He frequently tries to force the citizens of Mega City to accept him as their hero, but his incompetence and lack of superpowers fail to win them over.

As a villain, he's somewhat more of a narcissist, who's trying to be better than Captain Atomic as Atomic Puppet in terms of acting heroic, the difference being that Mookie is doing this for personal gain. In his early years, he used to work for Captain Atomic, as a sidekick, until he abruptly turned Captain Atomic into what he is now, a puppet.

There's one time where he had to rely on AP in Atomic Goo, as he was forced to help to get AP and Joey to remove the atomic super glue that AP accidentally made Joey in thinking that was hair gel. This is because AP says that Mookie won't be able to take over as being a superhero since Joey and AP are stuck together as Atomic Puppet, discouraging him into helping them.

However, it's implied that his reasoning for turning AP into a puppet was due to being mistreated back when AP was still Captain Atomic.

However in The Big Shift (Part I & II), he seems to grow tired of seeing AP and Joey get the spotlight, as he tried to devise a plan to get him back in everything, which ended up failing once again. He explained to everyone that he got rid of Captain Atomic, which leads to him get arrested. While in the prison, he appears solemnly nervous at one point until one point when Professor Tite-Gripp wanted to know more of Mookie having something to do with disappearance of Captain Atomic. This led to the two concocting a plan that involves getting the rest the villains fleeing from prison and Mookie taking hold against Phil as a distraction to take AP from Joey. This leads to Joey and Phil going after him after AP was retrieved by the former. During a battle between the duo and Tite-Gripp, they kept being beaten by Mookie until they had a idea of provoking Mookie and Tite-Gripp, causing them to both come charging and collide, making a large blast radius expand. At the end, Tite-Gripp seems to have survived but with a missing arm, while dragging along an unconscious Mookie at the end.

---

When he was done we were shocked!

Me: Man what a jerk!

Nico: No kidding!

Harry Potter: He's no better than Lockhart!

Atomic Puppet: That is right!

Me: But Sergeant Subatomic is more like Syndrome that the Incredibles faced.

Nico: That is very much accurate.

Joey Felt: It sure is. By the way is Dark Eddy coming for me?

Me: No he's gone forever. Earlier this year we destroyed him on the Dragon Knight Kamen Riders mission. He's in the Black Gates.

Joey Felt: Good riddance.

Me: Now we have a crazy threat. Blackwing Eatos 12 Angels.

Sunny Starscout: It's a long story.

Twilight Sparkle: It sure is.

Eddy: Trust me. By the time you see one of them, you'll be wishing we were still fighting my Dark self.

Me: They are the Embodiments of the Aliens of Ben Tennyson and they are easily recognizable because they have angel wings that are as black as the night.

Eli: Yep.

Sunny Starscout: It's true and it's scary.

Joey Felt: Wow.

Atomic Puppet: (to Harry) I really am sorry the Dursleys were abusive to you.

Harry Potter: It's all right. But they are now in prison forever.

Me: They did terrible things to Harry and the wizarding world. And they got Life in Prison and were given Whole Life Tarrif's for their crimes.

Joey Felt: Whole Life Tarrif's?

Me: England's version of Life in prison without parole.

Nico: Yep. The Justice System of England is much Different than in America.

Aqua: Those… things had no right to call themselves his relatives!

Joey Felt: That's right!

Me: Yep. If we see them again they are DEFINITELY getting the Black Gates.

Joey Felt: What are the Black Gates?

Me: It's the deadliest technique we have in our arsenal.

I went over what it does and more.

When it was done Joey and Atomic Puppet were amazed.

Joey Felt: My parents aren't like that!

Atomic Puppet: Thank goodness!

Eli: Do your parents know about you being a hero?

Joey Felt: They sure do.

Me: Wow! So the secret's out. But you were given a tremendously powerful responsibility.

Nico: Yep.

Aqua: No matter how small Atomic Puppet is.

Nico: And that is too true

Eli: Yep.

Atomic Puppet: That is for sure.

Sunny Starscout: Are any of your enemies active right now?

Joey Felt: Yes there are. My old evil teacher Ms. Erienmeyer.

Me: What is she like?

He went over her history.

---

As The Bully and AP states that she's a mean teacher who seems to make kids scared of her, and assumingly seems come at against Joey for most of the actions and thinking that Joey did, which she's was unaware that most of it were caused by AP himself, which it ends up with Joey going to detention for a numerous times, which Joey started to realize about Erlenmeyer, and planned to a revenge on her, after Pauline figure out that AP was responsible and AP tries to tell Joey that he was the one that did all of it to Erlenmeyer, just wanted to go out on patrol, after Joey realized about it and became furious at AP, but just as Ms. Erlenmeyer leaving out of her car, Joey tries to stop her, but unfortunately, she fell through, which it start her off by the twilling machine and got caught with the beehive and then fell through the fishes and then almost got mauled by grizzly bears, which Joey and AP fell through that, just as Ms. Erlenmeyer realize that she never felt so alive and liberated, as she heads her way on top of fountain, a large vortex, forming from the sky, just to finally realize that AP was right about she was actually a evil villain and her last words stated that all of humanity will feel her wrath, as she finally elevates inside the vortex.

Apparently since during her absence, Mr. McKinnon temporary replace her, until in Erlenmeyer's Revenge, she return, until AP rudely disrupted by talking, cause Joey to get caught by Ms. Erlenmeyer, as she dragged him all the way to the school's maintenance facility, explaining to Joey and recognized about AP, being the reason for all the cause of troubles that Joey was framed by, she also added that since her last time she left, she's been visiting from place to place and finally ended up marrying an unknown being, known as King Mindbender, and describe her self as "Queen Mindbender", and started to hypnotize Joey and then the rest of the school, all except Pauline and AP, who were unaffected by this, and devised a plan to disrupt the mind control forces which is obtained by the headstone that Erlenmeyer is wearing, but as she figured that they were not hypnotized, and prompted to come after them until the headstone was finally destroyed, the entire people were free from her spell, which heavily angered her husband, just as she frantically tried to explain to him, but ignored and ended up, floating her into the portal.

* * *

When he was done we were shocked!

Me: Man what a monster! She gives all teachers everywhere a really bad name.

Eli: Yeah!

Nico: She needs to be brought down big time.

Aqua: Where is she right now?

Joey Felt: At the school.

Nico: Then lets go.

Sunny Starscout: We're ready.

We were off.

* * *

We arrived.

Xigbar: Is this the place?

Joey Felt: It sure is.

Eli: I sense her in there.

Nico: She'll go into the M.O.E. when we're done.

We went into the school and it was empty.

Me: Hmm. Stay alert.

Nico: Right.

We walked through the hall and then I felt Psychic Energy and it was coming from a classroom.

Me: Psychic Energy. It's coming from this room.

Nico: Is it her or the Embodiment?

Eli: I sense that it's both.

Nico: Uh oh.

Nico kicked the classroom's door down!

CRASH!

Nico: Okay you bitter old crow!

Ms. Erienmeyer: Team Loud Phoenix Storm!?

Me: That's right! You're under arrest Ms. Erienmeyer!

Ms. Erienmeyer: You're never going to get me!

Joey Felt: Time to show you my Hero costume!

He put on Atomic Puppet and then turned into HIS HERO FORM!

Nico: WHOA!

Me: AWESOME!

Eli: COOL!

Sunny Starscout: Time to show you the power of Friendship!

She concentrated and grew her wings and her Alicorn Power was ready!

Sunny Starscout: This will be good!

Then a girl with brown hair and red eyes came out and she had black angel wings and black clothes.

Me: (GASP) Heidi Clockwork!

Nico: Whoa! The embodiment of Clockwork!

Me: Yep. She's half Chronosapien and has incredibly powerful time powers.

Eli: Whoa!

Heidi Clockwork: (Swedish Accent) Help me J.D.

Me: Hang on Heidi!

Sunny got out her Shift Car for Malachite!

She activated it and fired a wave of water and drenched Ms. Erienmeyer.

Liam used Iron Lung's Shift Car.

Xigbar fired laser blasts.

I used Lord Drakkon's Shift Car.

Nico used Myotismon's, Eli used Baron Mordo's, Twilight Sparkle used Kaos, Aqua used Skulker and Harry Potter used Tala's shift car and they blasted them both.

Heidi fired Time Rays at Xigbar.

But he dodged them and fired space blasts and knocked her down and I injected her with the antidote.

I fired a telekinetic blast and knocked down Ms. Erienmeyer!

Aqua used her shift car again and fired laser blasts.

Aqua: Yeah!

?: (ECHOING) HAND OF FATE!

An energy blast hit Mr. Erienmeyer!

Eli: WHOA!

We saw Angemon!

Me: Angemon! Wow!

Liam used his shift car again and blew her down.

Angemon: (In a girls voice) This bitch needs to be taught some manners.

Nico: Angela Ange!? Whoa!

She reverted back and was a girl with orange hair and blue eyes and had white and blue clothes and had a symbol of Angemon in the middle of her forehead and on her skirt and she had a staff in her hand.

Angela Ange: We can catch up later Nico. Lets rip her apart.

Harry used his Shift Car again and fired waves of magic and blasted her all over.

Harry Potter: Riddikulus!

He used Riddikulus and Ms. Erienmeyer was dressed up as a really GOOFY And crazy clown!

ALL THE KIDS LAUGHED AT HER!

Heidi fired a time ray at Nico's arm. He Got out a mirror and reflected it and it hit Erienmeyer in her leg and disintegrated it into nothing!

Nico: Nice try!

The antidote took effect and cured Heidi!

Heidi Clockwork: What the? (GASP) I'm cured!

Xigbar (to Erienmeyer): Relax. We'll heal you up. Back at our base!

Nico; That's right!

Eli: Taste this!

He fired waves of Force Lightning and electrocuted her.

Atomic Puppet fired waves of energy and blasted her down.

Xigbar attacked her and then Luan and Eddy blasted down Ms. Erienmeyer and then we went and tied her up and put her in a straitjacket!

Eli: That's that.

Sunny Starscout: Thank goodness.

Eddy: Like old times, eh?

Joey Felt: It sure was!

Sunny Starscout: That was so much fun!

Angela Ange: That sure was!

Me: Do you have any favorite memories of Nico?

Angela Ange: I sure do. When me and Nico went and captured a massive drug production operation.

Nico: Yep. That was awesome.

Luan: Wow! That is cool.

Nico: Yep.

Nico and Angela hugged.

Nico: I've missed you.

Angela Ange: Same here.

Later we came back.

May: How did it go guys?

Me: Awesome!

We told everyone what happened.

Argyle Starshine: Wow! Sunny bunny I'm so proud of you.

Sunny Starscout: Thanks dad. It was awesome.

Nico: Next time, Brody, Yost Cap, and Celestia should come with.

Sunny Starscout: That's a great idea.

Lola: It sure is.

Aqua: Yep.

* * *

Later we were relaxing in the park.

Billy: What a nice day at the park.

Me: You said it Billy.

Qin: Yeah.

Aqua Eridanus Marion: You worried about Zayto and his team?

Nico: I have a good reason too. They don't have us backing them up out there.

Me: Wonder why

May: Nico I'm sure they're fine.

Nico: Just concerned that's all

Qin: Yeah

Acid Storm: I'm sure right now, they're kicking the butts of Zedd's Foot Soldiers

Me: Yeah.

?: They might be.

We saw a girl with green hair and green eyes, green clothes and she had green angel wings and had a tiara with the symbol of Tornado Man on it

Teleia Tornado: Teleia Tornado, Embodiment of Tornado Man.

Hunter: (German Accent) Teleia! Wunderbar

Eli: Awesome to see you!

Teleia Tornado: Same to you Eli and Hunter. Its been a while

Slingshot: How did you meet Eli and Hunter?

Teleia Tornado: I met Eli when he and Nunnally were battling some candy soldiers from a dark candy kingdom and it was awesome.

Eli: Those were the Candy Soldiers of King Nightlicker.

Nico: Nice.

Teleia Tornado: And I met Hunter when we were having a German Sausage Eating contest.

Hunter: Ja und she won.

Nico: Cool! Would you like to join the team?

Teleia Tornado: I would be honored.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls,

leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Toxica: Any word from Zayto and his team yet?

Me: We haven't heard from anything yet.

Qin: Yeah I'm getting worried.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Doodrip and Ollie who was possessed by Evil Ollie, and they're causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Doodrip and Ollie who was possessed by Evil Ollie, and they're causing havoc.

We gasped.

Tommy: So, now we're facing two of Lord Zedd's trusted officers.

Me: Looks like it.

Lincoln: I've got an idea: we're going to separate Evil Ollie from Ollie and Evil Ollie is going into the M.O.E.

Eli: That's good.

Nico: I get it, Evil Ollie's going to The Masters of Evil and Ollie joins us, but as for Doodrip, say hello to The Black Gates after getting absorbed by you.

Lincoln: You guessed it.

Brittney: And I figured out that curse Sebastian put on Rita Repulsa and Lord Zedd yesterday.

Brittney got out her black book on dark magic and turned to the page.

Brittney: What Sebastian put on them is literally one of the worst curses that I swore never to see again, it's known as The 12 Torments of The Nine Circles of Hell, this is one of the darkest and most insidious of all Satanic and demonic curses, and as you saw, the manifestation of this curse is a clock tattoo with the Roman Numerals 1 through 12 on their backs. When one of the servants of Lord Zedd and Rita Repulsa bites the dust in The Black Gates, the number will glow a demonic red and that causes those two to suffer the unimaginable pain and suffering of one of the tortures of the Nine Circles of Hell, and the only ones who know how to cast this curse are those whose lives were marred by evil and because of that evil have oceans of innocent blood on their hands and once wielded the powers of The Infernal Darkness of Hell.

WE GASPED IN HORROR!

Nico: Oh God!

Me: Now, that's literally one of the darkest curses we've ever heard of.

Nico: Big time. Alright, let's head out and take down Evil Ollie and separate him from Ollie and send him to The Masters of Evil along with destroying Doodrip.

Lincoln: He's not getting out of this alive.

Me: Wait Evil Ollie? (GASP) Oh dear god! I know what that means! Lord Zedd is controlling him!

Nico: Oh no! Where are they at?

Lincoln: Planet Cholganna.

Eli: All the way over there and fast!

The previous group came.

Plastique: Can me, Firefly, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex go with you guys?

Nico: Yes you all can come with. We're going to the planet Cholganna.

Qin: Yeah. Ollie is in trouble!

Loki: Oh no! Lord Zedd got to him?

May: Yeah!

Cheetah: Nico, which Gene Slammer do you think you'll meet next?

Nico: Slash Beast next.

Qin: Ooh primal.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than The Universe 666 Gray Rangers, and they're coming here to destroy us all. When we saw it, we knew it meant trouble.

Lincoln: Oh no, he's really crossed it this time!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to The Universe 666 Gray Rangers, and they're coming here to destroy us all.

WE GASPED IN HORROR!

Universe 666 Me: What?!

Maria Phillip: Leave the Universe 666 Gray Rangers to me and Lincoln, guys.

Lincoln: Hold on, Maria, we're not doing this alone.

Prince Phillip III: He's right, Maria, we're also joining in as well.

Me: That's a good idea. That sicko's already crossed one too many lines for the last time.

Qin: So had Sebastian because of his Dark Side, and he's crossed one too many lines before his Dark Side got removed and sent to The Black Gates forever after what we heard from Buster Bunny and the others along with Lincoln's Guardian Angels.

Nico: You got that right, and we'd seen it for ourselves as well. Alright, gang, let's go, we're heading out to take down Evil Ollie and separate him from Ollie and send him to The Masters of Evil along with destroying Doodrip.

Lincoln: The battle to save Earth from Lord Zedd and Rita Repulsa is finally on, and once we get done with Doodrip and Evil Ollie, Universe 666 Gray Rangers, you're next.

Maria Phillip: Of all the lines that RD Sebastian has crossed, this is one line too many. Now, he can watch as we destroy his last few attempts at vengeance on us.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down Evil Ollie and separate him from Ollie and send him to The Masters of Evil along with destroying Doodrip, and once we get done with Doodrip and Evil Ollie, Lincoln and Maria Phillip along with The Gray Rangers are going to destroy the Universe 666 Gray Rangers.

We went to the ship and we were off to the planet Cholganna!

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,543.2: The U.S.S. Valorous Phoenix is en route to the jungle planet of Cholganna for part 2 of the Cosmic Fury missions. Our mission is to save Ollie from himself and destroy Doodrip and send Evil Ollie and Doodrip to the M.O.E.

Ghost: At least Zayto and the rest should be okay.

Xenia: Well we got to find out.

Grinnade beeped.

Nico: I know.

Lisa Loud: We have arrived at our destination.

Nico: On screen!

We saw that we were at the jungle planet of Cholganna.

Me: Planet Cholganna.

Lola: Wow!

Xenia: Amazing.

We engaged the landing and then landed on the surface.

We got out and saw the jungle planet surface.

Camie: Amazing!

Varie: Awesome.

We got out and explored.

Molten Man: Yo, Zayto! You there?

We looked around.

Eli: I sense something!

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOMMMMM!

We heard an explosion and then we went and saw the rangers battling NUMEROUS FOOTSOLDIERS! They were from Zeo, Turbo, In Space and Lost Galaxy!

Qin: WHOA!

Me: Look at all the foot soldiers!

Eli: Yeah! Zeo, Turbo, In Space and Lost Galaxy's footsoldiers!

Me: Lets go get them!

Nico: YEAH!

We went to face them.

We jumped out and slashed and blasted them.

Zayto: You guys made it!

Me: Sorry we're late guys.

Izzy: We got Cogs, Chromites, Craterites, and Swabbies coming.

Me: Yeah we can see that.

I fired waves of energy and blasted the footsoldiers.

Zeo: It's Morphin Time!

TJ: Shift Into Turbo!

Andros: Let's Rocket!

Leo: Go Galactic!

They transformed and were ready for action!

Nico: YEAH! Lets get them!

We slashed and blasted them. NUMEROUS FIERY EXPLOSIONS BLASTED OFF ALL OVER!

KRABBBBBBBBOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOOMMMM!

KRABBBBBBOOOOOOOOOOOMM!

The whole area was turning into a raging fiery inferno!

Bruiser Cruiser: Have some of this!

He punched and blasted the footsoldiers all over the place!

Massive numerous numbers of fiery explosions were blasting off everywhere!

---

Towering walls of fire were raging everywhere.

Loki: Let's not forget the real reason we're here!

Nico: Right!

Qin: This is gonna be good.

Nico: I'll go look for Ollie!

Vice: Alone?! Not gonna happen!

Nico: I won't be alone. Catwoman, Valerie Gray, Kevin (Ed Edd N Eddy), Leanbow, Scarlet Spider, Gentoku, Jinx, Red Hood, Kevin Levin, Aligned Knock Out, Stewie, and Winter Soldier are coming with me.

Leanbow: We are honored to go with you.

Gentoku: Right choice.

Me: All of us are going Nico.

Qin: Yeah! We're not letting you get hurt like you did with Chameleon.

Xenia: That's right!

Nico: All right then.

Vortex: (fighting a Cog) Hopefully, they won't find too much trouble!

With Nico and his group…

Nico and the people Nico chose to go with him were looking around for Ollie.

Nico: Ollie? Ollie, where are you?

Ollie: Right behind you, Nico.

We saw Ollie with an evil look on his face. It didn't take a rocket scientist to realize what happened.

Catwoman: Ollie? Oh no…

Jinx: Ollie, listen. We can help you.

Ollie's response? He was about to kick Nico to the ground but Nico blocked his kick and threw him back.

Ollie: I don't need your help! I've never felt better in my life. You know, I never knew how much fun it is to be bad! Link to Morphin Grid!

HE TRANSFORMED AND HE DONNED SCARY EVIL ARMOR!

I sensed trouble!

Me: OH NO!

I teleported and kicked Ollie down!

Me: I thought I sensed trouble!

I saw Ollie's new armor.

Me: Love the new armor. It's really badass.

Ollie: It's nice isn't it?

Me: It brings out the badass jerk in you.

Ollie: Thanks. Perfect for me to kill you with!

Me: Bring it on you asshole!

Ollie: Any day now, Nico.

WarKevin: You asked for it!

As WarKevin fired missiles at him, Kevin Levin contacted Cad Bane.

Cad Bane: What is it?

Kevin Levin: Good news? We found Ollie!

Cad Bane: And the bad news?

Kevin Levin: He ain't exactly himself!

Eli: Lincoln was right! Lets go!

They came.

I teleported and kicked and punched him.

Then we clashed and sparks flew all over the place and I kicked him down.

Ollie: Everyone should be evil like me! It's awesome!

Valerie Gray: Awesome for you maybe!

Me: Then we would have to kill you!

She dodged a slash from him that ended up hitting Knock Out.

Aligned Knock Out: Watch the paint!

Ashi: Knock Out, now's not the time!

Ollie: You should be less worried about your paint and more about me killing you!

I kicked him and bashed him

Qin fired waves of fire and blasted him down.

Gulper: I need more soda to continue this fight!

Maria: Now's not the best time!

Red Hood and Winter Soldier fired their guns at Ollie but he blocked them with his sword.

Ollie: How cute! You brought guns to a sword fight!

Red Hood: Excuse us for trying!

Winter Soldier: Swords don't always beat guns, you know!

I punched Ollie in his stomach with devastating force and knocked him down.

Me: How pathetic! Your new super armor isn't that super. How disappointing.

Ollie: I WILL KILL YOU!

He ran at me and then I teleported and dealt a DEATH PUNCH TO HIM!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I punched him and a massive explosion blasted out and his armor shattered into a million pieces!

Me: Too bad really. I was just starting to like that armor.

Ollie then slashed Lincoln, knocking him back.

Ollie: How do you like that, "Big Guy"?! Time to pop those muscles like zits!

Trickster: Okay, that probably wouldn't be a pretty picture!

Lincoln: Nice try Ollie!

Ollie: WHAT!?

Lincoln had his sword blade in between his fingers and Ollie tried to move it but it wouldn't budge!

Ollie: LET GO!

Lincoln obliged… just in time for Spiderman to web Ollie up.

Nico: Okay, Ollie. Let's try this again.

Me: Like this.

I fired a wave of light and it hit Ollie and separated a dark version of him and it was EVIL OLLIE!

Ollie was freed! Then I teleported and bashed Evil Ollie and I knocked him out and beamed him to the M.O.E. Base.

Ollie: (GROANS) What a horrible headache.

Me: Are you okay Ollie?

Ollie: Guys? (Groans) What the hell happened?

Me: You want the short version or the long version?

Ollie: Short.

Me: Okay you were turned evil and you tried to kill us. And you had this wicked awesome badass armor on.

Swift Foot: Doodrip must've sprayed you with something to turn you evil.

Me: It's some kind of evil poison that only affects the blue rangers. I remember that.

Stewie: But not to worry. We got your evil side out of you and brought it to the M.O.E. HQ.

Ollie: Thanks. I don't mean to sound ungrateful. But while you guys were messing around, Doodrip is still loose.

Scarlet Spider: (rolls his eyes) You're welcome.

Nico: (to Ollie) You're probably feeling drained from being evil. Go back to the Estate and rest up. We'll find Doodrip and take him down.

Ollie: No I'll go with you guys. I need to be in the team.

Me: Okay.

I gave him a senzu bean and he was healed up.

Ollie: Thanks J.D.

Me: Sorry we had to rough you up like that.

Ollie: No worries.

Gearhead: See any vehicles I can use?

Me: On a jungle planet like this? I don't see any.

Ollie: What is this planet?

Eli: Planet Cholganna. It's a forest planet known for its dangerous creatures like the Nexu's.

Qin: It's true.

Whiteout: Where's Doodrip right now?

Eli: (Concentrates) In a clearing 500 yards that way.

He pointed west.

Nico: Then lets head there.

We flew and saw the clearing and in it was DOODRIP!

Me: Target sighted!

Khybon: Entrance time!

We went at him.

Doodrip: Hmm.

Then the spirits of the rangers came and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out.

Me: Doodrip! You will pay for turning Ollie Against us!

Out came SCORPIUS - THE MAIN BAD GUY OF LOST GALAXY!

---

Scorpius is an alien warlord and the main antagonist of the first half and a posthumous antagonist of the second half of Power Rangers Lost Galaxy.

He was voiced by Kim Strauss who also voiced/portrayed Jinxer in Power Rangers Lightspeed Rescue.

3000 years ago, Scorpius attacked the Magna Defender's homeworld and killed his son, Zika. He began searching the universe for sources of power and eventually sent his general, Furio, to get the Quasar Sabers. However, this quest resulted in the creation of Scorpius' greatest enemy, the Galaxy Power Rangers. He later began sending his forces to Terra Venture to try and find the powerful Lights of Orion. However, the Magna Defender appeared and began battling Scorpius as well, with the Lights eventually ending up with the Rangers, making them even more powerful than before. His daughter, Trakeena, often tried to participate in her father's quest, but he tried to keep her out of battle as much as possible.

Scorpius eventually created a cocoon for his daughter that would transform her into a more insect-like creature like him and increase her power greatly. Trakeena refused to enter it since she didn't want to lose her mortal beauty and when Scorpius attempted to force her, she ran away. Soon after, Deviot came aboard the Scorpion Stinger and he was appointed as the overlord's new general. However, he actually wanted to enter the cocoon in order to gain its power and plotted against his new master. Scorpius was eventually tricked by Deviot into believing that the Power Rangers were holding Trakeena hostage and he ambushed the rangers with an army of Stingwingers. Scorpius proved to be a challenging opponent, but the rangers eventually managed to grab his tentacles to hold him in place, allowing Leo to deliver the final blow. Now on the verge of death, Scorpius was about to give Deviot his place and have him enter the cocoon when Trakeena returned. After reconciling with his daughter, the insect overlord died giving her his powers by forming his remaining tentacle into a new staff for her.

Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Doodrip's chest, and then, Lincoln began absorbing Doodrip into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

Doodrip: (In Pain) No! No! This can't be! Lord Zedd, Rita Repulsa, forgive me!

When Lincoln was done and the stingers changed back, nothing's left of Doodrip, and he was sent to the M.O.E.

Nico: Doodrip, you have failed this whole universe!

Me: And the campaign against Lord Zedd and Rita Repulsa has just begun!

Lincoln: You said it. Now, there's only one last thing to do and one last loose end to tie up: The Universe 666 Gray Rangers.

?: None of you will ever leave this place alive!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from a barrage of fire and gray energy blasts that came from nowhere and hit the barrier, but it stood strong and the fire and gray energy blasts were absorbed and flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, Universe 666 Gray Rangers, or we will force you out.

An army of figures came out, and they were none other than The Universe 666 Gray Rangers brought back by RD Sebastian who has officially lost his sanity.

Nico: So, those are all the Universe 666 Gray Rangers RD Sebastian's brought back.

Me: That bastard, now he's gone way too far.

Maria Phillip: That he has, and for that, we're going to destroy the instruments of his revenge.

Suddenly, Maria Phillip's blue eyes turned neon blue and she was surrounded by a gray energy aura with stars, gray fire, gray flames, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached The Universe 666 Gray Rangers, she left gray energy, stars, gray fire, gray flames, phoenixes, and angels with every step.

Maria Phillip: I'm not surprised that RD Sebastian was the one who brought you all back from the dead, but then again, he has crossed one too many lines and proven to be a psychotic deranged sicko who had to be put down. Now, it's your turn, you'll pay for disgracing the legacy of the Gray Rangers.

Suddenly, Maria Phillip was surrounded by a massive vortex of gray energy, stars, gray fire, and gray flames surrounding the vortex, there are phoenixes, angels, and the Gray Rangers of 47 plus years flying around the vortex, and in the vortex is a white phoenix with red eyes glaring at The Universe 666 Gray Rangers: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This'll serve as a warning to Lord Zedd that death's coming for him and Rita Repulsa.

Then, as the vortex faded, Maria Phillip emerged, but she was changed forever.

Maria Phillip grew from 7'0" to 8'0" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large gray orbs orbiting around her legs, she has the body of a goddess, she has white highlights in the bangs of her long gray hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a gray energy aura with stars, gray fire, gray flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a gray lightning bolt with the Gray Ranger emblazoned on her forehead with purple iris, she has on Gray Ranger earrings with gray gems for eyes and holding the Star, Gray Fire, and Eternity Kanjis in their hands, she also has an Gray Ranger with gray gems for eyes and holding the Star, Gray Fire, and Eternity Kanjis in its hands for the second pendant on the bottom of her gray angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with gray crystal links from her merged Crystal Necklace of the Buddha and gray gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Maria Phillip has on a sleeveless gray top, gray skirt, white bridal gloves, and gray lightning bolt with the Gray Ranger on it on her right arm, gray knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, gray fire, gray flames, phoenixes, and angels on the coattails, and on the back is a gray lightning bolt with all of The Gray Rangers from 47 years surrounding it and surrounded by stars and gray fire and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a gray gem with neon glowing gray lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Maria Phillip felt a sharp pain on her back, and then, her massive gray angel wings with white tips on the large gray feathers grew much bigger for her new body and she also now has eleven massive and long gray wolf tails with white tips and white markings, Maria Phillip has on her Ring of the Phoenix with large gray gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Maria Phillip's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of gray energy, stars, gray fire, gray flames, phoenixes, and angels, and when it emerged, it was transformed into Maria Phillip's Cosmic Eternal Gray Inferno Firestorm Gray Power Rangers Embodiment Phoenix God Angel Greatsword of Cosmic Eternal Gray Inferno Firestorm Gray Power Rangers Embodiment Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded gray gems and gray lightning bolt with the Gray Rangers and runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel heads for the crossguard, large white angel faces built into both sides of the hilt and large gray gems embedded in their foreheads, longer midnight black handle, four large gold angel heads with gray gems for eyes and on the bottom of the large gold angel heads is a large gold angel head with gray gems for eyes and gray gem in its mouth for the pommel, Maria Phillip has on her brand-new large gold Bracers of The Champions of The Universe with large gray gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of The Dino Charge Graphite Ranger's head with gray gem for the visor for the belt buckle and gold versions of the other Gray Rangers' heads with gray gems for the visors around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gray kanji with gray flames in between the kanji below the gray lightning bolt with The Gray Rangers from 47 years that said, "Maria Phillip, Embodiment of The Gray Power Rangers, Loving Sister of Prince Phillip the Third, Powerful Force of Good, Thrasher of The Bad Guys, True Immortal and Omnipotent Powerful Warrior of The Universe, Most Powerful Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Destroyer of The Power Rangers' Enemies, Despiser of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Gray Fire, Phoenixes, Angels, and The Powers of The Gray Power Rangers"

We were amazed by Maria Phillip's Super Angel-Gray Power Rangers Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Universe 666 Gray Rangers saw it, they went mad with rage and ran at her and kill her, but Maria Phillip fired a massive barrage of gray energy, stars, gray fire, gray flames, phoenixes, and angels which hit The Universe 666 Gray Rangers and sent them crashing onto the ground, they got back up and they were now really enraged.

Prince Phillip III: Incredible!

Selene Arcangela: Incredible is right, Your Majesty, Maria's transformed, and we already knew of the kind of damage she's capable of doing to villains.

Lincoln: Yep, and now, it's time we end The Universe 666 Gray Rangers and make them pay!

Maria Phillip: (Divine Echoing Godly Voice of The Gray Inferno Firestorm Gray Rangers Embodiment Phoenix God Angel and Divine Cosmic Eternal Gray Inferno Firestorm Gray Rangers Embodiment Phoenix God Angel Love) That's right, those disgraces are going to pay for what they've done. Let's get them, Lincoln.

Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) RD Sebastian has already paid for his crimes, and now, it's your turn, your end has come, Universe 666 Gray Rangers!

Maria Phillip, Lincoln, and The Gray Rangers went after The Universe 666 Gray Rangers, and they fired extremely powerful blasts of rainbow energy, gray energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Universe 666 Gray Rangers, and they exploded with incredible power as they hit them.

Then, Lincoln and Maria Phillip attacked them with powerful slashes from their massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Maria Phillip also did the same by firing gray energy slashes from her massive greatsword, and he and Maria Phillip attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this pissed off The Universe 666 Gray Rangers badly.

Prince Phillip III and the Gray Rangers also attacked their Universe

666 counterparts with incredible ferocity, and they were forced into a corner.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you all die once more.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Universe 666 Gray Rangers' chests, and then, Lincoln began absorbing The Universe 666 Gray Rangers into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Universe 666 Gray Rangers, and he banished them to The Black Gates. We cheered wildly for what Maria Phillip and

Lincoln did as they holstered their massive greatswords on their backs and powered down and Maria Phillip's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long gray wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large gray orbs orbiting around her legs, and massive gray angel wings are permanent.

Maria Phillip: Burn in Hell forever, you bastards. Thanks for helping me destroy The Universe 666 Gray Rangers forever, Lincoln, you too, brother.

Lincoln: (Smiles Warmly) You're welcome, Maria.

Suddenly, Maria Phillip wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maria Phillip's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and the Gray Power Rangers flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and gray flames raging behind them and we cheered wildly. Then, Lincoln and Maria Phillip sucked in and absorbed the elemental forces and gray flames and they came back to us as the display vanished.

Me: Oh man, that was one awesome battle, you guys!

Nico: No kidding, you guys and the Gray Power Rangers really made a fiery mess of their Universe 666 counterparts.

Lincoln: Disgrace The Gray Rangers, will they? Not on our watch! Now, we're rid of the Universe 666 Power Rangers for good.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Suddenly, our Dragon Ball Bracelets were glowing and we saw the sigils of the Celtic Gods and Goddesses in the skies.

Selene Arcangela: I think I know who we're meeting: The Avatars of The Shadow Dragons and Daughters of the Celtic Gods and Goddesses, and they are the strongest and most powerful among Lincoln's Guardian Angels.

Nico: Whoa!

Selene Emperyous: But, Lori, Lynn, Lola, Lisa, Luan and the rest of Lincoln's enemies who were THAT stupid have tried numerous times to kill them.

Me and Nico: Seriously?! How stupid can they get?!

Varie: Sheesh. So, Lincoln, who's the first one we're meeting tomorrow?

Lincoln: The first one we're meeting tomorrow is Sabrina Morrigan, Avatar of Omega Shenron and Daughter of The Morrigan, The Celtic Goddess of War.

Emily McKale: Awesome, and I knew you'd pick her, and you guys will love meeting her, Sabrina Morrigan is Lincoln's Guardian Angel from Ireland and she's an extremely powerful Angel of Darkness with extremely incredible and massively powerful powers over darkness, dark magic, black magic, Satanic Magic, summoning demons, bringing the dead back, and summoning zombies and creatures of the damned, powerful black magic arts and dark magic arts, along with being born with midnight black angel wings, and just like Orla Omega Shenron, Sabrina Morrigan has all the powers and abilities of all of the Shadow Dragons, and not only that. but she is also the Avatar of all 12,450 Duel Monster Cards, 25,000 Magic The Gathering Cards, 1,021 Pokemon, 1,469 Digimon, All the Mega Man Robot Masters and Mavericks, Ben 10 Aliens and Skylanders. SHE IS THAT INTENSELY POWERFUL AND IS AS POWERFUL AS 100,000 OMEGA SHENRONS!

CLANG! CLANG! CLANG!

OUR JAWS DROPPED TO THE FLOOR AFTER HEARING THAT

AND ELI SHUT OUR JAWS!

Nico: WAIT, WHAT?! SHE'S THAT POWERFUL?!

Lincoln: Yep, I was stunned myself after hearing that.

Sophia Presley: But, Lincoln's the only person who knows this: she's The Avatar of Omega Shenron and the daughter of The Celtic Goddess of War, The Morrigan, and she really trained him hard in everything that she knows in warfare and using the powers of darkness. He made her a beautiful necklace and an awesome fire greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Sabrina Morrigan hates Bolhofner with a blazing passion because of what he's done, and she swore that if she ever saw that bad breath smelly unkempt pig, she was gonna wipe him out and leave not a single trace of him in this world!

Me: She's a little late for that, we got rid of him for good.

Nico: There's still the Bolhofner clone though. Ooh, right, if she sees him again, she's gonna kill him.

Lincoln: We'll tell her what J.D. has planned for him.

Suddenly, the special alarm on our wrist computers on our left Bracers rang, and it showed that Sebastian's curse on Rita Repulsa and Lord Zedd has gone up as the Roman Numeral two has lit up.

Me: And another day down means the curse has risen even more.

Lincoln: I can guess they're suffering extreme pain.

We found out Lincoln was right: Rita Repulsa and Lord Zedd were screaming in pain, and they can't do anything about it.

Shiva: Another of Lord Zedd's goons in our ranks.

Me: And part 2 done.

Billy Numerous: I wonder if we'll eventually see the Cosmic Fury

Megazord.

Deker: It'll appear eventually.

Mummy: For now, it's another mission accomplished.

Brick: How should we celebrate?

Nico: Good idea. Great job everyone.

Lucky: (To the viewers) Boy this was an awesome one.

Me: Yeah it sure was.

We went back home and went to Lynn's Table for some grub and enjoyed the rest of the day and went to sleep.

But we were there on a really awesome treasure hunt.

Me: WHEW! Man this is hot!

Xenia: No kidding! I'm boiling!

Lana: Me too!

Lola: It's really hot!

Me: But we handled super hot environments before.

Lola: Yeah we sure have.

Camie: It's amazing that this is down here.

Nicole: Reminds me of Norfair in Super Metroid and Magmoor Caverns in Metroid Prime.

Apple Bloom: It sure does.

Nico: Yep. Stewie, I want to thank you, Lucas Lee, and your teams for coming.

Stewie: It's no trouble at all Nico. I'm glad we can help you out here.

Nico: Yeah.

Squilliam: But this is gonna be so amazing helping out you guys.

Camie: It sure is.

Nico: Squilliam, you and Squidward are cool now, right?

Squilliam: Indeed we are Nico and it's really great we're friends now.

Nico: Awesome.

Camie: What does Nico mean by that?

Me: Oh Squidward and Squilliam went to high school band class together and Squilliam has always been many steps ahead of Squidward. Squilliam became a multi-billionaire in Bikini Bottom and Squidward always was a failure compared to Squilliam. Squidward ended up working at the Krusty Krab and Squilliam did things that are grander than anything.

Squilliam: It is true Camie. I was Squidward's rival for as long as we can remember.

Nico: Yep. But it's all cool now.

Lily: SpongeBob told me he once did a really awesome band in the Bubble Bowl which was really cool.

Laney: That sure is awesome.

Nico: That's good. Especially after what the Flying Dutchman said

Squilliam: Indeed Nico.

Nico: Yeah.

Me: Boy Part 2 of the Cosmic Fury Battles was awesome.

Eli: It sure was. Man Ollie turning evil was something no one saw coming.

Xenia: Yeah. But Doodrip is in the M.O.E.

Lola: Yep.

Nico: Thank God we cured him quickly!

Me: No shit! But you got to admit though Nico, that armor he had on him was really super badass.

Nico: You're right on that. It looked really awesome.

Eli: It was awesome. But man Lincoln's training really made sure he didn't stand a chance.

Xenia: I know.

Me: Yeah well done buddy!

Lincoln: Thanks J.D. It really came in handy.

Me: It sure did.

Maria: You know he tried to pop your muscles right?

Nico: Is that even possible?

Lincoln: No it isn't. These are all real muscles here. Also yes I know that. My muscles now are as strong as neutronium.

Me: Nice. Yeah that's all the benefits of working out there.

Varie: Yeah.

Me: I was not expecting Scorpius to be there too! But then again he was one of the Power Rangers major enemies that we still had left to face.

Qin: That is true. And that's another one of the Power Rangers major enemies destroyed.

Xenia: Thank goodness.

Me: I think we have all the enemies of the Power Rangers all fully covered. Except for Rita Repulsa and Lord Zedd. They are still at large.

Qin: Well we don't know for sure but yeah.

Nico: We still don't know what Zedd and Rita are planning. Next minion of theirs that we face, we'll interrogate him or her about it.

Me: Good idea.

Laney: Yeah! We'll grill them like a sack of steaks like in those detective books and movies and get the info out of them.

Rarity: Ooh! Grill them Shadow Spade Style. I like the way you think Laney.

Varie: Count me in! I love interrogating suspects like that.

Nico: Yeah!

Nicole: That will be cool.

Nico: Now, what are we getting here?

Nicole: I know it's hot but it's for a good reason. It's called The Sword of Cliodhna, the Celtic Goddess of the Seas.

Nico: WHOA!

Girl Jordan: Wow! That is interesting. Except I was blessed by Ler the Irish God of the Seas.

Nicole: That's right. This is different. This is Cliodhna the Celtic Goddess of The Seas. She like Ler has all the powers over the water in Celtic Myth.

Edwayl: (Breton Accent) That's right lass. It's really amazing she has that power too.

Nico: Wow! That is cool. Where are we gonna find it?

Nicole: You'll see. It's this way.

We followed Nicole and we got to a chamber tunnel and went through it and then the next chamber was mindbogglingly huge! IT WAS A HUGE ROOM WITH A MASSIVE LAKE OF SEARING HOT LAVA!

Nico: WHOA! Look at that lava lake!

Xenia: It's huge!

Nico: GODDAMN, IT'S FUCKING HOT!

Me: NO KIDDING! WHEW! MAN I'M BAKING!

Xenia: YEAH!

Xenia went to sit and then she sat on a rock and then it moved!

Xenia: WHOA!

But then there was a massive rumble!

Nico: What did you do?!

Me: Wait look!

We saw something coming out of the lava lake and then we saw a MASSIVE PALACE OF CRYSTAL AND ROCK AND LAVA COMING OUT OF THE LAKE AND IT WAS HUGE AND AMAZING!

WE GASPED!

It was on an island in the middle of the huge lava lake!

Me: WHOA! Look at that!

Xenia: WOW!

Nicole: WOW! The Palace of Cliodhna!

Qin: WOW!

Me: This is amazing!

Varie: What's our current position?

Me: We're at 74 miles below the surface. Temperature is 1,282˚Fahrenheit.

Nico: Whoa! That is hot! But look at all this!

Me: This is amazing!

Nicole: Yeah!

We went into the palace and it was amazing and well made.

Me: WOW! This is amazing!

Qin: It sure is!

Nico: Look at all this!

Xenia: I can't believe that no one even saw this.

Me: That's because humans can't survive this far under the Earth.

Lana: But this is amazing!

Earth: It sure is! Wow!

Nico: It's scorching hot!

Qin: No kidding!

We arrived in the amazing main room of the palace and it was as hot as a volcano! It had beautiful crystal spires and lava waterfalls in it.

Nico: WOW! This is amazing!

Camie: It sure is! It's amazing that this is down here!

Me: I know.

Nico: Yeah!

Maria: Where's the treasure?

Nico: It should be here.

Me: Wait look!

We saw on an alter a SAPPHIRE CRYSTAL SWORD IMBUED WITH THE POWERS OF WATER AND IT HAD POWER THAT WAS AMAZING!

Nicole: There it is! The Sapphire Sword of Cliodhna! At long last we found it!

Nico: We sure did! Man that is cool that this is down here.

Maria: Who gets it?

Me: Jazz Hooves should get it.

Pipp Petals: (GASP) Oh my glitter that is a great idea!

We called her in.

Jazz Hooves: Wow! Oh man it's so hot here!

Me: Sorry Jazz. But that sword there is perfect for you.

Nico: Yeah!

Nicole: You can do it Jazz.

Jazz Hooves: Alrighty.

Jazz gulped and went over to it and then she went over to the sword and grabbed the handle and then she pulled it out and it glowed!

(ESCAFLOWNE FOX KIDS EXTENDED INTRO SONG PLAYS)

She was enveloped in a powerful vortex of water and underwent a powerful transformation! SHE GREW BLUE ANGEL WINGS AND THE POWER OF WATER FLOWED INTO HER FAST! Her power was stronger and amazing than ever before!

When it was done she was forever changed!

Me: WHOA!

Camie: Incredible!

Me: Wow! Jazz how do you feel?

Jazz Hooves: I feel amazing guys!

Nico: You sure do!

Nicole: I'll say!

BUT THEN…

(LOUD RUMBLE)

Me: UH OH! THAT CAN'T BE GOOD!

Eli: THIS WHOLE PLACE IS GOING TO ERUPT!

Nico: We need to go!

Me: UP THROUGH HERE!

We flew fast and went up a shaft! LAVA WAS FOLLOWING US REALLY FAST!

We saw daylight as we got closer and closer to the top!

Then we flew out through the top of a volcano and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: YEEEHAWWW!

Simone Honou: WAAHOOOOOOOO!

We we were blasted out of a volcano with incredibly unbelievable power and force!

THE VOLCANO WE BLASTED OUT OF WAS MOUNT YASUR IN VANUATU!

We landed on the island!

Me: WHOA!

Nico: THAT WAS EPIC!

Simone Honou: YEAH! It was awesome to be erupted again! Wow! Just like old times with Ms. Frizzle!

Nico: This wasn't a field trip!

Simone Honou: No but it reminded me so much of one.

Qin: That was awesome too!

I looked at the volcano we came out of.

Me: Whoa that's Mount Yasur!

Nicole: Wow! We're on the island of Vanuatu. Hey dad didn't you mention this being the spot where you got your powers?

Me: That's right!

Nico: Cool!

Me: Yeah! This is the very spot where I got my powers guys.

Nico: Wow! So this is it!

Me: Yep. 23 years ago.

Camie: That is cool.

Laney: Boy that is really coincidental. We went through the volcanic shaft that lead up to Mount Yasur.

Nico: No kidding!

Varie: Yeah!

Jazz Hooves: That was awesome though! And I got an amazing sword.

Lola: You sure did.

Pipp Petals: Oh my glitter it looks so amazing for you Jazz.

Jazz Hooves: It sure does.

Nico: You should be proud.

Jazz Hooves: I sure am Nico. That was so fun.

Me: I'll say! WHEW! Man it feels good to be in cool climates.

Nico: It sure does.

I saw that we were covered in ash and volcanic soot.

Me: We're filthy not just from sweat but ash.

Nico: I can see that.

Me: Now I know what it feels like to be blasted out of a Volcano.

Nico: Yeah.

Maria: I'll clean us all off.

She did so.

Me: Ahh. Thanks Maria.

Nico: Yeah.

Maria: No problem.

Lincoln: Okay, guys, we got ourselves a huge emergency, and we're also in for a fierce battle: Twisted Esmerelda has come here, and she's out for blood.

We gasped.

Nico: No doubt it's against Frollo.

Me: Yep. But, we're going to cure her, right?

Lincoln: Yep.

Suddenly, Lincoln's large solid gold halo with four large orbiting gold rings on the corners of the halo began to glow and emanate rainbow light, and then, we saw Lincoln's orange version of He-Man's loincloth, long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings turn from white to gold, and his gold chest harness remained the same. Lincoln transforms into Lincoln, God of The Eternal Wheel of Life.

Eli: It's been a while since we've seen you transform into your God of The Eternal Wheel of Life form.

Lincoln: Yep.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Lori: We heard everything from Lincoln, looks like we got another Twisted Princess to cure.

Me: Yep.

Qin: It's Esmeralda.

Lori: Whoa man!

Allie Knudson: Oh man! Not good guys. This one is gonna be out looking for Frollo.

Helena Nicos: Boy I remember we faced this one on Thanksgiving 2 years ago.

Camie: What happened to this version of her.

Helena Nicos: It's not good.

She told us what happened.

At the moment of the execution of Esmeralda, Quasimodo didn't get free because he felt too guilty on what he had done. Frollo proceeds to light the wood around Esmeralda she was burned alive. Phoebus frees himself from his cage and leads a revolt with the other prisoners against the soldiers. Frollo stabs Phoebus in the back, he died immediately. A figure arose out of the fire. Esmerelda is alive! Frollo rush on her, however, comes Clopin and fled with her in a cloud of smoke. Since that day Frollo chases and execute all gypsies and leads terror throughout Paris. Quasi still felt guilty, he withdrew into his bell tower forever. Nobody knows what happened to him. Esmeralda, mad of sorrow after these many deaths, decides to learn the secrets of sorcery and the handling of fire nearby Clopin. His heart blackened by the day. At the end of her painful apprenticeship, she promises to take revenge: she will torture Frollo in the Hellfire.

When it was done we were shocked!

Camie: That is awful!

Me: Yeah no kidding! Frollo was a nasty blasphemous heretic. He took God's laws into his own hands and killed thousands.

Liam heard a Pokemon cry.

Liam: Hey y'all look here!

We saw a Rapidash and it was hurt.

Liam: Oh a Rapidash and the poor thing.

Nico: It hurt its leg.

Me: Oh.

We went over and healed it up.

Liam: There you go.

Rapidash: Thank you so much.

Liam: Would you like to come with us?

Rapidash: I would be honored.

Liam got on it and it was awesome.

Me: Now we are both Rapidash Riders Liam.

Liam: We sure are.

Lara Laramie: Same with me too.

Nico: It's fitting you should be on a Rapidash.

Liam: Boy it sure is.

Qin: I'll say!

Liam: I think it's amazing myself.

Nico: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his

massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Twisted Esmerelda) AHA! Gotcha! I just spotted Twisted Esmerelda, she's 20 yards away, and she's searching for Frollo.

Nico: Let's head over there at once and cure her.

Lincoln: She needs her soul repaired at once. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and

powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Twisted Esmerelda.

Nico: Lets go find her.

We were flying in the air and Liam was on Rapidash the whole time.

Me: Keep your eyes peeled.

And we saw Twisted Esmerelda.

Me: Target sighted.

Lincoln: There she is, now to get her attention.

Lincoln fired golden energy blasts from his massive gold angel wings and the four large gold orbiting rings on the corner of the halo that hit Twisted Esmerelda, and that made her mad as we landed in front of her.

Twisted Esmerelda: Why… are you here?

Me: You know why we're here: to cure you of the darkness that stains your heart and soul.

Marlene Bedelia: And that's exactly what we came here to do.

Twisted Esmeralda: It's too late now! I'm a monster thanks to that damned Frollo!

Me: Frollo is dead! He got what he deserved and he is now in the Black Gates.

Nico: Yeah! Frollo got what he deserved! He killed thousands.

Qin: What he did makes him nothing more than a ruthless jerk!

Laney: Yeah! He broke every commandment in the good book!

Nico: And you're right. He IS damned!

Ibara Shiozaki: Frollo got what he deserved and he killed so many innocent people.

Qin: He hurt so many people! So much blood was shed because of him!

Lola: And worst of all, Frollo was determined to kill you Esmeralda!

Xenia: Yeah!

Me: What Frollo did to so many people was unforgivable!

Xenia: That's for sure!

Camie: Yeah!

Sakura Knudson: I've always hated that monster and what he did would have been considered as crimes of genocide and evil.

Lola: Yeah!

Varie: He got what he deserved for everything he did. But it's not too late for you to change Esmeralda!

Liam: Lets bring her down!

Rapidash: Right!

Rapidash and Liam charged at her and fired waves of fire and thundersnow and blasted her down!

Akira got out the Iron Sword of the Fury of Iron

Akira: But Esmeralda you helped Quasimodo conquer his fear of being ousted for looking like he did and you are a great friend to him.

Me: Not only that but you made the Festival of Fools one of the funniest times ever in Paris back in the 16th Century. That was awesome.

Laney: We never laughed that hard before.

Akira: Yeah. IRON STYLE: IRON HAMMER BARRAGE!

He fired waves of hammers and blasted her all over.

Cole got out the Sword of The Starfox Power!

Cole: But the way you called Frollo a Fool was absolutely funny! LION STYLE: FOX FURY BLAST!

Allie Knudson: You got that right! Well said Helena.

Ben got out the Big Chill Ice Sword of Kylmyys

Ben: Frollo got what he deserved! And if we could kill him again we would gladly do so again!

Me: And again and again and again just to show how much we hate his fucking guts for everything he did and stands for.

Nico: Well said!

Ben: Yep. BIG CHILL STYLE: ENDOTHERMIC FLAME SPEAR!

He fired a wave of endothermic fire and it formed into an ice spear and it hit her and smashed her down.

Lola: YEAH!

Julie got out the Sword of Ayers Rock.

Julie: What Frollo did makes him worse than any other monster we know.

Nico: He was probably the king of all Disney Villains.

Xenia: Yeah!

Me: I even made a voodoo doll of him. To show my hate of him.

I showed a doll of him. It looked just like him

Me: I tried it out on him and it works.

Nico: Really?

Me: Yep. Years ago actually.

Nico: Oh.

Julie: Wow. AYERS ROCK STYLE: EUCALYPTUS LEAF STORM!

She fired waves of Eucalyptus leaves and blasted her down.

But then the dust from the leaves got on Gwen and she got swollen eyes, lips and face.

Laney: Gwen!? Oh man!

Gwen (Total Drama): (Mumbles)

Laney: Hang on Gwen!

She gave Gwen an Epinephrine shot for Eucalyptus Allergies and cured her.

Gwen (Total Drama): Thanks Laney.

Laney: No problem.

Julie Yamamoto: Sorry Gwen I forgot you were allergic to Eucalyptus.

Gwen: It's okay.

Ruby got out the Ruby Crystal Sword of Remnant

Ruby Rose: But we killed Frollo many times. First J.D. did so when Kairi got that wicked cool Badass outfit from what I heard. The second time during the pre-stages of the War With Xehanort. And Ibara Shiozaki killed him the third time.

Nico: It's true.

Ruby Rose: RUBY STYLE: CRYSTAL MOON BLAST!

She fired a wave of energy and blasted her down.

Musa: This will be a song of fun! SONG STYLE: FURY OF THE SONG!

She fired waves of energy and smashed her down.

Qin: YEAH!

Lola: Take that!

Lucca got out the Fire Sword of Townsville's Protection

Lucca: But it was all fun to go to the festival. FIRE STYLE: FLAMES OF FURY!

She fired waves of fire and blasted Twisted Esmeralda down.

Lucca: YEAH!

Kairi slashed at her!

SLASH!

Kairi: I did that when I was Badass Kairi!

Aqua: YEAH!

Aqua slashed at Twisted Esmeralda.

Aqua: I never got to do that because I was too shy.

Nico: I forgot about that part.

Me: I didn't. It was silly.

Camie: Wow.

Horsea squirted ink and blinded her.

Nico: YEAH!

Lola: All right!

Suddenly, Marlene Bedelia's blue eyes turned neon blue and she was surrounded by a red and yellow energy aura with stars, magic, fire, flames, Alicorns, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Twisted Esmerelda, she left red and yellow energy, stars, magic, fires, flames, Alicorns, phoenixes, and angels with every step.

Marlene Bedelia: What you went through was indeed horrible, the one person to be blamed for it was Frollo, but, you, you need not suffer from the scars of what he did, Esmerelda. I intend to bring you back into the light, and that's exactly what I intend to do.

We were truly amazed by Marlene Bedelia's Super Angel-Forgiveness Alicorn Princess-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Twisted Esmerelda saw it, she went mad and ran at her to kill her, but Marlene Bedelia fired a massive barrage of red and yellow energy, stars, magic, fire, flames, phoenixes, and angels which hit Twisted Esmerelda and sent her flying to a wall, she got back up, but now, she was even more enraged.

Marlene Bedelia: (Divine Echoing Godly Voice of The Harmony Forgiveness Inferno Firestorm Sun Alicorn Princess Phoenix God Angel and Divine Cosmic Eternal Harmony Forgiveness Inferno Firestorm Sun Alicorn Princess Phoenix God Angel Love) I'm sorry, Esmerelda, but this needs to be done.

Sunset Shimmer: It's necessary to do so, Marlene, we need to defeat her, that way, Lincoln can cure her.

Suddenly, Sunset Shimmer's jade green eyes turned neon jade green and she was surrounded by a red and yellow energy aura with stars, magic, fire, flames, Alicorns, phoenixes, and angels, she unholstered her massive Sunset Shimmer's Magic Forgiveness Firestorm Phoenix Alicorn Greatsword of The Sun's Forgiveness and Fire Forgiveness Skylander Love, and as she approached Twisted Esmerelda, she left red and yellow energy, stars, magic, fires, flames, Alicorns, phoenixes, and angels with every step.

Sunset Shimmer: Just like Marlene said, what you went through was indeed horrible, the one person to be blamed for it was Frollo, but, you, you need not suffer from the scars of what he did, Esmerelda. I intend to bring you back into the light, and that's exactly what I intend to do.

Suddenly, Sunset Shimmer was surrounded by a massive vortex of red and yellow energy with stars, magic, fire, and flames surrounding the vortex, there are Alicorns, phoenixes, angels, and Sunset Shimmer flying around the vortex, and in the vortex is an orange phoenix with blue eyes gazing at Twisted Esmerelda: the blue eyes of salvation.

Me: WHOA!

Nico: Looks like Sunset Shimmer's not going to be a bystander in this!

Lincoln: Nope, she saw her friend transform, it makes sense she also transforms as well.

Then, as the vortex faded, Sunset Shimmer emerged, but she was changed forever.

We were truly amazed by Sunset Shimmer's Super Angel-Forgiveness Alicorn Princess-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Twisted Esmerelda saw it, she went mad and ran at her to kill her, but Sunset Shimmer fired a massive barrage of red and yellow energy, stars, magic, fire, flames, phoenixes, and angels which hit Twisted Esmerelda and sent her flying to a wall, she got back up, but now, she was even more enraged.

Lincoln, Marlene Bedelia, and I went after Twisted Esmerelda, and we fired extremely powerful blasts of rainbow energy, red and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Twisted Esmerelda, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on he and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Marlene Bedelia, Sunset Shimmer, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Twisted Esmerelda even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit her and slashed at her with his dark greatsword, Then, Lincoln, Marlene Bedelia, Sunset Shimmer, and I fired powerful blasts of energy, leaves, plants, and planets at Twisted Esmerelda, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked her and she got badly hurt.

Lincoln fired gold spider silk webs that tied her up, and he chanted a powerful incantation and his large golden halo glowed and the four large orbiting gold rings fired rays of rainbow healing light which hit Twisted Esmerelda and purified her as we saw a black wisp of smoke come out with Frollo's cruel face on it and it was destroyed forever. Everyone cheered wildly as we holstered our weapons and powered down, and Marlene Bedelia's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large red and yellow planets orbiting around her legs, and massive orange angel wings and longer red horn are permanent, and Sunset Shimmer's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer red and yellow streaked tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large red and yellow planets orbiting around her legs, and massive red and yellow angel wings and longer orange horn are permanent.

Suddenly, Marlene Bedelia and Sunset Shimmer felt wobbly and almost fainted, but Lincoln caught them both in his abnormally massive and powerful muscular arms.

Lincoln: Are you and Marlene okay, Sunset Shimmer?

Sunset Shimmer: We're a little dizzy, but otherwise, we're okay, Lincoln.

Me: That was so awesome!

Nico: And I was surprised that you also transformed too, Sunset.

Lincoln: Like I said, it's fair that Sunset transformed to help me and Marlene as well.

Nico: Are you okay now?

Twisted Esmeralda: Yeah I'll be fine.

Me: Good.

Qin: That was awesome though.

Me: Yep. And Lincoln, we know you were the one who launched an investigation into Powell.

Lincoln: I was hoping to keep that a secret, but you're right. After we exposed his crimes two days ago, he was kicked out of the running and he wound up getting multiple warrants issued for his arrest for his crimes. He ran away before the cops could arrest him, but unfortunately for him, I put a tracker on him and I also launched an investigation into him, and I found out he's done a lot of dirty crimes motivated by his racism and extreme hatred towards all heroes and yesterday, many of his allies got arrested thanks to me sending the info to the cops and they also got busted under the law of going against the team, so they are looking at some very heavy prison sentences. Plus, Mom, you and the rest of my sisters aren't going to like who was also arrested.

Lincoln pulled up a video of the arrest yesterday, and among the arrested allies of Powell was another old enemy of the Louds: Vic, former campaign manager of Mayor Davis. When the rest of Lincoln's sisters saw it along with his parents mainly his mom, their faces turned red, and then… !

TRAIN WHISTLE!

STEAM WHISTLED OUT OF THEIR EARS AND THEY SWORE LIKE SAILORS AND BLURTED OUT DEATH THREATS AGAINST HIM!

Fluttershy: Goodness!

Me: Lincoln told me all about what happened with this slimeball, and he had some nerve to humiliate Leni, and his mom was pissed.

Nico: Messing with Mama Loud's children, big mistake!

Lincoln: And look at what Mayor Davis did to him.

Then, we saw the video and we saw that Mayor Davis was pissed at Vic who was cuffed by the cops.

Mayor Davis: I can't believe this! Not only did you turn your back on Michigan and the world, but you're also assisting that racist!

Vic: (Afraid) M-Mayor Davis?

Mayor Davis: I'm so glad Lincoln's investigation also exposed you, you piece of trash! Plus, I've got three reasons as to why I'm firing you. One, your campaign gimmicks are ridiculous, two, you got me into a mess where I went against one of my volunteer interns, and three, you're a big jerk!

Vic tried to justify as he rubbed his sore ear.

Vic: (Mega Afraid) N-n-n-now, I know you're upset, but…

But, Mayor Davis interrupted him.

Mayor Davis: And Team Loud Phoenix Storm are great people who have done great things for the community, the world, and the entire universe. They are great people with kind souls who never let monsters like you run free any longer!

Vic: But, Mayor Davis, they are all a menace, they should all be put to death!

Of course, this pissed off Mayor Davis even more as her face turned red.

Mayor Davis: Well guess what? No more! Your services are no longer required here! I don't need someone as heartless as you for a campaign manager!

She grabs him and hurls him into the police van with the rest of

Powell's supporters.

Mayor Davis: And because of what you did in breaking the President's law, don't expect to be saved ever, and as for your step-daughter and her slimy lizard, they are banned from Gotham Royal York, because I also have tapes of what she and that slimy lizard did in trying to kill Lincoln Loud courtesy of his Guardian Angels. I kept it just in case you finally get arrested for your actions.

Vic: DAMN IT ALL!

Mayor Davis: Your step-daughter and her slimy lizard have already been kicked out of the town, and let me give you a warning, if I ever see you around here again, I'm gonna knock your block off so hard you'll have to eat through a tube! Now get out!"

Vic: But…

Mayor Davis: Get him out of here!

Vic: YOU FUCKING BITCH! Fine! But good luck finding someone else for the next re-election! And by the way, I'd change my usual wardrobe if I were you. Seriously, pink? You look like a Malibu Betty doll!

THEN… !

POW!

Vic gets socked with a spring loaded boxing glove, courtesy of Mayor Davis holding a trick boxing glove box.

Mayor Davis: (Chuckles) Thank you, Luan, for giving me this on my birthday.

The police car took Powell's supporters and Vic away to face judgement.

Me: Nice one!

Eli: What a jerk, he deserves it. So, what happened to them?

Lincoln: Thanks to the evidence I gathered and gave to the court, Vic and all of Powell's racist supporters were found guilty and all of them got multiple life sentences without parole, and I also cursed them with Eternal Life without Eternal Youth.

Nico: I hope you give Powell the nastiest curse that you can create when we go after him, Lincoln!

LINCOLN'S GUARDIAN ANGELS GASPED IN HORROR!

Selene Arcangela: (MEGA AFRAID) T-the nastiest curse?! Nico, there is one curse that fits the criteria: it's known as… (GULPS)

Lincoln's Guardian Angels: LUCIFER'S XENOPHOBIC RACIST PUNISHMENT DEATH CURSE! (SCREAMS IN PURE TERROR AND HORROR)

Eli: W-what kind of curse is that?!

Lincoln: (Smirks) You'll find out soon, Eli.

Me: (GULP!)

Nico: That will be cool to see!

Qin: Yep.

Nico: Nice job, Rapidash.

Rapidash: Thanks.

Poromon got out a beer bottle.

Poromon: Want some beer?

Rapidash: Oh no thanks. I can't drink beer. Because…

POP!

The bottle popped open and the beer poured all over Poromon.

Rapidash: My fire mane heats it up and causes it to explode.

Poliwag did puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough. Rapidash already told us why she can't have any.

Poliwag: Oh right. Sorry.

Nico: But keep that curse ready just in case. Because by the time we caught up to Powell, he'll wish he was dead.

Lincoln: Oh he will be dead by the time we use it. You'll see soon.

Nico: Okay then.

Qin: This will be good.

Lola: Yep.

Nico: I just have this feeling we'll be seeing him soon. That's all.

Me: Okay.

Lincoln: Yeah.

Liam: Thanks for letting me ride you.

Rapidash: No problem Liam. It was awesome.

Nico: Yeah. It sure was. But J.D. can you answer me this?

Me: Sure.

Nico: Who was Vic?

Me: Oh that was Vic McGillicuddy. He was the former Campaign manager of Mayor Davis and he was trying to exploit the mayor for his own selfish needs. He cared more about money more than anything.

Nico: Oh man.

Maria: I didn't expect that from the Mayor.

Me: I know and he called us menaces too. And demanded we be put to death.

Eli: What a JERK!

Xenia: YEAH!

Nico: Powell called us menaces too.

Me: Don't worry Nico. For that little remark the governor had terminated his campaign and disqualified him from the election. Mayor Davis won by default.

Xenia: Nice!

Me: Yep. And also because he broke the President's law, he's now a wanted fugitive.

Qin: Awesome!

Me: And what he did makes him a traitor to the country and the world.

Animated Bumblebee: Don't forget he kicked Sari out of Sumdac Tower

Me: We'll make sure he pays for that too.

Camie: Big time.

Qin: Yeah.

Sunny Starscout: I agree there.

Sari Sumdac: Let me knock him out. He knows I've wanted to do that for a long time

Nico: That we can do.

Lincoln: And I'll help out too Sari.

Me: Go for it guys.

Camie: They do say that Karma's a bitch.

Nico: Luan, did you really give the Mayor that box?

Luan: Yes I did and she found good times to use it.

Me: Very clever and yes I remember that. So awesome.

Laney: It sure is.

Nico: I didn't expect her to use it.

Me: Me neither. Still cool though.

Qin: It sure was.

Camie: Yep.

Laney: That was still funny though.

Horsea: It sure was!

Me: Vic had it coming. Squareheaded jerk!

Lola: No kidding! I HATED THAT FREAK!

Xenia: Yeah me too!

Laney: Hope he lost all his teeth from that punch.

Camie: Yeah me too.

Poromon: He had it coming.

Nico: He sure did.

Liam: That varmint had it coming.

Nico: Are you gonna ride on Rapidash the whole time?

Liam: Not the whole time. But only when riding is involved.

Nico: Good idea.

Lola: Yeah.

Me: Now time for the main fun. The Anothers.

Eli: (Concentrates) Whoa! We got Lucas Lee, Richard Buckner, Evil Mayor Adam West, Envy Adams, Catalyst (Miraculous) and Shellshock (Miraculous), Absorbing Man, Dark Cupid, Sammy K Ferret, Teensy and D.A.V.E.

Meg: I like the sound of that!

Nico: Yep.

Poliwag: This is gonna be awesome!

Eli: I sense that the Anothers minus Lucas Lee are 2 people.

Me: Nice!

Night Glider: Yeah this will be awesome.

Then Night Glider's cutie mark was glowing. That means only one thing.

Nina Night Glider: Friendly and Hostile Both. You'll see why.

Me: Wow.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: We don't have to wait long!

We saw ANOTHER LUCAS LEE!

Nico: WHOA!

Me: This will be good!

Another Lucas Lee: (In a girls voice) Better be ready crybabies!

She reverted back and split into six figures. They were the Embodiments of THE MEAN 6!

Abigail Mean Applejack: Abigail Mean Applejack!

Francine Mean Fluttershy: Francine Mean Fluttershy!

Rhonda Mean Rarity: Rhonda Mean Rarity!

She was about to go up to the Mean Applejack Embodiment and punch her but Applejack stopped her.

Nico: You're not bad like them, right?

Talia Mean Twilight Sparkle: If we were we would want to kill you.

Francine Mean Fluttershy: But we will rip your tongues out and lick your asses with them!

Me: Cute mouth of yours. Last time I saw a mouth like that it had a fish hook in it.

They used the powers of Lucas Lee, Richard Buckner, Evil Mayor Adam West, Envy Adams, Catalyst (Miraculous) and Shellshock (Miraculous) and blasted the another all over.

Then Cyberdark Keel, Evil Neyla, Cyberdark Edge, Cyberdark Horn, Cyberdark Cannon and Cyberdark Claw came.

Me: WHOA! The Cyberdark Monsters!

Nico: Awesome! Nice Team!

Lola: Yeah!

Cyberdark Keel: Thanks Nico.

Cyberdark Edge: That's right.

Slash Beast: (In a girls voice) This will be fun.

Nico: Selma Slash!? Whoa!

Selma Slash: Yep. Awesome to see you again Nico. I got this.

She slashed the Another and I caught the ridewatch and purified it.

Me: Awesome!

Selma reverted back and was a girl with bronw hair and red eyes and had brown angel wings and had a wolverine in front of claw slash marks in the middle of her forehead and she was wearing a brown bikini. And she had metal Wolverine Claws coming out of her knuckles.

Selma Slash: That was cool though.

Me: Yep. Whoa nice claws.

Selma Slash: Oh these? Thanks

Wolverine: Nice. Just like Slash Man.

Selma Slash: Yep. And you Wolverine. You're my hero. My powers are the same as yours.

Nico: No thank goodness.

Me: Yeah.

Squilliam: Do you have any favorite memories of Nico?

Selma Slash: When me and Nico went into my family's meat factory and slashed and smashed a meat monster there.

Qin: Whoa! I remember that.

Me: That is cool.

Selma Slash: It sure was.

Nico: Yep.

Nico and Selma hugged.

Nico: I've missed you.

Selma Slash: Same here.

Rarity: Lets get you some good clothes darling.

The Fashion brigade gave her an awesome brown outfit and it was awesome.

Selma Slash: Awesome outfit! Thanks.

Maria: You're welcome.

We went back home.

Lincoln: Wow, looks like my rescue's taking place in the east of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we are in for one brutal fight: Bad Thug, the Akuma of Clyde, is running loose and causing havoc, so we are going to take that Grade A Sociopathic Jerk down and send him to The Masters of Evil.

Me: Oh God, so now, we're dealing with the hypothetical Akuma of Clyde, this is going to get messy.

Nico: No fooling. So, what's his story?

Me: He was created when Clyde imagined himself as a grade A Thug kid after Lincoln failed school, stemming from when Ms. DiMartino subbed for Mrs. Johnson.

Eli: Thanks to that mechanical bull incident.

Stewie: That's still really painful though.

Lincoln: Yeah, that put her in the hospital for a month. Anyways, we better get after Clyde's Akuma form and fast. (SENSED A REALLY MASSIVE ENERGY SIGNAL) And I know who we're running into.

Suddenly, we saw a very beautiful and super sexy girl with long black hair and red headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has an Omega symbol and the Seven Dragon Balls on her forehead, she has massive and beautiful black angel wings, she's dressed in a black sleeveless crop top, necklace with red heart gem for the pendant, black sleeveless gloves, black skirt, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic magic, demons, dragons, zombies, phoenixes, and angels on the coattails and on the back is the Omega symbol with the Seven Dragon Balls and The Seven Shadow Dragons and the Morrigan, holstered on her back is a massive fire greatsword with seven replicas of the Seven Dragon Balls embedded in it and angel runes etched on the 7'9" massive, wide, double-edged orange and yellow blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the nine girls.

Lincoln: (GASPS) Sabrina Morrigan, Avatar of Omega Shenron and Daughter of The Morrigan, The Celtic Goddess of War.

Sabrina Morrigan: That's right, and I got the girls away from Clyde's Akuma form, and he's on another of his rampages again.

?: I'M GONNA BEAT YOU ALL UP AND LEAVE YOU ALL FOR DEAD!

We then saw Clyde's Akuma, Bad Thug, heading this way, and he was out for blood.

Lincoln: You know what, compared to Clyde, you are nothing. All you are is just a sociopath and a Grade A thug who enjoys hurting innocent people all for your own selfish amusement and wanting to see everyone suffer! I will never ever forgive someone like you, (RAINBOW ENERGY AURA FLARES UP EXTREMELY AND MUSCLES BULGE) I'M GOING TO BEAT YOU INTO A BLOODY STAIN!

Lincoln went at Bad Thug, and they seriously got into a massive fight as Lincoln punched and kicked Bad Thug all over the place, and he broke both of Bad Thug's arms and legs and he also smashed his left fist hard into Bad Thug's face and his right fist into his stomach! Then, they wound up getting consumed in a massive fight cloud!

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS! WHIP CRACK! SMACK! BANG!

BLARGA FLARGA!

Nico: OH SHIT!

Me: DAMN! NOW, THAT'S BRUTAL!

Lincoln: EAT BOOT, BASTARD!

Lincoln kicked Bad Thug out of the fight cloud, and he's already bleeding and badly bruised and he let out a loud scream of rage.

Then, Lincoln fired waves of ladybugs and red fire which hit Bad Thug and knocked him down and he was tied up and thrown to Vypra. We cheered as we holstered our weapons and powered down.

Lincoln: That's another of my Akumatized friends down, and we now got the Akumatized forms of Mom and Dad to go. (To Sabrina Morrigan) And it's so good to see you again, Sabrina.

Sabrina Morrigan: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Sabrina Morrigan as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Sabrina Morrigan was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Sabrina Morrigan: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Sabrina Morrigan and he hugged her, and Sabrina Morrigan is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sabrina Morrigan: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Sabrina Morrigan, Avatar of Omega Shenron and Daughter of The Morrigan, The Celtic Goddess of War, she's Lincoln's Guardian Angel from Ireland and she's an extremely powerful Angel of Darkness with extremely incredible and massively powerful powers over darkness, dark magic, black magic, Satanic Magic, summoning demons, bringing the dead back, and summoning zombies and creatures of the damned, powerful black magic arts and dark magic arts, along with being born with midnight black angel wings, and just like Orla Omega Shenron, Sabrina Morrigan has all the powers and abilities of all of the Shadow Dragons, and not only that but she is also the Avatar of all 12,450+ Duel Monster Cards, 25,000+ Magic The Gathering Cards, 1,021+ Pokemon, 1,469+ Digimon, All the Mega Man Robot Masters and Mavericks, Ben 10 Aliens and Skylanders. SHE IS THAT INTENSELY POWERFUL AND IS AS POWERFUL AS 100,000 OMEGA SHENRONS! But, Lincoln's the only person who knows this: that she's The Avatar of Omega Shenron and the daughter of The Celtic Goddess of War, The Morrigan, and she really trained him hard in everything that she knows in warfare and using the powers of darkness. He made her a beautiful necklace and an awesome fire greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Sabrina Morrigan hates Bolhofner with a blazing passion because of what he's done, and she swore that if she ever saw that bad breath smelly unkempt pig, she was gonna wipe him out and leave not a single trace of him in this world!

Me: Just like Lincoln told us yesterday, and we're really amazed at how powerful you are.

Sabrina Morrigan: And I'm just like Orla Omega Shenron in every way.

Orla Omega Shenron: True, I'm the Embodiment of Omega Shenron and Gene-Slammer of all 12,450+ Duel Monster Cards, 25,000+ Magic The Gathering Cards, 1,021+ Pokemon, 1,469+ Digimon, All the Mega Man Robot Masters and Mavericks, Ben 10 Aliens, and the Skylanders, and you're the Avatar of Omega Shenron, the Avatar of all 12,450+ Duel Monster Cards, 25,000+ Magic The Gathering Cards, 1,021+ Pokemon, 1,469+ Digimon, All the Mega Man Robot Masters and Mavericks, Ben 10 Aliens, and the Skylanders, and you're also the Daughter of The Morrigan, The Celtic Goddess of War.

Lincoln: That's right, and you give all villains a reason to be afraid, and now that you're here, Sabrina.

Lincoln went up to and hugged Sabrina Morrigan in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Sabrina Morrigan: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sabrina Morrigan with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Sabrina Morrigan: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sabrina Morrigan, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Sabrina Morrigan's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Sabrina Morrigan had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Ai Sukebe, Ao Iyori, Ikuyo Kitou, Mari Hanamaru, Nonoka Komachi, Renna Amagamine, Shion Amagamine, Shione Harizome, and Yuna Kagaya from Ren'ai x Royale.

Lincoln: Oh wow, it's Ai Sukebe, Ao Iyori, Ikuyo Kitou, Mari Hanamaru, Nonoka Komachi, Renna Amagamine, Shion Amagamine, Shione Harizome, and Yuna Kagaya from Ren'ai x Royale.

Nicole: Thank goodness Sabrina got them away from that thug.

Lincoln: Just be glad she didn't use the Negative Karma Ball on him or it was going to be a mess. Are you girls okay?

Ai Sukebe: We're okay, thanks to you.

Then, when Ai Sukebe and the other eight girls saw who it was that saved them from Bad Thug, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable

Ai Sukebe: Oh wow, you're Lincoln Loud of Team Loud Phoenix

Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ai Sukebe: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ai Sukebe, Ao Iyori, Ikuyo Kitou, Mari Hanamaru, Nonoka Komachi, Renna Amagamine, Shion Amagamine, Shione Harizome, and Yuna Kagaya with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Bad Thug, the Hypothetical Akuma form of Clyde McBride.

But, when Lincoln showed what he did first in viciously beating him up and then we joined in and beating him down and Lincoln firing waves of red fire and ladybugs at him that took him down and sent her to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Sabrina

Morrigan have a lot of catching up to do, now that she's back in town.

Maria: Man, you guys sure had a brutal time taking down Clyde's hypothetical Akuma form.

Lincoln: That thug really put up a brutal fight.

Nico: No fooling, but you really beat him up badly, Lincoln.

Me: That was still awesome, and tomorrow, the next Hypothetical Akuma villains we're going after are for Mr. Lynn and Ms. Rita, which means we're gonna be in for double trouble.

---

After we took down Bad Thug, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sabrina Morrigan saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sabrina Morrigan: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Sabrina, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Sabrina Morrigan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Sabrina Morrigan: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Becky Long: Oh, and I did a complete scan of Lincoln: and we found something astonishing.

Becky Long typed on her keyboard, and it projected a 3D image of Lincoln's skeleton, and what we saw was beyond astonishing: we saw that his skeleton has become permanently metallic and cybernetic.

Ramona Long: It's from the futuristic nanomachines and nanites in the muscle growth serum Becky made for him before he and Demona had their final showdown with that fuckweed, Dustin Keystone. Plus, it's not just his skeleton, but all of his muscles and organs were also infused with the futuristic nanomachines and nanites and they not only gave his powers and already excessively high superhuman physical and mental abilities an infinite-fold increase, but he also has an infinite-fold increase in his technopathic powers and abilities as well.

Me: WHOA!

Cyborg Lincoln: (Through Lincoln's rainbow Thunderbird and rainbow animals on his forehead) I was amazed myself.

Lincoln 2, Lincoln 3, Lincoln 4, and Lincoln 5: (Through Lincoln's rainbow Thunderbird and rainbow animals on his forehead) Same here.

Nico: So, if anyone dared to punch you hard on any part of your body…

Lincoln: They wind up breaking their hands even more or worse disintegrating their arms to broken bones and gore.

Luna: Yuck.

Becky Long: Plus, with all of the muscle growth serums and super soldier serum you've also consumed along with Lilith Balthazar's Devil's Brew, along with you draining thugs dry of their massive muscle mass, virility, and massive physical strength, even absorbing thugs and villains, and with sucking the Stankcos dry of their massive muscle mass, virility, and massive physical strength with that Min's Egyptian Virility Drain curse and working out like crazy, you're continuing to grow even stronger still.

Elsa Long: Same with all of you as well. Plus, we already know Varie and May gave J.D. and Nico Lilith Balthazar's Devil's Brew.

May: We couldn't resist, and they not only grew even stronger, but Nico became even more passionate with us as well.

Varie: Same with J.D.

Nico and I had deep atomic red blushes on our faces.

We got a shower, and then, Lincoln, Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hiller are heading to Orange Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hiller are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hiller all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Tiffany Fluffit: Wow, so this is Orange Ocean. It sure is beautiful.

Lincoln: It sure is, Tiffany, and it's perfect for our first date. Shall we?

Lincoln, Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hiller dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hillergot an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hiller and they hugged the girls in their abnormally massive and powerful muscular arms and Tiffany Fluffit, Simulator Miku

Hatsune, Astrid Bjorklundson, and Jesse Hiller placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hiller as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hiller with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hiller are in your harem, Linky.

Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hiller showed the marks Lincoln made on the right sides of their necks.

TLPS Mr. Wolf: I was quite surprised when Lincoln and Tiffany first met, but then, the sparks flew when they had their first date.

Rita: And I was stunned to find out Astrid and Jesse also had feelings for Lincoln as well, wow.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Tiffany Fluffit, Simulator Miku Hatsune, Astrid Bjorklundson, and Jesse Hiller, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

Alright, here's the scene that'll lead to Althea Iridiana, Gene-Slammer of Weather Painter Rainbow and Lincoln VS. the feral animal Packing Day version of J.D.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: It's Sand Kingdom for round 2

Me: Awesome!

Nicole: That means you're going to battle Harriet of the Broodals for this one.

Nico: Yep.

Yumi: Me and Marceline will go with.

Nico: Okay.

They went in and it activated and they were at SAND KINGDOM for round 2.

Nico: Awesome!

Yumi: Better than the heat of a volcano.

Nico: Any tips Nicole?

Nicole: (On the radio) Well Harriet is going to be on the Inverted Pyramid. I'll tell you how to deal with her when you get there.

Nico: Okay. The Embodiment and gene-slammer will probably meet us there. Lets go!

They were off.

Yumi: Wasn't there already a boss for this?

NIcole: Yes but this level has 2 bosses.

Yumi: Oh.

They got to the pyramid and then out came the Broodal Ship and jumping down and landing in the middle the arena on the pyramid was HARRIET!

Harriet: HOWDY Y'ALL!

Nico: Well hello Harriet!

Harriet: Did ya'll really think you were done with bosses here? Fat chance!

Nico: Well we do love a good challenge.

Yumi: That's right!

Nicole: Okay you got to blast her hair mace balls back at her.

Nico: Okay then. Lets go!

Nico: (gets out Lucas Lee and Baroness Von Bon Bon Ridewatches) This candy has a bad attitude!

He activated them and fired waves of candy and blasted her all over.

Nico: Take that!

?: (Echoing) LIGHTNING PAW!

Gatomon flew in and slashed Harriet all over with her claws!

Nico: Gatomon!?

Gatomon: Not the one you know.

Nico: Gaia Gato!? WHOA!

Then a figure flew in and it was a girl with aqua blue hair, blue eyes, blue clothes and blue angel wings and she had a tiara with the symbol of Splash Woman in it.

Sophia Splash: Sophia Splash, Embodiment of Splash Woman.

Yumi: Sophia! Wow!

Marceline: Awesome to see you again!

Sophia Splash: Awesome to see you too Yumi and Marceline. Its been a while.

Yumi: It sure has.

Yumi and Marceline blasted Harriet all over with darkness.

Nico: YEAH!

Sophia Splash fired Laser Trident blasts and blasted them all over.

Harriet: Oh I'll get y'all for that!

Nico: We'll see about that!

They fired waves of energy and the blasts hit her and sent her flying far!

They got more Power Moons!

Nico: YEAH!

They high five

Gaia Gato reverted back and was a girl with purple hair and blue eyes and had purple clothes and had purple angel wings and had a symbol for Gatomon in the middle of her forehead amd on her skirt.

Gaia Gato: Now that was fun!

Sophia Splash: Yeah!

Nico: How did you meet Yumi and Marceline?

Sophia Splash: I met Yumi on one of her battles with XANA and it was when it possessed the nurse and it was brutal.

Nico: WHOA!

Sophia Splash: Yeah. Also I met Marceline in Ooo and helped her battle Aster. I beat the living crap out of him for being a jerk.

Nico: Nice.

Gaia Gato: Yeah.

Yumi: Do you have any favorite memories of Nico?

Gaia Gato: Just where me and Nico destroyed a rival cannery of my family's company that was bad.

Nico: Yep.

Marceline: Cool.

Gaia Gato: Yeah.

They hugged.

Nico: I've missed you.

Gaia Gato: Same here.

Nico: Would you both like to join the team?

Sophia Splash: We would be honored.

They left the simulator and we cheered wildly.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Mama Krabs heard something.

Mama Krabs: Does anyone hear that?

Me: Oh Rainbow Dash, Luna, Lincoln and the mascots are down outside having a paintball match.

Nico: Oh.

* * *

KRASPLAT!

WHAT A MESS!

The mascots got blasted all over with rainbow paint!

Poromon: You'll never take us alive!

Lincoln: We'll see about that!

Luna: Yeah dudes!

Rainbow Dash: And it will be awesome!

They splattered the mascots left and right!

SPLAT SPLAT SPLAT SPLAT!

WHAT A MESS!

Daphne Sewer Rat Lorrington: I hope they're not making a mess

Me: Well lets make sure they didn't.

Nico: Good idea.

We went to see.

Hoppip shot paintballs and they dodged them.

Lincoln fired waves of paintballs!

KRASPLAT!

Rainbow Dash splattered them all over!

KRASPLAT! SPLAT SPLAT SPLAT!

We got outside and saw the area A TOTAL MESS!

Rainbow Dash, Luna and Lincoln drenched the mascots all over with paint!

Qin: WHOA!

Me: What a mess!

Lincoln: But we won!

Blast Off: You guys better not get any paint inside!

Maria: Don't worry the paint comes off.

She splashed the whole place with water and it came off clean as a whistle.

Fireflight: Hoppip joined in too?!

Hoppip: It was fun!

Rainbow Dash: Yeah no one got hurt.

Me: That's a good thing but man you guys had fun.

Nico: (LAUGHS) You sure did.

Toad Man: Next time, more mascots should join in

Nico: Good idea.

Rainbow Dash: But it was awesome.

Qin: Yep.

We went back inside.

Poromon: We'll get you guys next time!

Qin: Bring it on!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Squillia Naire, the teenage daughter of Bajillia Naire, and she's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Squillia Naire, the teenage daughter of Bajillia Naire, and she's causing havoc.

We gasped.

Tommy: So, now we're facing Bajillia Naire's daughter.

Me: Looks like it.

Lincoln: And we're going to beat her down and send her to Vypra.

Nico: Good idea.

Me: This should be good.

Nico: You said it. Alright, let's head out to meet with Zayto and the team and take down Squilia Naire.

Lincoln: If she won't go without a fight, that's exactly what we'll give her.

Me: Looks like you're going to get your opportunity to interrogate her guys!

Xenia: Yep.

Nico: Lets do it the minute we see her.

Qin: Yeah.

Rarity: Oh we'll gladly do it.

The previous group came.

Brick: Can me, my bros, Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Mummy, and Diabolico go with you guys?

Butch: I can't believe we missed the paintbull gun fight!

Luan: Don't worry guys. I caught the whole thing on film. Sorry I was there to record it all.

Me: Oh no worries Luan.

Butch: But awesome.

Nico: And yes you all can come with. Where is Squillia now?

Lincoln: She's on the planet Mustafar.

Me: WHOA! Now that planet would have been more fitting for yesterday's battle.

Xenia: Yeah it sure would have been.

Anakin: Because we had mine and Obi-Wan's battle there and Ollie was turned to the dark side by force.

Me: Exactly.

Mixmaster: Boss, which Gene Slammer do you think you'll meet next?

Boomer: I hope it's a good one.

Nico: Oh it is. Split Mushroom next.

Qin: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow

fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than the feral animal Packing Day version of me, and that rampaging animal is coming after us to pummel us with snowballs. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to the feral animal Packing Day version of J.D., and that rampaging animal is coming to pummel us with snowballs.

We gasped.

Me: Looks like we're now facing the feral animal versions of Team Loud Phoenix Storm. So, what does my feral animal Packing Day version look like?

Lincoln took out his sketchbook and I saw my feral animal Packing Day version, he looked like me, but with long wild unkempt black hair, he had facial stubble on his jawline, he has hair on his forearms, he was extremely muscular with abnormally massive and powerful upper and lower body muscles and eight-pack abs and bulging veins, he has on an orange coat with the sleeves torn off and he has thick chest hair on his massive pecs, he was only dressed in torn orange shorts, and he was on all fours.

Nico: Damn, this version of you looks like a feral wild animal!

Me: No fucking shit!

MONSTROUSLY LOUD BELCH!

Nico: WHOA!

Me: Along with having Lynn's monstrous side when she goes psycho on Packing Day.

Althea Iridiana: Big time. Leave him to me and Lincoln, we'll teach that animal a lesson he'll never forget.

Me: Hold on, Althea, since this is a feral animal version of me, I'm also joining in as well because I know how strong I am.

Lincoln: That's a good idea, J.D.

Nico: Yeah, they're gonna need some extra muscle to deal with that snow monster. Alright, gang, let's go meet up with Zayto and the team and take down Squillia Naire.

Lincoln: And deal another blow to Rita Repulsa and Lord Zedd, and once we get done taking down Squillia Naire, you're next, you rampaging four-legged monstrosity.

Althea Iridiana: We knew this day was coming, but we've been through a lot worse with Lynn on Packing Day, but either way, we're stopping you dead in your tracks.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to meet up with Zayto and the team and take down Squillia Naire and send her to The Masters of Evil, and once we get done with Squillia Naire, Lincoln and Althea Iridiana along with me are going to destroy the feral animal Packing Day version of me.

We went to the ship and we were off too Mustafar

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,547.2: The U.S.S. Valorous Phoenix is en route to the volcanic planet of Mustafar where we're going to battle number 3 of our Cosmic Fury battles, Squillia Naire and we're going to interrogate her and find out more about what Lord Zedd and Rita is up to.

Me: This is gonna be awesome.

Xenia: Yep.

Wolf: Hope you don't mind that I'm using my Wolfen.

Nico: Not at all Wolf.

Fox McCloud: Just like old times huh?

Wolf: It sure is.

Crimson Dynamo: Another hot place. Good thing my armor is heat proof.

Eli: Thank goodness.

Nico: Boy we were in a volcanic temple 74 miles down and now we're going to a volcanic planet.

Me: I know.

Deker: Boy we heard all about that! You guys were literally blasted out of a volcano after you got that treasure! What was that like?

Me: A Massive adrenaline rush! It was awesome!

Nico: Yeah no kidding! We ended up on the island of Vanuatu. We got blasted out through the top of Mount Yasur.

Xenia: That was awesome!

Deker: Wow! No kidding! Also wasn't that the spot you mentioned where you got your powers J.D.?

Me: The very same one. And it was awesome.

We landed and we were on the Volcanic planet Mustafar.

Me: Mustafar. Every Jedi's WORST Nightmare.

Eli: Yep. Known Throughout the Galaxy as the Jedi Graveyard.

Sixshot: Anyone Sweating yet?

Me: Nope.

Billy Numerous: Why is it called that? So far, it's only known for Anakin fighting Obi Wan.

Eli: Because this is the very spot where Jedi go to die. I read about that.

Xenia: He's right.

Billy Numerous: I guess that does make sense.

Camie: Yeah.

Commando Man: Keep an eye out for anything suspicious

Eli: Like them!

We saw BATLINGS, CYCLOBOTS, PUTRIDS AND KELZAKS COMING!

Nico: Whoa! Batlings, Cyclobots, Putrids and Kelzaks!

Erica Haddock: Now you're talking! Lemme at em!

Qin: Erica is sure excited!

Nico: GO GET THEM!

Erica went at them and bashed, kicked and pulverized numerous Batlings and Cyclobots left and right and the body count of them was piling up!

Eli: GO ERICA!

Nico: YEAH!

Xenia: YEAH! GO!

Sakura Knudson: Wow! She is good!

Me: During one of our usual battles she took out an entire army of Batlings and one of the Lightspeed Rescue Rangers monsters all by herself.

Carter: It's true. That was awesome.

Nico: Yep.

Carter: Lets get in there and help out!

Wes: You got it.

Carter: Lightspeed Rescue!

Wes: Time for Time Force!

They transformed and were ready!

Nico: YEAH!

Poromon got on a slingshot and fired and he bashed numerous Cyclotrons all over!

BAM BLAM BAM SMASH WHAM WHOMP BIFF CRACK POW WHAM!

Erica was REALLY TEARING THEM APART!

Sakura Knudson: WHOA! GO ERICA!

Me: YEAH!

I pulled out some popcorn.

Me: Popcorn sis?

Sakura Knudson: Sure.

She got some.

RD Lori: Can we literally play too?!

Erica: SURE! I can't hog ALL the fun!

We went at them and bashed and pulverized the Batlings and Cyclobots all over! We blasted them and pulverized them left and right! NUMEROUS FIERY EXPLOSIONS BLASTED OFF ALL

OVER!

KRABBBBBBBBBOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOMMM!
KRABBBBBBBOOOOOOMMMM!
KRABBBBBOOOOOOOOMMMM!

Nico: YEAH!

We blasted them all over

Mummy used his bandages and tied the footsoldiers up and threw them into the lava!

Xenia: Nice one!

Eli: She's in there!

We saw Lord Vader's Fortress Castle.

WE GASPED!

Me: Darth Vader's castle fortress.

Diabolico: I can't believe I had to destroy my own Foot Soldiers!

Me: These were summoned by Squillia Naire.

Nico: Yeah.

We arrived at the fortress.

Nico: Here we are.

Me: (GULP) Scary place.

Nico: Yeah.

We saw a scanner lock.

Nico: There's a scanner lock. Anakin I think it might still recognize you.

RD Luan: Look on the bright side. If it doesn't, you can FORCE it open!

WE LAUGHED!

Me: (LAUGHS) Hey that was a good one. But yeah.

Anakin went over to the door and it scanned him and opened.

Me: It still works.

Anakin: Nice.

Me: Turning to the Dark Side proved to be helpful in some way.

Anakin: Yeah.

We went in.

Deker: Don't let it get to your head. Turning to the Dark Side was the worst thing to happen to you.

Anakin: Yes it was.

Qin: At least Palpatine is dead. Permanently.

Xenia: Thank goodness.

Camie: Yeah.

We got to the end of a hall and saw her. In a big room we saw SQUILLIA NAIRE!

Marie Kanker Loud: Is that her?

Me: Yep.

Nico: Entrance time people.

We went at her.

Squillia was texting and then the spirits of the Rangers came and then swirled around her and then they converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above her and then a phoenix cry was heard and then Mummy's bandages flew out and tied her up and we tied her to a chair!

Squillia Naire: What the!?

A light shined on her and out came Rarity in Detective clothes, Varie, Numbuh 2 and me in Detective clothes.

Me: Okay Squillia Naire. We just want to ask you a few questions. And you're going to answer them truthfully! UNDERSTAND!?

Squillia Naire: I'm texting here!

Shiva: Put down your phone while we're interrogating you!

I grabbed it.

Me: Now we got some questions!

Rarity: We want to know! What is it that Rita Repulsa and Lord Zedd are planning!?

Me: I would start talking little missy!

Squillia Naire: You usually don't do this sort of thing with my kind!

Mandy: She's right. Power Rangers don't usually do this sort of thing.

Me: (Voiceover) I could tell this girl had a lot on her mind if she was dodging the question. So we decided to implement other methods to make her squeal.

Rarity: Oh so you are not talking missy. Well then are you aware that they are planning something big! And it involves Lord Zedd becoming a bomb that could destroy all good if we don't stop him?! ARE YOU AWARE OF THAT!

Squillia Naire: You couldn't wait until after you defeat me?!

Captain Boomerang: Hey, this is so we don't forget!

Me: (Voiceover) Oh she was good. This girl was a really tough nut to crack! But I was going to do something drastic. (Out Loud) How would your friends on social media react to what you were doing with a monster like Lord Zedd and Rita. Hmm?

I typed something and my finger was moving slowly to the send button and just as I was about to press it she squealed.

Squillia Naire: OKAY OKAY OKAY I'LL TALK!

Rarity: Good choice!

Me: We're listening! Is he building a bomb to destroy all good?

Squillia Naire: YES!

Killer Shrike: Wait. Is that Lord Zedd's plan? To use a bomb to destroy all good?

Squillia Naire: IT'S WORSE THAT! He's going to build a bomb to destroy all good across the entire multiverse and he is going to reign supreme over it all!

WE GASPED!

Me: I knew he was going to do something this big!

Squillia Naire: And if that fails, he plans to have his forces destroy Angel Grove!

Nico: That's not surprising. After all, Angel Grove was home to the first team of Power Rangers

Me: And that was back over 30 years ago. He already tried that many times and failed.

Rarity: Very interesting. Lord Zedd is bound to know you squealed.

Me: He didn't turn himself into that bomb did he?

Squillia Naire: No he didn't! He built a bomb like that. He just needs a final component for it. The Omega Multiverse Key.

We gasped!

Shanan: Oh man! That's what this is!

She pulled out a Rainbow Crystal Alien Key!

Shanan: This is the very key that grants travel to the multiverse!

Nico: Where did you get that Shanan?

Shanan: Dad gave it to me for safe keeping.

Nico: We're not gonna let either of those plans happen!

Me: That is for sure.

Nico: Shanan, keep that key with you at all times!

Shanan: Right Nico.

Shanan put it in her pocket. She is not going to let Zedd get it.

Me: Now that the interrogation is done lets dance.

We untied her and got ready to face her.

Squillia Naire: Scuttleworms!

She summoned them.

Me: Nice try!

I fired waves of energy and blasted them all over!

Anakin ignited his lightsaber and the Scuttleworms fired laser blasts and Anakin deflected the blasts with his lightsaber and Eli used his lightsaber and blasted them back.

Nico: We need the Max Solarzord and Time Flyer 1!

Ryan Mitchell: I'm on it!

He and Wes called them.

I fired a Force Blast and blew the Scuttleworms down!

Squillia then summoned NUMEROUS DROIDS!

Me: DROIDS! I didn't expect that!

Ahsoka: Just like old time!

The Jedi ignited their lightsabers and the droids fired blasters and we deflected the blasts back and blasted them down.

We deflected them and blasted them.

Squillia Naire: Zedd stole tthem from an old Seperatist base!

Me: Not surprising!

We blasted them all over and blew them to pieces.

I fired waves of energy and blasted the droids and blew them apart.

Ben turned into Lodestar!

Ben: LODESTAR!

He fired magnetic energy and crushed the droids into one ball!

Nico: YEAH!

Commander Rex fired his blaster and blasted the Droids all over.

Xenia: Take that!

Xenia fired arrows and blasted them.
